JOHNSTON'S

DETROIT CITY DIRECTORY

AND

Advertising Gazetteer of Michigan.

PUBLISHED ANNUALLY BY JAMES DALE JOHNSTON.

DETROIT:
PRINTED BY FISHER, FLEMING & Co.
No. 52 Shelby Street.
1857.

FISHER, FLEMING & CO., PRINTERS.

The Publisher of the **DIRECTORY** takes occasion to acknowledge the ability, as Printers, of Messrs. FISHER, FLEMING & Co. This Work, if critically examined, reflects their artistic merits as with a sunbeam. Their gentlemanly and obliging business reciprocations demand his acknowledgments. To every personal friend he most cordially recommends the Messrs. FISHER, FLEMING & Co. as expert, courteous, able, and honorable.

JAMES D. JOHNSTON.

PRINTING OFFICE, 52 Shelby St., Sept. 24th, 1857.

Entered according to Act of Congress, in the year 1857, by

JAMES DALE JOHNSTON,

In the Office of the District Court of the United States, for the District of Michigan.

The United States Building.

We are gratified in observing the steady progress of this magnificent building. We found our valued friend, Alderman WILLIAM DYSON, superintendent of the carpenter work; and Mr. THOMAS FAIRBAIRN, the superintendent of the mason work;—both very important responsibilities. The several incumbents of the respective offices intended to receive accommodation in the building may expect its completion, we understand, about the close of the year 1859.

Everybody Returns to Detroit.

We notice amongst other distinguished returns to our City, our friend Hon. JOHN N. INGERSOLL, whilom publisher, and a popular *litterateur*. Also, our good friend CHARLES KEELER, who, for many years, assisted in clothing our elegantly attired citizens, amongst them the Editor of the **DIRECTORY**. Those gentlemen are about starting new businesses.

How Truly Democratic are we!--Ex-Secretary McClelland.

Here, in Detroit, we have our late Secretary of the Interior—an office equivalent to "The Home Secretary" in England—toiling again in the discharge of his duties as practicing attorney and counselor. His office is adjoining the Farmers' and Mechanics' Bank, on Woodward Avenue.

DEDICATORY.

TO THE

Hon. C. W. Hyde, Mayor of Detroit:

SIR,—*The vigorous and indefatigable attention you have manifested in your efforts to accomplish the passage of our New Municipal Charter into the Law of the State, as well as the unwearying efforts you displayed in convening Extraordinary Sessions of the Common Council, with a view of promptly accomplishing many Improvements of Great Local Benefit, deserves the Expressed Approbation of our Citizens generally. Accept my Personal Acknowledgments, in the only immediate Form in which I have the opportunity to present them, in the Respectful Dedication of this Work, which contains the Amended Charter of the City of Detroit.*

J. D. JOHNSTON.

P R E F A C E .

As a general fact, all prefaces are absurdities, even to works of Historical, Scientifical, or Philosophical merits. A preface to a Directory or Gazetteer, is, from the nature of things, supremely ridiculous. But as the majority of our legion of friends will set more value upon a wordy preface, than should attach to the collated facts, and other laborious details of the **DIRECTORY**, we slacken rein and write them one.

Accepting the gentlemanly expressed invitation of Mr. W. H. **RUSSELL**, of the **RUSSELL HOUSE**, to feel at home in our excursions through that princely Hotel (note relative to which may be found on p. 6), we are happy to direct the guidance of our stranger friends to the dome of this House, from which they will be gratified with a view of the magnitude of Detroit, and discover within the radius of some sixty square miles or more—the semi-radius being in the Queen of England's domain of Canada—many diversified and delightful views. Lest the idea should not occur again, as we continue to write, we would take leave to ask Doctor **RUSSELL**, of the Detroit Ferry Company, whether it would not “pay”—at least our citizens and their hosts of visitors, in enjoyment—by purchasing the Islands above the City, and converting them into Zoological and Pleasure Grounds, to which would constantly run one of his excellent Ferry Boats? The question is addressed, however, to a man of ability to answer it affirmatively, and to realize the whole details, should he feel so disposed. We are content in giving existence and currency to the idea. From the point to which he has been directed, the stranger will readily note the superiority of many of our Public Buildings; and if he should take this **DIRECTORY** in his hand, and refer to its articles and the Street Map of the City it contains, he will be facilitated. He will observe that the eastern and western area is occupied, as it were, by a sectional continuation of villages, the consequence of some owners of farms, both beyond and within the old municipal limits, having withheld those farms from sale, in the, to be sure, perfectly-justifiable anticipation that the earlier settlement of farms adjoining would enhance the value of *their* estates. The irregularities that will frequently present themselves to strangers in regard to closed Streets, will be explained from the same cause.

We would here take occasion to note that to the Real-Estate Firm of the Messrs. **CRANE & WESSON**, the City of Detroit, in the variety of its interests—whether of Real-Estate, Population, Commerce, and Character—is more indebted than to any other personal or organized instrumentality. In fact, when these gentlemen commenced operations in Real-Estate, some fifteen years ago, the City had all its characteristics of an old Franco-Indian village, numbering only a sparse population. Eight years ago, where now stands the magnificent Russell House Hotel on the public square, we well remember a very ordinary wooden public house. All the Hotels of the City—of which there are six or eight first class, the accommodations of which, and their extensive dimensions, not being inferior to the larger Eastern Hotels—have all been built up to their present magnitude since 1851. Within the period of their Land Transactions, the Messrs. **CRANE & WESSON** have necessitated the re-applotment of the City frequently, by their energetic extension of the old limits, in the sale of farm after farm in city lots, to the indispensable accommodation of our mechanics and other citizens of humbler means generally, who, but for these enterprising Real-Estate Dealers, would not have the opportunity of owning a home in Detroit, and no doubt would have sought one in some other City. Within the period referred to, this Company have sold \$3,000,000 worth of property.

While writing on this subject, it would seem that Ex-Governor **WOODBRIDGE** has philanthropically acted under the impression that he is indebted to the rapidly-increasing thousands of Detroit; for in the arrangement of his extensive farm, situated in the western part of the City, he recently donated several Church and School House sites, a Park, and also deeded a fine lot to Woodbridge Fire Company, No. 12. Few, as deeply interested in the prosperity of Detroit, have ever donated a plat of value for public purposes; although there is not an owner of a house and lot settling on their properties, or on farms adjoining, that might not be justly regarded as having placed a considerable amount relatively to the credit of such proprietors in “*the Bank of Public Value*” of Real-Estate.

It is hoped, and expected, of all parties to whom is entrusted for the time the power to accelerate our local prosperity, that they will vigorously exert themselves in the discharge of the obligations they have undertaken for the community. "PROPERTY HAS ITS DUTIES AS WELL AS ITS RIGHTS!"—and the property of the whole Nation, to reason philosophically, belongs to the whole people. This is no Communist sentiment; it is a logical, moral fact.

Already, throughout this work, the Compiler has had the gratification to notice the progress, to almost completion, under the superintendency of Mr. HOUGHTON, of The Detroit Water Works. Reference to the CONTENTS will bring such notices under the eye of the reader.

Our Custom House and Post-Office is progressing, under the superintendence of Messrs. JORDAN & ANDERSON, with as much speed as the nature of such ponderous materials as are being employed in the construction will admit.

We have, on a former occasion, alluded to the necessity of an uniform and respectable line of Docks, and a Dock *Highway*, being much needed. But this will *never* be accomplished so long as the want, and the desired remedy, are addressed to the sympathies of the several private owners. To accomplish this great enterprise—which, to effect the object thoroughly, would probably cost *two millions of dollars*—the Federal, State, and Municipal Executive Governments must be concurrent parties, and private claims to the River Front must necessarily be satisfactorily adjusted.

The Fire Brigade of Detroit—now upwards of 700 men—deserves special notice; and it must be a pride to every good citizen to observe how much the zeal of several Companies has effected, in erecting Engine Houses which are samples of artistic beauty. Nos. 4 and No. 8 are particularly meritorious in this respect.

It is high time some Monumental Remembrancers of the Fathers of our Political Principles, and of the Federal Compact, should be placed in our Public Squares and Parks; and we should be glad to observe His Honor, MAYOR HYDE, take the initiative.

It is to be hoped success will attend the operations of the Port Huron and Milwaukee Railway Company, and the other contemplated northern intersections of the Detroit and Milwaukee Railway, by which more direct travel and transport of merchandise will exist between the remote northern districts of the State and Detroit.

It would be beneficial to all classes of the community—whether they have money to fund or not—if measures were taken to oblige Private Bankers to secure the community with some better guarantee to Depositors than a Banker's character for personal integrity, as, although he may be honest he may yet be indiscreet, and lend too much money at a distance beyond control. From \$200,000 to \$300,000, removed from circulation in a small city of only 75,000 inhabitants, creates a sensible, although but temporary, impediment to the local prosperity.

During no administration of a Mayor and Common Council, within our knowledge, have so many public permanent improvements been effected.

The Board of Education are consistently faithful to the interests of society, in erecting fine Union School Buildings, which constitute at the same time the ornaments of our City, and firm Bulwarks of American Democracy. Mr. I. W. INGERSOLL, we observe, is at present engaged in erecting a splendid School Building in the Sixth Ward.

While it may be justly contended that our Police requires a re-organization, it must at the same time be remembered that every good citizen should hold himself constituted "special" for the general good. It will soon be time, however, to make very decided changes, and establish an organized and efficiently *superintended* Police Force. Where offenders are made amenable, it requires a judicious and efficient discharge of duty on the part of the Police Magistrate; and there is much reason to congratulate the City in having had, during the last term of four years, so efficient an officer as the present incumbent.

We have frequently had occurring to our mind the great aid it would afford, in the efficient police administration of a City so large as Detroit, were an ordinance enacted, rendering it penal for the keepers of every variety of *Lodging House*, to omit a report containing the personal description of every person stopping at such house during the night—a similar penalty being impossible on any such lodger, if he omitted or refused to register such particulars.

We take leave to allude again to the subject of Parks of good size, and susceptible of being laid out into divisions intersected with carriage roads. There should be *three* at least, of from fifty to one hundred acres each. Certainly it would afford us gratification to know our City owned an improved *Hyde Park*.

We ask the indulgence of our friends, and the public generally, who have always generously sustained our undertaking, reminding them that the long interval of a year elapses before we shall again afflict them with a Preface to our next DIRECTORY. In the preparation of the present Work no effort has been left unemployed to produce a book worthy of a generous patronage from a city the growth of which we have witnessed from twenty-five thousand inhabitants.

“ One Half “	12 00
“ Whole “	20 00

Extra charge, as per agreement, for selected pages.

A liberal commission is allowed to advertising agents in all parts of the Union and the Canadas.

Sixth Ward Union School House.

This structure is to be 96 by 62 feet, and the cupola will be 100 feet from the base; a remarkably neat, ornamental, and highly improved plan; the style in bracketed Italian, executed by the Messrs. JORDAN & ANDERSON; contract awarded ISAAC W. INGERSOLL, at \$17,065. The house will occupy a well selected site, having a front of 150 by 200 feet, adjoining Lafayette Park. The building will accommodate upwards of 1000 children. “Educate, Educate—that you may be free!”

Charles Kellogg & Co.

In connection with the New Detroit Water Works, it may be here stated, with some general advantage, that this extensive Foundry firm, Machinists, and Engine builders, have executed a contract with the Works of great importance. The massive entablatures of the frame work of the Engine, weighing ten tons, each casting, together with their massive pillars, have been run from the furnaces of this firm. Mr. A. D. HIGHAM, the partner of Mr. KELLOGG, courteously conducted the Compiler through the several floors of this extensive Foundry and Machine Shop. Mr. HIGHAM seemed to think we possessed some business sagacity when we estimated the value of his floor of patterns at \$10,000. The Steam Tug propeller “Look-Out,” was appointed this season with machinery by this enterprising firm, who probably employ on an average, daily, one hundred and fifty hands. The bustle of every floor indicates a condition of prosperous activity. In fact, this firm is not alone in such driving energy of business. The various businesses along the wharves impress the observer with the bare fact that business transactions of great magnitude are being discharged everywhere.

John Dunham.

We found our friend Mr. DUNHAM, now carrying on his extensive boiler-making business without a partner.

Buchanan & McGregor.

And we found our honest-hearted friend, the President's namesake, now carrying on business under the style of BUCHANAN & MCGREGOR, determined to make boilers that won't collapse under any pressure.

East End Detroit.

We found the eastern end of the city positively outgrowing its wonted prosperity, having now within its embrace the Depots of the Michigan Southern and Northern Indiana Railroad, and the Detroit and Milwaukee Railway; which latter will add much, no doubt, to its business, on interchanging freight with the Port Huron and Lake Superior Railway.

Daguerrean Galleries.

A visit to the splendid Daguerrean Galleries of Detroit will repay in refined pleasure and in improved taste and capacity to appreciate the beautiful. See the advertisements.

H. E. Benson--Wm. Warner & Co.

The extensive Lumber Mills of our respected friends and close neighbors, in their respective operations, on Atwater Street, Mr. H. E. BENSON, and MESSRS. WILLIAM WARNER & Co., we found driving a business which left little time for satisfactory loafing around their atmosphere of efficient industry.

Yes, all these, and many, many more kindred establishments, within our goodly city, toil with a fretting, imperative necessity. True, they are all rich,—yet wealth acquired in this virtuous discharge of duty is hardly a compensation. Such men deserve well the approbation and respect akin to gratitude of the community made prosperous by their presence and investments.

The Russell House.

[SEE ADVERTISEMENT.]

This House, which is in the centre of Detroit, is probably not excelled in accommodations anywhere. Its dining hall is deserving of the epithet "magnificent." There are 240 apartments, altogether, in this princely Hotel; there are 200 dormitories. The entire house is heated, on the MORSE plan, with steam,—and in every department of the house there is an elegance and thoroughness of arrangement entirely consistent with the liberality of its Proprietor, who is thoroughly known to the Michigan, and more distant communities, from his own enterprise, as well as his connection with the widely-known and respected real estate firm of CRANE & WESSON. The latter gentleman and Mr. W. H. RUSSELL are brothers-in-law.

J. & J. Brennan.

[SEE ADVERTISEMENT.]

This firm offer to furnish castings to order of any description.

Dr. Hamilton Bigelow, Oculist.

During the summer, the Publisher of this Directory met a lad of fifteen years of age, suffering from a scald-running at the eyes so badly as to fright away even a benevolent look at him. The case seemed hopeless of cure, as the disease was contracted in the measles many years ago. The lad was sent, however, under my advice, to Dr. BIGELOW, who, in one week, cleared the eyes; and there is a good expectation of a permanent and radical cure. Doctor BIGELOW is eminent, as was his father, as a most successful Oculist; and all who have infirm sight, or whose eyes are in any manner diseased, should not neglect or delay to place themselves under his treatment.

New Branch of Manufacture in Detroit.

We were much surprised to observe the heavy extent that our enterprising friends Messrs. JACKSON & WILEY were engaged in the manufacture of ROLLING MILLS. They last year built the machinery of the Wyandotte Rolling Mills, now in successful operation, and are about completing the ponderous machinery for the extensive establishment for re-rolling Railroad Iron now erecting at Chicago. They have already sent around the lakes to Chicago, nearly two hundred tons of machinery and castings. They are just finishing four large steam engines,—two for Wyandotte, and two for the Chicago Rail Mills. They have one hundred and twenty men at work; and this extensive establishment (a cut of which will be found on the inside of back cover of this Directory), presents a busy scene of industry, by day and night. May every success attend them.

These and other manufacturers are annually adding vastly to the wealth of our beautiful City, and to the increase of its population and enhancing the value of real estate. Many who are proprietors of extensive farms would do well to bestir themselves into doing something to betoken their sense of appreciation of a population, the settlement of which in our midst from the inducements of manufacturing enterprise, has made them millionaires.

The Spirit of the Times.

Our enterprising friend E. S. LEADBEATER has opened a neat and select Refreshment Hall, at No. 67 Jefferson Avenue. He says he don't keep Bears about his premises. Refer to his advertisement for the creature comforts he selects with skillful regard for the wants of sweltering and exhausted humanity.

Detroit Railing Works.

D. G. GLENDINNING, 154 Michigan Avenue, is one of the artisans who contribute much to adorn our delightful City. His Ornamental Iron Verandahs and Railings are now everywhere to be seen throughout Detroit, and in the Cemetery Grounds at Elmwood. Reference is made to his advertisement. Citizens have learned that it is a positive permanent economy to put up Ornamental Iron Railing.

The Western Hotel.

This House is immediately at the Michigan Central and Great Western (Canada Line) Steamboat Landing, and at the Depot of the Michigan Central Railroad. Its proprietor, Col. ALEX. LEADBEATER, is one of our most respected citizens, and his House affords to the traveler solid comfort, security, and attention.

Furnaces--Dudley & Holmes.

Now that we are looking towards the fall season, with a tolerable certainty of the coming winter, it becomes all good housekeepers who have not already provided themselves, to look out for a good furnace for warming the house. Henry Ward Beecher, in his recent graphic letter on Furnaces, and cognate subjects, says: "After trying numerous impracticable inventions for heating, we arranged with Messrs. Richardson & Boynton to put their furnace in the place of the hot air gentleman in black. And to this hour we have been glad of it. A winter and a half on Brooklyn Heights will put any furnace to proof. And we are prepared to defy the north wind, the west, or the boisterous south-west. They may heap winter as high as they please without, we have summer within."

General Cass--A Portrait.

A remarkably fine portrait of the Premier, in a frame eight feet by six, is now finished at Sutton's Fine Art Gallery. It is truly fine and faithful. And in the General's society in the gallery is the portrait of an extremely handsome lady, who probably resides in Detroit. Both pictures are fine specimens of an Art surpassingly in advance of the tedious pencillings of Van Rein, Rembrandt, Michael Angelo, and the rest of the Masters of olden times, and of the modern Masters of the day who copy the styles of antiquity, destined to be exploded with Old Fogysm of every ilk. "Behold, I make all things new!"

James Flower & Brothers.

This firm has been greatly increasing their facilities to meet the demands of an increasing business. Fitters and Plumbers can obtain no advantage in dealing foreign from their establishment. We noticed some \$5,000 worth of patterns, in Plumbers' work alone, at the shop of these energetic and hard-working founders, who, within a few years, will be at the top of the wheel in their line of business. No mistaking the prosperous destiny of such men.

333 Broadway, N. Y.

NEW MUSIC.—HORACE WATERS, 333 Broadway, New York, Music Publisher, and Agent for the sale of Pianos, Melodeons, and Harmoniums, has sent us the following popular piece of music:

"We'll all meet again in the Morning"—Ballad—Words by Henry Clay Preuss; Music by Thos. Baker.

A highly interesting and affecting incident gave rise to the above ballad, affording a genial and extended scope for the conceptive powers of both poet and musician, and that the inspiration received therefrom was of more than an ordinary character, we cite their joint production in witness. The melody is of that natural flowing character so acceptable to our people, and which gives an indescribable effect to the soothing sentiment of the words. It is arranged in the key of two flats. Mr. Baker is well known as the most popular ballad composer in the country, and this present production certainly excels anything we have before seen from his "facile" pen. The following we quote from the title page:

"We'll all meet again in the Morning." It was a beautiful exclamation of a dying child as the red rays of the sunset streamed on him through the window. "Good bye, papa, good bye; mamma has come for me to-night. Don't cry, papa; we'll all meet again in the morning." And the heart of that father grew lighter under its burden, for something assured him that his little angel had gone back to the bosom of him who said, "Suffer little children to come unto me, for of such is the Kingdom of Heaven." Mr. W. forwards Music free of postage, and gives five pieces twenty-five cents each, for \$1.

Mr. WATERS' sales of his superior instruments are as extensive as our expansive and glorious Republic. He is like a good president, he knows no North, no South, no East, no West, in his unrestricted operations of trade. Most cordially do we recommend 333 Broadway to general patronage. See Index to Advertisements.—ED.

G. Grelling & Co.'s Sky-Light Gallery of Fine Arts.

This Daguerrean Gallery of Ambrotypes and Photographs, is well stored with the familiar countenances of our leading citizens. The Company has adopted every modern improvement in taking sun pictures. We have, however, seen as good pictures, we think, elsewhere. There is, however, presumably, no limit to the advancing perfection of the Art, and if any more truthful faces can be typified in a style superior to those produced by Mr. GRELLING, we should like to be favored with the opportunity to boast of their superior excellence. We recommend strangers to pay a visit to this old established Gallery, in Firemen's Hall.

Dry Goods! Dry Goods!! Dry Goods!!!

All indispensable—particularly blankets in the winter season! Alas! alas!! our old venerated merchants are fast crowded out by the impulsive and indomitable young American generation! Where is our old friend Gryham? He has been HYDED out of the field of operations by the lads J. T. & H. S. HYDE, to whom almost everybody runs to be *flayed* alive, by buying large piles of dry goods, all because these young men have gotten a deserved reputation for selling cheap for cash. They seem determined on not following *the old man's* example, who was always known to be very *iron-hearted*,—necessarily so, from his long association with his foundry castings and pig-iron. Still, *his love of the poor man* has twice given him large majorities as Mayor of Detroit, and he stands in good wind yet for another successful race.

Here, again, we have another brace of boys, the FARRELL BROTHERS, whose father we knew in successful business, nearly 4,000 miles from Detroit, twenty years ago. We will wager they will pay 100 cents to They succeed the Bradfords, on Jefferson Ave., with whom our dry goods Prince, ZACK CHANDLER, now the \$1 in twenty years to come, if no calamity befalls them that is not common to dry goods merchants. Member of Congress, took lessons in selling tape, as an unpretending young salesman,—as he is to-day a modest Senator,—about the year we used, as a beardless boy, buy our kid gloves and other rigadoons at the Farrell Hat, Cap, and Furnishing Depot, in the ISLAND OF SAINTS! How times change! Let us prepare for our setting suns, old gentlemen! Our present life is an absorbing covetousness of hard cash; but we can carry nothing away. Read the Pilgrim's Progress, during winter evenings, and be "*Ready to Halt*" only in your amazement at the recklessness of *mere mortals*, in sight of the Celestial Golden Gate.

E. Doyle & Co.

We notice the rapid growth in substantial buildings occupied by our wealthier merchants on Woodward Avenue, north of the Campus Martius. We take occasion to request attention to the advertisement of E. DOYLE & Co., General Grocers, and importers of superior brands of Liquors and Segars, the best Teas of China, Indian and Arabian Spices, &c. Found on page 275.

Detroit Agricultural Warehouse.

The unremitting attention of the firm of D. O. & W. S. PENFIELD, 103 Woodward Avenue, to provide at their warehouse every description of new and improved agricultural implements, together with the rarest and finest seeds, is deserving the appreciation of the farmers of Michigan. They have some *tall* machines—But reader away! if you want. Look up 103 Woodward Avenue, and you will there meet a brace of men, if you can get nothing else to suit you.

The Detroit Water Works.

These magnificent works are being thoroughly and energetically prosecuted by the Superintendent. Mr. HOUGHTON has evidently ambitioned to leave a lasting, indeed, it may be written, an everlasting monument, in these works, of his engineering abilities. The whole Board of Water Commissioners, together with all the officers concerned, have evidently efficiently acquitted themselves of their respective duties as "good and faithful" public servants. It is a noiselessly-developed proof that Boards of Commissioners, when wisely selected for capacity and integrity, will harmoniously accomplish a larger amount of public good than could possibly be derived from the ill-recorded elements usually brought together in the halls of Municipal or State legislation. Still, it would be irrational not to hold all such Commissioners under Constitutional control.

The Water Works Department probably employ, on an average, two hundred men daily, about twenty teams, and expend about \$20,000 per month.

The New Reservoir is 7,200 feet from the River—supplied by 24 inch Pump Main, costing \$70,000. The Reservoir costs \$80,000; the Engine House, \$30,000; the Engine, \$50,000.

When the whole area of the City will have been thoroughly laid with conducting pipe, the Works will have cost the establishment, it is presumed, upwards of a million and a half of dollars; and then, with cheapened Water Rates, and enlarged consumption, the Works will become a great paying Institution.

The credit of the Board of Commissioners has been, it is understood, regarded with great respect by parties from whom it was necessary to obtain loans to carry on the gigantic operations now rapidly advancing to a successful termination.

THE INLET PIPE will extend into the river about one hundred and fifty feet beyond the dock. The river part of the pipe will be boiler iron, and the land part cast iron. The interior diameter of the pipe will be thirty inches. The strainer on the end of the pipe in the river will be in thirty feet depth of water, will be ten feet diameter, and ten feet high, and will be pierced with 20,000 half inch round holes. The pipe and strainer will be protected from anchors by piles, and, for the purpose of preventing the strainer from being covered with sediment, a free passage for the river current will be provided through the lower part of it. From the great length of pipe, and the depth of water in which the strainer is to be placed, it will be seen that the purity of the water can not be deteriorated by the drainage and sewerage from above.

THE ENGINE HOUSE.—Foundations are already completed, and surpass, for stability and permanence, any masonry heretofore constructed in this State. They are laid twelve feet below the surface of the river. The top of the foundation is about seventeen feet above the surface of the river. The brick-work of the Engine House will be twenty-three by forty-six feet outside, and that of the boiler room twenty-seven by fifty-four feet outside. The chimney will be an elegant and chaste structure, instead of being the usual eyesore. It will have a square base twenty-seven feet high, surmounted with an octagon shaft 109 feet in height, including brackets and cornice.

THE BOILERS are to be of the drop return flue variety. Shell seven feet diameter and thirty-one feet long. Flues sixteen and eighteen inches diameter. The boilers are to be covered with brickwork and ashes, to prevent radiation of heat.

THE ENGINE will be a high pressure, expanding condensing engine, and will have two steam cylinders, each twenty-eight inches diameter. The stroke of pistons will be eight feet. The cylinders will be vertical, the connecting rods being keyed at right angles to cranks on the opposite ends of the main shaft. There will be two light fly wheels, each nine feet diameter.

THE PUMPS are arranged for discharging a continuous stream of water in one direction, and equal in velocity. Two hollow plungers, working into each other, and containing double head Cornish valves, will be used. The plungers will be forty-five inches in diameter, and will have a stroke of seventeen inches, and will be worked by cams placed on the main shaft between the two cylinders, which will work saddles that will be connected by rods with the plungers.

In the construction of the engine and pumps, provision will be made for at any moment putting any desired pressure (not exceeding an equivalent of 231 feet head above the surface of the river) upon the entire distribution throughout the City.

The boilers, engine, and pumps, are to be furnished under contract, by Messrs. E. N. DICKERSON, and F. E. SICKLES, of New York, who guarantee that they shall raise 100,000,000 pounds of water, one foot high, for each 100 pounds coal consumed. If this high duty is obtained, of which full confidence is expressed by those who have thoroughly examined the subject, Detroit will have one of the best, if not *the best* pumping engine in the world.

THE PUMP MAIN is already laid,—is of cast iron, twenty-four inches in diameter, and about one and a half miles long.

THE RESERVOIR is built of earth embankments, thirty feet in height. The outer slopes are sodded, and the two basins are lined with brick laid in hydraulic cement on top of a bed of puddle. The Reservoir covers four acres of ground and will hold 9,111,245 United States standard gallons of water.

The Reservoir will be brought into use the coming winter, and all parts of the new works will be brought into operation in the summer of 1858.

We are a Republic of Princes.

Yes, the farmers of America, but more especially of Michigan, are better off, more comfortably clothed, and probably as well furnished in their houses with nice costly articles of Furniture as was "Alfred of England," or "Alexander the Great." The immense stock of fine eastern made furniture always on hand by our good friend, J. W. TILLMAN, 144 Jefferson Avenue, and his facilities and experience in the house-furnishing trade, enable him to compete successfully with any other similar establishment in the West. To attempt an enumeration of the exquisite articles to be found in his Warehouse would be out of the question. See if he has advertised; read his card, and go and call upon him. He sells extensively to retail dealers.

Wire Fence.

We have observed several styles of handsome patterns of Wire Fence, at the Agricultural Warehouse of D. O. & W. S. PENFIELD. They look well in garden enclosures.

J. W. Hodgkin.

Mr. HODGKIN has moved his merchant tailoring establishment, in connection with his business of hat and cap manufacturer, to the old stand of BARNUM & BROTHER, 153 Jefferson avenue, corner of Griswold.

The Plumbers.

With the great increase of building, we observe our friends Mr. JOHN REILY and Mr. JAMES ROSS, are doing a driving business. The latter is just after completing the plumbing work of the extensive block of six new stores on Woodbridge Street, corner of Griswold.

The Painters.

The firm of TRUCKEY & DAVIS, in addition to painting all the fine signs in Detroit, are extensively engaged in the steamboat business. They have this spring painted, ornamented, and gilded, the following ten steamboats: May Queen, Bay City, Arrow, Michigan, Queen City, Lady Elgin, Portsmouth, Illinois, Mineral Rock, General Taylor, besides a fleet of subaltern craft. We are glad to notice our friend D. W. FOSTER largely increasing his business.

The Theatre.

The Metropolitan is greatly improved—so says everybody—under the skillful management of the proprietor, Ed. T. SHERLOCK, Esq. The drama may be made a highly intellectual and refining source of pleasure and education, where the details are regulated with a careful regard to preserve it from the usual and frequently deserved moral censures of a discriminating community. We trust that Mr. SHERLOCK, who has large experience as a manager, will select artists of ability and moral reputation; and in such event, the public will sustain him.

Ship Building.

Amongst our many naval architects, it is pleasurable to notice the superior business expertness of our friend JOSEPH COOPER. We believe he has the business capacity to build a fleet as soundly and as expeditiously "as the next man." He never hesitates to accommodate the public by having his address card in the DIRECTORY. It is evident, he wants to pay his debts, otherwise he would avoid publicity. We are sure that COOPER and STUPINSKY are destined to build tall craft, yet, for the waters of our big Lakes, as well as tall houses in Detroit. Mr. COOPER's shop and residence are at 373 Catherine. He recently removed from west end of the City.

Post Office.

We are requested by many citizens to keep alive the agitation for the establishment of Receiving Offices in different parts of the City. In last year's DIRECTORY, the following note was printed—possibly our present Postmaster may adopt the desired measure of reform. Two letter carriers could be appointed with great convenience, both to the post office itself and the great body of the citizens who avoid the expense of renting boxes:

POST OFFICE DELIVERY OF LETTERS, ETC.—Our excellent Postmaster, Col. BRODHEAD, would promote the convenience of many thousands of our hard-worked mechanics, who do not rent boxes, and upon whose time the tax of being under the necessity of going to the post office, both with and for letters, is greatly felt, if Receiving and Delivery Offices were established by him at or near the following places in the city:

Corner Fort Gratiot and Rivard. Corner Michigan Avenue and Seventh. Corner George St. and Woodward Avenue.

It would seem to be a much desired object to establish the system of "Letter Carrying." The Compiler *knows* this to be the prevailing, and indeed almost universal, wish of the citizens of Detroit.

Composition Roofing.

This roof, it is believed, excels all others for durability, cheapness, and comfort. Where slate is not readily obtainable it is a positive economy to put on this Composition Roofing. Several of the Patent-Right owners of Detroit advertise in this DIRECTORY, which please see. METZ & UPTON's office is moved to over Farmers' and Mechanics' Bank. MESSENGER & SON's office is, as usual, at 34 Woodward ave.

Duncan's Brewery.

Corner of Third and Woodbridge Streets. Decidedly, this splendid building is a credit alike to Detroit as well as to Alderman Wm. C. DUNCAN. We minutely inspected the entire building a few days ago. Its length on Larned Street is 113 feet, with a 70 feet front on Woodbridge Street, including the yet standing old building, which is soon to be pulled down to give place to new masonry. The front on Woodbridge is about 200 feet of very valuable central property, opposite the northern end of the M. C. R. R. Depot. The cellars are most capacious, and well adapted, with double hollow walls. There are four stories above the cellars; the floors are all concrete, upon which there were probably lying, in the condition of barley and malt, not less than 10,000 bushels. The building is erected most substantially, and would defy the ordinary tear and wear of time for hundreds of years. The building cost about \$20,000 in its erection, and reflects great credit upon the builder, Mr. GEO. PERRING. Popular opinion seems to sustain our breweries, of which there are about twenty of all grades in Detroit, as positive necessities.

Numbering the City.

The general wish of the citizens of Detroit it is hoped will not be left unheeded by the Common Council, that the Ordinance relative to Numbering the Houses, will be enforced by the Marshal, or some person specially appointed for such purpose. It should be remembered that every twenty feet front makes a number. It is also important that all persons moving frame buildings should not fail to take off their numbers.

Since writing the foregoing, we notice the Council has appointed Mr. DANIEL MICHAEL to supervise the numbering of the City, and it is hoped he will be appropriated such annual salary by the Common Council as will enable him efficiently to attend to this matter, and furnish returns monthly to the Council where parties omit to have buildings properly numbered.

The Garrison House

Must certainly increase its popularity as a first class hotel under the able management of Mr. GEORGE MILLER, who has established a thoroughly popular name as the landlord of the well kept Howard House during many years. Mr. MILLER's favorite Hotel is the Howard House, of which he is yet proprietor.

The Wool of Michigan--Vagrancy.

It is hoped the Board of Trade will obtain statistics of the quantity shorn and exported. The whole crop is annually shipped east, and thence probably shipped to England. There are two or three miserable attempts to manufacture in the State—the seemingly most successful at Kalamazoo. It is not attempted throughout the State to manufacture cloths of a fine texture. A manufactory established in Detroit could maintain one thousand hands profitably, if looms were but once well started.

It is deplorable to notice the squads of wild and ragged boys who now roam through the city, whose permitted idleness will cause many a sigh to their parents, and whose crimes, as they mature into man's estate, will cost the State many thousands of dollars. Our rich men of property and commerce, are plainly at fault in neglecting to provide employment for these boys and girls, who, during the hours of their fathers' employment in the services of such men, are left without rigid moral control, and become each others' instructors in the lowest and most degrading crimes. Gentlemen, "property has its duties as well as its rights." Not one of you could be wealthy without a population. It can afford no happiness to allow these children to train for either the Juvenile Penitentiary or the State Prison. The duty of the community is to provide employment, and to see that they are employed.

Mr. Charles Ferguson.

Detroit is periodically visited by this great musical charmer, who "drives dull care away" from every listener. He is the only living exemplar of the glorious music of the Irish Harmonic Pipes. He possesses two exquisite sets of Harmonic Pipes, which combine the most elaborated improvements, costing nearly \$1,000. When in the masterly hands of this gentleman, who is, to his great misfortune, blind, a harmony of the most agreeable kind, beyond the powers of description, is produced, and producing a corresponding harmony throughout his numerous auditory. Mr. F. has played before Emperors and Kings, and their royal wives and aristocratic acquaintances, but he prefers to play before the Republican Sovereign Squatters of America, the political sentiment of the country being in more perfect harmony with his Irish Pipes and feelings. Give him a *Ceade Mille Faulte* everywhere.

The Detroit Locomotive Works.

This almost monstrous establishment employs about 350 men, and since its erection, but little more than a year ago, has turned out 32 first class Locomotives for different roads, all of which are reported to give good satisfaction. The Company disburse \$240,000 per annum for current stock and labor.

Landsberg's New York House.

This popular place of refreshment has been thoroughly re-fitted and furnished. The proprietor has established a rational entertainment for the public in the form of instrumental musical accompaniments to the healthful glass of Rochester lager beer, obtainable at the New York House. The utmost decorum prevails. Mr. LANDSBERG is worthy, competent, and need we add as a consequence, popular. Everything in moderation, friends! Temperance is temperance, and the term need not be strained into the idea *abstinence*—wisdom is necessary to govern mankind. The people had better be indulged in temperate relaxations. The anvil and sledgehammer are not very pleasurable objects as working tools, except as they are virtuously regarded as necessary to existence. Be therefore wise, moral, and obedient to the *divine* precept—and legislative ingenuity, away off around secluded quiet farms, need not interfere with the sobrieties of the enjoyments—which can not be from the nature of things very hurtful or extravagant—created for the relaxation of our mechanics and labor-afflicted industrious citizens; every one of whom ought to drink two or three glasses of ale every day. Let our children be instructed in youth to regulate and govern their passions and appetites; then they will avoid the example of Noah's first drunkenness, after witnessing a *heavy wet!*

Carson's Rotunda Saloon.

The City of Detroit, 30 square miles, necessarily owns many citizens, amongst them the Publisher of the DIRECTORY, who do not own carriages; and it is our frequent custom to call upon our esteemed host of the Rotunda for our much loved and refreshing plate of soup. A good home-like dinner is always here obtainable, with a healthful glass of as good ale as is to be found any where. And it does our jaded heart and empty stomach good in anticipation of the cheer in providence, to meet the kindly nod of recognition this good hearted CARSON extends to his hungry and thirsty visitors. The particulars of Bill of Fare will be found amongst the advertisements, under the head "Eating Houses," &c. It is useless to prate, friends; the coats of the stomach suffer every day from neglect in not feeding the hopper at the proper time. Go to BILL CARSON for dinner—his house is furnished and prepared to accommodate you—and you feel equally at home as in your own house, under the circumstances.

Buffalo Robes.

We observe that our constant friends F. BURL & Co., 148 Jefferson Avenue, have on hand a quantity of bales of these comfortable robes, sold by the bale to the retail trade. The firm, however, retail every variety of fine carriage robes, and are always supplied with the freshest supplies and neatest styles of hats and caps. The country retail trade will do well to remember the name and number of this establishment.

Thomas W. Mizner, Esq., Attorney at Law.

We observe that Mr. MIZNER has moved to an up-stairs office, directly over his old office on Griswold Street. In making this notice of change, we by no means wish to have it understood that he desires "his light to be hidden under a bushel." Mr. MIZNER is one of our many young lawyers of straight-forward business integrity, the persistence in which course will yet still more exalt his character morally, as well as professionally.

Opening Streets.

There are many grievous obstructions, and many streets with duplicated names. A petition should be presented to the Common Council to change the name of that portion from Mich. Ave. to Clifford, (Park Street) to Gibbings Street, as both a positive necessity and a deserved compliment to Alderman Gibbings.

The Firemen's Journal.

How can we feel otherwise than grateful to the Editors of this useful organ of our noble Fire Brigades, for the many recommendatory notices of our DIRECTORY. It may be said our sympathies are cheap, when we offer a reciprocation of friendly regards in expressing our sense of the high claim of THE FIREMEN'S JOURNAL upon the Fire Departments throughout the United States and Canadas; and that we hope to see it printed on a mammoth sheet, before another year, as a Daily Welcome to One Hundred Thousand good subscribers, of mind, intelligence, and, consequently, discernment to appreciate this already sterling little weekly.

Growth of Detroit.

From authentic sources we compile the following "bird's-eye" view of the growth of this city for the past twenty-five years:

1830	2,222	1854	40,127
1840	9,102	1855	52,000
1850	21,057	1856	65,000
1853	34,436	1857	70,000

Port Huron and Milwaukee Railway Company.

The return of this Company was received from Mr. SANGER, after the articles on "Railways," at page 119, had passed from the press. This will be regarded, however, as a judiciously selected place in the work to obtain for the notice a general attention:

Port Huron and Milwaukee Railway Companies' Line will extend from Port Huron, at the foot of Lake Huron, to its junction with the Detroit and Milwaukee Railway, at Owosso; total length ninety miles.

DIRECTORS—H. H. Brown, H. K. Sanger, J. P. Whittemore, Detroit; E. H. Thomson, Flint; G. K. Johnson, Grand Rapids; A. P. McConnell, W. M. McConnell, Pontiac.

OFFICERS—H. H. Brown, President; W. M. McConnell, Vice-President; W. S. Brown, Treasurer; H. P. Sanger, Secretary; Joel Gray, Chief Engineer; R. Higham, Consulting Eng.; N. G. Bostwick, Acct.

Offices corner Jefferson Avenue and Griswold Street, second floor.

Mr. Isham's Magazine of Travel.

MR. ISHAM's own travels and researches in Egypt are to be found in this Magazine, and are highly interesting. We observe with satisfaction that it contains Notes of Foreign Travel by the Rev. GEORGE DUFFIELD, D. D., embracing his minute observations of Turkish, Syrian, and Egyptian Geographical Characteristics, Antiquities, Religions, Manners, and Customs. This periodical first prints the Log and Journal of our distinguished fellow-citizen, D. BETHUNE DUFFIELD, Esq., of his recent European continental tour. MR. DUFFIELD is very favorably known throughout Michigan as a Lawyer of ability, a Lecturer, Poet, and Philosopher. MR. ISHAM is the author of several treatises, and of the well-known book of Irish travels, "The Mud Cabin."

Lafayette Park.

It is a pity this little central park is so neglected: its present fence should be removed, and the park formed into an octagon or hexagon, and the fountain enclosed with a neat iron railing. A ten feet walk should then surround the iron enclosure.

Detroit Blast Furnace--Hamtramck.

There is a quantity of iron at the store of this extensive establishment made prior to the burning. The Lake Superior Iron Manufacturing Company's office is on the dock east side of Woodward ave., where the Managing Director, A. A. RABINEAU, may be found during office hours.

Schonacker's Pianos.

[SEE ADVERTISEMENT.]

MR. SCHONACKER, of Detroit, has been for some time engaged in improving his Pianos, which have heretofore enjoyed in Michigan, at New York, and the other seaboard cities, a high reputation. In 1853-4 we noticed his celebrated Linguin Attachment. He is now building Pianos upon a heretofore neglected or unperceived principle of vibration and correct attenuation, and has secured a patent for his invention recently, and also for the application of his horizontal tuning screw. MR. S. ought to have a factory as big as a mountain, or he ought to have wealthy, honest men as partners, whose services would enable his genius to arouse itself to still more utilitarian action.

Secret Societies, Regalia, &c.

We have observed in the several celebrations by societies, which have occurred recently in Detroit from time to time, that there seems to be an avoidance of the almost necessary regulation expense expected to be incurred by members, in providing a suitable regalia. The Independent Order of Odd Fellows are far in advance of the Masons in this particular, who, probably, on the grounds of the Order being the more ancient, wish to appear in clothing suitable to antiquarian notions. So say we, also; but at least let us get a new *fig leaf*, when the old is worn. We think seriously the Order is to a degree negligent in this particular, and we have thought for some time past, to make complaint through the pages of *The Ashlar*.

Detroit Franklin Base Ball Club.

This association was organized 1st August, 1857. Its officers are as follows: *President*, W. H. Foster; *Vice-President*, Theodore Robinson; *Secretary*, Marsh Robinson.

MEMBERS.—Henry Starkey, J. H. Titus, George Atkins, F. D. Ross, James Walker, Edward Atkins, M. Dempsey, John Atkins, John Hudson, Theodore Robinson, J. T. Phillips, M. J. O'Donnell, Henry R. Durney, W. H. Foster, J. P. McMillan, George Thurston, M. D. Hamilton, J. Calnon, E. F. Plantz, Eugene Robinson, J. J. Maledon, Marsh Robinson, Chas. C. Robinson, Frank Folsom, Thos. S. Gillet, C. E. Eddie, Ad. Cowan.

Historical Society of Michigan--The Antiquary and Chronicler.

THE HISTORICAL SOCIETY OF THE STATE OF MICHIGAN has adopted an organ through which may be collated the various data, whether already embodied in the numerous works extant, or treasured traditionally in the *crania* of such old residents as Judge Witherell, Governors Cass and Woodbridge, Doctor Pitcher, the old French families, such as the Morans, the Cicotts, the Beaubiens, the Chances; and our respected friend, GEORGE H. FLEMING, Esq., has undertaken the proprietorship and editorial responsibilities of the Society's Monthly periodical, "THE ANTIQUARY AND CHRONICLER," which is to contain forty-eight pages monthly, of letterpress, at, in its attractive and beautiful style of typography, on expensive paper, the moderate annual subscription of Three Dollars. The work has high claims to success, and, in the hands of Mr. FLEMING, is sure to obtain it. It was originally intended that the initial No. should have been issued by the first of November, but by reference to the Prospectus, which will be found in the Advertising Department of the DIRECTORY, it will be noticed the Publisher has delayed so doing until January 1st, 1858. See Index to Advertisements.

Detroit Young Men's Society.

In a recent conversation with Mr. Attorney-General, JACOB M. HOWARD, we discovered he was President one term of this Society. It is requested the Recording Secretary will furnish the DIRECTORY with amended returns.

Wm. W. Osgodby,

One of the Assistant Editors of the Detroit Advertiser, has industriously manufactured a most ingenious punning summary of the names and businesses of citizens, as found in the DIRECTORY. The article referred to appeared in the Advertiser of the 23d September. Mr. OSGODBY is the only phonographer in the city—and he is, withal, an obliging, clever fellow, of good promise in his profession, active, industrious, discreet and temperate in all things. He is invaluable to our public lecturers in Detroit, as an expert Reporter.

Detroit Boat Club.

We notice in the printing office of our friends FISHER, FLEMING & Co., eight well digested articles forming the Constitution for the government of this Association. We trust the Club will be successful in every particular. The more and the better mariners we have the greater the American people and THE REPUBLIC.

Ice Cream Saloon.

As manufacturer of Ice Cream, Syrups, Jellies, and Preserves, and as a general Confectioner, ANTHONY GERMAN, 30 Johnson block, Monroe Avenue, deserves soon to be obliged to enlarge his crowded premises. He serves public dinners, parties, pic-nics, &c., &c., on the most satisfactory terms.

Frisbie & Co.

If we were a lady we should most assuredly have fallen deeply in love with the array of costly shawls, mantillas, silk dresses, and millinery, which we had the agreeable satisfaction to notice at the Dry-Goods Warehouse of this enterprising firm. Mr. J. W. FRISBIE has been in the Dry-Goods business some fifteen years, and his ability and taste are well displayed in his choice and well selected stock. The FRISBIE Warehouse is 167 Jefferson Ave. near cor. of Woodward Ave.

Thomas Firby & Co.

This firm succeeds our friends S. GARRETS & Co. in the proprietorship of the extensive Furniture Stores and Furnishing Warehouses at 163 and 165 Jefferson Ave. We have no possible idea how and where the immense piles of splendid Furniture to be found at this house will find purchasers, yet so it is, that the firm is continually filling large orders to city customers, and retailers throughout the State, but they are as speedily re-filling the Warerooms from their Factory cor. of State and Brush Streets.

John W. Johnston.

Our enterprising namesake—and now that he is rich, we claim him as a relative—has discharged an enormous Real-Estate business during the last year. He has bought and sold in City lots two large farms, and his sales would probably foot up to \$500,000. Such are the opportunities to grow honorable and wealthy in our Republic! This man, whose age does not exceed thirty-five, began business on half a dollar some fifteen years ago.

Societies, Institutions, Incorporations, &c.

The Compiler and Publisher of this DIRECTORY respectfully suggests to you the expediency of your being so good as to forward him to his address at the post office, copies of such documents of a public character, as would be useful to him in compiling the work, and from which he may feel it useful on public grounds to make extracts.

Christian, or Given Names.

It is of the utmost importance that adults would supply their given names. It greatly subserves the convenience of the whole community, and particularly the legal profession.

A Statistical Fact.

Since the year 1850, the Compiler of this DIRECTORY has walked, by a fair average rule of pedestrianism, the enormous number of 24,000 miles.

Arrivals, Removals, Omissions, &c.

Special attention is requested to this List whenever the name required is not discoverable in the General List of Names.

UNITED STATES OF NORTH AMERICA.

Subscribed to by the CONTINENTAL CONGRESS, at Philadelphia, July 4th, 1776.

[The Congress, determining on a declaration of independence, appointed a committee of five, namely, Thomas Jefferson, John Adams, Benjamin Franklin, Roger Sherman, and R. R. Livingston, to draft the proposed Declaration. This immortal manifesto is the result of Mr. Jefferson's labors, and it was adopted both by the committee of five and the Congress. The Compiler feels no apology necessary for the inserting of the Declaration of Independence, &c., in the DIRECTORY; because its multiplication through every available instrumentality is necessary, always refreshing to the heart of every American, and it is needful, in an educational point of view, to instruct immigrants from foreign countries.]

IN CONGRESS, JULY 4, 1776.

*The Unanimous Declaration of the Thirteen
United States of America.*

WHEN, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident:— that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute a new government, laying its foundation on such

principles, and organizing its powers in such form as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate, that governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty to throw off such government, and to provide new guards for their future security. Such has been the patient sufferance of these colonies; and such is now the necessity which constrains them to alter their former systems of government. The history of the present king of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute tyranny over these states. To prove this, let facts be submitted to a candid world.

He has refused to assent to laws the most

wholesome and necessary for the public good.

He has forbidden his governors to pass laws of immediate and pressing importance, unless suspended in their operation, till his assent should be obtained; and when so suspended, he has utterly neglected to attend to them. He has refused to pass other laws for the accommodation of large districts of people, unless those people would relinquish the right of representation in the legislature—a right inestimable to them, and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the repository of their public records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved representative houses repeatedly, for opposing, with manly firmness, his invasions on the rights of the people.

He has refused, for a long time after such dissolutions, to cause others to be elected; whereby the legislative powers, incapable of annihilation, have returned to the people at large, for their exercise, the state remaining, in the mean time, exposed to all the dangers of invasion from without, and convulsions within.

He has endeavored to prevent the population of these states; for that purpose obstructing the laws for naturalization of foreigners; refusing to pass others to encourage their migration hither, and raising the conditions of new appropriations of lands.

He has obstructed the administration of justice, by refusing his assent to laws for establishing judiciary powers.

He has made judges dependent on his will alone for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of new offices, and sent swarms of officers, to harass our people, and eat out their substance.

He has kept among us, in times of peace, standing armies, without the consent of our legislatures.

He has affected to render the military independent of, and superior to, the civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation:

For quartering large bodies of armed troops among us:

For protecting them, by a mock trial, from punishment for any murders which they should commit on the inhabitants of these states:

For cutting off our trade with all parts of the world:

For imposing taxes on us without our consent:

For depriving us, in many cases, of the benefits of trial by jury:

For transporting us beyond seas to be tried for pretended offenses:

For abolishing the free system of English laws in a neighboring province, establishing therein an arbitrary government, and enlarging its boundaries, so as to render it at once an example and fit instrument for introducing the same absolute rule into these colonies:

For taking away our charters, abolishing our most valuable laws, and altering, fundamentally, the forms of our governments:

For suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated government here, by declaring us out of his protection, and waging war against us.

He has plundered our seas, ravaged our coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large armies of foreign mercenaries to complete the works of death, desolation, and tyranny, already begun with circumstances of cruelty and perfidy, scarcely paralleled in the most barbarous ages, and totally unworthy the head of a civilized nation.

He has constrained our fellow-citizens, taken captive on the high seas, to bear arms against their country, to become the executioners of their friends and brethren, or to fall themselves by their hands.

He has excited domestic insurrections among us, and has endeavored to bring on the inhabitants of our frontiers the merciless Indian savages, whose known rule of warfare is an undistinguished destruction of all ages, sexes, and conditions.

In every stage of these oppressions we have petitioned for redress in the most humble terms: our repeated petitions have been answered only by repeated injury. A prince, whose character is thus marked by every act which may define a tyrant, is unfit to be the ruler of a free people.

Nor have we been wanting in attention to our British brethren. We have warned them, from time to time, of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connexions and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity which denounces our separation, and hold

them, as we hold the rest of mankind—enemies in war, in peace friends.

We, therefore, the representatives of the United States of America, in general congress assembled, appealing to the Supreme Judge of the world, for the rectitude of our intentions, do, *in the name and by the authority of the GOOD PEOPLE* of these colonies, solemnly publish and declare, that these united colonies are, and of right ought to be, free and independent states; that they are absolved from all allegiance to the British crown, and that

all political connexion between them and the state of Great Britain is, and ought to be, totally dissolved; and that as free and independent states, they have full power to levy war, conclude peace, contract alliances, establish commerce, and to do all other acts and things which independent states may of right do. And for the support of this declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes, and our sacred honour.

Constitution of the United States.

[The following Constitution was framed in a Convention of Delegates from all the Thirteen States, except Rhode Island, held at Philadelphia in May, 1787, at which GEORGE WASHINGTON presided. The Convention continued in session four months. The States, respectively, in their sovereign right, having had the report of the Federal Convention at Philadelphia under examination, accorded to it unanimous concurrence; and, thereupon, Congress enacted the following Constitution.]

WE, the people of the United States, in order to form a more perfect union, establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this constitution for the United States of America.

ARTICLE I.—SECTION I.

1. All legislative powers herein granted, shall be vested in a congress of the United States, which shall consist of a senate and house of representatives.

SECTION II.

1. The house of representatives shall be composed of members chosen every second year by the people of the several states; and the electors in each state shall have the qual-

ifications requisite for electors of the most numerous branch of the state legislature.

2. No person shall be a representative who shall not have attained to the age of twenty-five years, and been seven years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state in which he shall be chosen.

3. Representatives and direct taxes shall be apportioned among the several states which may be included within this union, according to their respective numbers, which shall be determined by adding to the whole number of free persons, including those bound to service for a term of years, and excluding Indians not taxed, three-fifths of all other persons. The actual enumeration shall be made within three years after the first meeting of the congress of the United States, and within every subsequent term of ten years, in such manner

as they shall by law direct. The number of representatives shall not exceed one for every thirty thousand, but each state shall have at least one representative; and until such enumeration shall be made, the state of *New Hampshire* shall be entitled to choose three; *Massachusetts* eight; *Rhode Island and Providence Plantations* one; *Connecticut* five; *New York* six; *New Jersey* four; *Pennsylvania* eight; *Delaware* one; *Maryland* six; *Virginia* ten; *North Carolina* five; *South Carolina* five; and *Georgia* three.

4. When vacancies happen in the representation from any state, the executive authority thereof shall issue writs of election to fill up such vacancies.

5. The house of representatives shall choose their speaker and other officers, and shall have the sole power of impeachment.

SECTION III.

1. The senate of the United States shall be composed of two senators from each state, chosen by the legislature thereof, for six years; and each senator shall have one vote.

2. Immediately after they shall be assembled in consequence of the first election, they shall be divided, as equally as may be, into three classes. The seats of the senators of the first class shall be vacated at the expiration of the second year, of the second class at the expiration of the fourth year, and of the third class at the expiration of the sixth year, so that one-third may be chosen every second year; and if vacancies happen, by resignation or otherwise, during the recess of the legislature of any state, the executive thereof may make temporary appointments until the next meeting of the legislature, which shall then fill such vacancies.

3. No person shall be a senator who shall not have attained to the age of thirty years, and been nine years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state for which he shall be chosen.

4. The vice-president of the United States shall be president of the senate, but shall have no vote, unless they be equally divided.

5. The senate shall choose their other officers, and also a president pro tempore, in the absence of the vice-president, or when he shall exercise the office of president of the United States.

6. The senate shall have the sole power to try all impeachments. When sitting for that purpose, they shall be on oath or affirmation. When the president of the United States is tried, the chief justice shall preside; and no person shall be convicted without the concurrence of two-thirds of the members present.

7. Judgment in case of impeachment shall not extend further than to removal from office,

and disqualification to hold and enjoy any office of honor, trust or profit, under the United States; but the party convicted shall nevertheless be liable and subject to indictment, trial, judgment, and punished according to law.

SECTION IV.

1. The times, places, and manner of hold-elections for senators and representatives, shall be prescribed in each state by the legislature thereof; but the congress may, at any time, by law, make or alter such regulations, except as to the places of choosing senators.

2. The congress shall assemble at least once in every year, and such meeting shall be on the first Monday in December, unless they shall by law appoint a different day.

SECTION V.

1. Each house shall be the judge of the elections, returns, and qualifications of its own members; and a majority of each shall constitute a quorum to do business; but a smaller number may adjourn from day to day, and may be authorized to compel the attendance of absent members, in such manner and under such penalties as each house may provide.

2. Each house may determine the rules of its proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds, expel a member.

3. Each house shall keep a journal of its proceedings, and from time to time publish the same, excepting such parts as may in their judgment require secrecy; and the yeas and nays of the members of either house, on any question, shall, at the desire of one-fifth of those present, be entered on the journal.

4. Neither house, during the session of congress, shall, without the consent of the other, adjourn for more than three days, nor to any other place than that in which the two houses shall be sitting.

SECTION VI.

1. The senators and representatives shall receive a compensation for their services, to be ascertained by law, and paid out of the treasury of the United States. They shall, in all cases, except treason, felony, and breach of the peace, be privileged from arrest during their attendance at the session of their respective houses, and in going to or returning from the same; and for any speech or debate in either house, they shall not be questioned in any other place.

2. No senator or representative shall, during the time for which he was elected, be appointed to any civil office under the authority of the United States which shall have been created, or the emoluments whereof shall have

been increased, during such time; and no person holding any office under the United States shall be a member of either house during his continuance in office.

SECTION VII.

1. All bills for raising revenue shall originate in the house of representatives; but the senate may propose or concur with amendments, as on other bills.

2. Every bill which shall have passed the house of representatives and the senate, shall, before it become a law, be presented to the president of the United States; if he approve, he shall sign it; but if not, he shall return it, with his objections, to that house in which it shall have originated, who shall enter the objection at large on their journal, and proceed to re-consider it. If, after such re-consideration, two-thirds of that house shall agree to pass the bill, it shall be sent, together with the objections, to the other house, by which it shall likewise be re-considered, and if approved by two-thirds of that house, it shall become a law. But in all such cases, the votes of both houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the journal of each house respectively. If any bill shall not be returned by the president within ten days (Sundays excepted) after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the congress by their adjournment prevent its return, in which case it shall not be a law.

3. Every order, resolution, or vote, to which the concurrence of the senate and house of representatives may be necessary (except on a question of adjournment), shall be presented to the president of the United States; and before the same shall take effect, shall be approved by him, or being disapproved by him, shall be re-passed by two-thirds of the senate and house of representatives, according to the rules and limitations prescribed in the case of a bill.

SECTION VIII.

The congress shall have power—

1. To lay and collect taxes, duties, imposts, and excises; to pay the debts and provide for the common defense and general welfare of the United States; but all duties, imposts, and excises, shall be uniform throughout the United States:

2. To borrow money on the credit of the United States:

3. To regulate commerce with foreign nations, and among the several states, and with the Indian tribes:

4. To establish a uniform rule of natural-

ization, and uniform laws on the subject of bankruptcies throughout the United States:

5. To coin money, regulate the value thereof, and of foreign coin, and fix the standard of weights and measures:

6. To provide for the punishment of counterfeiting the securities and current coin of the United States:

7. To establish post offices and post roads:

8. To promote the progress of science and useful arts, by securing, for limited times, to authors and inventors, the exclusive right to their respective writings and discoveries:

9. To constitute tribunals inferior to the supreme court: To define and punish piracies and felonies committed on the high seas, and offenses against the law of nations:

10. To declare war, grant letters of marque and reprisal, and make rules concerning captures on land and water:

11. To raise and support armies; but no appropriation of money to that use shall be for a longer term than two years:

12. To provide and maintain a navy:

13. To make rules for the government and regulation of the land and naval forces:

14. To provide for calling forth the militia to execute the laws of the union, suppress insurrections, and repel invasions:

15. To provide for organizing, arming, and disciplining the militia, and for governing such part of them as may be employed in the service of the United States, reserving to the states respectively the appointment of the officers, and the authority of training the militia according to the discipline prescribed by congress:

16. To exercise exclusive legislation in all cases whatsoever, over such district (not exceeding ten miles square) as may, by cession of particular states, and the acceptance of congress, become the seat of government of the United States, and to exercise like authority over all places purchased, by the consent of the legislature of the state in which the same shall be, for the erection of forts, magazines, arsenals, dock-yards, and other needful buildings:—and,

17. To make all laws which shall be necessary and proper for carrying into execution the foregoing powers, and all other powers vested by this constitution in the government of the United States, or in any department or officer thereof.

SECTION IX.

1. The migration or importation of such persons as any of the states now existing shall think proper to admit, shall not be prohibited by the congress prior to the year one thousand eight hundred and eight, but a tax or duty may be imposed on such importation, not exceeding ten dollars for each person.

2. The privilege of the writ of habeas corpus shall not be suspended, unless when, in cases of rebellion or invasion, the public safety may require it.

3. No bill of attainder, or ex post facto law, shall be passed.

4. No capitation or other direct tax shall be laid, unless in proportion to the census or enumeration herein before directed to be taken.

5. No tax or duty shall be laid on articles exported from any state. No preference shall be given by any regulation of commerce or revenue to the ports of one state over those of another: nor shall vessels bound to or from one state, be obliged to enter, clear, or pay duties in another.

6. No money shall be drawn from the treasury, but in consequence of appropriations made by law; and a regular statement and account of the receipts and expenditures of all public money shall be published from time to time.

7. No title of nobility shall be granted by the United States, and no person holding any office of profit or trust under them, shall, without the consent of the congress, accept of any present, emolument, office, or title of any kind, whatever, from any king, prince, or foreign state.

SECTION X.

1. No state shall enter into any treaty, alliance, or confederation; grant letters of marque and reprisal; coin money; emit bills of credit; make any thing but gold and silver coin a tender in payments of debts; pass any bill of attainder, ex post facto law, or law impairing the obligation of contracts; or grant any title of nobility.

2. No state shall, without the consent of the congress, lay any imposts or duties on imports or exports, except what may be absolutely necessary for executing its inspection laws; and the net produce of all duties and imposts, laid by any state on imports or exports, shall be for the use of the treasury of the United States, and all such laws shall be subject to the revision and control of the congress. No state shall, without the consent of congress, lay any duty of tonnage, keep troops or ships of war in time of peace, enter into any agreement or compact with another state, or with a foreign power, or engage in war, unless actually invaded, or in such imminent danger as will not admit of delay.

ARTICLE II.—SECTION I.

1. The executive power shall be vested in a president of the United States of America. He shall hold his office during the term of four years, and, together with the vice-president, chosen for the same term, be elected as follows:

2. Each state shall appoint, in such manner as the legislature thereof may direct, a number of electors, equal to the whole number of senators and representatives to which the state may be entitled in the congress; but no senator or representative, or person holding an office of trust or profit under the United States, shall be appointed an elector.

3. The electors shall meet in their respective states, and vote by ballot for two persons, of whom one at least shall not be an inhabitant of the same state with themselves. And they shall make a list of all the persons voted for, and of the number of votes for each; which list they shall sign and certify, and transmit sealed to the seat of government of the United States, directed to the president of the senate. The president of the senate shall, in the presence of the senate and house of representatives, open all the certificates, and the votes shall then be counted. The person having the greatest number of votes shall be the president, if such number be a majority of the whole number of electors appointed, and if there be more than one who have such majority, and have an equal number of votes, then the house of representatives shall immediately choose, by ballot, one of them for president; and if no person have a majority, then, from the five highest on the list, the said house shall, in like manner, choose the president. But, in choosing the president, the votes shall be taken by states, the representation from each state having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the states, and a majority of all the states shall be necessary to a choice. In every case, after the choice of the president, the person having the greatest number of votes of the electors, shall be the vice-president. But if there should remain two or more who have equal votes, the senate shall choose from them, by ballot, the vice-president.

4. The congress may determine the time of choosing the electors, and the day on which they shall give their votes; which day shall be the same throughout the United States.

5. No person, except a natural born citizen, or a citizen of the United States at the time of the adoption of this constitution, shall be eligible to the office of president: neither shall any person be eligible to that office, who shall not have attained to the age of thirty-five years, and been fourteen years a resident within the United States.

6. In case of the removal of the president from office, or of his death, resignation, or inability to discharge the powers and duties of the said office, the same shall devolve on the vice-president, and the congress may, by law, provide for the case of removal, death, resignation, or inability, both of the president and

vice-president, declaring what officer shall then act as president, and such officer shall act accordingly, until the disability be removed, or a president shall be elected.

7. The president shall, at stated times, receive for his services a compensation, which shall neither be increased or diminished during the period for which he shall have been elected, and he shall not receive within that period any other emolument from the United States, or any of them.

8. Before he enter on the execution of his office, he shall take the following oath or affirmation:

9. I do solemnly swear (or affirm) that I will faithfully execute the office of President of the United States, and will, to the best of my ability, preserve, protect, and defend, the constitution of the United States.

SECTION II.

1. The president shall be commander-in-chief of the army and navy of the United States, and of the militia of the several states, when called into the actual service of the United States; he may require the opinion, in writing, of the principal officer in each of the executive departments, upon any subject relating to the duties of their respective offices; and he shall have power to grant reprieves and pardons for offenses against the United States, except in cases of impeachment.

2. He shall have power, by and with the advice and consent of the senate, to make treaties, provided two-thirds of the senators present concur: and he shall nominate, and by and with the advice and consent of the senate, shall appoint ambassadors, other public ministers and consuls, judges of the supreme court, and all other officers of the United States, whose appointments are not herein otherwise provided for, and which shall be established by law. But the congress may, by law, vest the appointment of such inferior officers as they think proper, in the president alone, in the courts of law, or in the heads of departments.

3. The president shall have power to fill up all vacancies that may happen during the recess of the senate, by granting commissions which shall expire at the end of their next session.

SECTION III.

1. He shall, from time to time, give to the congress information of the state of the Union, and recommend to their consideration such measures as he shall judge necessary and expedient; he may, on extraordinary occasions, convene both houses, or either of them, and in case of disagreement between them with respect to the time of adjournment, he may adjourn them to such time as he shall

think proper; he shall receive ambassadors and other public ministers; he shall take care that the laws be faithfully executed; and shall commission all the officers of the United States.

SECTION IV.

1. The president, vice-president, and all civil officers, of the United States, shall be removed from office on impeachment for, and conviction of, treason, bribery, and other high crimes and misdemeanors.

ARTICLE III.—SECTION I.

1. The judicial power of the United States shall be vested in one supreme court, and in such inferior courts, as the congress may, from time to time, ordain and establish. The judges, both of the supreme and inferior courts, shall hold their offices during good behavior; and shall, at stated times, receive for their services a compensation which shall not be diminished during their continuance in office.

SECTION II.

1. The judicial power shall extend to all cases in law and equity, arising under this constitution, the laws of the United States, and treaties made, or which shall be made, under their authority: to all cases effecting ambassadors, other public ministers and consuls; to all cases of admiralty and maritime jurisdiction; to controversies to which the United States shall be a party; to controversies between two or more states; between a state and citizens of another state; between citizens of different states; between citizens of of the same state claiming lands under grants of different states; and between a state, or the citizens thereof, and foreign states, citizens, or subjects.

2. In all cases affecting ambassadors, other public ministers, and consuls, and those in which a state shall be a party, the supreme court shall have original jurisdiction. In all the other cases before mentioned, the supreme court shall have appellate jurisdiction, both as to law and fact, with such exceptions, and under such regulations, as the congress shall make.

3. The trial of all crimes, except in cases of impeachment, shall be by jury, and such trial shall be held in the state where the said crimes shall have been committed; but when not committed within any state, the trial shall be at such place or places as the congress may by law have directed.

SECTION III.

1. Treason against the United States shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted

of treason unless on the the testimony of two witnesses to the same overt act, or on confession in open court.

2. The congress shall have power to declare the punishment of treason; but no attainder of treason shall work corruption of blood, or forfeiture, except during the life of the person attainted.

ARTICLE IV.—SECTION I.

1. Full faith and credit shall be given in each state to the public acts, records, and judicial proceedings of every other state. And the congress may, by general laws, prescribe the manner in which such acts, records, and proceedings shall be proved, and the effect thereof.

SECTION II.

1. The citizens of each state shall be entitled to all the privileges and immunities of citizens in the several states.

2. A person charged in any state with treason, felony, or other crime, who shall flee from justice, and be found in another state, shall, on demand of the executive authority of the state from which he fled, be delivered up, to be removed to the state having jurisdiction of the crime.

3. No person held to service or labor in one state under the laws thereof, escaping into another, shall, in consequence of any law or regulation therein, be discharged from such service or labor; but shall be delivered up on claim of the party to whom such service or labor may be due.

SECTION III.

1. New states may be admitted by the congress into this union; but no new states shall be formed or erected within the jurisdiction of any other state, nor any state be formed by the junction of two or more states, or parts of states, without the consent of the legislatures of the states concerned, as well as of the congress.

2. The congress shall have power to dispose of, and make all needful rules and regulations respecting the territory or other property belonging to the United States; and nothing in this constitution shall be so construed as to prejudice any claims of the United States, or of any particular state.

SECTION IV.

1. The United States shall guaranty to every state in this union, a republican form of gov-

Done in convention, by the unanimous consent of the states present, the seventeenth day of September, in the year of our Lord one thousand seven hundred and eighty-seven, and of the Independence of the United States of America the twelfth. In witness whereof, we have hereunto subscribed our names.

ernment, and shall protect each of them against invasion; and, on application of the legislature, or of the executive, (when the legislature can not be convened), against domestic violence.

ARTICLE V.

1. The congress, whenever two-thirds of both houses shall deem it necessary, shall propose amendments to this constitution; or, on the application of the legislatures of two-thirds of the several states, shall call a convention for proposing amendments, which, in either case, shall be valid to all intents and purposes, as part of this constitution, when ratified by the legislatures of three-fourths of the several states, or by conventions in three-fourths thereof, as the one or the other mode of ratification may be proposed by the congress; provided, that no amendment which may be made prior to the year one thousand eight hundred and eight, shall in any manner affect the first and fourth clauses in the ninth section of the first article: and that no state, without its consent, shall be deprived of its equal suffrage in the senate.

ARTICLE VI.

1. All debts contracted and engagements entered into, before the adoption of this constitution, shall be as valid against the United States under this constitution, as under the confederation.

2. This constitution, and the laws of the United States which shall be made in pursuance thereof, and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, any thing in the constitution or laws of any state to the contrary notwithstanding.

3. The senators and representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation to support this constitution: but no religious test shall ever be required as a qualification to any office or public trust under the United States.

ARTICLE VII.

1. The ratification of the conventions of nine states shall be sufficient for the establishment of this constitution between the states so ratifying the same.

Attest,

AMENDMENTS TO THE CONSTITUTION.

ARTICLE 1. Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

ART. 2. A well regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed.

ART. 3. No soldier shall, in time of peace, be quartered in any house without the consent of the owner; nor in time of war, but in a manner to be prescribed by law.

ART. 4. The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated; and no warrants shall issue but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

ART. 5. No person shall be held to answer for a capital or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service, in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled, in any criminal case, to be a witness against himself; nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

ART. 6. In all criminal prosecutions the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the state and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining wit-

nesses in his favor; and to have the assistance of counsel for his defense.

ART. 7. In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved; and no fact tried by a jury shall be otherwise re-examined in any court of the United States, than according to the rules of the common law.

ART. 8. Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

ART. 9. The enumeration in the constitution of certain rights, shall not be construed to deny or disparage others retained by the people.

ART. 10. The powers not delegated to the United States by the constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.

ART. 11. The judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by citizens of another state, or by citizens or subjects of any foreign state.

ART. 12. § 1. The electors shall meet in their respective states, and vote by ballot for president and vice-president, one of whom, at least, shall not be an inhabitant of the same state with themselves; they shall name in their ballots the person voted for as president, and in distinct ballots the person voted for as vice-president; and they shall make distinct lists of all persons voted for as president, and of all persons voted for as vice-president, and of the number of votes for each, which lists they shall sign and certify, and transmit sealed to the seat of the government of the United States, directed to the president of the senate; the president of the senate shall, in the presence of the senate and house of representatives, open all the certificates, and the votes shall then be counted; the person having the greatest number of votes for president, shall be the president, if such number be a majority

of the whole number of electors appointed: and if no person have such majority, then from the persons having the highest numbers, not exceeding three, on the list of those voted for as president, the house of representatives shall choose immediately, by ballot, the president. But, in choosing the president, the votes shall be taken by states, the representation from each state having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the states, and a majority of all the states shall be necessary to a choice. And if the house of representatives shall not choose a president whenever the right of choice shall devolve upon them, before the fourth day of March next following, then the vice-president shall act as president,

as in the case of the death or other constitutional disability of the president.

2. The person having the greatest number of votes as vice-president, shall be the vice-president, if such number be a majority of the whole number of electors appointed; and if no person have a majority, then from the two highest numbers on the list, the senate shall choose the vice-president: a quorum for the purpose shall consist of two-thirds of the whole number of senators, and a majority of the whole number shall be necessary to a choice.

3. But no person constitutionally ineligible to the office of president, shall be eligible to that of vice-president of the United States.

Cabinet.

The president is assisted in the performance of his duties by several officers who compose his *cabinet*, and who are his constitutional advisers. They are the secretaries of state, of the treasury, of war, of the navy, and of the interior, the postmaster general, and the attorney general. They are all executive officers. They are nominated by the president, and approved by the senate, and are removable by the will of the president.

If a vacancy happen in the cabinet during the recess of Congress, the president may appoint an officer, pro tempore, to fill his place till the next meeting of congress.

The following is the oath which the President of the United States is required to take before entering upon the duties of his office:

"I do solemnly swear (or affirm) that I will faithfully execute the office of president of the United States, and will, to the best of my ability, preserve, protect, and defend the constitution of the United States."

Constitution of the State of Michigan.

ARTICLE I.

BOUNDARIES.

Territory over which the State of Michigan has jurisdiction.

The State of Michigan consists of and has jurisdiction over the territory embraced within the following boundaries, to wit: Commencing at a point on the eastern boundary line of the State of Indiana, where a direct line drawn from the southern extremity of Lake Michigan to the most northern cape of the Maumee Bay, shall intersect the same—said point being the north-west corner of the State of Ohio, as established by act of Congress entitled "an act to establish the northern boundary line of the State of Ohio, and to provide for the admission of the State of Michigan into the Union upon the conditions therein expressed," approved June fifteenth, one thousand eight hundred and thirty-six; thence with the said boundary line of the State of Ohio, till it intersects the boundary line between the United States and Canada, in Lake Erie; thence with said boundary line between the United States and Canada, through the Detroit river, Lake Huron and Lake Superior, to a point where the said line last touches Lake Superior; thence in a direct line through Lake Superior to the mouth of the Montreal river; thence through the middle of the main channel of the said river Montreal to the head waters thereof; thence in a direct line to the centre of the channel between Middle and South Islands, in the Lake of the Desert; thence in a direct line to the Southern shore of Lake Brule; thence along said southern shore and down the river Brule to the main channel of the Menominie river; thence down

the centre of the main channel of the same to the centre of the most usual ship channel of the Green Bay of Lake Michigan; thence through the centre of the most usual ship channel of the said Bay, to the middle of Lake Michigan; thence through the middle of Lake Michigan to the northern boundary of the State of Indiana, as that line was established by the act of Congress of the nineteenth of April, eighteen hundred and sixteen; thence due east with the north boundary line of the said State of Indiana to the north-east corner thereof; and thence south with the eastern boundary line of Indiana to the place of beginning.

ARTICLE II.

SEAT OF GOVERNMENT.

SEC. 1. The seat of government shall be in Lansing, where it is now established.

ARTICLE III.

DIVISION OF THE POWERS OF GOVERNMENT.

SEC. 1. The powers of government are divided into three departments; legislative, executive, and judicial.

No person belonging to one department to exercise powers belonging to another.

SEC. 2. No person belonging to one department shall exercise the powers properly belonging to another, except in the cases expressly provided in this constitution.

ARTICLE IV.

LEGISLATIVE DEPARTMENT.

SEC. 1. The legislative power is vested in a Senate and House of Representatives.

Senate.

SEC. 2. The Senate shall consist of thirty-two members. Senators shall be elected for two years, and by single districts. Such districts shall be numbered from one to thirty-two inclusive; each of which shall choose one Senator. No county shall be divided in the formation of senate districts, except such county shall be equitably entitled to two or more Senators.

House of Representatives to consist of not less than 64 nor more than 100 members; Representative districts.

SEC. 3. The House of Representatives shall consist of not less than sixty-four, nor more than one hundred members. Representatives shall be chosen for two years, and by single districts. Each representative district shall contain, as nearly as may be, an equal number of white inhabitants, and civilized persons of Indian descent not members of any tribe, and shall consist of convenient and contiguous territory. But no township or city shall be divided in the formation of a representative district. When any township or city shall contain a population which entitles it to more than one Representative, then such township or city shall elect by general ticket the number of representatives to which it is entitled. Each county hereafter organized, with such territory as may be attached thereto, shall be entitled to a separate Representative when it has attained a population equal to a moiety of the ratio of representation. In every county entitled to more than one Representative, the board of supervisors shall assemble at such time and place as the Legislature shall prescribe, and divide the same into representative districts, equal to the number of representatives to which such county is entitled by law, and shall cause to be filed in the offices of the Secretary of State and clerk of such county, a description of such representative districts, specifying the number of each district, and the population thereof, according to the last preceding enumeration.

Enumeration of inhabitants; Apportionment of Representatives.

SEC. 4. The Legislature shall provide by law for an enumeration of the inhabitants in the year eighteen hundred and fifty-four, and every ten years thereafter; and at the first session after each enumeration so made, and also at the first session after each enumeration by the authority of the United States, the Legislature shall re-arrange the senate districts, and apportion anew the representatives among the counties and districts, according to the number of white inhabitants and civilized persons of Indian descent, not members of any tribe. Each apportionment, and the division into representative districts by any board of supervisors, shall remain unaltered until the return of another enumeration.

Senators and Representatives to be citizens.

SEC. 5. Senators and representatives shall be citizens of the United States, and qualified electors in the respective counties and districts which they represent. A removal from their respective counties or districts shall be deemed a vacation of their office.

Certain officers ineligible to a seat in the Legislature.

SEC. 6. No person holding any office under the United States [or this State], or any county offices, except notaries public, officers of the militia, and officers elected by townships, shall be eligible to, or have a seat in either house of the Legislature; and all votes given for any such person shall be void.

Privilege of Senators and Representatives.

SEC. 7. Senators and representatives shall, in all cases except treason, felony, or breach of the peace, be privileged from arrest. They shall not be subject to any civil process, during the session of the Legislature, nor for fifteen days next before the commencement and after the termination of each session: they shall not be questioned in any other place for any speech in either house.

Majority of each house to constitute a quorum.

SEC. 8. A majority of each house shall constitute a quorum to do business; but a smaller number may adjourn from day to day, and compel the attendance of absent members, in such manner and under such penalties as each house may prescribe.

Powers of each house; Rules; Expulsion of Members.

SEC. 9. Each house shall choose its own officers, determine the rules of its proceedings, and judge of the qualifications, elections, and returns of its members; and may, with the concurrence of two-thirds of all the members elected, expel a member. No member shall be expelled a second time for the same cause; nor for any cause known to his constituents antecedent to his election; the reason of such expulsion shall be entered upon the journal, with the names of the members voting on the question.

Each house to keep a journal.

SEC. 10. Each house shall keep a journal of its proceedings, and publish the same, except such parts as may require secrecy; and the yeas and nays of the members of either house, on any question, shall, be entered on the journal at the request of one-fifth of the members elected. Any member of either house may dissent from and protest against any act, proceeding or resolution which he may deem injurious to any person or the public, and have the reason of his dissent entered on the journal.

Elections viva voce; Yeas and Nays.

SEC. 11. In all elections by either house, or in joint convention, the votes shall be given *viva voce*. All votes on nominations to the

Senate, shall be taken by yeas and nays, and published with the journal of its proceedings.

Doors to be opened; Adjournment.

SEC. 12. The doors of each house shall be open, unless the public welfare require secrecy. Neither house shall, without the consent of the other, adjourn for more than three days, nor to any other place than that where the Legislature may then be in session.

Bills.

SEC. 13. Bills may originate in either house of the Legislature.

Bills and resolutions to be presented to Governor.

SEC. 14. Every bill and concurrent resolution, except of adjournment, passed by the Legislature, shall be presented to the Governor before it becomes a law. If he approve, he shall sign it; but if not, he shall return it, with his objections, to the house in which it originated, which shall enter the objections at large upon their journal, and reconsider it. On such reconsideration, if two-thirds of the members elected agree to pass the bill, it shall be sent with the objections to the other house, by which it shall be reconsidered. If approved by two-thirds of the members elected to that house, it shall become a law. In such case, the vote of both houses shall be determined by yeas and nays; and the name of the members voting for and against the bill shall be entered on the journals of each house respectively. If any bill be not returned by the Governor within ten days, Sundays excepted, after it has been presented to him, the same shall become a law, in like manner as if he had signed it, unless the Legislature, by their adjournment, prevent its return; in which case it shall not become a law. The Governor may approve, sign, and file in the office of the Secretary of State, within five days after the adjournment of the Legislature, any act passed during the last five days of the session; and the same shall become a law.

Compensation of members; Mileage; Stationery.

SEC. 15. The compensation of the members of the Legislature shall be three dollars a day for actual attendance and when absent on account of sickness, for the first sixty days of the session of the year one thousand eight hundred and fifty one, and for the first forty days of every subsequent session, and nothing thereafter. When convened in extra session their compensation shall be three dollars a day for the first twenty days, and nothing thereafter; and they shall legislate on no other subjects than those expressly stated in the Governor's proclamation, or submitted to them by special message. They shall be entitled to ten cents, and no more, for every mile actually traveled, going to and returning from the place of meeting, on the usually traveled route; and

for stationery and newspapers not exceeding five dollars for each member during any session. Each member shall be entitled to one copy of the laws, journals and documents of the Legislature of which he was a member; but shall not receive, at the expense of the State, books, newspapers, or other perquisites of office, not expressly authorized by this constitution.

Postage.

SEC. 16. The Legislature may provide by law for the payment of postage on all mailable matter received by its members and officers during the sessions of the Legislature, but not on any sent or mailed by them.

Compensation of President of Senate and Speaker of House.

SEC. 17. The President of the Senate and the Speaker of the House of Representatives shall be entitled to the same per diem compensation and mileage as members of the Legislature, and no more.

No member to receive civil appointment, nor be interested in contract with the State.

SEC. 18. No person elected a member of the Legislature shall receive any civil appointment within this State, or to the Senate of the United States, from the Governor, the Governor and Senate, from the Legislature, or any other State authority, during the term for which he is elected. All such appointments, and all votes given for any person so elected for any such office or appointment, shall be void. No member of the Legislature shall be interested, directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the time for which he is elected, nor for one year thereafter.

Bills and Resolutions to be read three times; Ays and noes on final passage.

SEC. 19. Every bill and joint resolution shall be read three times in each house before the final passage thereof. No bill or joint resolution shall become a law without the concurrence of a majority of all the members elected to each house. On the final passage of all bills the vote shall be by ayes and nays, and entered on the journal.

No law to embrace but one object; When acts to take effect.

SEC. 20. No law shall embrace more than one object, which shall be expressed in its title. No public act shall take effect or be in force until the expiration of ninety days from the end of the session at which the same is passed, unless the Legislature shall otherwise direct, by a two-thirds vote of the members elected to each house.

Legislature not to grant extra compensation to officers, &c.

SEC. 21. The Legislature shall not grant nor authorize extra compensation to any public officer, agent, or contractor, after the service has been rendered or the contract entered into.

Fuel, Stationery, Printing, &c., to be let by contract.

SEC. 22. The Legislature shall provide by law that the furnishing of fuel and stationery for the use of the State, the printing and binding the laws and journals, all blanks, paper, and printing for the executive departments, and all other printing ordered by the Legislature, shall be let by contract to the lowest bidder or bidders, who shall give adequate and satisfactory security for the performance thereof. The Legislature shall prescribe by law the manner in which the State printing shall be executed, and the accounts rendered therefor; and shall prohibit all charges for constructive labor. They shall not rescind nor alter such contract, nor release the person or persons taking the same, or his or their sureties, from the performance of any of the conditions of the contract. No member of the Legislature, nor officer of the State shall be interested directly or indirectly in any such contract.

Legislature not to authorize sale or conveyance of real estate nor vacate any road.

SEC. 23. The Legislature shall not authorize, by private or special law, the sale or conveyance of any real estate belonging to any person; nor vacate nor alter any road laid out by commissioners of highways, or any street in any city or village, or in any recorded town plat.

Chaplain for State Prison, not for Legislature.

SEC. 24. The Legislature may authorize the employment of a chaplain for the State Prison; but no money shall be appropriated for the payment of any religious services in either house of the Legislature.

Acts altered or amended to be re-enacted and published at length.

SEC. 25. No law shall be revised, altered or amended by reference to its title only; but the act revised, and the section or sections of the act altered or amended shall be re-enacted and published at length.

Divorces.

SEC. 26. Divorces shall not be granted by the Legislature.

Lotteries.

SEC. 27. The Legislature shall not authorize any lottery, nor permit the sale of lottery tickets.

No bill to be introduced during last three days of session.

SEC. 28. No new bill shall be introduced into either house during the last three days of the session, without the unanimous consent of the house in which it originates.

Contested elections.

SEC. 29. In case of a contested election, the person only shall receive from the State per diem compensation and mileage, who is declared to be entitled to a seat by the house in which the contest takes place.

Collectors and holders of public money ineligible to office.

SEC. 30. No collector, holder, nor disburser of public moneys, shall have a seat in the Legislature, or be eligible to any office of trust or profit under this State, until he shall have accounted for and paid over, as provided by law, all sums for which he may be liable.

Private claims.

SEC. 31. The Legislature shall not audit nor allow any private claim or account.

Hour of adjournment.

SEC. 32. The Legislature, on the day of final adjournment, shall adjourn at twelve o'clock at noon.

Meeting of Legislature.

SEC. 33. The Legislature shall meet at the seat of government on the first Wednesday in February next, and on the first Wednesday in January of every second year thereafter, and at no other place or time, unless as provided in this constitution.

Election of Senators and Representatives in 1852, and thereafter.

SEC. 34. The election of Senators and Representatives, pursuant to the provisions of this constitution, shall be held on the Tuesday succeeding the first Monday of November, in the year one thousand eight hundred and fifty-two, and on the Tuesday succeeding the first Monday of November of every second year thereafter.

State Paper; compensation for publishing laws.

SEC. 35. The Legislature shall not establish a State Paper. Every newspaper in the State which shall publish all the general laws of any session within forty days of their passage, shall be entitled to receive a sum not exceeding fifteen dollars therefor.

Publication of Statutes and Decisions.

SEC. 36. The Legislature shall provide for the speedy publication of all statute laws of a public nature, and of such judicial decisions as it may deem expedient. All laws and judicial decisions shall be free for publication by any person.

Vacancies.

SEC. 37. The Legislature may declare the cases in which any office shall be deemed vacant, and also the manner of filling the vacancy, where no provision is made for that purpose in this constitution.

Local Legislation.

SEC. 38. The Legislature may confer upon organized townships, incorporated cities and villages, and upon the board of supervisors of the several counties, such powers of a local, legislative, and administrative character as they may deem proper.

Religious Liberty.

SEC. 39. The Legislature shall pass no law to prevent any person from worshipping Almighty God according to the dictates of his

own conscience; or to compel any person to attend, erect, or support any place of religious worship; or to pay tithes, taxes, or other rates, for the support of any minister of the gospel, or teacher of religion.

No money drawn from treasury for religious purposes.

SEC. 40. No money shall be appropriated or drawn from the treasury for the benefit of any religious sect or society, theological or religious seminary; nor shall property belonging to the State be appropriated for any such purposes.

Rights of opinion.

SEC. 41. The Legislature shall not diminish or enlarge the civil or political rights, privileges, and capacities of any person on account of his opinion or belief concerning matters of religion.

Liberty of speech and press.

SEC. 42. No law shall ever be passed to restrain or abridge the liberty of speech or of the press; but every person may freely speak, write, and publish his sentiments on all subjects, being responsible for the abuse of such right.

Attainder.

SEC. 43. The Legislature shall pass no bill of attainder, ex post facto law, or law impairing the obligation of contracts.

Habeas Corpus.

SEC. 44. The privilege of the writ of habeas corpus remains, and shall not be suspended by the Legislature, except in case of rebellion or invasion the public safety require it.

Bills appropriating money.

SEC. 45. The assent of two-thirds of the members elected to each house of the Legislature shall be requisite to every bill appropriating public money or property for local or private purposes.

Trial by Jury.

SEC. 46. The Legislature may authorize a trial by jury of a less number than twelve men.

Licenses.

SEC. 47. The Legislature shall not pass any act authorizing the grant of license for the sale of ardent spirits or other intoxicating liquors.

Style of Laws.

SEC. 48. The style of the laws shall be: "The People of the State of Michigan enact."

ARTICLE V.

EXECUTIVE DEPARTMENT.

Governor and Lieutenant-Governor.

SEC. 1. The executive power is vested in a Governor, who shall hold his office for two years. A Lieutenant-Governor shall be chosen for the same term.

Eligibility.

SEC. 2. No person shall be eligible to the office of Governor or Lieutenant-Governor who has not been five years a citizen of the United States, and a resident of this State two years next preceding his election: nor shall any person be eligible to either office who has not attained the age of thirty years.

How elected.

SEC. 3. The Governor and Lieutenant-Governor shall be elected at the times and places of choosing the members of the Legislature. The person having the highest number of votes for Governor or Lieutenant-Governor shall be elected. In case two or more persons shall have an equal and the highest number of votes for Governor or Lieutenant-Governor, the Legislature shall, by joint vote, choose one of such persons.

Power of Governor.

SEC. 4. The Governor shall be commander-in-chief of the military and naval forces; and may call out such forces to execute the laws, to suppress insurrections, and to repel invasion.

Executive business.

SEC. 5. He shall transact all necessary business with officers of government, and may require information, in writing, from the officers of the executive department, upon any subject relating to the duties of their respective offices.

Execution of Laws.

SEC. 6. He shall take care that the laws be faithfully executed.

Convening the Legislature.

SEC. 7. He may convene the Legislature on extraordinary occasions.

Messages.

SEC. 8. He shall give to the Legislature, and at the close of his official term to the next Legislature, information by message, of the condition of the State, and recommend such measures to them as he shall deem expedient.

May convene the Legislature at other place than capital.

SEC. 9. He may convene the Legislature at some other place, when the seat of government becomes dangerous from disease or a common enemy.

Writs of Election.

SEC. 10. He shall issue writs of election to fill such vacancies as occur in the Senate or House of Representatives.

Reprieves and Pardons.

SEC. 11. He may grant reprieves, commutations, and pardons, after convictions, for all offenses except treason and cases of impeachment; upon such conditions and with such restrictions and limitations as he may think

proper, subject to regulations provided by law, relative to the manner of applying for pardons. Upon conviction for treason, he may suspend the execution of the sentence until the case shall be reported to the Legislature at its next session, when the Legislature shall either pardon or commute the sentence, direct the execution of the sentence, or grant a further reprieve. He shall communicate to the Legislature at each session, information of each case of reprieve, commutation or pardon granted, and the reasons therefor.

Vacancy, &c.

SEC. 12. In case of the impeachment of the Governor, his removal from office, death, inability, resignation, or absence from the State, the powers and duties of the office shall devolve upon the Lieutenant-Governor for the residue of the term, or until the disability ceases. When the Governor shall be out of the State in time of war, at the head of a military force thereof, he shall continue commander-in-chief of all the military force of the State.

Vacancy; how filled.

SEC. 13. During a vacancy in the office of Governor, if the Lieutenant-Governor die, resign, be impeached, displaced, be incapable of performing the duties of his office, or absent from the State, the President *pro tempore* of the Senate shall act as Governor, until the vacancy be filled, or the disability cease.

Lieutenant-Governor to be President of Senate.

SEC. 14. The Lieutenant-Governor shall, by virtue of his office, be President of the Senate. In committee of the whole, he may debate all questions; and, when there is an equal division, he shall give the casting vote.

U. S. officer ineligible to office of Governor.

SEC. 15. No member of Congress, nor any person holding office under the United States, or this State, shall execute the office of Governor.

Governor, &c., not to receive appointment from Legislature.

SEC. 16. No person elected Governor or Lieutenant-Governor shall be eligible to any office or appointment from the Legislature, or either house thereof, during the time for which he was elected. All votes for either of them, for any such office, shall be void.

Compensation.

SEC. 17. The Lieutenant (Governor) and President of the Senate *pro tempore*, when performing the duties of Governor, shall receive the same compensation as the Governor.

Great Seal.

SEC. 18. All official acts of the Governor, his approval of the laws excepted, shall be authenticated by the great seal of the State, which shall be kept by the Secretary of State.

Commissions; how issued.

SEC. 19. All commissions issued to persons holding office under the provisions of this constitution, shall be in the name and by the authority of the people of the State of Michigan, sealed with the great seal of the State, signed by the Governor, and countersigned by the Secretary of State.

ARTICLE VI.

JUDICIAL DEPARTMENT.

Judicial Power.

SEC. 1. The judicial power is vested in one Supreme Court, in Circuit Courts, in Probate Courts, and in Justices of the Peace. Municipal Courts of civil and criminal jurisdiction may be established by the Legislature in cities.

Supreme Court.

SEC. 2. For the term of six years, and thereafter, until the Legislature otherwise provide, the judges of the several Circuit Courts shall be judges of the Supreme Court, four of whom shall constitute a quorum. A concurrence of three shall be necessary to a final decision. After six years, the Legislature may provide by law for the organization of a Supreme Court, with the jurisdiction and powers prescribed in this constitution, to consist of one chief justice, and three associate justices, to be chosen by the electors of the State. Such Supreme Court, when so organized, shall not be changed or discontinued by the Legislature for eight years thereafter. The judges thereof shall be so classified that but one of them shall go out office at the same time. Their term of office shall be eight years.

Powers.

SEC. 3. The Supreme Court shall have a general superintending control over all inferior courts, and shall have power to issue writs of error, habeas corpus, mandamus, quo warranto, procedendo, and other original and remedial writs, and to hear and determine the same. In all other cases it shall have appellate jurisdiction only.

Terms.

SEC. 4. Four terms of the Supreme Court shall be held annually, at such times and places as may be designated by law.

Rules, &c.; Masters in Chancery prohibited.

SEC. 5. The Supreme Court shall, by general rules, establish, modify, and amend the practice in such court and in the Circuit Courts, and simplify the same. The Legislature shall, as far as practicable, abolish distinctions between law and equity proceedings. The office of master in chancery is prohibited.

Judicial Circuits.

SEC. 6. The State shall be divided into eight judicial circuits; in each of which the

electors thereof shall elect one circuit judge, who shall hold his office for the term of six years and until his successor is elected and qualified.

Alteration.

SEC. 7. The Legislature may alter the limits of circuits or increase the number of the same. No alteration or increase shall have the effect to remove a judge from office. In every additional circuit established, the judge shall be elected by the electors of such circuit, and his term of office shall continue as provided in this constitution for judges of the Circuit Court.

Powers, &c.

SEC. 8. The Circuit Courts shall have original jurisdiction in all matters, civil and criminal, not excepted in this constitution, and not prohibited by law; and appellate jurisdiction from all inferior courts and tribunals, and a supervisory control of the same. They shall also have power to issue writs of habeas corpus, mandamus, injunction, quo warranto, certiorari, and other writs necessary to carry into effect their orders, judgments, and decrees, and give them a general control over inferior Courts and tribunals within their respective jurisdictions.

Salary of Judges.

SEC. 9. Each of the judges of the Circuit Courts shall receive a salary, payable quarterly. They shall be ineligible to any other than a judicial office during the term for which they are elected, and for one year thereafter. All votes for any person elected such judge, for any office other than judicial, given either by the Legislature or the people, shall be void.

Reporter of Decisions; Vacancies, how filled.

SEC. 10. The Supreme Court may appoint a reporter of its decisions. The decisions of the Supreme Court shall be in writing, and signed by the judges concurring therein. Any judge dissenting therefrom, shall give the reasons of such dissent in writing, under his signature. All such opinions shall be filed in the office of the clerk of the Supreme Court. The judges of the Circuit Court, within their respective jurisdictions, may fill vacancies in the office of county clerk and of prosecuting attorney; but no judge of the Supreme Court, or Circuit Court, shall exercise any other power of appointment to public office.

Terms of Circuit Courts.

SEC. 11. A Circuit Court shall be held at least twice in each year, in every county organized for judicial purposes, and four times in each year in counties containing ten thousand inhabitants. Judges of the Circuit Court may hold courts for each other, and shall do so when required by law.

Clerk of Circuit Court.

SEC. 12. The clerk of each county organized for judicial purposes shall be the clerk of the Circuit Court of such county, and of the Supreme Court when held within the same.

Courts of Probate.

SEC. 13. In each of the counties organized for judicial purposes, there shall be a Court of Probate, the judge of such court shall be elected by the electors of the county in which he resides, and shall hold his office for four years, and until his successor is elected and qualified. The jurisdiction, powers, and duties of such court shall be prescribed by law.

Vacancies; how filled.

SEC. 14. When a vacancy occurs in the office of judge of the Supreme, Circuit, or Probate Court, it shall be filled by the appointment of the Governor, which shall continue until a successor is elected and qualified. When elected, such successor shall hold his office the residue of the unexpired term.

Court of Record.

SEC. 15. The Supreme Court, the Circuit and Probate Courts of each county, shall be courts of record, and shall each have a common seal.

Circuit Court Commissioners.

SEC. 16. The Legislature may provide by law for the election of one or more persons in each organized county, who may be vested with judicial powers not exceeding those of a judge of the Circuit Court at chambers.

Justices of the Peace; how elected, &c.

SEC. 17. There shall be not exceeding four justices of the peace in each organized township. They shall be elected by the electors of the townships, and shall hold their offices for four years, and until their successors are elected and qualified. At the first election in any townships, they shall be classified as shall be prescribed by law. A justice elected to fill a vacancy shall hold his office for the residue of the unexpired term. The Legislature may increase the number of justices in cities.

Jurisdiction of Justices.

SEC. 18. In civil cases, justices of the peace shall have exclusive jurisdiction to the amount of one hundred dollars, and concurrent jurisdiction to the amount of three hundred dollars, which may be increased to five hundred dollars, with such exceptions and restrictions as may be provided by law. They shall also have such criminal jurisdiction and perform such duties as shall be prescribed by the Legislature.

Conservators of the Peace.

SEC. 19. Judges of the Supreme Court, circuit judges, and justices of the peace, shall

be conservators of the peace within their respective jurisdictions.

Election of Circuit Judges.

SEC. 20. The first election of judges of the Circuit Courts shall be held on the first Monday in April, one thousand eight hundred and fifty-one, and every sixth year thereafter. Whenever an additional circuit is created, provision shall be made to hold the subsequent election of such additional judges at the regular elections herein provided.

Election of Judges of Probate.

SEC. 21. The first election of judges of the Probate Courts shall be held on the Tuesday succeeding the first Monday of November, one thousand eight hundred and fifty-two, and every fourth year thereafter.

What deemed Vacancy.

SEC. 22. Whenever a judge shall remove beyond the limits of the jurisdiction for which he was elected, or a justice of the peace from the township in which he was elected, or by a change in the boundaries of such township, shall be placed without the same, they shall be deemed to have vacated their respective offices.

Court of Conciliation.

SEC. 23. The Legislature may establish courts of conciliation, with such powers and duties as shall be prescribed by law.

Suitors may appear by attorney or in person.

SEC. 24. Any suitor in any court of this State shall have the right to prosecute or defend his suit, either in his own proper person, or by an attorney or agent of his choice.

Libels; truth may be given in evidence.

SEC. 25. In all prosecutions for libels, the truth may be given in evidence to the jury; and if it shall appear to the jury that the matter charged as libelous is true, and was published with good motives, and for justifiable ends, the party shall be acquitted. The jury shall have the right to determine the law and the fact.

Security from search and seizure.

SEC. 26. The person, houses, papers, and possessions of every person shall be secure from unreasonable searches and seizures. No warrant to search any place, or to seize any person or things, shall issue without describing them, nor without probable cause, supported by oath or affirmation.

Right of trial by Jury.

SEC. 27. The right of trial by jury shall remain, but shall be deemed to be waived in all civil cases, unless demanded by one of the parties in such manner as shall be prescribed by law.

Accused to have speedy trial, &c.

SEC. 28. In every criminal prosecution the accused shall have the right to a speedy and

public trial by an impartial jury, which may consist of less than twelve men in all courts not of record; to be informed of the nature of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and have the assistance of counsel for his defense.

Acquittal upon merits.

SEC. 29. No person, after acquittal upon the merits, shall be tried for the same offense. All persons shall, before conviction, be bailable by sufficient sureties, except for murder and treason, when the proof is evident, or the presumption great.

Treason.

SEC. 30. Treason against the State shall consist only in levying war against [it] or in adhering to its enemies, giving them aid and comfort. No person shall be convicted of treason unless upon the testimony of two witnesses to the same overt act, or on confession in open court.

Bail, &c.

SEC. 31. Excessive bail shall not be required; excessive fines shall not be imposed; cruel or unusual punishment shall not be inflicted, nor shall witnesses be unreasonably detained.

No person compelled to testify against himself.

SEC. 32. No person shall be compelled, in any criminal case, to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law.

Imprisonment for debt; Militia fines.

SEC. 33. No person shall be imprisoned for debt, arising out of or founded on a contract, expressed or implied, except in cases of fraud or breach of trust, or of moneys collected by public officers or in any professional employment. No person shall be imprisoned for a militia fine in time of peace.

Competency of witnesses.

SEC. 34. No person shall be rendered incompetent to be a witness on account of his opinions on matters of religious belief.

Style of process.

SEC. 35. The style of all process shall be: "In the name of the People of the State of Michigan."

ARTICLE VII.

ELECTIONS.

Qualification of electors.

SEC. 1. In all elections, every white male citizen, every white male inhabitant residing in the State on the twenty-fourth day of June, one thousand eight hundred and thirty-five; every white male inhabitant residing in the State on the first day of January, one thousand eight hundred and fifty, who has declared his intention to become a citizen of the United

States, pursuant to the laws thereof, six months preceding an election, or who has resided in this State two years and six months, and declared his intention as aforesaid, and every civilized male inhabitant of Indian descent, a native of the United States, and not a member of any tribe, shall be an elector and entitled to vote; but no citizen or inhabitant shall be an elector or entitled to vote at any election, unless he shall be above the age of twenty-one years, and has resided in the State three months, and in the township or ward in which he offers to vote, ten days next preceding such election.

Votes to be by ballot.

SEC. 2. All votes shall be given by ballot, except for such township officers as may be authorized by law to be otherwise chosen.

Privileges of electors from arrest.

SEC. 3. Every elector, in all cases except treason, felony, or breach of the peace, shall be privileged from arrest during his attendance at election, and in going to and returning from the same.

From military duty.

SEC. 4. No elector shall be obliged to do militia duty on the day of election, except in time of war or public danger, or attend court as a suitor or witness.

Residence of electors.

SEC. 5. No elector shall be deemed to have gained or lost a residence by reason of his being employed in the service of the United States, or of this State; nor while engaged in the navigation of the waters of this State, or of the United States, or of the high seas; nor while a student of any seminary of learning; nor while kept at any almshouse or other asylum at public expense; nor while confined in any public prison.

Purity of elections.

SEC. 6. Laws may be passed to preserve the purity of elections, and guard against the abuses of the elective franchise.

Soldiers, &c., not residents.

SEC. 7. No soldier, seaman, nor marine in the army or navy of the United States, shall be deemed a resident of this State in consequence of being stationed in any military or naval place within the same.

Duelling disqualifies from office and from elective franchise.

SEC. 8. Any inhabitant who may hereafter be engaged in a duel, either as principal or accessory before the fact, shall be disqualified from holding any office under the constitution and laws of this State, and shall not be permitted to vote at any election.

ARTICLE VIII.

STATE OFFICERS.

State officers elected; where to keep their offices.

SEC. 1. There shall be elected at each general biennial election, a Secretary of State, a Superintendent of Public Instruction, a State Treasurer, a Commissioner of the Land Office, an Auditor General, and an Attorney General, for the term of two years. They shall keep their offices at the seat of government, and shall perform such duties as may be prescribed by law.

Term of office.

SEC. 2. Their term of office shall commence on the first day of January, one thousand eight hundred and fifty-three, and of every second year thereafter.

Vacancy; how filled.

SEC. 3. Whenever a vacancy shall occur in any of the State offices, the Governor shall fill the same by appointment, by and with the advice and consent of the Senate, if in session.

Board of State Auditors; to be State Canvassers.

SEC. 4. The Secretary of State, State Treasurer, and Commissioner of the State Land Office shall constitute a Board of State Auditors, to examine and adjust all claims against the State not otherwise provided for by general law. They shall constitute a Board of State Canvassers to determine the result of all elections for Governor, Lieutenant-Governor and State Officers, and of such other officers as shall by law be referred to them.

In case of tie, Legislature to make choice.

SEC. 5. In case two or more persons have an equal and the highest number of votes for any office, as canvassed by the Board of State Canvassers, the Legislature, in joint convention, shall choose one of said persons to fill such office. When the determination of the Board of State Canvassers is contested, the Legislature, in joint convention, shall decide which person is elected.

ARTICLE IX.

SALARIES.

SEC. 1. The Governor shall receive an annual salary of one thousand dollars; the Judges of the Circuit Court shall each receive an annual salary of one thousand five hundred dollars; the State Treasurer shall receive an annual salary of one thousand dollars; the Auditor General shall receive an annual salary of one thousand dollars; the Superintendent of the Public Instruction shall receive an annual salary of one thousand dollars; the Secretary of State shall receive an annual salary of eight hundred dollars; the Commissioner of the Land Office shall receive an annual salary of eight hundred

dollars; the Attorney General shall receive an annual salary of eight hundred dollars. They shall receive no fees or perquisites whatever, for the performance of any duties connected with their offices. It shall not be competent for the Legislature to increase the salaries herein provided.

ARTICLE X.

COUNTIES.

Counties to be bodies corporate.

SEC. 1. Each organized county shall be a body corporate, with such powers and immunities as shall be established by law. All suits and proceedings by or against a county shall be in the name thereof.

Not to be reduced to less than sixteen Townships.

SEC. 2. No organized county shall ever be reduced by the organization of new counties to less than sixteen townships, as surveyed by the United States, unless, in pursuance of law, a majority of electors residing in each county to be affected thereby shall so decide. The Legislature may organize any city into a separate county when it has attained a population of twenty thousand inhabitants, without reference to geographical extent, when a majority of the electors of a county in which such city may be situated, voting thereon, shall be in favor of a separate organization.

County Officers.

SEC. 3. In each organized county there shall be a Sheriff, a County Clerk, a County Treasurer, a Register of Deeds and a Prosecuting Attorney, chosen by the electors thereof, once in two years, and as often as vacancies shall happen, whose duties and powers shall be prescribed by law. The board of supervisors in any county may unite the offices of County Clerk and Register of Deeds in one office, or disconnect the same.

Office at County Seat.

SEC. 4. The sheriff, county clerk, county treasurer, judge of probate and register of deeds shall hold their offices at the county seat.

Sheriff to hold no other office; To give security.

SEC. 5. The sheriff shall hold no other office, and shall be incapable of holding the office of sheriff longer than four in any period of six years. He may be required by law to renew his security from time to time, and in default of giving such security, his office shall be deemed vacant. The county shall never be responsible for his acts.

Board of Supervisors.

SEC. 6. A board of supervisors, consisting of one from each organized township, shall be established in each county, with such powers as shall be prescribed by law.

Cities to be represented in Board.

SEC. 7. Cities shall have such representation in the board of supervisors of the coun-

ties in which they are situated, as the Legislature may direct.

County seats; how removed.

SEC. 8. No county seat once established, shall be removed until the place to which it is proposed to be removed shall be designated by two-thirds of the board of supervisors of the county, and a majority of the electors voting thereon, shall have voted in favor of the proposed location, in such manner as shall be prescribed by law.

Board of Supervisors may borrow money, &c.

SEC. 9. The board of supervisors of any county, may borrow or raise by tax one thousand dollars, for constructing or repairing public buildings, highways or bridges; but no greater sum shall be borrowed or raised by tax for such purpose in any one year, unless authorized by a majority of the electors of such county voting thereon.

In County of Wayne.

SEC. 10. The board of supervisors, or in the county of Wayne, the board of county auditors, shall have the exclusive power to fix the compensation for all services rendered for, and to adjust all claims against, their respective counties; and the sum so fixed or defined shall be subject to no appeal.

Board of Supervisors to provide for laying out highways, &c.

SEC. 11. The board of supervisors of each organized county may provide for laying out highways, constructing bridges, and organizing townships, under such restrictions and limitations as shall be prescribed by law.

ARTICLE XI.

TOWNSHIPS.

Township Officers.

SEC. 1. There shall be elected annually, on the first Monday in April, in each organized township, one supervisor, one township clerk, who shall be ex-officio school inspector, one commissioner of highways, one township treasurer, one school inspector, not exceeding four constables, and one overseer of highways for each highway district, whose powers and duties shall be prescribed by law.

Townships to be bodies corporate.

SEC. 2. Each organized township shall be a body corporate, with such powers and immunities as shall be prescribed by law. All suits and proceedings by or against a township, shall be in the name thereof.

ARTICLE XII.

IMPEACHMENTS AND REMOVALS FROM OFFICE.

Impeachments.

SEC. 1. The House of Representatives shall have the sole power of impeaching civil officers for corrupt conduct in office, or for

crimes and misdemeanors; but a majority of the members elected shall be necessary to direct an impeachment.

How tried.

SEC. 2. Every impeachment shall be tried by the Senate. When the Governor or Lieutenant-Governor is tried, the Chief Justice of the Supreme Court shall preside. When an impeachment is directed, the Senate shall take an oath or affirmation truly and impartially to try and determine the same according to the evidence. No person shall be convicted without the concurrence of two-thirds of the members elected. Judgment in case of impeachment shall not extend further than removal from office; but the party convicted shall be liable to punishment according to law.

House to elect three members to prosecute.

SEC. 3. When an impeachment is directed, the House of Representatives shall elect from their own body three members, whose duty it shall be to prosecute such impeachment. No impeachment shall be tried until the final adjournment of the Legislature, when the Senate shall proceed to try the same.

Impeachment of judicial officer.

SEC. 4. No judicial officer shall exercise his office after an impeachment is directed, until he is acquitted.

Vacancy; how filled.

SEC. 5. The governor may make a provisional appointment to fill a vacancy occasioned by the suspension of an officer until he shall be acquitted, or until after the election and qualification of a successor.

Removal of Judge.

SEC. 6. For reasonable cause, which shall not be sufficient ground for the impeachment of a judge, the Governor shall remove him on a concurrent resolution of two-thirds of the members elected to each house of the Legislature; but the cause for which such removal is required, shall be stated at length in such resolution.

Removal of certain officers.

SEC. 7. The Legislature shall provide by law for the removal of any officer elected by a county, township or school district, in such manner and for such cause as to them shall seem just and proper.

ARTICLE XIII.

EDUCATION.

SEC. 1. The Superintendent of Public Instruction shall have the general supervision of public instruction, and his duties shall be prescribed by law.

School fund.

SEC. 2. The proceeds from the sales of all lands that have been or hereafter may be

granted by the United States to the State for educational purposes, and the proceeds of all lands or other property given by individuals, or appropriated by the State for like purposes, shall be and remain a perpetual fund, the interest and income of which, together with the rents of all such lands as may remain unsold, shall inviolably appropriated and annually applied to the specific objects of the original gift, grant or appropriation.

Escheats.

SEC. 3. All land, the title to which shall fail from a defect of heirs, shall escheat to the State; and the interest on the clear proceeds from the sales thereof, shall be appropriated exclusively to the support of primary schools.

Free Schools.

SEC. 4. The Legislature shall, within five years from the adoption of this constitution, provide for and establish a system of primary schools, whereby a school shall be kept without charge for tuition, at least three months in each year, in every school district in the State; and all instruction in said schools shall be conducted in the English language.

District Schools.

SEC. 5. A school shall be maintained in each school district, at least three months in each year. Any school district neglecting to maintain such school, shall be deprived for the ensuing year of its proportion of the income of the primary school fund, and of all funds arising from taxes for the support of schools.

Election of Regents of University.

SEC. 6. There shall be elected in each judicial circuit, at the time of the election of the judge of such circuit, a regent of the University, whose term of office shall be the same as that of said judge. The regents thus elected shall constitute the Board of Regents of the University of Michigan

Regents body corporate.

SEC. 7. The Regents of the University and their successors in office shall continue to constitute the body corporate, known by the name and title of "the Regents of the University of Michigan."

President of the University.

SEC. 8. The regents of the University shall, at their first annual meeting, or as soon thereafter as may be, elect a president of the University, who shall be ex-officio a member of their board, with the privilege of speaking, but not of voting. He shall preside at the meetings of the regents, and be the principal executive officer of the University. The board of regents shall have the general supervision of the University, and the direction and control of all expenditures from the University interest fund.

Board of Education.

SEC. 9. There shall be elected at the general election in the year one thousand eight hundred and fifty-two, three members of a State board of education; one for two years, one for four years, and one for six years; and at each succeeding biennial election there shall be elected one member of such board, who shall hold his office for six years. The Superintendent of Public Instruction shall be ex-officio a member and secretary of such board. The board shall have the general supervision of the State Normal School, and their duties shall be prescribed by law.

Asylum.

SEC. 10. Institutions for the benefit of those inhabitants who are deaf, dumb, blind, or insane, shall always be fostered and supported.

Agricultural School.

SEC. 11. The Legislature shall encourage the promotion of intellectual, scientific, and agricultural improvement; and shall, as soon as practicable, provide for the establishment of an agricultural school. The Legislature may appropriate the twenty-two sections of salt spring lands now unappropriated, or the money arising from the sale of the same, where such lands have been already sold, and any land which may hereafter be granted or appropriated for such purpose, for the support and maintenance of such school, and may make the same a branch of the University, for instructions in agriculture and the natural sciences connected therewith, and place the same under the supervision of the regents of the University.

Town Libraries.

SEC. 12. The Legislature shall also provide for the establishment of at least one library in each township; and all fines assessed and collected in the several counties and townships for any breach of the penal laws, shall be exclusively applied to the support of such libraries.

ARTICLE XIV.

FINANCE AND TAXATION.

Specific Taxes.

SEC. 1. All specific State taxes, except those received from the mining companies of the Upper Peninsula, shall be applied in paying the interest upon the primary school, university and other educational funds, and the interest and principal of the State debt, in the order herein recited, until the extinguishment of the State debt, other than the amounts due to educational funds; when such specific taxes shall be added to, and constitute a part of the primary school interest fund. The Legislature shall provide for an annual tax, sufficient with other resources, to pay the estimated expenses of the State government,

the interest of the State debt, and such deficiency as may occur in the resources.

Sinking Fund.

SEC. 2. The Legislature shall provide by law a sinking fund of at least twenty thousand dollars a year, to commence in eighteen hundred and fifty-two, with compound interest at the rate of six per cent. per annum, and an annual increase of at least five per cent., to be applied solely to the payment and extinguishment of the principal of the State debt, other than the amounts due to the educational funds, and shall be continued until the extinguishment thereof. The unfunded debt shall not be funded or redeemed at a value exceeding that established by law in one thousand eight hundred and forty-eight.

State may contract debts, &c.

SEC. 3. The State may contract debts to meet deficits in revenues. Such debts shall not in the aggregate at any one time exceed fifty thousand dollars. The moneys so raised shall be applied to the purposes for which they were obtained, or to the payment of the debts so contracted.

To repel invasions.

SEC. 4. The State may contract debts to repel invasion, suppress insurrection, or defend the State in time of war. The money arising from the contracting of such debts shall be applied to the purposes for which it was raised, or to repay such debts.

Money; how paid out.

SEC. 5. No money shall be paid out of the treasury except in pursuance of appropriations made by law.

State credit, &c.

SEC. 6. The credit of the State shall not be granted to or in aid of any person, association or corporation.

Scrip not to be issued.

SEC. 7. No scrip, certificate, or other evidence of State indebtedness shall be issued, except for the redemption of stock previously issued, or for such debts as are expressly authorized in this constitution.

State not to subscribe stock.

SEC. 8. The State shall not subscribe to or be interested in the stock of any company, association or corporation.

Not to engage in internal improvement.

SEC. 9. The State shall not be a party to or interested in any work of internal improvement, nor engaged in carrying on any such work, except in the expenditure of grants to the State of land or other property.

To collect specific tax.

SEC. 10. The State may continue to collect all specific taxes accruing to the treasury under existing laws. The Legislature may

provide for the collection of specific taxes from banking, railroad, plank road, and other corporations hereafter created.

Uniform rate of taxation.

SEC. 11. The Legislature shall provide an uniform rule of taxation, except on property paying specific taxes; and taxes shall be levied on such property as shall be prescribed by law.

Assessments.

SEC. 12. All assessments hereafter authorized shall be on property at its cash value.

Equalization.

SEC. 13. The Legislature shall provide for an equalization by a State board in the year one thousand eight hundred and fifty-one, and every fifth year thereafter, of assessments on all taxable property except that paying specific taxes.

Laws imposing taxes.

SEC. 14. Every law which imposes, continues or revives a tax, shall distinctly state the tax, and the object to which it is to be applied; and it shall not be sufficient to refer to any other law to fix such tax or object.

ARTICLE XV.

CORPORATIONS.

How formed.

SEC. 1. Corporations may be formed under general laws; but shall not be created by special act, except for municipal purposes. All laws passed pursuant to this section, may be altered, amended, or repealed.

Banking law to be submitted to the people.

SEC. 2. No banking law or law for banking purposes, or amendments thereof, shall have effect until the same shall, after its passage, be submitted to a vote of the electors of the State, at a general election, and be approved by a majority of the votes cast thereon at such election.

Individual liability.

SEC. 3. The officers and stockholders of every corporation or association for banking purposes, issuing bank notes, or paper credits, to circulate as money, shall be individually liable for all debts contracted during the time of their being officers or stockholders of such corporation or association.

Registry of bills.

SEC. 4. The Legislature shall provide by law for the registry of all bills or notes issued or put in circulation as money, and shall require security to the full amount of notes and bills so registered, in State or United States stocks bearing interest, which shall be deposited with the State Treasurer for the redemption of such bills or notes in specie.

Bill-holders entitled to preference.

SEC. 5. In case of the insolvency of any bank or banking association, the bill-holders

thereof shall be entitled to preference in payment, over all other creditors of such bank or association.

Suspension.

SEC. 6. The Legislature shall pass no law authorizing or sanctioning the suspension of specie payments by any person, association or corporation.

Liability.

SEC. 7. The stockholders of all corporations and joint stock associations shall be individually liable for all labor performed for such corporation or association.

Amendment, &c.

SEC. 8. The Legislature shall pass no law altering or amending any act of incorporation heretofore granted, without the assent of two-thirds of the members elected to each house; nor shall any such act be renewed or extended. This restriction shall not apply to municipal corporations.

Property; how taken.

SEC. 9. The property of no person shall be taken by any corporation for public use, without compensation being first made or secured, in such manner as may be prescribed by law.

Term of corporation.

SEC. 10. No corporation, except for municipal purposes, or for the construction of rail roads, plank roads, and canals, shall be created for a longer time than thirty years.

Construction of term corporation.

SEC. 11. The term "corporations," as used in the preceding sections of this article, shall be construed to include all associations and joint stock companies having any of the powers or privileges of corporations not possessed by individuals or partnerships. All corporations shall have the right to sue and be subject to be sued in all courts, in like cases as natural persons.

Limitation.

SEC. 12. No corporation shall hold any real estate hereafter acquired for a longer period than ten years, except such real estate as shall be actually occupied by such corporation in the exercise of its franchises.

Cities and villages.

SEC. 13. The Legislature shall provide for the incorporation and organization of cities and villages, and shall restrict their powers of taxation, borrowing money, contracting debts and loaning their credit.

Election of judicial officers.

SEC. 14. Judicial officers of cities and villages shall be elected, and all other officers shall be elected or appointed at such time and such manner as the Legislature may direct.

Private property; how taken.

SEC. 15. Private property shall not be taken for public improvements in cities and villages without the consent of the owner, unless the

compensation therefor shall first be determined by a jury of freeholders, and actually paid or secured in the manner provided by law.

Notice for charter.

SEC. 16. Previous notice of any application for an alteration of the charter of any corporation shall be given in such manner as may be prescribed by law.

ARTICLE XVI.

EXEMPTIONS.

Amount.

SEC. 1. The personal property of every resident of this State, to consist of such property only as shall be designated by law, shall be exempted to the amount of not less than five hundred dollars, from sale on execution or other final process of any court, issued for the collection of any debt contracted after the adoption of this constitution.

Homestead.

SEC. 2. Every homestead of not exceeding forty acres of land, and the dwelling house thereon, and the appurtenances to be selected by the owner thereof, and not included in any town plat, city, or village; or instead thereof, at the option of the owner, any lot in any city, or village, or recorded town plat, or such parts of lots as shall be equal thereto, and the dwelling house thereon, and its appurtenances, owned and occupied by any resident of the State, not exceeding in value fifteen hundred dollars, shall be exempt from forced sale on execution, or any other final process from a court, for any debt contracted after the adoption of this constitution. Such exemption shall not extend to any mortgage thereon lawfully obtained, but such mortgage or other alienation of such land by the owner thereof, if a married man, shall not be valid without the signature of the wife to the same.

SEC. 3. The homestead of a family, after the death of the owner thereof, shall be exempt from the payment of his debts, contracted after the adoption of this constitution, in all cases during the minority of his children.

Estate of females.

SEC. 4. If the owner of a homestead die, leaving a widow, but no children, the same shall be exempt, and the rents and profits thereof shall accrue to her benefit during the time of her widowhood, unless she be the owner of a homestead in her own right.

SEC. 5. The real and personal estate of every female, acquired before marriage, and all property to which she may afterwards become entitled by gift, grant, inheritance or devise, shall be and remain the estate and property of such female, and shall not be liable for the debts, obligations, or engagements of her husband, and may be devised or bequeathed by her as if she were unmarried.

ARTICLE XVII.

MILITIA.

Of whom composed.

SEC. 1. The militia shall be composed of all able bodied white male citizens between the ages of eighteen and forty-five years, except such as are exempted by the laws of the United States or this State; but all such citizens, of any religious denomination whatever, who, from scruples of conscience, may be averse to bearing arms, shall be excused therefrom, upon such conditions as shall be prescribed by law.

Organization.

SEC. 2. The Legislature shall provide by law for organizing, equipping and disciplining the militia, in such manner as they shall deem expedient, not incompatible with the laws of the United States.

Officers; how elected.

SEC. 3. Officers of the militia shall be elected or appointed, and be commissioned in such manner as may be provided by law.

ARTICLE XVIII.

MISCELLANEOUS PROVISIONS.

Oath.

SEC. 1. Members of the Legislature, and all officers, executive and judicial, except such officers as may by law be exempted, shall, before they enter on the duties of their respective offices, take and subscribe the following oath or affirmation: "I do solemnly swear (or affirm) that I will support the Constitution of the United States, and the Constitution of this State, and that I will faithfully discharge the duties of the office of _____ according to the best of my ability." And no other oath, declaration, or test, shall be required as a qualification for any office or public trust.

Private property for public use.

SEC. 2. When private property is taken for the use or benefit of the public, the necessity for using such property, and the just compensation to be made therefor, except when to be made by the State, shall be ascertained by a jury of twelve freeholders, residing in the vicinity of such property, or by not less than three commissioners, appointed by a court of record, as shall be prescribed by law.

Mechanical trades in State Prison.

SEC. 3. No mechanical trade shall hereafter be taught to convicts in the State prison of this State, except the manufacture of those articles of which the chief supply for home consumption is imported from other States or countries.

Navigable streams.

SEC. 4. No navigable stream in this State shall be either bridged or dammed without authority from the board of supervisors of

the proper county, under the provisions of law. No such law shall prejudice the right of individuals to the free navigation of such streams, or preclude the State from the further improvement of the navigation of such stream.

Public moneys.

SEC. 5. An accurate statement of the receipts and expenditures of the public moneys shall be attached to and published with the laws, at every regular session of the Legislature.

Laws, &c., to be in English Language.

SEC. 6. The laws, public records, and the written judicial and legislative proceedings of the State shall be conducted, promulgated and preserved in the English language.

Right to bear arms.

SEC. 7. Every person has a right to bear arms for the defense of himself and the State.

Military, &c.

SEC. 8. The military shall, in all cases, and at all times, be in strict subordination to the civil power.

Soldiers not to be quartered in private houses.

SEC. 9. No soldier shall, in time of peace, be quartered in any house without the consent of the owner or occupant, nor in time of war, except in a manner prescribed by law.

Right of petition.

SEC. 10. The people have the right peaceably to assemble together, to consult for the common good, to instruct their representatives, and to petition the Legislature for redress of grievances.

Slavery prohibited.

SEC. 11. Neither slavery, nor involuntary servitude, unless for the punishment of crime, shall ever be tolerated in this State.

Leases.

SEC. 12. No lease or grant hereafter of agricultural land for a longer period than twelve years, reserving any rent or service of any kind, shall be valid.

Aliens may hold property.

SEC. 13. Aliens who are, or who may hereafter become *bona fide* residents of this State, shall enjoy the same rights in respect to the possession, enjoyment and inheritance of property, as native born citizens.

Private property; Private roads.

SEC. 14. The property of no person shall be taken for public use without just compensation therefor. Private roads may be opened in the manner to be prescribed by law; but in every case the necessities of the road, and the amount of all damage to be sustained by the opening thereof, shall be first determined by a jury of free-holders, and such amount, together with the expenses of proceedings,

shall be paid by the person or persons to be benefited.

Revision of Laws.

SEC. 15. No general revision of the laws shall hereafter be made. When a re-print thereof becomes necessary, the Legislature in joint convention, shall appoint a suitable person to collect together such acts and parts of acts as are in force, and without alteration, arrange them under appropriate heads and titles. The laws so arranged shall be submitted to two commissioners, appointed by the Governor, for examination, and if certified by them to be a correct compilation of all general laws in force, shall be printed in such manner as shall be prescribed by law.

ARTICLE XIX.

UPPER PENINSULA.

SEC. 1. The counties of Mackinac, Chippewa, Delta, Marquette, Schoolcraft, Houghton, and Ontonagon, and the islands and territory thereunto attached, the islands of Lake Superior, Huron and Michigan, and in Green Bay, and the Straits of Mackinac, and the River Ste. Marie, shall constitute a separate judicial district, and be entitled to a district judge and district attorney.

District judge.

SEC. 2. The district judge shall be elected by the electors of such district, and shall perform the same duties, and possess the same powers, as a circuit judge in his circuit, and shall hold his office for the same period.

Attorney.

SEC. 3. The district attorney shall be elected every two years by the electors of the district, shall perform the duties of prosecuting attorney throughout the entire district, and may issue warrants for the arrest of offenders in cases of felony, to be proceeded with as shall be prescribed by law.

Senators and Representatives.

SEC. 4. Such judicial circuit shall be entitled at all times to at least one senator, and until entitled to more by its population, it shall have three members of the House of Representatives, to be apportioned among the several counties by the Legislature.

Compensation of judge.

SEC. 5. The Legislature may provide for the payment of the district judge a salary not exceeding one thousand dollars a year; and on the district attorney not exceeding seven hundred dollars a year; and may allow extra compensation to the members of the Legislature from such territory, not exceeding two dollars a day during any session.

Election when to take place.

SEC. 6. The elections of all district or county officers, State Senator or Representatives

within the boundaries defined in this article, shall take place on the last Tuesday of September in the respective years in which they may be required. The county canvass shall be held on the first Tuesday in October thereafter, and the district canvass on the last Tuesday of said October.

Taxes.

SEC. 7. One-half of the taxes received into the treasury from mining corporations in the Upper Peninsula paying an annual State tax of one per cent., shall be paid to the treasurers of the counties from which it is received, to be applied for township and county purposes, as provided by law. The Legislature shall have power, after the year one thousand eight hundred and fifty-five, to reduce the amount to be refunded.

State Prison may be removed.

SEC. 8. The Legislature may change the location of the State Prison from Jackson to the Upper Peninsula.

Mining Companies.

SEC. 9. The charters of the several mining corporations may be modified by the Legislature, in regard to the term limited for subscribing for stock, and in relation to the quantity of land which a corporation shall hold; but the capital shall not be increased, nor the time for the existence of charters extended. No such corporation shall be permitted to purchase or hold any real estate, except such as shall be necessary for the exercise of its corporate franchises.

ARTICLE XX.

AMENDMENT AND REVISION OF THE CONSTITUTION.

Amendment.

SEC. 1. Any amendment or amendments to this constitution may be proposed in the Senate or House of Representatives. If the same shall be agreed to by two-thirds of the members elected to each House, such amendment or amendments shall be entered on their journals respectively, with the yeas and nays taken thereon, and the same shall be submitted to the electors at the next general election thereafter, and if a majority of the electors qualified to vote for members of the Legislature voting thereon, shall ratify and approve such amendment or amendments, the same shall become part of the constitution.

1866.

SEC. 2. At the general election to be held in the year one thousand eight hundred and sixty-six, and in each sixteenth year thereafter, and also at such other times as the Legislature may by law provide, the question of the general revision of the constitution shall be submitted to the electors qualified to vote for members of the Legislature; and in case

a majority of the electors so qualified, voting at such election, shall decide in favor of a convention for such purpose, the legislature, at the next session shall provide by law for the election of delegates to such convention. All the amendments shall take effect at the commencement of the political year after their adoption.

SCHEDULE.

Common and statute law to remain in force.

That no inconvenience may arise from the changes in the constitution of this State, and in order to carry the same into complete operation, it is hereby declared, that,

SEC. 1. The common law, and the statute laws now in force, not repugnant to this constitution, shall remain in force until they expire by their own limitations, or are altered or repealed by the Legislature.

Writs, actions, &c., to be proceeded in.

SEC. 2. All writs, actions, causes of action, prosecutions, and rights of individuals and of bodies corporate, and of the State, and all charters of incorporation, shall continue; and all indictments which shall have been found, or which may hereafter be found, for any crime or offense committed before the adoption of this constitution, may be proceeded upon as if no change had taken place. The several courts, except as herein otherwise provided, shall continue with the like powers and jurisdiction, both at law and in equity, as if this constitution had not been adopted, and until the organization of the judicial department under this constitution.

Fines, &c.

SEC. 3. That all fines, penalties, forfeitures, and escheats, accruing to the State of Michigan under the present constitution and laws, shall accrue to the use of the State, under this constitution.

Recognizances, &c.

SEC. 4. That all recognizances, bonds, obligations, and all other instruments entered into or executed before the adoption of this constitution, to the people of the State of Michigan, to any State, county or township, or any public officer, or public body, or which may be entered into or executed under existing laws "to the people of the State of Michigan," to any such officer or public body, before the complete organization of the departments of government under this constitution, shall remain binding and valid, and rights and liabilities upon the same shall continue, and may be prosecuted as provided by law. And all crimes, and misdemeanors, and penal actions, shall be tried, punished, and prosecuted, as though no change had taken place, until otherwise provided by law.

Governor and Lt. Governor.

SEC. 5. A Governor and Lieutenant-Governor shall be chosen under the existing constitution and laws, to serve after the expiration of the term of the present incumbents.

Officers to hold office.

SEC. 6. All officers, civil and military, now holding any office or appointment, shall continue to hold their respective offices, unless removed by competent authority, until superseded under the laws now in force, or under this constitution.

Senators and Representatives to hold office.

SEC. 7. The members of the Senate and House of Representatives of the Legislature of one thousand eight hundred and fifty-one shall continue in office, under the provisions of law, until superseded by their successors, elected and qualified under this constitution.

County officers to hold office.

SEC. 8. All county officers, unless removed by competent authority, shall continue to hold their respective offices until the first day in January, in the year one thousand eight hundred and fifty-three. The laws now in force as to the election, qualifications, and duties of township officers, shall continue in force until the Legislature shall, in conformity to the provisions of this constitution, provide for the holding of elections to fill such offices, and prescribe the duties of such officers respectively.

Term.

SEC. 9. On the first day of January, in the year one thousand eight hundred and fifty-two, the terms of office of the judges of the Supreme Court under existing laws, and of the judges of the County Courts, and of the clerks of the Supreme Court, shall expire on the said day.

Jurisdiction, &c.

SEC. 10. On the first day of January, in the year one thousand eight hundred and fifty-two, the jurisdiction of all suits and proceedings then pending in the present Supreme Court, shall become vested in the Supreme Court established by this constitution, and shall be finally adjudicated by the court where the same may be pending. The jurisdiction of all suits and proceedings at law or in equity, then pending in the Circuit Courts and County Courts for the several counties, shall become vested in the Circuit Court of the said counties, and District Court of the Upper Peninsula.

Probate and Justices' Courts to exercise jurisdiction.

SEC. 11. The probate courts, the courts of justices of the peace, and the police court authorized by an act entitled "an act to establish a police court in the City of Detroit," approved April second, one thousand eight hundred and fifty, shall continue to exercise

the jurisdiction and powers now conferred upon them respectively, until otherwise provided by law.

State Printer.

SEC. 12. The office of State Printer shall be vested in the present incumbent until the expiration of the term for which he was elected under the law then in force; and all the provisions of the said law relating to his duties, rights, and privileges and compensation, shall remain unimpaired and inviolate until the expiration of his said term of office.

Duty of Legislature of 1851.

SEC. 13. It shall be the duty of the Legislature, at their first session, to adapt the present laws to the provisions of this constitution, so far as may be.

Duty of Attorney General.

SEC. 14. The Attorney General of the State is required to prepare and report to the Legislature at the commencement of the next session, such changes and modifications in existing laws as may be deemed necessary to adapt the same to this constitution, and as may be best calculated to carry into effect its provisions; and he shall receive no additional compensation therefor.

Territory, &c.

SEC. 15. Any territory attached to any county for judicial purposes, if not otherwise represented, shall be considered as forming part of such county, so far as regards elections for the purpose of representation.

Constitution to be submitted to the people.

SEC. 16. This constitution shall be submitted to the people for their adoption or rejection, at the general election to be held on the first Tuesday of November, one thousand eight hundred and fifty; and there shall also be submitted for adoption or rejection, at the same time, the separate resolution in relation to the elective franchise; and it shall be the duty of the Secretary of the State, and all other officers required to give or publish any notice in regard to the said general election, to give notice as provided by law in case of an election of Governor, that this constitution has been duly submitted to the electors at said election. Every newspaper within this State publishing in the month of September next, this constitution as submitted, shall receive as compensation therefor, the sum of twenty-five dollars, to be paid as the Legislature shall direct.

Qualification of electors.

SEC. 17. Any person entitled to vote for members of the Legislature, by the constitution and laws now in force, shall, at the said election, be entitled to vote for the adoption or rejection of this constitution, and for or against the resolution separately submitted, at the places and in the manner provided by

law for the election of members of the Legislature.

Ballot box.

SEC. 18. At the said general election, a ballot box shall be kept by the several boards of inspectors thereof, for receiving the votes cast for or against the adoption of this constitution: and on the ballots shall be written or printed, or partly written and partly printed, the words "adoption of the constitution—yes," or "adoption of the constitution—no."

Canvass.

SEC. 19. The canvass of the votes cast for the adoption or rejection of this constitution, and the provision in relation to the elective franchise separately submitted, and the returns thereof shall be made by the proper canvassing officers, in the same manner as now provided by law for the canvass and return of the votes cast at an election for Governor, as near as may be; and the return thereof shall be directed to the Secretary of State. On the sixteenth day of December next, or within five days thereafter, the Auditor General, State Treasurer, and Secretary of State shall meet at the Capitol, and proceed, in presence of the Governor, to examine and canvass the returns of the said votes, and proclamation shall forthwith be made by the Governor of the result thereof. If it shall appear that a majority of the votes cast upon the question have thereon "Adoption of the constitution—yes," this constitution shall be the supreme law of the State from and after the first day of January, one thousand eight hundred and fifty-one, except as is hereinafter provided; but if a majority of the votes cast upon the question have thereon "Adoption of the constitution—no," the same shall be null and void. And in case of the adoption of this constitution, said officers shall immediately, or as soon thereafter as practicable, proceed to open the statements of votes returned from the several counties for judges of the Supreme Court and State officers, under the act entitled "an act to amend the revised statutes and to provide for the election of certain officers by the people, in pursuance of an amendment of the constitution," approved February sixteenth, one thousand eight hundred and fifty, and shall ascertain, determine, and certify the results of the election for said officers under said acts, in the same manner, as near as may be, as is now provided by law in regard to the election of Representatives in Congress. And the several judges and officers so ascertained to have been elected, may be qualified and enter upon the duties of their respective offices, on the first Monday of January next, or as soon thereafter as practicable.

Salaries.

SEC. 20. The salaries or compensation of all persons holding office under the present

constitution shall continue to be the same as now provided by law, until superseded by their successors elected or appointed under this constitution; and it shall not be lawful hereafter for the Legislature to increase or diminish the compensation of any officer during the term for which he is elected or appointed.

Expenditures of Convention; how paid.

SEC. 21. The Legislature, at their first session, shall provide for the payment of all expenditures of the Convention to revise the constitution, and of the publication of the same as provided in this article.

Representative Districts.

SEC. 22. Every county, except Mackinac and Chippewa, entitled to a representative in the Legislature, at the time of the adoption of this constitution, shall continue to be so entitled under this constitution; and the county of Saginaw, with the territory that may be attached, shall be entitled to one Representative; the county of Tuscola, and the territory that may be attached, one Representative; the county of Sanilac, and the territory that may be attached, one Representative; the counties of Midland and Arenac, with the territory that may be attached, one Representative; the county of Montcalm, with the territory that may be attached thereto, one Representative; and the counties of Newaygo and Oceana, with the territory that may be attached thereto, one Representative. Each county having a ratio of representation and a fraction over, equal to a moiety of said ratio, shall be entitled to two representatives, and so on above that number, giving one additional member for each additional ratio.

Cases pending in chancery.

SEC. 23. The cases pending and undisposed of in the late court of chancery, at the time of the adoption of this constitution, shall continue to be heard and determined by the judges of the Supreme Court. But the Legislature shall, at its session in one thousand eight hundred and fifty-one, provide by law for the transfer of said causes that may remain undisposed of on the first day of January, one thousand eight hundred and fifty-two, to the Supreme or Circuit Court, established by this constitution, or require that the same may be heard and determined by the circuit judges.

Term of office of Governor and Lt. Governor.

SEC. 24. The term of office of the Governor and Lieutenant-Governor shall commence on the first day of January next after their election.

Upper Peninsula.

SEC. 25. The territory described in the article entitled "Upper Peninsula," shall be attached to and constitute a part of the third

circuit for the election of a regent of the University.

District judge.

SEC. 26. The Legislature shall have authority after the expiration of the term of office of the district judge first elected for the Upper Peninsula, to abolish said office of district judge and district attorney, or either of them.

Legislature of 1851; its duties.

SEC. 27. The Legislature shall, at its session of one thousand eight hundred and fifty-one, apportion the Representatives among the several counties and districts, and divide the State into Senate districts, pursuant to the provisions of this constitution.

Terms of State and County officers.

SEC. 28. The term of office of all State and county officers, of the circuit judges, members of the board of education and members of the Legislature, shall begin on the first

Done in Convention at the capitol of the State, this fifteenth day of August, in the year of our Lord one thousand eight hundred and fifty, and of the Independence of the United States, the seventy-fifth.

day of January next succeeding their election.

State divided into eight judicial circuits.

SEC. 29. The State, exclusive of the Upper Peninsula, shall be divided into eight judicial circuits, and the counties of Monroe, Lenawee and Hillsdale, shall constitute the first circuit; the counties of Branch, St. Joseph, Cass and Berrien, shall constitute the second circuit; the county of Wayne shall constitute the third circuit; the counties of Washtenaw, Jackson and Ingham shall constitute the fourth circuit; the counties of Calhoun, Kalamazoo, Allegan, Eaton and Van Buren, shall constitute the fifth circuit; [the] counties of St. Clair, Macomb, Oakland and Sanilac, shall constitute the sixth circuit; the counties of Lapceer, Genesec, Saginaw, Shiawassee, Livingston, Tuscola, and Midland shall constitute the seventh circuit; and the counties of Barry, Kent, Ottawa, Ionia, Clinton, and Montcalm, shall constitute the eighth circuit.

D. GOODWIN,

President.

Revised Charter of the City of Detroit.

CHAPTER I.

INCORPORATION—CITY AND WARD BOUNDARIES.

SECTION 1. *The People of the State of Michigan enact*, That the corporation heretofore created and now known as "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," shall be and continue to be a corporation by the name of "The City of Detroit," and by that name may sue and be sued, implead and be impleaded, complain and defend, in any court of record and any other place whatsoever; may have a common seal and alter it at pleasure, and may take, hold, purchase lease, convey and dispose of any real, personal or mixed estate for the use of said corporation.

SEC. 2. The district of country in the county of Wayne and State of Michigan, hereinafter particularly described, is hereby constituted and declared to be a city, by the name of Detroit, and subject to the municipal government of said corporation, said district of country being bounded as follows, viz: Beginning at a point on the national boundary line

in the Detroit River, directly opposite and in a line with the dividing line between the Baker and Woodbridge Farms, so called, and running thence north thirty-two degrees and forty-seven minutes west, to the margin of said river; thence north twenty-two degrees and forty-seven minutes west, along said dividing line to the rear or northerly line of the Baker Farm aforesaid; thence north-easterly along the rear or northerly line of the Baker, Labrosse and Forsyth Farms, so called, to the north-westerly corner of the Jones Farm, so called; thence north sixty degrees east, on a course parallel with Jefferson Avenue, to a point opposite the dividing line between the Dequindre and Witherell Farms, so called; thence south twenty-six degrees east, to the north-easterly corner of the Dequindre Farm aforesaid, being the north-western corner of the Witherell Farm aforesaid; thence south twenty-six degrees east, along said line of said farms, to the margin of the Detroit River aforesaid; thence south twenty-six degrees east to the national boundary line in said river,

and thence south-westerly along said national boundary line to the place of beginning. The wards of said city shall be and remain as heretofore laid out and constituted, until altered by the Common Council of said city, as authorized by this act. (*See Appendix.*)

CHAPTER II.

OFFICERS—WHO ELECTED, WHO APPOINTED, QUALIFICATIONS, BONDS, OFFICIAL TERMS, REMOVAL, VACANCY.

SECTION 1. The following officers of the corporation shall be elected at the annual city election, on a general ticket, by the qualified electors of the whole city, viz: Mayor, Recorder, City Clerk, Attorney, Treasurer, Marshal, City Surveyor, and Director of the Poor.

The following officers of the corporation shall be elected at said election on a ward ticket, in each ward, by the qualified electors thereof, viz: Two Aldermen, two School Inspectors, a Collector, Overseer of Highways, and Constable.

SEC. 2. The following officers shall be appointed by the Common Council, at a meeting to be held on the second Tuesday of January in each year, viz: Superintendent of Alms House, a Sealer of Weights and Measures, a Clerk of the Recorders' Court, who shall be appointed on the recommendation of the Recorder, one or more Collectors, one or more Physicians, one or more Street Commissioners, one or more Assistant Marshals, one or more Clerks of Markets, and such other officers, deputies, assistant officers and agents, whose appointment shall be authorized by prior resolution of the Common Council. A Controller shall be appointed on the second Tuesday of March, preceding the expiration of his term of office.

SEC. 3. There shall also be the following boards of officers of the corporation, viz: a Board of Water Commissioners, to be appointed and constituted as provided for in the act incorporating "The Board of Water Commissioners of the City of Detroit," approved February 14th, 1853; a Board of Education, to be constituted as provided for in the act incorporating "The Board of Education of the City of Detroit," approved February 17th, 1842, and all acts amendatory thereto; and a Board of Inspectors of Election, to be appointed and constituted as hereinafter provided; and a Board of three Sewer Commissioners, who shall be appointed by the Common Council, on the nomination of the Mayor, and who shall appoint a competent engineer, and, with his aid, it shall be their duty to propose a plan for constructing sewers and drains for the whole city—having reference, however, to the sewers and drains already

constructed or in process of construction—and said Board shall have such further powers and duties, in respect to the sewers and drains of said city, as said Common Council shall by ordinance prescribe. Said Commissioners shall receive no compensation for their services, shall hold their office for the term of five years, with the exception of the first Board, who shall hold their office for the respective term of three, four and five years, and the respective terms of each shall be determined by lot, under the direction of the City Attorney and Controller, and when thus determined, such determination shall be certified by said Attorney and Controller to the Common Council, and entered upon their journal, and such certificate shall be evidence of the respective term for which the several members of said Board have been elected. It shall be the duty of said engineer, under the direction of said Board, to superintend the construction and repair of sewers.

SEC. 4. There shall be six Justices of the Peace in and for said city, who shall be elected on the general ticket at the annual city election in the same manner, shall hold their offices for the same terms and by the same tenure, possess the same jurisdiction and powers, subject to the act of the Legislature establishing a Police Court of the City of Detroit, and be subject to the same duties and liabilities, as provided by the general laws of this State in relation to the election, jurisdiction, powers, duties and liabilities of Justices of the Peace for Townships; but the Justices of the Peace of said city, now in office, shall continue to hold their offices for the terms for which they have been elected, and in conformity to the general laws of this State: *Provided, however,* That at the election, to be held in April, 1857, a Justice of the Peace may be elected to fill the vacancy which will occur by the expiration of the term of such Justice in July, 1857.

SEC. 5. No person shall be elected or appointed to, or shall hold any office under this act, who shall not be at the time of his election or appointment, and so long as he shall hold such office, a resident elector of said city; and no person shall be elected or appointed to, or shall hold office for any ward in said city, who at the time of his election or appointment, and so long as he shall hold such office, shall not be a resident elector of the ward from and for which he may be elected or appointed. If any person, elected or appointed to any office of the corporation, shall cease to be a resident of the city or of the ward for which he may have been elected or appointed, such office shall thereby be vacated: *Provided, however,* That a School Inspector shall not vacate his office by his removal from one ward to another ward in said city.

SEC. 6. No person shall be elected to the office of Attorney, unless he be at the time of his election a Counselor of the Supreme Court of this State of two years' standing.

SEC. 7. No person shall be elected or appointed to any office created by this act, who is now, or hereafter may be, a defaulter to said city, or to any board of officers thereof, or to the State of Michigan, or any county thereof; and any person shall be considered a defaulter who has refused or neglected, or may hereafter refuse or neglect, for thirty days after demand made, to account for and pay over to the party authorized to receive the same, any public money which has come into his possession. If any person holding any such office shall become a defaulter, while in office, the same shall thereby be vacated.

SEC. 8. No person shall be elected or appointed to any office under this act, except the office of Scavenger and Chimney Sweeper, unless he is able to read and write the English language intelligibly; and if any such person be elected or appointed, the Common Council shall declare such appointment or election void.

SEC. 9. No member of the Common Council shall, after his election and during the time for which he was elected, or within one year thereafter, be appointed to any office under this act, which shall have been created, or the emoluments of which shall have been increased, during such time.

SEC. 10. No person interested directly or indirectly, either as principal or surety, in any contract or agreement written or verbal, to which the corporation shall be a party in interest, or to which any officer or board under this act shall officially be a party, for the construction of any sewer, pavement, building, or performance of any public work whatever, or for involving the expenditure, receipt or disposition of money or property of the corporation, Common Council, or by any officer or board under this act, shall be eligible or appointed to any office under this act; and if any person thus interested shall be elected or appointed to office, his election or appointment shall be void, and his office shall be deemed vacant.

SEC. 11. If any member of the Common Council or other officer of the corporation, after his election or appointment, or while in office, shall become, or cause himself to become, interested, directly or indirectly, in any contract or agreement, written or verbal, to which the corporation shall be a party in interest, or to which any officer or board under this act shall officially be a party, or in any question, subject or proceeding pending before the Common Council, with intent to gain, directly or indirectly any benefit, profit or pecuniary advantage, he shall be removed from

his office, and his office declared vacant by the Common Council, and he shall be deemed guilty of wilful and corrupt malfeasance in office, and may be prosecuted therefor, and on conviction, shall be punished by a fine not exceeding one thousand dollars, or imprisonment in the State Prison not exceeding one year, or both, at the discretion of the Court.

SEC. 12. If any person shall offer, directly or indirectly, to a member of the Common Council, or if any member of the Common Council shall directly or indirectly accept, or agree to accept, or receive any money, goods, or chattels, or any bank note, bank bill, bond, promissory note, due bill, bill of exchange, draft, order, or certificate, or any security for the payment of money or goods and chattels, or any deed, or writing containing a conveyance of land, or containing a transfer of any interest in real estate, any valuable contract in force, or any other property or reward whatsoever, in consideration that such member of the Common Council will vote affirmatively or negatively, or that he will not vote, or that he will use his interest or influence on any question, ordinance, resolution, or other matter or proceeding pending before the Common Council he shall be removed from office, and his office declared vacant by the Common Council, and both he and the person making such offer as aforesaid, shall be deemed guilty of misdemeanor, and may be prosecuted therefor, and on conviction, shall be punished by a fine not exceeding one thousand dollars, or imprisonment in the State Prison not exceeding one year, or both, at the discretion of the Court.

SEC. 13. The Water Commissioners shall hold their respective offices for the term of five years, the Controller for the term of three years, the Recorder for the term of six years, the Mayor, Aldermen, School Inspectors, Treasurer, City Clerk, Attorney, Marshal, City Surveyor and Director of the Poor for the term of two years, and all other officers who are elected or appointed, shall hold for the term of one year: *Provided, however,* that all officers, whether elected or appointed, shall hold their offices respectively, until their successors shall be duly elected or appointed and qualified, and shall enter upon the discharge of their duties.

SEC. 14. The official terms of all officers who are elected, shall commence on the second Tuesday of January, after the annual city election at which they may have been elected, on which day there shall be a meeting of the Common Council; and the official terms of all officers who are appointed, shall commence and expire on the third Tuesday of January, on which day there shall also be a meeting of the Common Council, except the Water Commissioners, whose official terms

shall commence and expire as provided for in the act incorporating "The Board of Water Commissioners of the City of Detroit," approved February 14th, 1853, and the Controller, whose official term shall commence and expire on the first Tuesday in April.

SEC. 15. Every officer appointed or elected under this act, before entering on the duties of his office, shall take and subscribe the following oath of office: "I do solemnly swear (or affirm) that I will support the constitution of the United States and of this State, and that I will faithfully discharge the duties of such office to the best of my ability," and shall file said oath, duly certified by the officer before whom it was taken, in the office of the Clerk of the city.

SEC. 16. Officers, who are elected in the annual city election, shall take and subscribe the oath of office before the City Clerk, file their official bonds and enter upon their official duties on the second Tuesday of January next ensuing their election, or within ten days thereafter; and officers, who are appointed for full terms, shall take and subscribe the oath of office, file their official bonds and enter upon their official duties on the third Tuesday of January, or within ten days thereafter; but officers, who are either at a special election, or appointed to fill the unexpired portion of a term, shall take and subscribe the oath of office, file their official bonds and enter upon their duties within ten days next ensuing notice of their election or appointment, except Justices of the Peace.

SEC. 17. Any office hereby authorized, but not specially named, may at any time be discontinued by the Common Council, and if there be an incumbent in such office, such discontinuance shall on notice thereof discharge him from the office and a further execution of its duties, and his office be deemed vacant.

SEC. 18. The Recorder shall be subject to impeachment and removal from office for corrupt conduct in office, or for crimes and misdemeanors, in the same manner as judicial officers, pursuant to the provisions of the constitution of this State.

SEC. 19. The Common Council may expel or remove from office any of its members, or any other officer holding office by election, except the Mayor and Recorder, for corrupt or wilful malfeasance or misfeasance in office, or for wilful neglect of the duties of his office, by a vote of two-thirds of all the Aldermen elect, and in such case the reasons for such expulsion or removal shall be entered on the records of the Common Council, with the names and votes of the members voting on the question. No officer holding office by election shall be expelled or removed by said Common Council, unless first furnished with

a copy of the charges in writing, and allowed to be heard in his defense with aid of counsel; and for the purposes hereof the Common Council shall have power to issue subpoenas, to compel the attendance of witnesses and the production of papers, when necessary, and shall proceed within ten days after service of a copy of the charges, to hear and determine upon the merits of the case. If such officer shall neglect to appear and answer to such charges, his default may be deemed good cause for removal from office. The Mayor shall have power to suspend or remove from office the Marshal, Street Commissioner, Deputy Marshal, Constables, Overseers of Highways, and officers of the Police; and in case of such suspension or removal, he shall report the same, with the reasons therefor, to the Common Council.

SEC. 20. Any officer holding office by appointment, may be removed at any time by the Common Council, without charges and a trial thereof, by a vote of a majority of the Aldermen elect, except the Controller, who may be removed for the same causes and on the same proceedings as a member of the Common Council.

SEC. 21. Any officer holding office by election, except the Recorder, against whom charges shall be preferred, may be suspended from office by a majority vote of all the Aldermen elected, until such charges shall be heard and determined; and any officer holding office by appointment, may be suspended temporarily from office, at any time, by the like vote.

SEC. 22. In case of expulsion or removal from office, death, resignation or permanent disability of any officer, his office shall thereby become vacant, and may be so declared by the Common Council.

SEC. 23. Resignations of office shall be made to the Common Council in writing, and be subject to their approval and acceptance.

SEC. 24. If any office of appointment shall become vacant, the Common Council may appoint a successor to serve for the unexpired portion of the official term.

SEC. 25. If a vacancy occurs in the office of Mayor or Alderman more than six months before the time for holding the next succeeding annual city election, the Common Council shall order a special election to fill such vacancy for the residue of the official term; if it occurs within six months before the time for holding such election, the Common Council may in its discretion order a special election to fill such vacancy for the residue of the official term.

SEC. 26. If a vacancy occurs in any elective office, other than that of Mayor, Recorder or Alderman, the Common Council shall appoint some person eligible under this act, to

serve in such office until the next annual election, when the vacancy shall be filled for the residue of the official term.

SEC. 27. The Controller, Treasurer, Clerk, Attorney, Collectors, Marshal, Clerk of the Markets, Street Commissioner and Constables shall, *respectively*, before they enter upon the duties of their respective offices, and such other officers as the Common Council may direct, file in the Clerk's office an official bond in such sum and with such sureties, as the Common Council shall direct and approve.

SEC. 28. The official bond of every officer shall be conditioned that he will faithfully perform the duties of his office, and will on demand deliver over to his successor in office or other proper officer or agent of the corporation, all books, papers, moneys, effects, and property belonging to the corporation or appertaining to his office, which may be in his custody as an officer; and such bond may be further conditioned as the Common Council shall prescribe. The official bond of every officer whose duty it may be to receive or pay out money, besides being conditioned as above required, shall be further conditioned that he will on demand pay over or account for to the corporation, or any proper officer or agent thereof, all moneys received by him as such officer.

SEC. 29. Every person elected to the office of Constable in said city, before entering on the duties of his office, shall, with two or more sureties, to be approved by the Common Council, execute and file with the City Clerk a bond to the City of Detroit in the penal sum of two thousand dollars, or an instrument in writing, conditioned well and faithfully in all things, to execute and perform the duties of his office during the continuance therein, and to pay to each and every person who may be entitled thereto, all sums of money which said Constable may become liable to pay on account of any execution or process for the collection of money which shall be delivered to him; and further conditioned as the Common Council may prescribe.

SEC. 30. The Common Council may at any time require any officer, whether elected or appointed, to execute and file with the Clerk of the city, new official bonds in the same or in such further sums, and with new or such further sureties, as said Council may deem requisite for the interest of the corporation.

SEC. 31. The Clerk of the city shall cause every officer, whether elected or appointed, as soon as practicable after his election or appointment, to be served with a written notice thereof and of the amount of his official bond; and if such officers shall neglect to take and subscribe his oath of office, or to file his required official bond within the prescribed time therefor by this act; or if

any officer, required to execute and file a new official bond, as provided in the preceding section, shall not comply with such requirement within ten days after notice thereof from the City Clerk, the Common Council may declare the office in such case vacant, and such vacancy may be filled as heretofore provided in this act.

SEC. 32. The Common Council, or such officer as the Common Council shall by resolution or ordinance prescribe, may examine into the sufficiency of the proposed sureties in any official bond or instrument in writing required by this act, or in any contract in writing, to which the corporation or any officer or board under this act shall be a party in interest, and may require such sureties to submit to an examination under oath as to their property and responsibility. The depositions of the surety shall be reduced to writing, be signed by him, certified by the person taking the same, and annexed to and filed with the bond or instrument in writing to which it relates.

SEC. 33. The Clerk of the city shall report the name of any person elected or appointed to any office, who shall have neglected to file his official bond and oath of office, as required by this act, to the Common Council at its next meeting after such default.

CHAPTER III.

ELECTIONS—HOW CONDUCTED.

SEC. 1. The annual city election shall be held on the first Tuesday after the first Monday of November in each year, at such places in the several wards, as shall be designated by an order of the Common Council, at least twenty days previous thereto, notice of which, specifying, also, the officers to be elected and the time for opening and closing the polls, shall immediately, or within three days after the date of such order, be given by the City Clerk by publication in two or more daily newspapers published in said city. The time and place for holding a special election shall be designated, and the notice thereof given in the same manner and to the same effect.

SEC. 2. Each ward shall be an election district; every elector shall vote in the ward in which he resides, and the residence of an elector under this act shall be the ward in which he takes his regular meals.

SEC. 3. At every election, the inspectors of election for the ward in which such election may be held, shall consist of the two Aldermen of the ward and a third person to be chosen, *viva voce*, by the electors present, from their number, at the time of opening the polls, and if from any cause either or both of said Aldermen shall fail to attend any such election, his or their places may be supplied for the purpose of such election by the

electors present, who shall elect any of their number, *viva voce*. Said inspectors, before entering upon their duties, shall each take the same oath of office prescribed for other officers under this act.

SEC. 4. The inspectors in each ward, before the opening of the polls, shall appoint two competent clerks of the election, who shall take the same oath as the inspectors, which oath either of the inspectors may administer.

SEC. 5. One suitable ballot box, with lock and key, shall be provided and kept by the City Clerk, at the expense of the city, for each ward; and it shall be the duty of the City Clerk to deposit such box, with the key, in the hands of the inspectors for each ward, prior to the opening of the polls.

SEC. 6. The polls of election shall be opened at eight o'clock in the forenoon, or as soon thereafter as may be, on the day of election, and shall be continued open until five o'clock in the afternoon of the same day, and no longer.

SEC. 7. The qualifications of electors under this act shall be those prescribed in the first section of the seventh article of the constitution of this State, which is as follows: "In all elections, every white male citizen, every white male inhabitant residing in the State on the twenty-fourth day of June, one thousand eight hundred and thirty-five; every white male inhabitant residing in the State on the first day of January, one thousand eight hundred and fifty, who has declared his intention to become a citizen of the United States, pursuant to the laws thereof, six months preceding an election, or who has resided in this State two years and six months, and declared his intention as aforesaid, and every civilized male inhabitant of Indian descent, a native of the United States, and not a member of any tribe, shall be an elector and entitled to vote; but no citizen or inhabitant shall be an elector or entitled to vote at any election, unless he shall be above the age of twenty-one years, and has resided in this State three months, and in the township or ward in which he offers to vote, ten days next preceding such election."

SEC. 8. If at any election a vote shall be challenged, either of the inspectors of election shall be authorized to swear or affirm the person whose vote is challenged, to answer such questions as may be put to him touching his qualifications as an elector, and said inspectors shall decide from such examination as to the legality of such vote.

SEC. 9. If any person thus sworn or affirmed shall willfully swear or affirm falsely as to any material matter concerning his qualifications as an elector of said city, he shall be deemed guilty of perjury, and may be prosecuted therefor, and on conviction

thereof be punished by a fine not exceeding one thousand dollars, or imprisonment at hard labor in the State Prison for a period not exceeding five years, or both, at the discretion of the Court.

SEC. 10. If any person shall vote in more than one ward, or more than once in the same ward, at any election in said city, he may be prosecuted therefor, and, on conviction, shall be punished by a fine not exceeding five hundred dollars, or imprisonment at hard labor in the State Prison for a period not exceeding three years, or both, in the discretion of the Court.

SEC. 11. The manner of conducting and voting at elections to be held under this act, the keeping of the poll list, canvassing of the votes, certifying the returns, and all other proceedings connected with such elections shall be the same, as nearly as may be, as is now or may hereafter be provided for by the laws of this State, applicable to general State elections, except as may be otherwise provided in this act.

SEC. 12. On canvassing the votes, the inspectors shall certify a full and true return thereof, under their hands, to the Clerk of the city, carefully sealed up, together with the poll lists and ballots, within forty-eight hours after the closing of the polls; and the inspectors of election, or a majority of them, shall on the Saturday next after election, at three o'clock in the afternoon, meet at the City Clerk's office or Common Council room, and proceed to open and canvass the said returns, and declare the result of the election.

SEC. 13. Special elections shall be conducted, as near as may be, in the same manner as general elections; but in such cases the returns of the inspectors shall be opened and canvassed, and the result declared by the Common Council at its first meeting after the making of said returns.

SEC. 14. If any person be voted for at any election, to fill a vacancy or residue of a term, the ballots of the electors shall designate such vacancy or residue.

SEC. 15. In the canvass of votes, any person who has received a plurality of the votes for any office, shall be declared duly elected to such office.

SEC. 16. When two or more persons shall have an equal number of votes for the same office, the election shall be determined by the drawing of lots in the presence of the Common Council. The names of each of such persons shall be written on separate slips of paper and deposited in a box or other proper place, and the President of the Common Council shall draw out of said box or other place, in the usual manner of determining by lot, one of said slips, and the person whose name is thereon, shall be deemed entitled to

hold the office for which he received said votes, in the same manner as other officers duly elected.

SEC. 17. The mode of conducting all State, District and County elections in said city shall be in the manner herein provided for the election of city officers, except that the returns thereof shall be made to the County Clerk, and the same proceedings had, as near as may be, as are now or may hereafter be provided by law for the return of votes by township inspectors of election.

SEC. 18. No person entitled to vote at any election held under this act, shall be arrested on civil process within said city, on the day on which such election is held.

SEC. 19. The first election under this act shall be held on the first Tuesday after the first Monday in November, 1857, and all officers now holding office by election in said city, which are made elective by the people under this act, shall continue to hold their respective offices until the second Tuesday in January, 1858. The Aldermen of said city who were elected in the year 1855, shall continue in office until the second Tuesday in January, 1858, and shall be succeeded in office by the Aldermen who are elected in November, 1857, and the Aldermen who were elected in the year 1856, shall continue in office until the second Tuesday in January, 1859, and shall be succeeded in office by the Aldermen who are elected in November, 1858. In all cases where any new office is created, or where any vacancy may occur, under the provisions of this act, the Common Council may appoint persons to fill the same until the second Tuesday in January, 1858, when their successors shall be appointed, except the Assessor, who shall be appointed for his full term, as herein provided. The present Recorder of said city shall continue to hold his office until the second Tuesday in January, 1858, and shall possess and exercise the powers and duties now possessed and exercised by him under the present charter of said city; and shall also be the President of the Common Council, and shall possess and exercise the powers and duties of that office, as herein provided, until the expiration of his term of office, and shall receive such salary as the Common Council may prescribe. The present Controller of said city shall continue to hold his office until the first day of April, 1859. The office of Ward Assessor is hereby abolished.

CHAPTER IV.

OFFICERS—THEIR RIGHTS, POWERS AND DUTIES.

SEC. 1. The Mayor shall be the chief executive officer of the City of Detroit, and conservator of its peace. It shall be his duty to keep an office in some convenient place in said

city, to be provided by the Common Council; to see that all officers of said city faithfully comply with and discharge their official duties; to see that all laws pertaining to the municipal government of said city, and all ordinances and resolutions of the Common Council be faithfully observed and executed; and he shall have power, in his discretion, to report to the Common Council any violations thereof. He shall, from time to time, give to the Common Council such information and recommend such measures as he shall deem necessary or expedient.

SEC. 2. The Mayor shall be paid a salary of twelve hundred dollars. In case of a vacancy in the office of Mayor, or of his being unable to perform the duties of his office, by reason of sickness, absence from the city or other cause, the President of the Common Council shall be acting Mayor; and in case at the same time there shall also be a vacancy in the office of President of the Common Council, or if he shall be unable to perform the duties of his office, by reason of sickness, absence from the city or other cause, the President *pro tempore* of the Common Council shall be acting Mayor; and such acting Mayor shall be vested with all the powers, and shall perform all the duties of Mayor, until the vacancy or vacancies aforesaid be filled, or the Mayor or President of the Common Council, as the case may be, shall resume his office.

SEC. 3. The Counselor shall be President of the Common Council, shall preside at all its meetings, preserve order therein, and enforce the by-laws and rules pertaining to the transaction of business. The Common Council shall, at its first meeting in January in each year, select from their number a President for the year, and in case of a vacancy or his temporary absence, supply his place by the election of a President *pro tempore*.

SEC. 4. The President *pro tempore* of the Common Council shall preside at its meetings, in case of a vacancy in the office of President of the Common Council, or of his being unable from any cause to be present and preside. In such case the President *pro tempore* shall be invested with all the power, and shall perform all the duties of President of the Common Council, until he shall resume his office, or the vacancy therein be filled.

SEC. 5. The Attorney shall appear in and conduct all suits, prosecutions and proceedings in the Recorder's Court, to which the City of Detroit is a party, to the end thereof, subject to the rules and practice of said court, and if the same be removed to any other tribunal by writ of error, habeas corpus, or otherwise, he shall conduct the case before such tribunal.

SEC. 6. The Clerk of the corporation shall

keep the corporate seal and all papers filed in or pertaining to his office, and shall be Clerk of the Common Council, shall attend its meetings, and shall make and preserve a record of all its ordinances, resolutions and other proceedings in proper books to be provided therefor, and when requested, shall duly certify, under the corporate seal, copies thereof, and of all papers duly filed in his office pertaining to the same, and shall possess and exercise the powers of Township Clerks.

SEC. 7. It shall be the duty of the Controller to countersign all bonds which the corporation or Common Council is authorized to issue, pledging the faith and credit of said city; to receive all accounts and demands against the corporation, examine them in detail, audit and allow them, or such parts thereof as to the correctness of which he has no doubt, and which the claimant is willing to accept in full discharge thereof, file and number them as vouchers, in the order of their allowance, register them with the amount allowed and date of allowance in the same order in a proper book, provided for such purpose, and, on their being properly discharged in writing, to draw and sign his warrant therefor upon the Treasurer, when the same is ordered to be paid by the Common Council. If he shall have any doubt concerning their correctness, he shall register them in a separate list and return them to the Common Council with his objections. If the same be allowed by the Common Council, in pursuance of their authority under this act, on their return to the Controller, with a certificate of the Clerk endorsed thereon that they have been allowed by the Common Council, he shall then file and register them in the list of allowed claims, in the same manner as above provided for the registering of claims audited and allowed by him, and, on their being properly discharged in writing, shall draw and sign his warrant therefor on the Treasurer. It shall also be the duty of the Controller to lay before the Common Council once in each year, in the month of April, or oftener, if directed by the Common Council, a schedule of all accounts audited and allowed by him, and of all leases of the property of the corporation, specifying the name of the lessees, the rates of rent, and the period when the leases will terminate. It shall also be the duty of the Controller to examine the tax rolls and returns of the city officers, and take general supervision of the financial concerns of the corporation; to keep a complete set of books exhibiting the financial condition of the corporation in its various departments and funds, its resources and liabilities, with a proper classification thereof, and each fund or appropriation for any distinct object of expenditure or class of expenditures. When

any such fund or appropriation has been exhausted by warrants already drawn thereon, or by appropriations, liabilities, debts and expenses actually made, incurred or contracted for, and to be paid out of such fund or appropriation, the Controller shall advise the Common Council thereof at its next meeting.

SEC. 8. The Controller shall also open an account with the Treasurer, in which he shall charge said Treasurer with the whole amount of taxes, general and special, levied in said city, also the whole amount in detail of all bonds, notes, mortgages, leases, rents, interest and other moneys receivable, in order that the value and description of all personal property belonging to the corporation may at any time be known. He shall also keep a list of all the property, real, personal and mixed, belonging to the corporation, and of all its debts and liabilities, in order that the amount of the moneys and liabilities of the corporation may at any time be known at his office. The Controller shall also perform such other duties as are prescribed by this act, or may be prescribed by the Common Council subject to the provisions hereof. The Controller shall also open accounts with the Treasurer, in which he shall charge him with all moneys appropriated, raised or received for each of the several funds of the corporation, and credit him for all warrants drawn thereon, keeping a separate account of debit and credit for each fund, charging every warrant drawn to the account of the particular fund constituted or raised for the specific purpose for which such warrant is drawn, in order that it may be known at the Controller's office, when each fund has been or may be exhausted, and what balance, if any, may remain therein.

SEC. 9. The Recorder and the Clerk of the Recorder's Court shall possess and exercise the powers and duties elsewhere prescribed in this act.

SEC. 10. The Treasurer shall have the custody of all moneys, bonds, mortgages, notes, leases and evidences of value belonging to the corporation. He shall receive all moneys belonging to and receivable by the corporation, and keep an accurate account of all receipts and expenditures thereof. He shall pay no money out of the treasury, except in pursuance of and by authority of law, and on a warrant signed by the Controller, which shall specify the purpose for which the amount thereof is to be paid. He shall keep an accurate account of and be charged with all taxes and moneys appropriated, raised or received for each fund of the corporation; shall keep a separate account for each fund and shall pay every warrant out of the particular fund constituted or raised for the purposes for which said warrant was issued, and having the name of such fund endorsed thereon by the Con-

troller. He shall exhibit to the Common Council annually, and as often and for such period as may be required, a full and detailed account of all receipts and disbursements since the date of his last annual report, classifying them by the fund to which such receipts are credited, and out of which such disbursements are made; shall report to the Controller, at the end of each month, the amount received and credited by him to each fund, and on what account received; and shall also, when required, exhibit a general statement showing the financial condition of the treasury, which account, report and statement shall be filed in the office of the Controller.

SEC. 11. The Marshal shall possess and exercise the powers and duties, as a conservator of the peace, which Township Constables under the general laws of this State possess and may exercise, and shall possess and exercise such other powers and duties as shall be prescribed by the Common Council for the preservation of the public peace, and shall possess and exercise the same powers for the service and execution of all writs, process and warrants issuing out of the Recorder's Court, in cases arising under the ordinances of the city, which Sheriffs now have or may have by law for the service and execution of writs and process issuing from the Circuit Courts of this State. He shall obey and execute all lawful precepts and commands of said Common Council and of said Recorder's Court; shall attend the sittings of said court, and he or one of his deputies, shall attend the meetings of said Common Council.

SEC. 12. Assistant Marshals shall have and exercise the same powers and duties as the Marshal.

SEC. 13. The Surveyor shall have power, and it shall be his duty, to survey within the corporation limits. He shall have the same power to make surveys and plats within the corporation limits as are now or may hereafter be given by law to County Surveyors, and the like effect and validity shall be given to his official acts, surveys and plats, as are or may hereafter be given by law to the official acts, surveys and plats of County Surveyors. He shall make out the assessment rolls for paving, for side and cross walks, for lateral sewers, and for all other special assessments, and shall survey for the city.

SEC. 14. It shall be the duty of the Collector of the corporation to collect assessments for constructing or paving side-walks and cross-walks, for paving streets and alleys, and such special assessments as may be imposed and levied by the Common Council.

SEC. 15. The Assessor shall assess all the property liable to assessment, for the purpose of levying the taxes lawfully imposed thereon, as hereinafter more particularly provided. The

Assessor shall also prepare and return a list of persons to serve as jurors, as hereinafter provided in this act.

SEC. 16. The Street Commissioner shall superintend the construction of pavements, repair and cleaning of side-walks, cross-walks, streets, lanes, alleys, public places, culverts and bridges within said city.

SEC. 17. The Overseer of Highways for each ward shall, under the superintendence and control of the Street Commissioner, work and improve the highways, streets, lanes, alleys and public places of said city, in the ward for which he is elected, and render a true account of the expenses thereof, under oath, to the Controller.

SEC. 18. The Collector for each ward shall collect all city, highway, sewer and school taxes, and all state and county taxes assessed and imposed upon the real and personal property for such ward, and account for and pay over the same, as required by law or by ordinance, or resolution of the Common Council, which have not been paid into the city treasury.

SEC. 19. The Director of the Poor and Constables shall have the power and perform the duties of township officers, elected under the general laws of the State, subject to the provisions of this act.

SEC. 20. Whenever any officer shall resign or be removed from office, or the term for which he shall have been elected or appointed shall expire, he shall, on demand, deliver over to his successor in office all the books, papers, moneys and effects in his custody as such officer, and in any way appertaining to his office; and every person violating this provision shall be deemed guilty of a misdemeanor, and may be proceeded against in the same manner as public officers generally for the like offense, under the general laws of this State now or hereafter in force and applicable thereto, and every officer appointed or elected under this act shall be deemed an officer within the meaning and provisions of such general laws of the State.

SEC. 21. In addition to the rights, powers, duties and liabilities of officers prescribed in this act, all officers, whether elected or appointed, shall have such other rights, powers, duties and liabilities, subject to and consistent with the provisions of this act, as the Common Council may deem expedient and shall prescribe by ordinance or resolution.

SEC. 22. The Mayor, Recorder and members of the Common Council, Clerk, Controller and Clerk of the Recorder's Court are hereby authorized generally to administer oaths and to take affidavits; but neither of said officers shall receive any fees therefor, except said clerks. The Controller shall have the power to take acknowledgements of deeds under the laws of this State.

CHAPTER V.

COMMON COUNCIL—POWERS AND DUTIES.

SEC. 1. The Aldermen of the city shall constitute the Common Council thereof and a majority of all the Aldermen elected shall be a quorum for the transaction of business, but a smaller number may adjourn from day to day.

SEC. 2. The Clerk of the city shall be Clerk of the Common Council.

SEC. 3. The Common Council, at its first meeting after the annual city election, and after the newly elected Aldermen, or a majority thereof, shall have entered into their offices, shall appoint, by ballot, one of their number President, who shall serve until the first meeting of the Common Council after the next annual election, and until his successor be appointed, and shall have the powers and duties prescribed in this act.

SEC. 4. The Common Council shall hold regular sessions at such times and places as they shall, by ordinance or resolution, direct, and may adjourn regular sessions from time to time, as may be deemed expedient.

SEC. 5. Special meetings of the Common Council may be called at any time by the Mayor; or if one-third of all the Aldermen elected shall, in writing, request the President of the Common Council to call a special meeting, stating therein the time and objects thereof, and he shall refuse or neglect for twenty-four hours to call such meeting, a copy of such request to the President may be filed with the Clerk of the city, with the certificate of any Alderman endorsed thereon, showing the presentation thereof to the President and his refusal or neglect as aforesaid, and thereupon such special meeting shall be held, and the Clerk of the city shall cause notice thereof and of its time and place to be served on each of the members of the Common Council personally, or by leaving the same at their usual place of abode, and the proceedings of said meeting shall be limited to the objects thereof, as set forth in such request to the President. Special meetings may be adjourned from time to time, as may be deemed necessary, in order to dispose of the business which they are called to consider.

SEC. 6. Every ordinance, resolution or proceeding of the Common Council, imposing taxes or assessments, or originating the expenditure or disposal of money or property, or whereby the corporation or any board of officers under this act may incur any debt or liability, and every ordinance and resolution, except resolutions making appointments to or removal from office, and except ordinances and resolutions for the fixing of salaries and for the payment of debts and liabilities, previously and lawfully contracted, shall, before it takes

effect, be presented by the Clerk to the Mayor. If the Mayor approve thereof, he shall thereon write his approval with the date thereof, and sign the same, and thereupon such ordinance, resolution or proceeding shall go into effect; and such as he shall not so approve and sign, he shall return to the Common Council, with his objections thereto in writing, under cover sealed and addressed to said Common Council.

SEC. 7. If the Mayor shall neglect to approve, as aforesaid, any ordinance, resolution or proceeding, or return the same, as aforesaid, to said Common Council with his objections, at its next regular meeting after the same shall have been presented to him by the Clerk, as before provided, the same shall go into effect.

SEC. 8. Upon the return, as aforesaid, of any ordinance, resolution or proceeding, the Common Council shall proceed to reconsider the vote by which the same was passed and adopted; and if, after such reconsideration, two-thirds of all the members elected shall agree by ayes and noes, which shall be entered of record, to pass or adopt the same, it shall go into effect.

SEC. 9. The Clerk of the city shall, at the time of presenting any ordinance, resolution or proceeding of the Common Council to the Mayor for his approval or disapproval, make a certificate, to be endorsed thereon or attached thereto, in which he shall specify the day on which the same was so presented; and such certificate shall be recorded with the proceedings of the Common Council.

SEC. 10. All ordinances, resolutions and written proceedings of the Common Council shall be deposited in the office of the Clerk of the city, who shall safely keep the same; and they shall be recorded in proper books, to be provided therefor. He shall keep a journal record of the proceedings of the Common Council, and also a record of every ordinance enacted and of the time of its first publication, which record shall be signed by the Clerk and by the President of the Common Council.

SEC. 11. All proceedings of the Common Council shall be published in some daily newspaper published in said city. All ordinances shall be published for six successive days in the official daily newspaper of said city, and in one other daily newspaper published in said city, and shall take effect in ten days after their enactment: *Provided, however.* That the Common Council may fix and prescribe therein a different period, and that no ordinance shall take effect before at least one publication thereof.

SEC. 12. The style of ordinances shall be: "It is hereby ordained by the Common Council of the City of Detroit."

SEC. 13. All meetings of the Common Council shall be public, and its proceedings and records shall be open to public inspection at reasonable times.

SEC. 14. The inhabitants of said city shall have the right to petition the Common Council.

SEC. 15. The Common Council shall be the judge of the election and qualifications of its own members, and shall have the power to determine contested elections, to compel the attendance of absent members, to determine the rules of its proceedings, and pass all by-laws and rules necessary and convenient for the transaction of business, and not inconsistent with the provisions of this act.

SEC. 16. The Common Council shall have the general management and control of the finances and all the property, real, personal and mixed, belonging to the corporation, whether lying within or beyond the limits of said city, with full power to lease, sell, convey, transfer and dispose of the same absolutely; and shall have power to make all necessary regulations for preserving and protecting the same from destruction, decay, or injury, and concerning the management thereof.

SEC. 17. No resolution, ordinance or proceeding of the Common Council, imposing taxes or assessments, or requiring the payment, expenditure or disposal of money or property, or creating a debt or liability therefor, and no other ordinance shall be passed at the same meeting at which it was introduced, unless by unanimous consent, or at a special meeting called therefor; and every such ordinance, resolution or proceeding shall be passed by yeas and nays, to be entered on the record; and, upon the demand of one-fourth of the members present, the yeas and nays shall be taken on any question and entered on the record.

SEC. 18. No Alderman shall vote on any question in which he is interested; on all other questions every Alderman present shall vote, and in all cases of a tie vote the question shall be lost.

SEC. 19. All appointments to office shall be made by a majority vote of all the Aldermen elected, and removals from office shall be made by the like vote, except in cases where by this act a different vote may be required.

SEC. 20. The President of the Common Council shall appoint such committees as the Common Council may deem necessary. The duties of standing committees shall be prescribed by general ordinance.

SEC. 21. The chairman of any committee, and the members of any board established by or under this act, may administer oaths and take affidavits in respect to any matter pending before such committee or board;

such committees or board shall have power to subpoena witnesses, to compel their attendance, and the production of necessary papers in all examinations pending before them, and to that end the Common Council may prescribe and regulate the necessary proceedings, and confer upon the Marshal or other officer of the corporation all needful powers for the purposes aforesaid.

SEC. 22. The Common Council, in addition to its other powers under this act, and subject to and consistently with its provisions, shall have power within the limits and jurisdiction of the corporation:

1st. To determine and regulate the compensation of all officers elected or appointed under this act, except as is herein otherwise provided; but the compensation of no officer, fixed by an annual or periodical salary, shall be diminished during the term for which he was elected or appointed. The salary of no officer shall be increased during his term of office, unless by a two-thirds vote of the Common Council.

2d. To provide for and regulate the election and appointment of all officers, and for their removal from office, and for the filling of vacancies subject to this act.

3d. To authorize and regulate the demand and receipt, by officers, of such fees and costs, and in such cases as the Common Council may deem reasonable.

4th. To fix and regulate the fees of jurors and witnesses in any proceeding under this act, or under any ordinance of the Common Council.

5th. To provide for and preserve the purity and salubrity of the waters of Detroit River; to prohibit and prevent the depositing therein of all filthy and other matter tending to render said water impure, unwholesome or offensive; to preserve and regulate the navigation of the said river within the limits of said city; to prohibit and prevent the depositing or keeping therein any structure, earth or substance tending to obstruct or impair the navigation thereof, and remove all obstructions that may, at any time, occur therein, and to direct and regulate the stationing, anchoring and mooring of vessels, and laying out of cargoes and ballast from the same.

6th. To license, continue and regulate so many ferries from within said city to the opposite shore of the Detroit River, for carrying and transporting persons and property across said river, in such manner as shall seem most conducive to the public good.

7th. To erect, repair and regulate public wharves and docks at the ends of streets and on the property of the corporation; to regulate the erection and repair of private wharves and docks, so that they shall not extend into the Detroit River beyond a certain line, to be

established by the Common Council; and to prohibit the encumbering of all public wharves and docks with boxes, carriages, carts, drays, sleighs, sleds or other vehicle or thing whatsoever.

8th. To lease the wharves and wharfing privileges at the ends of streets on the Detroit River in said city, upon such terms and conditions, and under such covenants, and with such remedies in case of non-performance as the Common Council may direct; but no buildings shall be erected thereon. No lease thereof shall be executed for a longer period than three years, and a free passage at all times for all persons with their baggage over said public wharves.

9th. To work and improve all highways, avenues, streets, lanes, alleys and public spaces within said city; to assess and levy upon all taxable property within said city, and expend such highway taxes as may be necessary therefor, and to elect whether the same shall be collected in money or labor, in such amount as the Common Council shall prescribe for each ward respectively: *Provided*, Such highway taxes shall not in amount exceed the rates now fixed by law, and the same shall be collected, assessed and levied as other taxes.

10th. To make, grade, improve and adorn the public parks, squares, spaces and all grounds in said city belonging to or under the control of the corporation, and to control and regulate the same consistently with the purposes and objects thereof.

11th. To establish, open, widen, extend, straighten, alter, vacate and abolish highways, streets, avenues, lanes, alleys and public grounds or spaces within said city, and to grade, pave, repair and otherwise improve the highways, streets, avenues, lanes, alleys or interior public places, created by the intersection of streets, cross-walks and side-walks in said city with stone, wood, brick or other material; and the Common Council shall have full power and authority to provide for paying the costs and expenses thereof by assessment on the owner of the lot or premises in front of or adjacent to which such highways, streets, avenues, lanes, alleys, interior or public spaces, cross-walks or side-walks may be directed to be graded, paved, re-paved or otherwise improved: *Provided*, That the cost of such grading, paving, repairing or improving such interior or public spaces shall be assessed to each block, in such proportion as the Common Council shall deem just and equitable: *Provided further*, That each block shall only be assessed to the centre of such interior or public spaces each way, which assessment shall be a lien, until paid, on such lot or premises in front of or adjacent to which such grading, paving, repairing and improving may be directed, and shall be col-

lected in the same manner as other assessments or taxes imposed by authority of the Common Council. Whenever such grading, paving, repairing and improving shall be at the intersection of two or more avenues or streets, and in front of or adjacent to the point of a triangular block, such portion of the costs and expenses thereof shall be assessed to and paid by the City of Detroit, as the Common Council shall deem just.

12th. To sell or otherwise provide for disposing of all dirt, filth, manure and cleanings, lying in or gathered from highways, streets, avenues, lanes, alleys and public spaces, and all earth to be removed therefrom or from the public squares and grounds of said city, in grading, paving or otherwise improving the same.

13th. To clean the highways, streets, avenues, lanes, alleys, public grounds and squares, cross-walks and side-walks in said city, of filth, mud and other substances; to prohibit and prevent the incumbering thereof with boxes, signs, posts and all other materials or things whatsoever, and to remove the same therefrom; to prevent the exhibition of signs on canvas or otherwise in and upon any vehicle standing or traveling upon the streets of said city; to control, prescribe and regulate the mode of constructing and suspending awnings, and the exhibition and suspension of signs therein; to compel the occupants of lots to clean the side-walks in front of and adjacent thereto, of snow, ice, dirt, mud, boxes and every incumbrance or obstruction thereon; to control, prescribe and regulate the manner in which the highways, streets, avenues, lanes, alleys, public grounds and spaces within said city shall be used and enjoyed; to direct and regulate the planting and provide for the preservation of ornamental trees therein; to provide for and regulate the lighting of the same, and the erection of lamps and lamp-posts therein; to prohibit and prevent racing and fast or dangerous driving and riding therein; to prohibit and prevent the flying of kites, and all practices, amusements and doings therein having a tendency to frighten teams and horses, or dangerous to life or property; to remove or cause to be removed all walls and other structures that may be liable to fall therein or otherwise so as to endanger life or property.

14th. To prohibit and prevent any riot, rout, disorderly noise, disturbance or assemblage, or the crying of any goods in the streets, or elsewhere in said city.

15th. To preserve quiet and order on the docks and in the streets of said city, at the arrival and departure of rail road cars, steamboats and other vessels, and prescribe and regulate the manner and places in which drivers, porters, runners, solicitors, agents and

baggage collectors for hotels or public houses or express companies, draymen, cabmen, cartmen, hackmen, omnibus drivers, and solicitors for passengers or baggage, with their drays, carts, cabs, carriages, sleighs or other vehicles shall stand, and to prohibit or prevent them from entering or driving within any rail road depot, or upon any wharf or dock, or entering upon any steamboat or other vessel, to solicit passengers or for baggage.

16th. To prescribe places or stands in the streets of said city, within which drays, carts, cabs, hacks, coaches, carriages, sleighs, sleds and other vehicles may stand and be kept for hire, and within which loads of wood, coal, hay and other articles may be kept for sale, and to regulate such stands and places.

17th. To prohibit and prevent the exhibition of fire works and firing of cannon or any fire-arms, which the Common Council may deem dangerous to life or property.

18th. To permit any person to pave or plank the side-walks in front of the premises owned or occupied by such person in said city, under the direction of the Street Commissioners or some other officer of the corporation, and according to such regulations as the Common Council shall prescribe; and whenever any street shall have been paved, gravelled, planked or macadamized by the Common Council, and the assessment for the costs and expenses thereof has been duly paid to the corporation, such person shall not be assessed or compelled to pay any district, road or highway tax on the premises in front of which such pavement shall have been made, so long as he shall keep the same in repair, to the satisfaction of the Common Council.

19th. To prohibit and prevent, in the streets or elsewhere in said city, indecent exposure of the person, the show, sale or exhibition for sale of indecent or obscene pictures, drawings, engravings, paintings and books or pamphlets, and all indecent or obscene exhibitions and shows of every kind.

20th. To prohibit and prevent or regulate the leading and driving or running at large of cattle, horses, asses, mules, swine, sheep, goats, geese and domestic fowls in the streets or elsewhere in said city, and to impound the same, when running at large, in one or more sufficient pounds, to be provided and maintained by the city, and to sell the same to pay the costs of proceedings and any penalty thereby incurred, rendering the surplus, if any, to the owner.

21st. To prohibit and prevent or regulate the running at large of dogs, to require them to be muzzled, and to authorize their destruction, when running at large in violation of any ordinance of the Common Council; to compel persons to fasten or secure their horses, oxen or other animals attached to vehicles or

otherwise, while standing or remaining in the streets, lanes or alleys of said city; to prohibit and prevent persons from driving or riding in vehicles or otherwise upon or across the side-walks of said city.

22d. To establish, construct, maintain, repair, enlarge and discontinue within the highways, streets, avenues, lanes, alleys and public spaces of said city such bridges, culverts, sewers, drains, and lateral drains, as the Common Council may see fit, with a view to the proper sewerage and drainage of said city; to compel the owners of all occupied lots, premises and subdivisions thereof within said city, to construct private drains or sewers therefrom, to connect with some public sewer or drain. Said private drains and sewers shall be constructed in such manner and of such form and dimensions, and under such regulations as the Common Council shall prescribe.

23d. To assess, levy and collect an annual assessment or tax on all lots and subdivisions thereof and on all cellars drained by private drains or sewers connected with any public sewer or drain, as hereafter further provided.

24th. To survey, ascertain and establish the boundaries of the city and of all highways, streets, avenues, lanes, alleys, public parks, squares and spaces in said city; to prohibit and remove all encroachments upon the same by buildings, fences or in any other manner; and to number the buildings, the expense of such numbering to be assessed against and collected of the owner or occupant.

25th. To provide for the draining of any swamp, marsh, wet or low lands in said city, or within the distance of three miles therefrom, by the opening of ditches; but a jury of not less than six disinterested freeholders of the County of Wayne, before any proposed ditch can be opened, shall ascertain that the opening thereof is necessary or proper; also, whether the benefits which will accrue to the owner or owners of any lands from the opening of the ditch, will or will not be equal to any damages, he or they will sustain thereby. If such benefits are exceeded by the damages, they shall ascertain and certify the damages to which the owner or owners will be entitled, after deducting therefrom the amount of benefits their lands will receive from the opening of the proposed ditch. On payment or tender of the damages thus ascertained and certified, the Common Council shall have power to enter upon any land through which the proposed ditch will run, with the necessary agents, teams and implements, to cut and open said ditch, to protect, clean and scour it from time to time, so as to preserve its original dimensions, and to prohibit and prevent all obstruction thereof or injury thereto.

26th. To erect and maintain market-houses,

establish markets and market-places; to lease market-stalls, booths and stands; to provide fully for the good government and regulations thereof, and to prohibit, prevent and punish forestalling and regrating.

27th. To provide for the preservation of the general health of the inhabitants of said city; to make regulations to secure the same; to prevent the introduction or spreading of contagious or infectious diseases; to prevent and suppress diseases generally, and, if deemed necessary, to establish a Board of Health and prescribe and regulate its powers and duties.

28th. To prohibit, prevent, abate and remove all nuisances in said city, or within the distance therefrom of half a mile, and to punish the authors or maintainers thereof, and authorize and direct the speedy or immediate abatement or removal of nuisances by some officer of said city. If, in order to abate or remove any nuisance, the Common Council shall deem it necessary to fill up, level or drain any lot or premises, they shall have power so to do; to assess the cost and expenses of such filling, leveling or draining, and impose the same as an assessment or tax on said lot or premises, which shall be a lien thereon till paid, and shall be collected in the same manner as other taxes and assessments levied and imposed by the authority of the Common Council.

29th. To compel the owner or occupant of any grocery, cellar, tallow-chandler's shop, soap, candle, starch or glue factory, tannery, butcher's shop or stall, slaughter-house, stable, barn, privy, sewer, or other unwholesome or nauseous house or place, to cleanse, remove or abate the same, whenever necessary for the health, comfort or convenience of the inhabitants of said city.

30th. To prohibit and prevent any person from burying, depositing or leaving within the limits of said city, or within one mile distant therefrom, or keeping or having on the premises owned or occupied by him in said city, any dead carcass, putrid or unsound beef, pork, fish, hides and skins, and any article, substance or thing that is unwholesome or nauseous and to compel and authorize the removal thereof by some officer of said city; or to compel any person so bringing, depositing or leaving the same within the limits of said city, or one mile distant therefrom, or having or keeping the same on the premises owned or occupied by him in said city, to remove the same.

31st. To direct and regulate the construction of cellars, slips, barns, private drains; sinks, and privies; to compel the owner or occupant to fill up, drain, cleanse, alter, relay or repair the same, or to cause the same to be done by some officer of the corporation, and assess the expenses thereof on the lot or prem-

ises having such cellar, slip, barn, private drain, sink or privy thereon, which assessment shall be a lien on such lot or premises, and be collected in the same manner as other assessments imposed by authority of the Common Council. To direct and regulate the construction of lateral sewers or drains, for the purpose of more effectually draining all lots or cellars, yards and sinks within the limits of said city, whenever, in their opinion, the same shall be necessary: *Provided*, Such lateral sewers or drains shall be laid or constructed through any of the streets and alleys adjoining or in front of the premises through which sewers or drains shall be ordered constructed, and assess the expense thereof on such lots or premises benefited thereby, which assessment shall be a lien on such lots or premises until paid, and be collected in the same manner as other assessments imposed by authority of the Common Council.

32d. To establish a fire department; to provide for the prevention and extinguishment of fires, and to establish, organize and regulate fire companies in the manner elsewhere prescribed in this act.

33d. To prohibit and prevent within certain limits in said city, to be determined by the Common Council, the location or construction of buildings for storing powder, powder factories, tanneries, distilleries, buildings for the manufacture of turpentine, camphene and dangerous or easily inflammable or explosive substances, slaughter-houses and yards, butchering shops, soap, candle, starch and glue factories, establishments for steaming or rendering lard, tallow, offal and such other substances as can be rendered into tallow, lard or oil, and all establishments where any nauseous, offensive or unwholesome business may be carried on. And such buildings, factories, shops and establishments as aforesaid, now or hereafter to be constructed in said city, whether within or without the limits to be determined as aforesaid, together with blacksmith shops, founderies, cooper shops, steam boiler factories, carpenter shops, planing establishments, breweries and all buildings and establishments usually regarded as extra-hazardous in respect to fire, shall be subject to such regulations in relation to their construction and management as the Common Council may make with a view to the protection of any property from injury by fire, or to the health and safety of the inhabitants of said city, and to prevent their becoming in any way nuisances.

34th. To regulate the keeping and conveyance in said city of powder and other combustible or dangerous articles, and the use and kind of lights or lamps to be used in barns, stables and all buildings and establishments usually regarded as extra-hazardous in respect to fire.

35th. To prohibit and prevent the location or construction of any wooden or frame-house, store, shop, or other building on such streets, alleys and places, or within such limits in said city as the Common Council may from time to time prescribe; to prohibit and prevent the removing of wooden or frame-buildings from any part of said city to any lot on such streets, alleys and places, or within said limits, and the rebuilding and repairing of the same; to prevent the rebuilding or repairing of wooden buildings on said streets, alleys and places, or within said limits, when damaged by fire or otherwise.

36th. To regulate the construction of partition fences and of partition and parapet walls, the thickness of walls and the size of brick; to regulate the construction of chimneys, hearths, fire-places, fire-arches, ovens, and the putting up of stoves, stove-pipes, kettles, boilers, or any structure or apparatus that may be dangerous in causing or promoting fires; to prohibit and prevent the burning out of chimneys and chimney-flues; to compel and regulate the cleaning thereof, and fix the fees therefor; to compel and regulate the construction of ash-houses or deposits for ashes; to compel the owners of houses and other buildings to have scuttles upon the roofs thereof and stairs or ladders leading to the same; to appoint one or more officers to enter into all buildings and enclosures, to discover whether the same are in a dangerous state, and to cause such as are in a dangerous state to be put in a safe condition; to authorize any of the officers of the city to keep away from the vicinity of a fire all idle or suspicious persons, and to compel all officers of the city and other persons to aid in the extinguishment of fires and in the preservation of property exposed to danger therefrom.

37th. To prohibit and prevent or to regulate bathing and swimming in any of the waters in and adjoining said city, determine the times and places thereof, and prohibit and prevent any obscene or indecent exhibition, exposure or conduct thereat.

38th. To prohibit, prevent and suppress the keeping of houses of ill-fame or assignation, or for the resort of common prostitutes, disorderly houses and disorderly groceries; to restrain, suppress and punish the keepers thereof; to punish, restrain and prevent common prostitutes, vagrants, mendicants, street beggars, drunken or disorderly persons; to prohibit, prevent and suppress mock auctions and every kind of fraudulent game, device or practice, and punish all persons managing, using, practicing or attempting to manage, use or practice the same, and all persons aiding in the management, use or practice thereof.

39th. To prohibit, prevent and suppress the sale of every kind of unsound, nauseous

and unwholesome meat, poultry, fish, vegetables or other articles of food and provisions, and impure or spurious wines and spirituous liquors, and to punish all persons who shall knowingly sell the same, or offer or keep the same for sale.

40th. To prohibit, restrain and prevent persons from gaming for money with cards, dice, billiards, nine or ten pin alleys, tables, ball alleys, wheels of fortune, boxes, machines or other instruments or devices whatsoever, in any grocery, store, shop or any other place in said city; to punish the persons keeping the building, instruments or means for such gaming, and compel the destruction of the same.

41st. To prohibit, prevent and suppress all lotteries for the drawing or disposing of money or any other property whatsoever, and to punish all persons maintaining, directing or managing the same, or aiding in the maintenance, direction or management thereof.

42d. To prohibit and prevent persons from selling or giving away ardent spirits or other intoxicating liquors to any child, apprentice or servant without the consent of his or her parent, guardian, master, or mistress; to license and regulate the selling or giving away of any ardent spirits or other intoxicating liquors by any shop-keeper, trader, grocer, inn, hotel or tavern keeper, keeper of any ordinary, saloon, recess, victualling or other house, or by any other person, in case the selling or giving away of ardent spirits and other intoxicating liquors, and licensing the sale thereof, shall hereafter be authorized by the laws of the State.

43d. To license and regulate solicitors of passengers or for baggage for the benefit of any hotel, tavern, public house, boat or railroad, also draymen, carmen, truckmen, porters, runners, drivers of cabs, hackney coaches, omnibuses, carriages, sleighs, express vehicles and vehicles of every other description used and employed for hire, and to fix and regulate the amount and rates of their compensation.

44th. To license and regulate auctioneers, hawkers, peddlers and pawn-brokers, and regulate auctions, hawking, peddling and pawn-brokerage; to license and regulate the peddling and hawking of fruits, nuts, cakes, refreshments, jewelry, merchandise, goods and other property whatsoever, by hand, hand-cart, show-case, show-stand, or otherwise in the public streets.

45th. To prohibit and prevent or license and regulate the public exhibition by itinerant persons, or companies, of natural or artificial curiosities, caravans, circuses, menageries, theatrical representations, concerts, musical entertainments, exhibitions of common showmen, and shows of any kind.

46th. To license, regulate and restrain the keepers of hotels, taverns and other public

houses, grocers and keepers of ordinaries, saloons and victualling or other houses or places for furnishing meals, food or drink.

47th. To license and regulate butchers; to license and regulate or suppress hucksters; and to license and regulate the keepers of shops, stalls, booths or stands at markets or any other place in said city, for the sale of any kind of meat, fish, poultry, vegetables, food or provisions.

48th. To license and regulate keepers of billiard tables, pin alleys, nine or ten pin alleys, but not for the purpose of gaming.

49th. To license and regulate public bath houses or bath rooms on land, and any public floating bath houses, bath rooms or vessels on the Detroit River.

50th. To establish and regulate an efficient system of police for the good government of said city; to appoint, on the recommendation of the Mayor or acting Mayor, policemen and watchmen, who shall possess and exercise the same powers, as conservators of the peace, which Township Constables, under the general laws of this State, possess, and to prescribe and regulate their further powers and duties, and fix their compensation. Said policemen and watchmen may be removed at any time by the Common Council, on the recommendation of the Mayor or acting Mayor.

51st. To appoint one or more inspectors, measurers, weighers and gaugers of articles to be measured, inspected, weighed and gauged; to prescribe and regulate their powers and duties, fees and compensation.

52d. To direct and regulate the weight and quality of bread, the size of the loaf, and the inspecting thereof.

53d. To direct and regulate the inspecting and measuring of wood, lumber, shingles, timber, posts, stones, heading and all building materials; the inspecting, measuring and weighing of coke and all kinds of coal; the inspecting and weighing of hay; the inspecting of vegetables, fresh, dried, smoked, salted, pickled and other meat, or fish, poultry, butter, lard and other food or provisions to be sold at wholesale or retail; the inspecting and weighing of flour, meal, pork, beef and all other food or provisions, and salt, to be sold in half barrels, barrels, casks, hogsheads, boxes or other packages; and the inspecting and gauging of oils, wines, whisky and other spirituous liquors, to be sold at wholesale or retail, or in kegs, half-barrels, barrels, casks, hogsheads or other vessels: *Provided*, That nothing herein contained shall be construed to authorize the inspecting, measuring, weighing or gauging of any article herein enumerated, which is to be shipped beyond the limits of this State, except at the request of the owner thereof or of the agent having charge of the same.

54th. To regulate the weights and measures to be used in said city, and compel every merchant, retailer, trader and dealer in merchandise, groceries, provisions or property of any description which is sold by measure or weight, to use weights and measures to be sealed by the City Scaler, and to be subject to his inspection and alteration, so as to be made conformable to the standard of weights and measures established by the general laws of the State.

55th. To provide for the protection and care of paupers, and to prohibit and prevent all persons from bringing in vessels or in any other mode to said city, from any other port or place, any pauper or other person likely to become a charge upon said city, and to punish therefor.

56th. To provide for the burial of strangers and poor deceased persons; to regulate the burial of the dead and the registration of births and deaths; and to order and compel the keeping and returning of bills of mortality by physicians, sextons and others.

57th. To provide for taking a census of the inhabitants of said city, whenever the Common Council may see fit, and to direct and regulate the same; to provide for calling meetings of the inhabitants of said city by public notice thereof, fixing the time and place of meeting, and to regulate the ringing of bells.

58th. To erect and provide for the erection of a City Hall and all needful buildings and offices for the use of the corporation or of its officers, and to control and regulate the same.

59th. To establish and organize and maintain an Alms House Department, to purchase the necessary grounds and erect and provide for erecting the necessary buildings therefor, either within or without the city limits.

60th. To establish and build jails, work houses and houses of correction for the confinement of offenders; to erect and provide for erecting the necessary buildings therefor, and control and regulate the same; to appoint all necessary officers for taking charge of the same and of persons confined therein; to prescribe their powers and duties, and provide for their removal from office and the filling of vacancies.

61st. To imprison and confine in said jails, work houses and houses of correction, at hard labor or otherwise, all persons liable to be imprisoned or confined under this act or any ordinance of the Common Council, or lawfully committed thereto by any court or magistrate, as herein provided. Any court or magistrate in the City of Detroit or the County of Wayne may commit to any work house or house of correction of said city, instead of the jail of Wayne County, any person convicted of an offense against the general laws of this State, now or hereafter punishable by imprisonment

in the jail of Wayne County. Any court of competent jurisdiction of the State of Michigan may, in its discretion, commit any male under sixteen or female under fourteen years of age to any work house or house of correction of said city, instead of the State Prison, who shall be convicted of any crime now or hereafter punishable by imprisonment in the State Prison, whenever in the opinion of the court the welfare of the public and of the convict will be promoted thereby. All expenses attending the confinement of any person sentenced to be committed to any work house or house of correction of said city for any offense against the general laws of the State, now or hereafter punishable by imprisonment in the State Prison, shall be paid by the State Treasurer, quarter-yearly, on the certificate of the City Controller that such expenses have been incurred. All expenses attending the confinement of any person sentenced to be committed to any work house or house of correction of said city for any offense against the general laws of the State, now or hereafter punishable by imprisonment in the State Prison, shall be paid quarter-yearly by the Treasurer of the County in which the offender was tried and convicted, upon the certificate of the City Controller that such expenses have been incurred.

62d. To prescribe and regulate the speed of cars and engines on railroads within the limits of said city.

63d. To authorize the Mayor to grant, issue and revoke licenses in all cases where licenses may be granted and issued under this act and the ordinances of the Common Council; to direct the manner of issuing and registering the same, and to prescribe the sum of money to be paid therefor into the treasury of the corporation. No license shall be granted for more than one year, and the person receiving the same shall, before the issuing thereof, execute a bond to the corporation in such sum as the Common Council may prescribe, with one or more sufficient sureties, conditioned for a faithful observance of the charter of the corporation and the ordinances of the Common Council, and otherwise conditioned as the Common Council may prescribe. The Mayor may inquire into the sufficiency of the sureties in such bond by an examination under oath as to their property and responsibility, which oath may be administered by him. The depositions of the surety shall be reduced to writing, be signed by him, certified by the Mayor, annexed to and filed with the bond to which it relates, in the office of the Clerk of the city.

64th. To assess, levy and collect taxes for the purposes of the corporation upon all property made taxable by law for State purposes, which taxes shall be liens upon the property taxed till paid; to make regulations for as-

sessing, levying and collecting the same, and to sell the property taxed to pay the taxes thereon.

65th. To appropriate money, provide for the payment of the debt and expenses of the said city, and make regulations concerning the same.

66th. To punish all offenders for violations of or offenses against this act or any ordinance of the Common Council enacted under this or any other act of the Legislature, by holding to bail for good behavior, by imposing fines, penalties, forfeitures and costs, and by imprisonment in the jail of Wayne County, any jail, work house, house of correction or alms house of said city, or by either, in the discretion of the court or magistrate before whom conviction may be had. If only a fine, penalty or forfeiture be imposed, together with the costs, the offender may be sentenced to be imprisoned until the payment thereof, for a term not exceeding six months. All punishments for offenses against the ordinances of the Common Council shall be prescribed in the ordinance creating or specifying the offense to be punished; and no penalty or forfeiture shall exceed one thousand dollars, no fine shall exceed five hundred dollars, and no imprisonment shall exceed the period of two years.

67th. To employ all persons confined for the non-payment of any fine, penalty, forfeiture or costs, or for any offense under this act or any ordinance of the Common Council, in the jail of Wayne County or any jail, work house, house of correction or alms house of said city, at work and labor, either within or without the same, or upon the streets of said city, or any public work under the control of the Common Council; to allow any person thus confined for the non-payment of any fine, penalty, forfeiture or costs, to pay and discharge the same by such work and labor, and to fix the value and rates of such work and labor.

68th. To provide for printing and publishing all matters required to be printed and published under this act or by order of the Common Council, in such manner as said Common Council may prescribe.

69th. To provide for maintaining the peace, order and good government of the City of Detroit.

70th. The Common Council shall have power to subdivide the City of Detroit into wards.

71st. The Common Council shall have power to purchase and sell real estate for the use of said corporation, for corporate purposes, and to execute mortgages on the same, for any balance which may remain unpaid on the purchase money paid for such real estate. They shall also have power to purchase and control land for cemetery purposes, either within or without the corporation limits of said city.

CHAPTER VI.

RECORDER'S COURT.

SEC. 1. There shall be a municipal court in and for the City of Detroit, to be called "The Recorder's Court," which shall be a court of record.

SEC. 2. The Recorder of said city shall be the Judge of said court, but in case of his absence from the city, inability to attend, or a vacancy in his office, one of the Judges of the Circuit Court, to be previously designated by the Recorder or the Common Council, shall be the Judge of said court, and, as such, have and exercise all the powers and duties of said Recorder until he shall resume his office, or such vacancy be filled.

SEC. 3. There shall be a Clerk of said court, as before provided in this act, whose duty it shall be to keep a true record of the proceedings of said court in proper books to be provided therefor, and file and safely keep all books and papers belonging or pertaining to said court. He shall sign and seal all writs and process issuing from said court, and shall have power generally, to administer oaths and take affidavits.

SEC. 4. The Sheriff of Wayne County and his deputies shall attend the sittings of said court, and it shall be their duty, and they shall have power to execute, under the direction of the Sheriff, all lawful precepts and commands of said court, and serve and execute all lawful writs and process issuing therefrom.

SEC. 5. The said Recorder's Court shall have original and exclusive jurisdiction of all prosecutions and proceedings in behalf of the people of this State for crimes, misdemeanors and offenses arising under the laws of this State and committed within the corporate limits of the City of Detroit, except in cases cognizable by the Police Court of the City of Detroit, or by the Justices of the Peace of the said city; and shall have power to issue all lawful writs and process, and to do all lawful acts which may be necessary and proper to carry into complete effect the powers and jurisdiction given by this act, and especially to issue all writs and process, and to do all acts which the Circuit Courts of this State, within their respective jurisdictions, may, in like cases, issue and do by the laws of this State: *Provided*, That this section shall not be construed to prevent the grand jury for the County of Wayne from inquiring into and presenting indictments as heretofore, for crimes and offenses committed within the limits of said city: *Provided further*, That this act shall not in any way affect the jurisdiction of the Circuit Court for the County of Wayne over any case now pending in said court, nor the validity of any recognizance as heretofore made to said court.

SEC. 6. Prosecutions in the Recorder's Court, for crimes, misdemeanors and offenses arising under the laws of this State and within the jurisdiction of said court, may be either by information, complaint or indictment.

SEC. 7. Such informations and complaints shall be in the name of the people of the State of Michigan, shall be signed by the Prosecuting Attorney, shall be certified by the oath of the Prosecuting Attorney or of some complaining witness, and shall have thereon endorsed the names of the witnesses, as is required in cases of indictments, and shall have, in the statement of the offense or offenses charged, the same preciseness and fullness in matters of substance, as is required in indictments in like cases in the courts of this State, and the same may be amended in like manner as is provided in cases of indictment. Different offenses, or different degrees of the same offense, may be joined in one information or complaint, in all cases where the same might be joined by different courts in one indictment; and in all cases, a defendant or defendants shall have the same rights in all subsequent pleadings and proceedings as he or they would have, if prosecuted for the same offense by indictment.

SEC. 8. No information or complaint shall be filed against any person for either of the crimes of treason, murder, arson, rape or perjury, unless the same shall first be laid before the Judge of said court, and he shall thereon endorse a direction that the same shall be filed.

SEC. 9. When an offense consists of different degrees, the defendant or defendants may be found guilty of any degree of the offense inferior to the one charged in the information or complaint, or of any attempt to commit the same.

SEC. 10. All provisions of law relative to the joinder of persons or offenses in one indictment, and relative to subsequent pleadings and proceedings in cases of indictment, in either the court of original or appellate jurisdiction, or in the execution of any sentence shall be applicable, so far as may be, to prosecutions by information or complaint under this act, for offense against the laws of this State.

SEC. 11. Said Recorder's Court shall have full jurisdiction and authority to control and enforce all recognizances lawfully taken by said court or by the Judge thereof, or by any other court, judge or magistrate, to compel any person or persons to appear before said Recorder's Court, and there to answer and do according to the terms thereof; and whenever default shall be made in any such recognizance, such default shall be duly entered of record in said Recorder's Court, and thereafter said court shall, upon motion of Prosecuting

Attorney, summarily enter judgment against all the parties liable on said recognizance for the full amount thereof: *Provided, however,* That any person against whom such judgment may have been entered shall have the right to apply to the court within twenty days after the rendition of such judgment, for the vacation of the same for good cause shown thereon; and said court may thereupon, in its discretion, vacate such judgment on such terms as it may deem just. Execution shall be awarded and executed upon said judgment in like manner as is provided in personal actions.

SEC. 12. All such recognizances as are mentioned in the preceding section may be in the usual form, or may contain a further clause, authorizing said Recorder's Court, upon default in said recognizances, summarily to enter judgment upon the same, against the several parties liable thereon, for the full amount of such recognizance.

SEC. 13. All indictments for offenses committed within the limits of the City of Detroit, which may be found and presented to the Circuit Court for the County of Wayne, by the grand jury of said county, shall be forthwith certified and transmitted by the Clerk of said Circuit Court to said Recorder's Court, and thereupon said Recorder's Court shall have a full and complete jurisdiction of said indictments, as if the same had been originally presented to said Recorder's Court, and shall have full power to take all further proceedings thereon.

SEC. 14. The Prosecuting Attorney for the County of Wayne shall appear and act for the people of the State of Michigan, in said Recorder's Court, in all cases arising under the laws of this State, and he shall render to said court, in writing and on oath, at the last term thereof in each year, an annual account of all moneys collected or received by him as the prosecuting officer of said court.

SEC. 15. The Judge of said Recorder's Court shall possess the same power to grant writs of habeas corpus returnable before himself, and to adjudicate thereon, and do all acts in vacation touching any suit or proceeding in said court, as is now or may be possessed by the Circuit Courts of the State, in matters before said Circuit Courts.

SEC. 16. The Judge of the Recorder's Court shall have all such powers and authority at chambers touching any suit or proceeding in said Recorder's Court, as the Judges of the Circuit Courts now have or may have in like suits or proceedings before said Circuit Courts.

SEC. 17. The said Recorder's Court shall have power to make rules for regulating the practice and conducting the business thereof, and to alter, amend or repeal the same in its discretion.

SEC. 18. Said Recorder's Court shall devise its own seal, at the expense of said city, and a description thereof, attested by the Clerk of said court, shall be deposited in the office of the Controller.

SEC. 19. All writs and process issuing from said Recorder's Court, on complaints under the city ordinances, shall be directed to the Marshal or any Constable of said city, and may be served and executed by the officers to whom the same are directed, at any place within the limits of this State; and all writs and process for offenses under the general laws of the State shall be directed to the Sheriff, shall run "in the name of the people of the State of Michigan," be sealed with the seal of the court, signed by the Clerk of said court, dated on the day on which the same may issue, and tested in the name of the Recorder of said city.

SEC. 20. All prosecutions for offenses in said Recorder's Court, arising under this act or under any ordinance or regulation of the Common Council, shall be in the name of the people of the State of Michigan, and be commenced by filing with the Clerk of said court a complaint in writing in the form of an affidavit, duly sworn to before said Clerk and subscribed by the person making the complaint, and having endorsed thereon the proper jurat of said Clerk; and it shall be deemed sufficient to set forth in said complaint the offense complained of according to its substance. The trial shall be had and determined upon said complaint and upon pleadings which may be amended, in the same manner as indictments and pleadings under the general laws of the State.

SEC. 21. In case of a vacancy in the office of Attorney, his absence or inability to attend, said Recorder's Court may designate a suitable person to discharge the duties of said Attorney, until such vacancy be filled according to the provisions of this act, or he shall resume his office; and the person thus designated shall receive for his services a reasonable compensation, to be paid by the County of Wayne, and fixed and determined by the Board of Auditors of said county.

SEC. 22. There shall be a term of said Recorder's Court once in each month, which shall commence on the first Monday thereof, and may be continued or adjourned from time to time, as long as said court may deem necessary for the transaction of its business; and if from any cause the Judge of said court shall be unable to hold the same on the first day of a term, the Clerk thereof shall have power to open said court and adjourn it from day to day, until the Judge shall be able to attend, and in such case all prosecutions, proceedings and matters pending in said court shall stand continued, until such Judge can hold said court.

SEC. 23. Said Recorder's Court shall also have exclusive cognizance of all offenses against any ordinances of the Common Council of the City of Detroit.

SEC. 24. All the proceedings of said Recorder's Court, at any time before or after final judgment or sentence, may be removed to the Supreme Court by writ of error or other process, in the same manner that like proceedings, may, by law, be removed to the Supreme Court from the Circuit Courts of the State, and the Supreme Court shall proceed to adjudicate thereon in the same manner as on proceedings removed from said Circuit Courts.

SEC. 25. It shall be the duty of the City Attorney to collect all fines and penalties imposed for offenses under this act or any ordinance or regulation of the Common Council of said city, which shall be reported in writing by the Clerk of said court, at the close of each term thereof, to said Common Council, and immediately after their collection or receipt by the City Attorney, shall be paid by him to the Treasurer of said city.

SEC. 26. The Common Council of said city and the Board of Auditors of Wayne County, or any committee thereof appointed for the purpose, may at all reasonable times inspect the records and papers of said Recorder's Court, and the Clerk thereof shall give them, when requested, any information within his power or knowledge concerning such records and papers, and concerning all fines and penalties imposed by said court.

SEC. 27. The City of Detroit shall be liable for all reasonable costs and expenses and board of prisoners incurred in prosecutions for offenses and proceedings in said Recorder's Court, arising under this act or any ordinance or regulation of the Common Council of said city; and the County of Wayne shall be liable for all reasonable costs and expenses and board of prisoners incurred in prosecutions for offenses and proceedings in said court, arising under the general laws of the State; but if there be a conviction and sentence of confinement in any work house or house of correction of said city for any offense now or hereafter punishable by imprisonment in the State Prison, the expenses attending the confinement of the prisoner after sentence shall be paid by the State Treasurer quarter-yearly, on the certificate of the City Controller that such expenses have been incurred.

SEC. 28. The salary to be paid to the Recorder shall be the same as is allowed, or may be from time to time allowed, to the Circuit Judge of the State, and shall be paid by the State in the same manner as the Circuit Judges are paid. The Clerk of the Recorder's Court shall be paid by the City of Detroit such salary as the Common Council may prescribe.

SEC. 29. Any person liable to be imprisoned or confined under this act or any ordinance or regulation of the Common Council of said city, may be so imprisoned or confined in the jail of Wayne County, and it shall be the duty of the keeper of said jail to receive and safely keep therein all persons thus subject to imprisonment or confinement, until legally discharged therefrom.

SEC. 30. Any law of this State for the safe keeping of prisoners in a county jail, or for preventing or punishing their escape or the aiding of them to escape, or any other act detrimental to their safe keeping in a county jail, shall apply to any jail, work house or house of correction established and provided under this act by the City of Detroit for the imprisonment or confinement of offenders, in the same manner and to the same effect as to the county jail.

SEC. 31. Punishments not herein prescribed for offenses against this act and for offenses against the ordinances and regulations of the Common Council shall be prescribed by said Common Council.

SEC. 32. In all jury trials in said Recorder's Court, the person or persons on trial shall have the same right of challenge and other rights and benefits extended by law to persons on trial by a jury in criminal cases before the Circuit Courts of the State, subject to the provisions of this act.

SEC. 33. In all trials upon indictments, the person or persons on trial shall be tried by a jury, unless the right to a jury trial be with consent of the court waived. In all trials for offenses against this act or any ordinance or regulation of the Common Council of said city, the person or persons on trial shall be tried by the court, unless he or they shall request to be tried by a jury. Juries shall be obtained, summoned, drawn and sworn as hereinafter provided.

SEC. 34. The Assessor of said city, at the time herein appointed to review the assessment rolls in each year, shall select from them, when completed, a list of three hundred persons to serve as jurors in all cases where juries may be required under this act or any ordinance or regulation of the Common Council; and the persons thus selected shall be qualified electors of the City of Detroit, shall be of fair character and sound judgment and understanding, and, so far as practicable, such as were not actually drawn, or did not serve as jurors during the preceding year. If said Assessor shall refuse or neglect to return the list of jurors, as above provided, the Judge of the Recorder's Court shall have power to compel him to make such return. For every day that said Assessor shall neglect or refuse to make such returns, after the time prescribed in this section, he shall forfeit the sum of one

hundred dollars. Said list shall be signed by said Assessor, returned to the Clerk of said Recorder's Court, and filed in his office.

SEC. 35. The Clerk of said court, on receiving said list, shall file it in his office, shall write the names of the persons thus selected on separate strips of paper of the same size and appearance as nearly as may be, shall fold up each of said strips of paper in the same manner, so as to conceal the name thereon, and deposit and preserve the same in a box to be called and labelled "jury box," and the persons whose names are thus returned and deposited in said jury box, shall be liable to serve as jurors for one year, and until another list shall be selected, returned and filed with said Clerk, and the names thereon deposited in said jury box in the manner aforesaid.

SEC. 36. Before depositing in said jury box the names contained in any new list, the ballots deposited therein for the preceding year shall be taken out and destroyed, and it shall be the duty of the Judge of said court to attend and be present with the Clerk, when the ballots, containing the names of persons to serve as jurors, are deposited in said jury box or taken out to be destroyed.

SEC. 37. At least ten days before any term of said Recorder's Court, at which jury trials may be held as above provided, the Clerk of said court shall draw from the jury box the names of as many persons as the Judge of said court may deem necessary, not less than fourteen, nor more than twenty-four, to serve as petit jurors in said court; and at least two days before such drawing, the said Clerk shall give notice to the Judge of said court and to the Sheriff, of the day and hour when such drawing shall take place.

SEC. 38. At the time so appointed, it shall be the duty of said Judge and of the Sheriff of Wayne County or some Deputy Sheriff to attend at the Clerk's office and witness said drawing of jurors, and if neither said Judge, Sheriff or Deputy Sheriff be present at the appointed time, the Clerk may adjourn such drawing to some certain hour on the next day, of which adjournment he shall forthwith give notice to said Judge and Sheriff.

SEC. 39. If at the time first appointed for such drawing, or at the adjourned time therefor, either said Judge, Sheriff or Deputy Sheriff shall be present, the Clerk shall proceed in such drawing as follows: he shall shake the jury box, so as fairly to mix the slips of paper deposited therein; shall then draw from said box publicly and in the presence of the officer or officers attending, as many strips of paper containing the names of jurors written thereon, as may have been ordered by said Judge, and one of the attending officers shall keep a minute of such drawing, in which he shall enter the name of every strip of paper drawn,

before any other such strip be drawn. If, after drawing the whole number required, the name of any person shall appear to have been drawn who is insane or dead, or has removed from the City of Detroit, to the knowledge of said Clerk or any attending officer, an entry of such fact shall be made on the minute of the drawing, the strip of paper containing his name shall be destroyed, and another name shall then be drawn in the place of that destroyed and entered on the minute of the drawing, and like proceedings shall be had as often as necessary, until the whole number of jurors required shall be drawn.

SEC. 40. The said minute of the drawing shall then be signed by the Clerk of said court and the attending officers, and filed by the Clerk in his office, and he shall immediately make out a *venire facias* and deliver the same to the Sheriff of Wayne County, which shall command him or any of his deputies to summon the persons therein named to be and appear in said court, at the terms thereof for which they were drawn, to serve as petit jurors, and not depart the same until discharged, under such penalty as the court may impose.

SEC. 41. Said *venire facias* shall be served at least three days before the term of the court therein specified, by giving personal notice to each person therein named or by leaving a written notice at his place of residence, with some person of proper age, and return thereof shall be made to said court at its opening, specifying those who were summoned, and the manner in which each person was notified.

SEC. 42. Said court shall impose a fine on each person duly summoned to attend as a juror, who shall, without reasonable cause, neglect to attend, not exceeding five dollars for each day's non-attendance and neglect; but all persons who, under the general laws of the State, are exempted or may be excused from serving as jurors in the Circuit Courts, shall be exempted and may be excused from serving as jurors in said Recorder's Court.

SEC. 43. The Clerk of said court shall destroy the ballots of all persons excused from serving as jurors, on the ground of being exempted by law from such service; and the ballots of persons who did not appear and serve, which shall not have been destroyed, shall be returned to the jury box.

SEC. 44. The ballots of persons who shall attend and serve as jurors, shall be enclosed by the Clerk in an envelope under seal, or deposited by him in a separate box and preserved; and if, at any subsequent drawing of a jury, a sufficient number of ballots shall not remain in the jury box to furnish the number of jurors required, after having drawn all the ballots therein, the ballots preserved by the Clerk as aforesaid shall be returned by him to the jury box and drawn in like manner as

required above, until the required number of jurors is obtained.

SEC. 45. Whenever, for any cause, petit jurors shall not have been drawn or summoned to attend any term of said Recorder's Court, or a sufficient number of qualified jurors shall fail to appear, such court may, in its discretion, order a sufficient number of petit jurors to be forthwith drawn and summoned to attend such court; or said court may, by an order to be entered in its minutes, direct the Sheriff forthwith to summon so many good and qualified men of said city to serve as such jurors, as the case may require.

SEC. 46. The Sheriff on receiving a list of jurors drawn pursuant to the preceding section, or a copy of the order therein mentioned, shall proceed, as soon as possible, to summon such jurors forthwith to attend such court, and make return to said court of his doings, in the same manner as in the case of a *venire facias*.

SEC. 47. When there shall not be jurors enough present to form a panel in any case, said court may direct the Sheriff to summon a sufficient number of persons having the qualifications of jurors, to complete the panel, from among the by-standers or the neighboring citizens; and the Sheriff shall immediately summon the number so ordered and return their names to said court.

SEC. 48. In all further proceedings touching jury trials, their incidents and all matters connected therewith, said Recorder's Court shall be governed, in the same manner as the Circuit Courts of the State, by the general laws thereof, which, so far as the same may apply, are hereby made applicable to said Recorder's Court, its officers and all proceedings therein, subject to the provisions of this act.

SEC. 49. The Clerk of said court, on the first day of January in each year, or as soon thereafter as practicable, shall make to the Common Council a report in writing, duly certified by him, showing the whole number of prosecutions by indictment, which number shall be also classified by the name or description of the offense; the whole number of prosecutions for offenses against this act or the ordinances and regulations of the Common Council, which shall be also classified in like manner, so far as practicable; the whole number of prosecutions, convictions, acquittals, cases dismissed and discontinued, and cases pending; the whole number of sentences passed; the whole number punished by fines and penalties; the whole number punished by imprisonment and confinement, which shall be also classified according to the prison, jail or other place of imprisonment or confinement; and the whole number held to bail for good behavior and to keep the peace; and said re-

port shall be published in the daily newspaper published by the printer for the city.

SEC. 50. The provisions of this Chapter shall not go into effect until the second Tuesday in January, 1858; and the provisions of the present Charter of said City, relative to the Mayor's Court, shall continue in full force and effect until the Recorder's Court is organized, under this act.

CHAPTER VII.

OPENING, ALTERING AND CLOSING STREETS.

SEC. 1. The Common Council of the City of Detroit shall have full power to lay out, establish, open, extend, widen, straighten, alter, close, vacate or abolish any highways, streets, avenues, lanes, alleys, public grounds, or spaces in said city, whenever they shall deem it a necessary public improvement, and private property may be taken therefor; but the necessity for using such property, the just compensation to be made for the same, and the damages arising to any person from the making of said improvement shall be ascertained by a jury of twelve freeholders residing in said city.

SEC. 2. Whenever the Common Council shall deem any such improvement necessary, they shall so declare by resolution, which shall be drawn by the City Attorney, and in said resolution shall describe the contemplated improvement; and if they intend to take private property therefor, they shall declare such intention and describe such property in said resolution, with particularity sufficient for an ordinary conveyance thereof; and further declare that they will, on some day to be named in said resolution, apply to the Recorder's Court of said city for the drawing of a jury to ascertain the necessity for using the property intended to be taken, if it be intended to take any for such improvement, to ascertain the just damages and compensation which any person may be entitled to, if such intended improvement be made, and to apportion and assess such damages and compensation to and upon all lots, premises and subdivisions thereof which will be benefited by such improvement; and the time to be named for applying to said court, shall be on a day subsequent to the required publication of said resolution.

SEC. 3. The Common Council shall give notice of the intended improvement and of their intended application to said court, by causing a copy of said resolution, certified by the Clerk of the city, to be published for four successive weeks in the official daily newspaper of the city and one other daily newspaper published in said city, and the Marshal shall also give notice of said resolution by delivering a notice thereof, with a copy of the same

annexed, to the owner or owners or agent of any private property intended to be taken, if they can be found in said city, which notice shall be directed to them, or, if they can not be found, by leaving the same at their place of residence in said city with some person of proper age. If they or their place of residence can not be found, and such property be occupied, said notice and copy of said resolution shall be served by delivering the same to the occupant or occupants, or by leaving the same at their place of residence within said city with some person of proper age; but if the owner or owners or agent of such property, or their place of residence cannot be found and it be not occupied, or, if it be occupied, but they, their place of residence and that of the occupant or occupants can not be found, or, if the owner or owners, occupant or occupants be unknown or non-residents of said city, then, in either of such cases, notice of said resolution may be given by posting the same with the copy of said resolution in some conspicuous place upon the property intended to be taken. The Marshal shall give notice of said resolution as above directed, and make return of his doings and of the manner of giving said notice as soon as practicable after the passage thereof, which return shall be made to said Recorder's Court, at least six days before the day appointed in said resolution for the hearing of said application, and all persons interested therein, after notice given in the manner aforesaid, shall take notice of and be bound by all subsequent proceedings, without any further notices, except as herein otherwise provided.

SEC. 4. The Clerk of the city shall deliver to the City Attorney a certified copy of said resolution of the Common Council, whose duty it shall be to appear in said Court and make the application therein referred to, and conduct all further proceedings thereon in behalf of the Common Council.

SEC. 5. Upon the day designated in said resolution, or some other day to be appointed by the court, and on filing a copy of said resolution and an affidavit showing the required publication thereof, the Marshal shall attend said court and write down the names of twenty-four disinterested freeholders residing in said city, and who shall be approved by the court as such disinterested freeholders and residents, and as qualified to serve.

SEC. 6. Said court shall then issue a writ of summons, commanding the Marshal to summon said twenty-four persons to be and appear in said court to serve as jurors, on some day to be named therein, which shall not be less than seven days after the issuing thereof. The Marshal shall serve such summons at least three days before the return day thereof, and make return in the same manner as in the case

of a summons for petit jurors of said court; and the persons thus summoned shall be bound to attend said court and serve until discharged, and said court shall impose upon them a fine not exceeding five dollars for each day's non-attendance in court or neglect to serve; but they may be exempted and excused by the court from serving for the same reasons for which petit jurors may be exempted or excused.

SEC. 7. The names of the jurors in attendance and who do not claim to be exempted or are not excused from serving, shall then be written by the Clerk of the court on separate slips of paper, of equal size and appearance, as near as practicable, and be deposited by him in a box having a lid or cover. He shall then shake said box, so as thoroughly to mix said slips of paper, and shall then draw impartially, openly and in the presence of the court, so many of the slips of paper or ballots containing names written thereon, one after another, as shall be sufficient to form a jury. The right of challenge shall be allowed as in civil cases under the laws of this State.

SEC. 8. If, in consequence of jurors being exempted, excused or set aside, there shall not be in the box any ballots or a sufficient number of ballots from which to draw the jury, the Marshal shall forthwith, under the order of the court, summon such number of persons as the court shall deem necessary, and may order to be and appear in said court to serve as jurors, and the persons thus summoned shall be returned, be bound to attend said court and serve, and be competent to form the jury, in the same manner and to the same effect as those first summoned.

SEC. 9. The first twelve persons who shall appear as their names are drawn and called by the Clerk, or who are called by him when all the ballots have been drawn from the box, and shall be approved by the court as qualified, shall be the jury, and sworn to discharge their duties faithfully and according to the best of their abilities. Said court shall then instruct said jury as to their duties and the law applicable to the case, and deliver to them a copy of the resolution of the Common Council, as filed in said court, certified by the Clerk of said court; and the City Attorney shall give said jury legal advice and counsel concerning their duties whenever requested.

SEC. 10. The jury shall go to the place of the intended improvement and upon or near as practicable to any property intended to be taken and described in said resolution, or as the case may be, which will be damaged or benefited, if the intended improvement be made.

SEC. 11. Said jury shall then ascertain the necessity for using the property intended to be taken, if it be intended to take any for such

improvement, and if they shall find in the affirmative, they shall next determine the just damages and compensation to be paid to the owner or owners of any property intended to be taken for, or that may be damaged by the intended improvement, and award to the owner or owners thereof such damages and compensation as they shall deem just. If such property shall be subject to a valid mortgage, lease and agreement, or to either, and such facts shall be made to appear to the jury, then said jury shall apportion and award to the owners of such property, the parties in interest to such mortgage, lease and agreement, or to either of them, such portions of the damages and compensation as they shall deem just. And in all cases where any such damage shall be awarded, except for the laying out, establishing opening, widening, altering or vacating an alley or alleys, such damage shall be payable out of the city treasury, and the means therefor shall be raised from time to time, as may be necessary, with the general city taxes.

SEC. 12. In cases of the laying out, establishing, opening, widening, altering or vacating an alley or alleys, said jury shall further proceed to apportion the total damages and compensation to be paid for the proposed improvement among the lots of land, premises or subdivisions thereof, within the block in which the alley in question is situated, and which will be benefited by the proposed improvement, apportioning and assessing the same upon the said lots, premises or subdivisions thereof, as near as may be, in proportion as the same will be benefited by said improvement. The word "alley," as used in this Chapter, shall be construed to mean only those ways or passages which bisect or divide the interior of a block. No alleys shall be opened, except upon a petition of the owners of a majority of the lots on the block or blocks to be intersected thereby, and upon security being given to indemnify the city against the expenses of opening said alleys.

SEC. 13. Said jury, after completing the aforesaid duties, shall then make in writing and each shall sign the report to said court of their doings, enclose the same in a sealed envelope and file it in the office of the Clerk of said court, within thirty days after they were sworn.

SEC. 14. In all cases where said jury shall find such improvement to be necessary, they shall state in their report the just damages and compensation ascertained and awarded by them to the owner of any private property or to any person claiming an interest therein by virtue of any valid mortgage, lease or agreement to which such property may be subject, together with the names of such owner or claimant, if known, and a description of

the property intended to be taken. In case any damages and compensation be awarded to any person claiming an interest in such property, by virtue of a valid mortgage, lease or agreement to which such property may be subject, it shall be sufficient to state further in such case the name of such claimant, the date of such mortgage, lease or agreement, or assignment thereof, if there be any, by virtue of which such claimant has an interest in the property intended to be taken.

SEC. 15. Said jury shall also, in the case provided for by Section 12, state in their report what portions in amount of the total ascertained damages and compensation they have apportioned to and assessed upon any lot, premises or subdivision thereof, which will be benefited by the intended improvement, together with the names of the owners thereof, if known, and a description of the same, and also what portion, if any, of the ascertained damages and compensation they have apportioned and assessed to the City of Detroit in the case above provided for.

SEC. 16. Said report may be confirmed by said court at any term thereof, and the court shall appoint some day when it will consider said report and objections against the confirmation thereof on the part of all persons interested therein, whereof the City Attorney shall give notice by publishing the same in the official daily newspaper of said city and in one other daily newspaper published in said city, for six successive days, and he shall file in said court an affidavit of such publication before the time appointed for considering said report. Said objections shall be filed with the Clerk in writing, but may be argued, and the consideration of said report and objections may be adjourned from time to time, until said report be confirmed or otherwise disposed of as herein provided.

SEC. 17. Said report shall not be annulled for objections as to matters of form; all objections shall be objections of law and to matters of substance, but the damages and compensation to be paid to any person, or the portions thereof apportioned to and assessed upon any lot of land, premises or subdivision thereof, may be inquired into, if objected to as being excessively large or small.

SEC. 18. If no objections be filed, said report shall be confirmed; but if objections be filed, said court, after considering the same, shall, in its discretion, confirm or annul said report, or may refer it back to the same jury for the purpose of reviewing all matters and correcting all errors therein contained, and making any alteration thereof which said court may direct, or said jury may deem just or necessary; and thereon said jury shall review, correct or alter said report in manner aforesaid, and shall return and file the same.

with the Clerk of said court, within five days after said report was referred back to them as aforesaid, and thereupon said court shall confirm or annul said report.

SEC. 19. If said report be annulled, or the jury can not agree, or from death, sickness or any other cause shall fail to make a report within the thirty days required above, the court may, on the application of the City Attorney, designate some day in term when another jury may be had, and such jury shall be obtained, drawn, summoned, returned, bound to attend and serve, have the same qualifications, be sworn, and, when sworn, have the same powers and duties as the first jury. The same proceedings, after they are sworn, shall be had by them, and by and in said court, as provided for above, after the first jury is sworn.

SEC. 20. If any juror, after being sworn, shall die, or from sickness be unable to discharge his duties, the court may appoint another person to serve in his place, who shall be sworn and shall have the like qualifications, powers and duties as those already sworn.

SEC. 21. Any person to whom damages and compensation may be awarded for any of his property intended to be taken, or on account of the intended improvement, or to and upon whose property any portion of such damages and compensation may be apportioned and assessed, considering himself aggrieved, may appeal from the judgment of the Recorder's Court, confirming the report of the jury, to the Supreme Court, by filing, in writing, with the Clerk of said Recorder's Court, a notice of such appeal and specification of the errors complained of, within five days after the confirmation, and serving within the same time a copy of said notice and specification of errors on the City Attorney, and filing a bond in said Recorder's Court, to be approved by the Recorder, conditioned for the prosecution of said appeal and the payment of all costs that may be awarded against the appellant, in case the judgment of confirmation of the Recorder's Court be affirmed.

SEC. 22. In case of appeal as above, it shall be the duty of the Clerk of said Recorder's Court, forthwith, or as soon as practicable, to transmit to the Supreme Court a certified copy of all the proceedings in the case, which may be filed in the office of any Clerk of said court.

SEC. 23. The Supreme Court, at any term thereof, shall, with the least practicable delay, hear and try the matter of said appeal, and may affirm or reverse the judgment of the Recorder's Court, confirming the report of the jury; but the same shall not be reversed for matter of form, nor for any errors, except errors of law, and only in regard to the appel-

lant or appellants. The court shall give judgment for reasonable costs and expenses in the matter of said appeal and proceedings thereon to be taxed, and all costs and expenses awarded to the City of Detroit, in case of affirmation, shall be applied on and deducted from the damages and compensation, if any, to be paid to the appellant or appellants.

SEC. 24. If there be a reversal for any errors, which it is practicable for the Recorder's Court or said jury to correct with due regard to the public interest and rights of individuals, the proceedings shall be remanded to said Recorder's Court, with direction that such error be corrected. Said Recorder's Court, at any term thereof, or (as the case may be) said jury, under the direction of said court, shall correct such error, and thereupon the report of the jury shall be confirmed by said Recorder's Court, without any further right of appeal.

SEC. 25. In every case of annulment of the report of the jury by the Recorder's Court, or reversal by the Supreme Court, the Common Council, in behalf of said city, may, by resolution, elect to pay the damages and compensation claimed by, or the assessment made upon the property of the objector, appellant or appellants. On filing a certified copy of said resolution in the Recorder's Court, within twenty days after annulment or reversal, the report of said jury shall be reviewed and confirmed by said Recorder's Court as to all persons interested therein, except the objector, appellant or appellants, and without further right of appeal. If the Common Council do not elect, as above provided, all the proceedings shall be null and void, and no further proceedings shall be had, except in case of reversal, when the proceedings may have been remanded to the Recorder's Court for the correction of certain errors, in which case such errors shall be corrected and the report of the jury confirmed, as above provided.

SEC. 26. If the report of the jury be confirmed by the Recorder's Court, in any case above provided for, or if the judgment of confirmation be affirmed on appeal to the Supreme Court, such confirmation shall be final and conclusive as to all persons interested therein; and the damages and compensation apportioned to and assessed upon any lot of land, premises or subdivision thereof, according to said report as confirmed, shall be a lien thereon, from the time of the aforesaid confirmation, until they are paid and satisfied.

SEC. 27. When the report of the jury shall have been thus finally confirmed, or the judgment of confirmation affirmed by the Supreme Court, the Clerk of the Recorder's Court shall prepare a certified copy, under the seal of the court, of the report of the jury as confirmed by the Recorder's Court, and of the order of

the court confirming the same, and the Clerk shall file said certified copy in the office of the Clerk of the city, who shall record the same at length in a book to be provided, used and known as a book of street records. Such certified copy, such record, or a like copy made and certified by the Clerk of the Recorder's Court, shall in all courts and places be presumptive evidence of the matters therein contained, and of the regularity of all proceedings from the commencement thereof, to the order of the court confirming the report of the jury.

SEC. 28. The amounts apportioned to and assessed upon all lots of land, premises or subdivisions thereof, for the benefits they will receive, shall be paid to the Treasurer of said city, in case of confirmation of the report of the jury as above provided, or in case the judgment of confirmation be affirmed by the Supreme Court, and may be collected, and said lots, premises or subdivisions thereof, may be sold therefor, in the same manner as in the case of collection or sale for assessments to pay the cost and expenses of paving streets.

SEC. 29. Within sixty days after the confirmation of the report of the jury, or after the judgment of confirmation shall on appeal be affirmed, the Common Council shall pay or tender to the respective persons the several amounts of damages and compensation awarded to them according to the report of the jury as confirmed, or elected, as above provided for, to be paid by the Common Council; and in case any such person shall refuse the same, be unknown, or a non-resident of said city, or for any reason incapacitated from receiving his or her amount, or the right thereto be disputed or doubtful, the Common Council may deposit the amount awarded in such case, or elected to be paid by the Common Council, in the treasury of the city, to the credit of any person entitled thereto, and shall, on demand, pay the same over to any person competent and entitled to receive it.

SEC. 30. Upon such payment, tender or deposit, in the city treasury, the same shall become a public highway, and the Common Council may enter upon, take possession of, and convert the same to the uses and purposes for which it has been taken. A certificate of the City Treasurer of such tender, payment or deposit, or record thereof in the book of street records, or certified copy of such record, shall in all courts and places be presumptive evidence of the facts therein stated, of the vesting of the fee of the property taken in the City of Detroit, and of the right of the Common Council to take possession of and convert the same to the uses for which it has been taken.

SEC. 31. In all cases where any real estate, subject to any lease or agreement, shall be taken as aforesaid, all the covenants and stip-

ulations contained therein shall cease, determine and be discharged, upon the final confirmation of the report of the jury, or upon the affirmation by the Supreme Court of the judgment of confirmation. If a part only of such real estate be taken, said covenants and stipulations shall cease, determine and be discharged only as to such part; and the Recorder's Court, on application of any party in interest to such lease or agreement, and after a notice thereof, of eight days, in writing, to the other parties in interest, may appoint three disinterested residents and freeholders of said city, Commissioners to determine the rents and payments to be thereafter paid, and the covenants, stipulations or conditions thereafter to be performed under such lease or agreement, in respect to the residue or part of such real estate not taken. Said Commissioners shall, before entering on their duties, take and subscribe an oath, to be administered by the court, faithfully to discharge their duties, which oath shall be filed in said court. Said three Commissioners shall make and sign a report, in writing, of their doings, to said court, which shall be filed therein within thirty days after their appointment, and said report, on being confirmed by the court, shall be binding and conclusive on the parties in interest to such lease or agreement.

SEC. 32. The Common Council shall pay said jury such compensation for their services as they may deem just, and they shall have power to abandon or discontinue proceedings under this Chapter in said Recorder's Court, at any time before the final confirmation of the report of the jury.

SEC. 33. For the purpose of introducing a greater uniformity in the laying out of the land in said city into public streets and blocks, and to restrain persons from laying out such streets and blocks in a manner prejudicial to the interest of the city, there shall be constituted a Board of Commissioners, upon the plan of the city, consisting of three persons, to be appointed by the Common Council, on the nomination of the Mayor, and no land within the limits of said city shall be laid out into blocks and public streets, without the consent and approval of a majority of said Commissioners, in writing, entered upon a plan of said land so laid out, which plan, duly acknowledged, and with said approval, in writing, thereon endorsed, shall be recorded in the Register's office for the County of Wayne: *Provided, however,* In cases where a parcel of land lies between parcels of land duly laid out by plats, now on record, where streets do not correspond in direction or size, the power of control shall not be so exercised over the platting of such intermediate parcel in order to produce such correspondence, as to essentially diminish their value.

SEC. 34. The City Clerk shall act as the Clerk of said Board, and plans for the approval of said Commissioners may be deposited with said Clerk for their action thereon, and, if approved, a copy thereof shall be filed with said Clerk by the person making or laying out the same.

SEC. 35. Any plans for laying out into public streets and blocks, now existing in said city, and not acknowledged and recorded according to law, shall be of no validity until they receive the approval of said Commissioners, as herein before provided.

SEC. 36. If a vacancy occurs in the office of said Commissioners, or either of them, it may be filled by the Common Council on the nomination of the Mayor.

SEC. 37. Said commissioners shall receive no compensation for their services.

CHAPTER VIII.

TAXATION AND FINANCE.

SEC. 1. The revenues and moneys of the corporation shall be divided into the following funds, viz:

1st. General Fund, which shall be appropriated to defray the expenses of the City of Detroit, for the payment of which, out of some other fund, no provision is herein made.

2d. Contingent Fund, to defray the contingent expenses of said city.

3d. Interest Fund, to pay the interest on the funded debt of said city.

4th. Sinking Fund, to pay the funded debt of said city.

5th. Fire Department Fund, to defray the expenses of purchasing lots, erecting engine houses thereon, purchasing engines and other fire apparatus, and all other expenses necessary to maintain the Fire Department of said city.

6th. Poor Fund, to defray the expenses of providing for and taking care of the poor of said city.

7th. General Road Fund, to defray the expenses of repairing paved streets and alleys, and of grading, paving and improving the highways, streets and alleys of said city, in front of or adjacent to the property of the corporation.

8th. District Road Fund, for each Ward of said city, to defray the expenses of working, repairing, cleaning and improving the highways, streets and alleys in the ward for which such District Road Fund is constituted and raised.

9th. Sewer Fund, to defray the expenses of constructing sewers and drains in said city.

10th. Street Opening Fund, to defray the expenses of opening, widening, vacating, altering, straightening, extending or abolishing any highways, streets or avenues in said city,

under the provisions of Chapter VII. of this act.

11th. Street Paving Fund, to defray the expenses of grading and paving, graveling, macadamizing or planking highways, streets, alleys, side-walks and cross-walks in front of or adjacent to private property, and putting curb-stones and culverts therein.

12th. Public Building Fund, for purchasing real estate, for the erection thereon of any public buildings, and to defray the expenses of erecting, repairing and preserving such public buildings as the Common Council is authorized to erect and maintain, and are not herein otherwise provided for, which fund shall, from time to time, be divided into Special Building Funds, to defray the expenses of erecting, repairing and preserving the particular building or buildings for which such Special Building Fund may be constituted or raised.

13th. The Recorder's Court Fund, to maintain the Recorder's Court.

14th. Such other funds as the Common Council may constitute for special purposes, not inconsistent with, nor to be taken from, any of the funds above constituted or raised.

SEC. 2. The Common Council shall have power annually, to levy, assess and collect taxes, not exceeding one per cent. on the assessed value of all real and personal estate in said city, made taxable by the laws of this State, in order to defray the expenses, and for the purposes for which the General Fund, Contingent Fund, Fire Department Fund, Poor Fund, General Road Fund and Recorder's Court Fund, are constituted as above.

SEC. 3. The Common Council shall also have power annually to levy, assess and collect taxes on the assessed value of all real and personal estate in each ward of said city, made taxable by the laws of this State, in order to defray the expenses, and for the purposes for which the District Road Fund is constituted as above: *Provided*, That such taxes shall not exceed, in amount, the rates of township road or highway taxes as now or hereafter established by the laws of this State.

SEC. 4. The Common Council shall also have power annually to levy, assess and collect taxes, not exceeding thirty thousand dollars, on the assessed value of all real and personal estate in said city, made taxable by the laws of this State, in order to defray the expenses of constructing sewers, and for the purposes for which the Sewer Fund is constituted as above.

SEC. 5. Before any taxes shall be levied, as aforesaid, for the purposes of the General Fund, Contingent Fund, General Road Fund, Street Opening Fund, District Road Fund, Fire Department Fund, Poor Fund, Sewer Fund, and Recorder's Court Fund, the Controller shall

present to the Common Council in writing, his estimate of the amount of taxes, which, in his opinion, it may be necessary to raise for the ensuing year, for the purposes of said funds; shall state therein the amount estimated for the purposes of each of said funds, and also an estimate of the entire proposed expenditures for said year, whether the same are to be raised by tax, by loan, or by special assessment, and said estimate shall be published in the official paper of the city, and shall, at the same time, give to the Common Council any information in his power, and which they may request, concerning the finances of said city. The Common Council, after revising or altering said estimate, but not so as to exceed the aggregate taxes hereby authorized to be levied, shall direct the Mayor or acting Mayor to call a public meeting of the citizens of said city, to take into consideration the taxes proposed to be raised and specified in said estimate, by publishing notice thereof in one or more daily newspapers published in said city, for not less than three successive days, and posting the same in conspicuous places in said city, at least three days prior to the time of the meeting, which notice shall contain the substance of said estimate. Said meeting shall transact the business for which it was called. If a majority of the citizens present shall consent to the levying of the taxes specified in said estimate, then the Common Council shall proceed to levy, assess and collect the same, or such part thereof as may have been consented to; but if said meeting shall not consent to the levying of said taxes, the said Common Council may call a second meeting of said citizens in the same manner, and which shall have the same power as the first meeting here-in before provided for.

SEC. 6. The Common Council shall annually levy, assess and collect on the assessed value of all the real and personal estate in said city, made taxable by the laws of this State, taxes for the purposes of the Interest Fund, not exceeding, in amount, a sufficient sum to pay the interest accrued or to accrue on the funded debt of said city, for the year for which such taxes are levied; and also taxes not less than five, nor more than ten thousand dollars, for the purposes of the Sinking Fund.

SEC. 7. The Common Council shall also have power annually to levy, assess and collect a tax or assessment on all lots, premises and sub-divisions thereof, drained by private sewers or drains, leading into or connected with any public sewer or drain, which tax shall be one dollar and fifty cents on every lot, premises or sub-division thereof having a cellar, fifty cents if there be no cellar thereon, and such sums as the Common Council may fix for all lots and establishments drained as as aforesaid, and requiring an unusual or ex-

traordinary amount of drainage. Said tax or assessment shall be credited to the Sewer Fund, and applied to the repairing of sewers and drains, and if the same be more than is required for such purpose, the surplus may be applied to the construction of sewers and drains.

SEC. 8. The Common Council shall also have power from time to time to levy, assess and collect a tax or assessment on all lots, premises or sub-divisions thereof, sufficient to defray the expenses of grading and paving, gravelling, macadamizing or planking any highway, avenue, street, lane, alley, or cross-walk in said city, in front of or adjacent to such lots, premises or sub-divisions thereof, and of putting curb-stones and culverts therein, which tax or assessment shall be credited to the Street Paving Fund: *Provided, however,* That such tax or assessment shall not, in any one year, exceed, in the aggregate, the sum of fifty thousand dollars; such grading, paving, gravelling, macadamizing and putting in of curb-stones and culverts shall be commenced and completed, and all contracts therefor shall require the same to be commenced and completed within the six months next preceding the first day of December.

SEC. 9. The Common Council shall also have power to provide money for the Public Building Fund, by loaning, upon the faith and credit of said city, and upon the best terms that can be made, a sum of money not exceeding three hundred thousand dollars, and to issue the bonds of said city to an amount not exceeding that sum, pledging its faith and credit for the payment of the principal and interest, but said bonds shall not be negotiated at less than their par value. Said bonds shall be denominated "Public Building Stock of the City of Detroit," shall be regularly dated and numbered in the order of their issuance; shall be for sums not less than five hundred dollars each; shall bear interest not exceeding seven per cent. per annum; shall be payable in not less than twenty years from date; shall be issued under the seal of the corporation, signed by the Mayor, and countersigned by the Controller. The Controller shall keep an accurate record of said bonds, showing the class of indebtedness to which they belong, the number, date, and amount of each bond, its rate of interest, when and where the same is payable, and the person to whom it is issued. The proceeds of said bonds shall be paid to the Treasurer, and be credited to the Public Building Fund, and applied exclusively to the purposes for which said fund is constituted as above; but the Common Council shall not expend for the purposes of said Public Building Fund in any one year more than fifty thousand dollars, nor issue in any one year a greater amount of said bonds than to the amount of fifty thousand dollars.

SEC. 10. No contract shall be let or entered into for labor or materials to be employed in the construction of a City Hall, building for the use of the officers of the corporation, alms house, jail, work house, house of correction, or market building, exceeding in amount fifty thousand dollars in any one year; and no bonds shall be issued as aforesaid for the purposes of the Public Building Fund, until a public meeting of the citizens of said city shall have been called and held to consider the subject of constructing a public building for such purpose as the Common Council may propose, which meeting shall be called and may be held in the manner above prescribed for calling and holding a meeting in relation to the levying of taxes. The Common Council shall cause to be presented to said meeting, by the Controller, an estimate of the necessary cost of purchasing the necessary real estate for the erection thereon of any building and expense of the building proposed to be constructed. If a majority of the citizens present shall consent to the purchase of such real estate, and construction of a building for the purpose proposed, and to the estimate presented, or any part thereof, the Common Council shall then be authorized to contract for the purchase of such real estate and for the construction of said building, at a cost and expense not exceeding, in amount, the estimate or part thereof thus consented to, and to expend thereon, borrow money and issue bonds as above provided, not exceeding fifty thousand dollars in any one year, nor exceeding the estimated cost and expense or part thereof consented to as aforesaid.

SEC. 11. No contract shall be let or entered into for the construction of any public work within said city, not herein otherwise provided for, and no such public work shall be commenced, until it shall have been approved by the Common Council, and a tax or assessment levied to defray the cost and expense thereof; and no such public work shall be paid for or contracted to be paid for, except out of the proceeds of the tax or assessment thus levied.

SEC. 12. No contract for the purchase of any real estate, or for the construction of any public building, sewer, paving, graveling, planking, macadamizing, or for the construction of any public work whatever, or for any work to be done, or for purchasing or furnishing any material, printing or supplies for said corporation, if the purchase of such real estate, or the expense of such construction, repairs, work, materials, printing or supplies shall exceed two hundred dollars, shall be let or entered into, except to and with the lowest responsible bidder, with adequate security, and as to such work or material, requiring mechanical skill, to and with practical mechanics, and as to such other work, supplies

or material not requiring mechanical skill, to and with such persons as shall be deemed competent for the performance of any such contract, and not until advertised proposals and specifications therefor shall have been duly published in at least one daily newspaper published in said city, and for such period as the Common Council shall prescribe. And no bids shall be accepted from, or contract awarded to any person who is in arrears to the corporation upon debt or contract, or who is a defaulter as security, or otherwise, upon any obligation to the corporation, or who shall be in other respects disqualified according to the provisions of this act.

SEC. 13. No loan, bond or other evidence of debt, not expressly authorized by this act or any act hereby continued in force, shall be made or issued by the Common Council or any officer of the corporation: *Provided, however,* That the Common Council may issue new bonds for the refunding of bonds and evidences of debt already issued; and the proper officer of the corporation may draw and issue orders on the Treasurer for the necessary and current expenses of the city.

SEC. 14. The Common Council shall not have authority to borrow, except as herein before provided, any sums of money whatever, on the credit of the corporation, but may authorize the Controller to borrow from time to time on such credit, in anticipation of the revenues of the corporation for the current fiscal year, and not to exceed such revenues in amount, such sums as may be necessary to meet the expenditures under the appropriations for the current fiscal year.

SEC. 15. All new bonds, issued for the refunding of bonds and evidences of debt before issued, shall show the class of indebtedness to which they belong; be issued on the best terms that can be made; be regularly dated and numbered in the order of their issuance; shall be for sums not less than five hundred dollars each; shall be issued under the seal of the corporation, signed by the Mayor and countersigned by the Controller. The Controller shall keep an accurate record, showing the class of indebtedness to which they belong, the number, date and amount of each bond, its rate of interest, when and where the same is payable, and the person to whom it is issued, and showing also what bonds or evidences of debt have been thereby refunded.

SEC. 16. All bonds and evidences of debt, when refunded, shall be cancelled and destroyed by the Treasurer, in the presence of the Controller and a special committee of the Common Council appointed for the purpose. He shall record and keep an accurate description of all bonds and evidences of debt thus cancelled and destroyed.

SEC. 17. All bonds and evidences of debt issued, and all contracts made or entered into contrary to or not authorized by the provisions of this act, shall be absolutely void. The Common Council shall incur no expenses and create or pay no debt or liability contrary to or not authorized by the provisions of this act, and shall not appropriate or use the property or moneys of the corporation, except as authorized by and in pursuance of law.

SEC. 18. No claim or demand against the corporation shall be allowed or paid, or warrant on the treasury issued therefor, if the same be contrary to or is not authorized by law, and no additional allowance beyond the legal claim under any contract with the corporation, or for any service on its account, or in its employment, shall be allowed. No warrant on the treasury shall be drawn for any claim or demand for the payment of which there is no money in the treasury raised or received for such purpose, or after the fund constituted and raised therefor has been exhausted by warrants previously drawn thereon, or by appropriations, liabilities, debts and expenses actually made, incurred or contracted for, and to be paid out of such fund.

SEC. 19. No moneys shall be paid out of the treasury, except upon a warrant signed by the Controller, and approved or authorized by the Common Council in pursuance of law. Such warrant shall specify the purpose for which the amount thereof is to be paid, with sufficient clearness to indicate the particular fund constituted or raised therefor, shall have endorsed thereon the name of the particular fund out of which it is payable, and shall be paid from the fund constituted for such purpose, and from no other.

SEC. 20. No claim against the corporation shall be audited or paid unless accompanied by the affidavit of the claimant (if such affidavit be required by the Controller), that the service, labor or materials upon which such claim is based, have been actually rendered, performed or furnished; that said claim is justly due, and that no part thereof has been paid, except as to the credits, if any, set forth in the account therefor.

SEC. 21. The Common Council shall not by warrant, draft or order on the treasury; or by any form of contract, create any liability or expense, for the payment of which any particular fund is constituted as above, to a greater amount in the aggregate for any one year, than the amount of moneys raised for and paid into such fund for the year. All warrants, drafts, orders and contracts payable under this act, out of any particular fund, and issued or made after the moneys raised for and paid into such fund shall have been exhausted by payments therefrom or liabilities

created and to be paid out of said fund, shall be absolutely void as against the corporation.

SEC. 22. No contract or agreement, written or verbal, to which the corporation shall be a party, or to which any officer or board thereof shall officially be a party, for the construction of any pavement, building, sewer, or performance of any public work whatsoever, or contract or agreement requiring the expenditure, receipt or disposition of money or property by the corporation, of any officer or board thereof, or creating any debt or liability, shall be let or entered into, either directly or indirectly, with any member of the Common Council or other officer of the corporation, either as principal or surety, and any such contract or agreement thus let or entered into shall be absolutely void.

SEC. 23. No ordinance, resolution or proceeding of the Common Council imposing taxes or assessments, or requiring the payment, expenditure or disposition of money or property, or creating any debt or liability therefor, and no other ordinance shall be passed at the same meeting at which it was introduced, unless by unanimous consent, or at a special meeting called therefor, and every such ordinance, resolution or proceeding shall be passed by yeas and nays to be entered on the record.

SEC. 24. The Common Council shall determine the fiscal year, and within one month after the end thereof the Controller shall render to the Common Council a full, complete and detailed statement, with tabular lists, of all moneys received and expended by the corporation for the preceding fiscal year, showing on what account they were received and expended, to what funds they were credited, and out of what funds they were paid, and classifying each receipt and expenditure under its appropriate head. In such statement he shall also give, by tabular lists and otherwise, such general information as may be necessary for an understanding of the pecuniary resources and liabilities of said city, and of the condition of each fund, and may make such recommendations concerning the same, as the interests of said city may require. The Common Council shall cause said statement to be published in the daily newspaper published by the printer for said city, and in such other paper or papers as the Common Council shall direct.

SEC. 25. The Common Council and Controller, or either, may at any time require from the various officers and boards of the corporation, and it shall be their duty to furnish, when required, and in such form as shall be required, full and particular estimates, in detail, of the expenses of their offices or departments for the current or next ensuing fiscal year, and also full and particular accounts, in

detail, of their expenses for any past year or for any part thereof.

SEC. 26. The Common Council shall have power to contract with any safe bank or banks, for the safe-keeping of the public moneys, and for the receipt of interest, at a rate not exceeding that established by law, upon such moneys of the corporation deposited with such bank or banks, and to be drawn on account current from such bank or banks, by the corporation or proper officer thereof, and such interest shall belong and be credited to the Sinking Fund.

SEC. 27. The Mayor, Controller and Chairman of the Committee on Ways and Means, shall be a committee for the negotiation of all loans authorized by this act, except as to any loans to be made by the Controller, under the authority of the Common Council, as above provided; and a majority of said committee shall have power to make such negotiation, subject to the approval of the Common Council.

SEC. 28. All taxes and moneys raised, received or appropriated for the purpose of any particular fund, shall be paid in and credited to such particular fund; and all taxes and moneys not raised, received or appropriated for the purpose of any particular fund, shall be paid in and accredited to the General Fund, or such other fund as the Common Council shall direct.

SEC. 29. The moneys belonging to the several funds of the corporation, and all taxes and moneys raised, received or appropriated for the purposes thereof, shall be applied to the purposes for which said funds are respectively constituted, as above, and for which said taxes and moneys are raised, received or appropriated: *Provided, however,* That if, from any cause, there shall be at the end of any fiscal year a surplus in any other than the Public Building Fund, the District Road Fund for each ward, and the Sinking Fund, over and above the actual or estimated cost of any work for which the money of any fund was specifically raised, such surplus shall be transferred and accredited by the Treasurer to said Sinking Fund, at the end of such fiscal year, whenever there shall not be sufficient moneys therein to pay the outstanding funded debt of said city.

SEC. 30. Moneys shall not be transferred from one fund to another, and the moneys received, and properly belonging to one fund, shall not be credited to any other or different fund, except to the Sinking Fund, as above provided; but the Controller shall have the power to divide the several funds above constituted into Special Funds, to defray special expenses belonging to the same class of expenses, for the payment of which said several funds are above constituted.

SEC. 31. The Mayor, Controller, Treasurer and Committee on Ways and Means, and their successors in office, by virtue of their offices, shall be a Board of Commissioners of the Sinking Fund. They shall, from time to time, upon the best terms they can make, purchase or pay the outstanding funded debt of said city, or such part thereof as they may be able to purchase or pay, until the same be fully purchased up or paid; and all bonds and evidences of debt thus purchased or paid, shall be delivered to the Treasurer, and shall become and be the property of the Commissioners of the Sinking Fund, and the interest thereon shall be credited and belong to the Sinking Fund; and whenever they can not arrange for purchasing or paying the said debt, or any part thereof, they shall, temporarily, and until they can so arrange, invest the moneys belonging to said Sinking Fund in such securities, paying an interest of not less than seven per cent., as they may deem safe and advisable. Said Commissioners shall, from time to time, and whenever requested by the Common Council, make report of their doings, which report shall be made to the Common Council, referred to and filed with the Controller and recorded by him in some proper book, to be provided for the purpose.

SEC. 32. Said Board of Commissioners of the Sinking Fund, shall be a Board of the Corporation within the meaning of this act, and shall be subject to the provisions of any existing or future ordinances of said city, relative to the Sinking Fund. They shall meet from time to time for the transaction of business, and may adopt rules of proceeding at their meetings. A majority of the whole board shall be a quorum for the transaction of business, but they shall not purchase in, or pay the outstanding funded debt of said city, or invest any of the moneys belonging to the Sinking Fund, as above provided, except under a resolution for such purpose, passed and approved by the vote of a majority of the whole board, and by yeas and nays to be entered of record. The Mayor, or, in case of his absence, some member to be appointed by those present, shall preside at their meetings. They shall appoint one of their members Secretary of the board, whose duty it shall be to keep a true record of its doings.

SEC. 33. The Treasurer shall have the custody of all moneys, securities and evidences of value belonging or pertaining to the Sinking Fund, and shall pay out the moneys of said fund only by order of the Commissioners, or a majority thereof, and upon the warrant of the Controller.

SEC. 34. The faith and property of the City of Detroit shall remain pledged for the final payment of all bonds issued and of all moneys borrowed by authority of, and in accordance

with, this or any other act of the Legislature of this State.

SEC. 35. If any officer of the corporation shall, directly or indirectly, appropriate or convert any of the moneys, securities, evidences of value or any property whatsoever, belonging to the corporation or any board thereof, to his own use, or shall, directly or indirectly and knowingly appropriate or convert the same to any other purpose than that for which such moneys, securities, evidences of value or property may have been appropriated, raised or received, or to any purpose not authorized by law, he shall be deemed guilty of wilful and corrupt malfeasance in office, and may be prosecuted, tried and convicted therefor, and, on conviction, may be punished by a fine not exceeding one thousand dollars, and imprisonment in the State Prison, jail of Wayne County, or jail of said city, not exceeding three years, or either, in the discretion of the court.

CHAPTER IX.

ASSESSMENT OF TAXES AND THEIR COLLECTION.

SEC. 1. There shall be an Assessor appointed by the Common Council, upon the recommendation of the Mayor, who shall hold his office for the term of three years, and shall devote his whole time to the service of the city, in connection with the duties of his office, with power to appoint two assistants, and shall receive such compensation as the Common Council may determine.

SEC. 2. The said Assessor shall, between the first days of January and April in each year, assess all the real and personal property subject to assessment or taxation by the laws of this State, within the limits of each ward respectively of said city, and shall, within the same period, make out and complete the assessment rolls, one for each ward respectively, in books to be provided for that purpose by the Common Council, and to be delivered to said Assessor on or before the first day of January in each year: *Provided, however,* That the assessment of real and personal property made in the year 1856, shall be and remain the basis of taxation within said city for the year one thousand eight hundred and fifty-seven, and until the assessment for the year 1858 shall have been made out.

SEC. 3. The Assessor, together with the Aldermen (whose term of office will soonest expire) of the respective wards of the City of Detroit, shall be and are hereby vested with the power and duties of Supervisors, as provided by the laws of this State, not inconsistent with the provisions of this Chapter; and said Assessor and Aldermen shall attend the annual session of the Board of Supervisors of the County of Wayne, in October, and

all other sessions thereof, and shall represent the interests of this corporation in such board.

SEC. 4. If any lot or lots shall lie partly in two or more wards, the same shall be assessed in the ward where the greater proportion of such lot or lots is situated, and the said Assessor shall describe all lands, tenements and subdivisions thereof, subject to assessment or tax in said city, by referring to the number and section of the lot and the owner or occupant thereof, and if the number and section cannot be ascertained, then, by such description as the Assessor may deem proper; and if, by mistake or otherwise, any person may be improperly designated as the owner of any lot, tenement or premises, such assessment or tax shall not, for that cause, be vitiated, but the same shall be a lien on such lot, tenement or premises, and be collected as in other cases.

SEC. 5. The Assessor shall have power and authority to demand of every person owning or having charge, as agent or otherwise, of any property taxable in any ward, a list of such property, with such description as will enable him to assess the same, which demand may be made in writing, and by delivering the same to such person, or by leaving the same at his place of residence with some person of proper years and discretion; and if the person, of whom such demand may be made, shall not, within ten days thereafter, deliver to such Assessor a list of the property in said ward belonging to him or her, or under his or her charge, with a correct description of the same, or if he shall omit any such property in the list delivered, the said Assessor shall have power, and it shall be his duty, to assess such property upon such knowledge or information as may be satisfactory to him, at its cash value, and according to his best judgment and discretion.

SEC. 6. Said Assessor shall make out and complete the entire assessment rolls for the respective wards, and after all the rolls have been completed, the said Assessor, together with the Controller, Treasurer, Attorney, and Chairman of the Committee on Ways and Means, shall meet together on the first Monday of April, in each year, in the Common Council room in said city, and organize as a Board of Review, for the purpose of hearing complaints of any and all persons against any assessments contained in any of said rolls, and altering or correcting the same, as the majority of the board may deem proper. Said board shall continue in session from day to day, from nine o'clock A. M. until twelve o'clock noon, for the space of two weeks, which period may be extended by order of the Common Council, not exceeding ten days,

and any person considering himself aggrieved in the premises, may complain thereof, verbally or in writing, before the Board of Review, and on sufficient cause being shown by the affidavit of such person, or by other evidence, to the satisfaction of such board, they shall review the assessment complained of, and may alter or correct the same as to the person charged thereby, the property described therein, and the estimated value thereof. The concurrence of a majority of all the board shall be sufficient to decide any question of altering or correcting an assessment complained of. The board, or a majority of them, having completed the review and correction of their assessment rolls, shall respectively sign and return the same to the Common Council. The members of said board shall receive no compensation for their services whilst acting on said board, other than their salaries, excepting the Chairman of Committee on Ways and Means, who shall receive such compensation as the Common Council shall prescribe.

SEC. 7. At the meeting of the Board of Review, as required by the preceding section, they shall have the same power to review, correct and equalize the assessment rolls of the several wards, which supervisors now or hereafter may have by law to review, correct and equalize the assessment rolls of townships in the respective counties of this State.

SEC. 8. The City Clerk shall cause a notice to the taxpayers of said city, to be published in the daily newspaper published by the printer for the city, and in one other daily newspaper published in said city, for two weeks prior to the time of the first meeting of said Board of Review, stating the time and place of meeting of said board, and the objects for which it will meet, and the length of time it will continue its sessions. Said notice shall be published in said daily newspapers, on each publication day thereof, until the expiration of the two weeks provided above for the sitting of said board.

SEC. 9. The Common Council, after the expiration of said two weeks or extended period in which the Board of Review are to sit, as above provided, for reviewing their assessment rolls, shall, at its regular session, proceed to consider said assessment rolls, and any person aggrieved by the assessment of his property, and the decision of such Board of Review thereon, may appeal to the Common Council at said regular session. Every appeal shall be in writing, and shall state specially the grounds of the appeal and the matter complained of, and no other matter shall be considered by the Council. While acting upon said assessment rolls or appeals, any member of said board may meet with the Common

Council and make such explanations as they may deem requisite in any case.

SEC. 10. The Common Council shall hear and determine all appeals in a summary manner, and correct any errors which they may discover in the assessment rolls, and may place thereon the names of any persons and the descriptions of any property not already assessed, and assess the same, and may increase or diminish any assessment as they may see fit: *Provided*, That they shall not increase any assessment of property without giving a reasonable opportunity to the persons owning or having charge of the same, if known, to appear and object thereto.

SEC. 11. The Common Council may continue the consideration of said assessment rolls and the hearing of said appeals from session to session for a period not exceeding sixteen days after the time when they are to be first considered as above provided, and on or before the expiration of said period of sixteen days, they shall be fully and finally confirmed by the Common Council, and shall remain as the basis of all taxes to be levied and collected in the City of Detroit according to property valuation until another assessment shall have been made and confirmed as above provided for.

SEC. 12. After the assessment rolls shall have been fully and finally confirmed, as provided in the preceding section, it shall be the duty of the Controller to cause the amount of all taxes, in dollars and cents, authorized to be assessed and collected in each year, to be rateably assessed to each person named, or lots described, upon and according to the aggregate valuation such person and lots shall have been assessed in said assessment rolls or books prepared for that purpose, to be known as the tax rolls for each ward, in separate columns, showing the amount of highway, sewer, school and city taxes assessed to each person or lots in each year; and when said tax rolls shall have been completed, the Controller shall cause the same to be delivered to the City Treasurer, who shall give a receipt therefor and be charged therewith, and who shall retain the said tax rolls in his office until such day as shall be designated by the Common Council, but not exceeding sixty days in each year, and during which time any person assessed therein may pay the amount of taxes assessed against each person respectively to said Treasurer, who shall receive and give a receipt therefor, and mark the same "paid" upon the proper roll; and after the expiration of the time for the payment of taxes to the Treasurer, as aforesaid, the Treasurer shall then cause to be made out copies of the taxes remaining due and unpaid on such assessment rolls, for each ward, and warrants authorizing the collection thereof, together with such

percentage as shall have been fixed by the Common Council, as compensation for the collection of such taxes or assessments, and to be stated in such warrants, may be issued and annexed to each tax or assessment roll, signed by the Controller, and under the corporate seal of the corporation, directed to the proper ward collector of the city, as the case may be, and made returnable upon such day as shall have been designated by the Common Council, commanding them to collect from the persons named in their respective assessment rolls the assessment or taxes therein specified and set forth as due from such persons, and for such purpose, if necessary, to levy upon and sell the personal property of such person, occupant or lessee refusing or neglecting to pay the same, whenever and wherever the same may be found within the limits of said city, and to pay over and account for the taxes or assessments then collected, according to law. The Treasurer shall charge the amount of taxes remaining unpaid upon said rolls to the collector or collectors of said city, receiving the same respectively, and shall also take a receipt therefor. Warrants for the collection of taxes or assessments may be extended or renewed from time to time, as the Common Council shall direct.

SEC. 13. By virtue of said warrants, the several Collectors to whom they may be respectively directed, shall have power to levy upon the personal property of persons from whom taxes may be due, wherever and whenever the same may be found within the limits of said city, and shall sell the same in the same manner and with the same duties and powers of proceeding as now or hereafter may be provided by the laws of this State for the collection of State and county taxes by Township Treasurers or Collectors; and all moneys thus collected shall be paid over by the Collectors to the Treasurer of said city, at such times and under such regulations as shall be prescribed by the Common Council.

SEC. 14. Every assessment or tax lawfully levied or imposed by the authority of the Common Council on any lands, tenements, hereditaments or premises whatsoever in said city, shall be and remain a lien on such lands, tenements, hereditaments or premises, from the time of making such assessment or imposing such tax until paid; and the owner or occupants of, or parties in interest in said real estate shall be liable on demand to pay every such assessment or tax, and if there be default in paying the same or any part thereof, or if such person or persons be non-residents of said city, and goods and chattels can not be found out of which to collect such assessment or tax by levy and sale as herein before provided, it shall be lawful for said Common Council to cause a notice to be published in

the daily newspaper published by the printer for the city for four successive weeks, requiring the owners or occupants of or parties in interest in such lands, tenements, hereditaments or premises to pay such assessment or tax, and that, if default be made in making such payment, such real estate will be sold at public auction, at a day and place to be specified in said notice, for the lowest term of years at which any person shall offer to take the same, in consideration of advancing and paying such assessment or tax with the costs or charges in the premises.

SEC. 15. If the owners or occupants of or parties in interest in such real estate do not pay such assessment or taxes, with the costs and charges, within the period above prescribed for the publication of said notice, then the said Common Council shall have power, without any further notice, to cause such real estate to be sold at public auction for the lowest term of years at which any person shall offer to take the same, in consideration of advancing such assessment or taxes, with the costs and charges, and to direct the execution of a proper conveyance and certificate of such sale to the purchaser thereof; and if such real estate shall not redeemed within one year after such sale thereof, as hereinafter provided, the Controller shall, in the name and for the City of Detroit, execute and deliver to such purchaser or his assignee, a proper deed for the conveyance of such real estate, for the term for which the same was sold, which deed shall in all courts be *prima facie* evidence of the regularity of all the proceedings under which the sale was made and said deed was executed, up to the date of the deed; and any person who shall under such deed enter into any such real estate, and erect or place any building or building materials thereon, shall have the right at any time within three months after the expiration of said term, or in case he shall be ousted before the expiration of such term by any person claiming adversely to said deed, then within three months after the final judgment of ouster or ejection, to remove such building or building materials from said real estate.

SEC. 16. When any lands, tenements and hereditaments shall be sold according to the foregoing provisions for the payment of any assessment or tax, as aforesaid, if the owners or occupants of or parties in interest in the same shall within one year after such sale deposit with the Treasurer of said city, for the use of the purchaser, the full amount of the assessment or tax for which such real estate was sold, and such interest as the Common Council shall prescribe, as hereinafter authorized, together with the amount of the costs and charges, then the term for which such real estate was sold, shall cease and

be determined at the time of making such deposit, subject, however, to the right of the purchaser, his heirs, executors, administrators or assigns, to remove any building or building materials as herein before provided.

SEC. 17. Any person in possession of any real estate at the time any tax is to be collected, shall be liable to pay the tax imposed thereon, and in case any other person, by agreement or otherwise, ought to pay such tax or any other part thereof, the person in possession who shall pay the same, may recover the amount paid from the person who ought to have paid the same, in an action of assumpsit, as for moneys paid out and expended for his use and benefit.

SEC. 18. The Common Council shall have power to charge interest at a rate not exceeding fifteen per cent. per annum after the return of any assessment or tax, and twenty-five per cent. per annum, from the time of sale, on the amount of any assessment or tax, for the non-payment of which any lands, tenements or hereditaments may be sold, and upon the amount to be paid upon the redemption of any such real estate and premises so sold.

SEC. 19. Any person who shall at such sale purchase for a term of years any lots, grounds or wharves, shall have the right to remove any building or building materials erected or deposited by or belonging to him, and situated on said lots, grounds or wharves, at any time within three months after the expiration of the term or time for which the same were sold.

SEC. 20. The Controller, or in his absence the Mayor, may execute, in the name of the corporation and under its corporate seal, proper conveyances or certificates of sale of all lands, tenements or hereditaments sold for assessments or taxes, which, when duly acknowledged and attested by the City Clerk, may be recorded as other conveyances of land under the laws of this State.

SEC. 21. It shall be the duty of the Controller to bid in for the corporation at any sale of real estate for assessments or taxes every lot of land or premises, for which no person shall offer to bid, and if any purchaser shall refuse or neglect to pay the sum or sums bid by him within the time and under the regulations prescribed by the Common Council, such bid shall enure to the use and benefit of the corporation, if the Common Council so elect. Upon all such bids by the Controller and all bids enuring as aforesaid to the use and benefit of the corporation, conveyances and certificates of sale may be executed by the Controller to the corporation, acknowledged and attested by the City Clerk, and recorded in the same manner as above provided in other cases of sale for assessments or taxes.

SEC. 22. All conveyances, certificates of sale and leases of any lands, tenements or hereditaments, executed by the corporation or any of its officers by virtue of this act, shall be taken and received in all courts and proceedings as *prima facie* evidence of the regularity of the proceedings on which such conveyances, certificates of sale, lease, or any title claimed thereby, are founded.

CHAPTER X.

FIRE DEPARTMENT.

SEC. 1. The Common Council shall procure fire engines, hose, hooks, ladders and other apparatus and implements used for the extinguishment of fires, for each fire company, pay the expenses of keeping the same in necessary repair, have charge and control of the same, and provide fit and secure engine houses and other places for keeping and preserving the same, and purchase any real estate for the erection of engine houses.

SEC. 2. The Common Council shall have power to organize engine, hook, hose, ladder, axe and other fire companies, for the prevention and extinguishment of fires, and to dissolve or disband the same; to appoint a competent number of able inhabitants of the City of Detroit firemen, to take the care and management of engines, hose, ladders and other apparatus and implements used and provided for the prevention and extinguishment of fires; to prescribe the duties and powers of firemen and fire companies, make rules and regulations for their government, impose reasonable fines, penalties and forfeitures upon them for a violation of the same, and to remove them for incapacity, neglect of duty or misconduct.

SEC. 3. There shall be a Chief Engineer and two or more Assistant Engineers, who shall be appointed by the firemen with the consent and confirmation of the Common Council, and whose powers and duties shall be prescribed by said Council.

SEC. 4. The Mayor, members of the Common Council, Marshal and Deputy Marshals, by virtue of their offices, shall be Fire Wardens, and the Common Council may annually appoint one or more resident electors of each ward, Fire Wardens thereof, who shall hold office until removed, or their successors be appointed and qualified.

SEC. 5. Each fire company shall have power to appoint its own officers, make by-laws and regulations for its good government, not inconsistent with this act or the ordinances and regulations of the Common Council, and may impose and collect such fines for the non-attendance or neglect of duty of any of its members, as may be prescribed by the by-laws or regulations of said company; and it shall be the duty of each fire company, subject to the

control and regulations of the Common Council, to take the care and management of the fire engine, hose, hook, ladder and other fire apparatus and implements of such company, to keep the same in good and perfect repair, and upon any fire alarm or breaking out of any fire within said city, it shall be the duty of each member of a fire company forthwith to repair to the engine house of such company, and thence proceed, without delay, with its engine, hose or other fire apparatus and implements to the place of such fire, and there use the same and otherwise labor for the extinguishment of such fire, under the direction of the Chief Engineer or other officers present, who may be empowered by the Common Council to give orders and directions at a fire in relation to the extinguishment thereof.

SEC. 6. It shall also be the duty of each fire company to assemble once in each month, or as often as may be directed by the Common Council, for the purpose of working and examining its engine, hose or other fire apparatus and implements, and putting and keeping them in perfect order and repair.

SEC. 7. The Fire Wardens appointed for the several wards, shall have power, at all reasonable times, and it shall be their duty to enter into and examine all the dwelling-houses, out-houses, lots and yards in their respective wards; to ascertain how ashes are kept; to direct full obedience to all ordinances of the Common Council, relating to the prevention of fires, and to report to the Common Council all infractions thereof; and the Mayor, members of the Common Council, Marshal and Deputy Marshals, acting as Fire Wardens, shall have the same powers and perform the same duties within the limits of said city which the appointed Fire Wardens may have and perform within the limits of their respective wards.

SEC. 8. Every person, whilst serving as fireman, or who shall have served as fireman in said city for a term of five years, shall be exempted from serving as a juror and from doing militia duty, except in case of war, invasion or insurrection. A certificate of such service, under the seal of the corporation, signed by the Mayor and Clerk of the city, or as prescribed in the act incorporating "The Fire Department of the City of Detroit," approved February 14th, 1840, shall be, in all courts and places, evidence of such exemption. The Engineers, Assistant Engineers, Fire Wardens appointed for the several wards, and members of engine, hose, ladder and other fire companies lawfully organized shall be deemed firemen of said city within the meaning of this Section.

SEC. 9. The Mayor, any member of the Common Council, Engineer or Fire Warden may order all able-bodied persons present at

a fire to assist and labor in the extinguishment thereof and in the preservation of property, and may also order all persons present at a fire, not belonging to the Fire Department or not lawfully employed in its service or in the preservation and custody of property, to remove from the vicinity of such fire all property exposed by reason thereof.

SEC. 10. Whenever any person shall refuse to obey any lawful order of the Mayor, any member of the Common Council, Engineer or Fire Warden at any fire, it shall be lawful for the officer giving such order, to arrest, or to direct orally the Marshal, any Deputy Marshal, Constable, Policeman or any citizen to arrest such person and confine him temporarily, until such fire be extinguished; and such officers or any of them may arrest or direct the arrest and temporary confinement of any person at such fire who shall be intoxicated or disorderly.

SEC. 11. Upon the breaking out of any fire within said city, the Marshal, Deputy Marshal, Constables and appointed Fire Wardens shall immediately repair to the place of such fire with their staves, and aid and assist in extinguishing such fire, and in removing, securing, preserving and preventing from being stolen, any goods or other property exposed by reason of such fire, and shall in all respects be obedient to the lawful orders of the Mayor, any member of the Common Council or Engineer present.

SEC. 12. Engine, hose, hook, ladder and other fire companies, now organized within the City of Detroit, shall be continued in their organization until dissolved or disbanded, and the present firemen, fire engineers and fire wardens of said city are hereby continued in office until removed; but said companies, firemen and fire engineers shall in all respects be governed by this act in respect to their powers, duties, liabilities, term and tenure of office, and by the ordinances, rules and regulations of the Common Council made pursuant to the provisions of this act.

CHAPTER XI.

MISCELLANEOUS PROVISIONS.

SEC. 1. The corporation created by this act shall pay and discharge all the debts, obligations, contracts and liabilities of "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," and suits may be brought and prosecuted thereon, against said corporation, in law or equity, to the same effect as they could be brought and prosecuted against "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," if this act had not been passed.

SEC. 2. All property, real, personal and mixed and rights of property, in law or in equity,

and all debts, fines, penalties, forfeitures, rights and causes of action, and all rights and powers not inconsistent with the provisions of this act, which belong, have accrued, or may accrue, to "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," or to the inhabitants of the City of Detroit in their corporate capacity, shall be and the same are hereby declared to be fully and absolutely vested in the corporation created by this act, to be held subject to the provisions hereof, and may be prosecuted for and recovered or claimed, asserted and maintained by said corporation in its own name, or in any other lawful manner.

SEC. 3. All writs, prosecutions, actions, and causes of actions, now in suit, and instituted or commenced, by or against "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," shall continue and may be prosecuted to the end thereof, to the same effect as if this act had not been passed.

SEC. 4. The Mayor's Court of the City of Detroit, except as herein otherwise provided, shall continue with its powers and jurisdiction as if this act had not been passed, until the organization of the Recorder's Court under this act, and from and after such organization, its powers and jurisdiction shall cease.

SEC. 5. On the organization of the Recorder's Court, all books, records, recognizances and papers filed in or pertaining to the Mayor's Court of the City of Detroit, and all proceedings, commenced or cognizable therein, shall be removed and transferred to or commenced in said Recorder's Court, and proceeded with, in conformity with its powers and jurisdiction, to the same effect as if this act had not been passed.

SEC. 6. All causes of action, rights and liabilities of individuals of the State, and of bodies corporate, shall continue and remain, as if this act had not been passed, except of "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," whose act of incorporation is hereby repealed.

SEC. 7. This act shall not invalidate any legal act done by "The Mayor, Recorder, Aldermen and Freemen of the City of Detroit," or by the Common Council or any officer of said city, now or heretofore in office.

SEC. 8. All ordinances, by-laws, regulations, resolutions and rules of the Common Council of the City of Detroit, now in force, and not inconsistent with this act, shall remain in force until altered, amended or repealed by the Common Council, under this act, and after the same shall take effect.

SEC. 9. No person shall be an incompetent judge, justice of the peace, or other officer, witness or juror, by reason of his being an inhabitant or freeholder in the City of Detroit,

in any prosecution or proceeding in the Recorder's Court, in any action or proceeding in which the corporation shall be a party in interest, or in any judicial or other proceeding.

SEC. 10. The certificate of the Clerk, required by this act, specifying the day on which he may have presented any ordinance, resolution or proceeding to the Mayor, for his approval or disapproval, or a copy thereof certified by such Clerk under the seal of the corporation, shall, in all courts, places and proceedings be conclusive evidence of the facts therein stated.

SEC. 11. The record of any ordinance enacted, and of the time of its first publication, made by the Clerk, as required in this act, or a copy thereof, certified by such Clerk, under the seal of the corporation, shall be presumptive evidence in all courts, places and proceedings, of the due passage of such ordinance, of its having been duly published, and of the time of its first publication. Copies of all other records and papers duly filed in and pertaining to the office of the Clerk, certified by him under the seal of the corporation, shall be evidence in all courts and places, to the same effect as the originals would be if produced.

SEC. 12. Proof of the requisite publication of any ordinance, resolution or other proceeding required to be published in any newspaper by the affidavit of a printer or publisher thereof, taken before any officer authorized to administer oaths and take affidavits, and duly filed with the Clerk of the city, or any other competent proof, shall in all courts and places be conclusive evidence of the legal publication of such ordinance, resolution or other proceeding.

SEC. 13. All ordinances and by-laws of the Common Council, printed and published by their authority, shall in all courts, places and proceedings, be received without further proof as *prima facie* evidence thereof and of their legal enactment and publication.

SEC. 14. Any person required to take any oath or affirmation, or to make any affidavit or statement under oath or affirmation, under any provision of this act, who shall, under such oath or affirmation, in any such statement or affidavit, or otherwise, wilfully swear falsely as to any material matter, shall be guilty of perjury, and may be prosecuted therefor, and on conviction, punished, as in the case of perjury under the general laws of this State.

SEC. 15. This act shall be deemed a public act, and shall be construed benignly and favorably for any beneficial purpose therein intended.

SEC. 16. This act may at any time be altered or amended by the Legislature of this State.

CHAPTER XII.

SEC. 3. This act shall take effect immediately.

Approved February 5th, 1857.

APPENDIX.

AN ACT TO ENLARGE THE CITY OF DETROIT.

SEC. 1. *The People of the State of Michigan enact*, That from and after the passage of this act the following district of country shall constitute the City of Detroit, to wit: Beginning at the national boundary line in Detroit River on the continuation of the dividing line between private claims numbered 21 and 78, as confirmed by the Board of Land Commissioners of the United States; thence northerly along said dividing line to the southerly line of the Detroit, Monroe and Toledo Rail Road; thence north-easterly along said line to the present western boundary of the City of Detroit; thence northerly along said boundary to the north-western corner of said city; thence eastwardly along the present northerly boundary line of said city to the north-east corner of private claim number 14, known as the St. Aubin Farm; thence southerly along the line between said claim 14 and private claim number 91 to a point where the northerly line of Leland Street, when extended in a right line eastwardly from the said city, would intersect the line between said claims; thence eastwardly at right angles with the side lines of said claims to the easterly line of private claims number 9 and 454; thence southerly along the line between private claims number 9 and 454 and private claims number 11 and 453, being between the farms known as the McDougal and Chapoton Farms, to the northerly line of the Fort Gratiot Turnpike; thence north-easterly along said northerly line of said turnpike to the easterly line of private claim number 15; thence southerly along the easterly line of said claim number 15 to said national boundary line; thence westwardly along said national boundary to the place of beginning.

SEC. 2. So much of the above described district as lies below, or westward, of the present corporate limits of said city, shall constitute one ward, to be known and designated as the ninth ward of said city, and so much of said district as lies above, or eastward, of the present corporate limits of said city, shall constitute one ward, to be known and designated as the tenth ward of said city. And from and after the time above fixed for the taking effect of this act, the said district hereby annexed to said city shall be subject to all laws, ordinances and regulations which shall at any time be in force over the remainder of said city,

and shall cease to be subject to the regulations or government of any other township: *Provided*, That the Common Council of the City of Detroit may at any time alter or divide the said wards in the manner provided by the Charter of said city for the regulation or alteration of the several wards thereof.

SEC. 3. There shall be elected, at the next ensuing charter election to be held in said city, two persons in each of said wards to serve as Aldermen, one in each ward to serve one year, and one in each ward to serve for two years, and the time of service, for which each Alderman is elected, shall be designated on the ballots cast for such officers respectively; and such other ward officers shall be elected at such election, as are provided for the other wards of said city, and the terms of office of all such Aldermen and officers shall correspond with those of similar Aldermen and officers in such other wards.

SEC. 4. The Common Council of the City of Detroit may at any time before said charter election appoint the places for holding the same in the said ninth and tenth wards, and said election shall be conducted in like manner with those in the other wards of said city, except that, at eight o'clock in the forenoon of the day for holding said charter election, the electors of said wards present at the place of

holding the polls shall elect, *viva voce*, three of their own number to act as inspectors of said election, who shall be sworn, rightfully, to discharge the duties of such inspectors (which oath either of them may administer to the others), and who shall be the legal inspectors of said election, and said inspectors in each ward may appoint one or more electors of each of said wards to act as Constables at and about the polls of such wards during said election day.

SEC. 5. The Common Council may appoint any person to fill any office in either of said wards, which is provided for in the other wards of said city (except that of Alderman), and the officers so appointed shall continue to act, until their successors are elected at said charter election and are duly qualified, and no longer.

SEC. 6. This act shall take effect and be in force from and after its passage.

ERRATUM.

Chapter IV., Sec. 3.—Omit that part which reads: "The Counsellor shall be President of the Common Council, shall preside at all its meetings, preserve order therein, and enforce the by-laws and rules pertaining to the transaction of business."

Keeper, David Cady.

Office of Relieving Officer for Detroit, in the City Hall.

Director of Poor, L. B. Willard.

Wayne County Gaol.

Gaoler, E. V. Cicott, Sheriff Wayne County.

Turnkey, Peter Laderoot.

The Gaol is located at the junction of Fort Gratiot and Beaubien Streets, Detroit.

The Gaol is inadequate as a building, being neither sufficiently commodious or secure. The site should be at least two miles from the centre of the city, with extensive grounds at-tached, on which such of the prisoners, as circumstances would warrant, should be *made to work*. There should be a Police "Lock-up," somewhere near the centre of the city, or on Campus Martius, with a permanent nightly guard. It is matter of surprise why a new Gaol is not forthwith erected. The people of Wayne county should not hesitate to vote the necessary tax.

Board of County Auditors.

CUSTOM HOUSE.

On Dock, foot of Woodward Avenue.

Port Collector, Michael Shoemaker.

Deputy Collectors: D. B. Dodge, Henry Gordon (at foot of Third Street).

Clerks and Inspectors: Hollis F. Knapp, E. N. Lacroix, Thos. M. Cook, L. W. Tisdale, J. R. Thompson.

Inspectors: L. C. Bronson, David Esdale, jr., George Wiles, Robert Reaume, James Cullen, B. T. Campbell, Geo. Riddett, William Adair.

The names of the several Deputies at the subordinate ports of the District were not supplied by Mr. Collector Shoemaker, probably in consequence of the appointments of the District not having been completed.

Custom House Statistics.

The publication of the monthly totals in the Imports and Exports Departments of the Custom House would be very gratifying to the public generally, but especially so, as well as instructive, to the large body of merchants who have organized a Board of Trade, and would form an item of essential importance in the Annual Report of the Board, whose statistical data should be promptly systematized, so as to enable the Annual Report to embrace every possible inlet and outlet of commerce, relating, not only to the Port of Detroit, but to the other ports of the State. The Compiler would have been gratified in having it placed within his power to publish in this work a statistical report of so much value; and is only prevented doing so from the inability of the Board of Trade, at this

time, to supply any but a meagre and incomprehensive return. There seems to be wanting a cordial co-operation on the part of merchants, probably arising from the usual motives of *self-interest*, and *self-confidence*. A discreet gentleman, whom all parties might trust, and who might be regarded by each and all as a safe repository of confidence, might, for a moderate salary, acquire the knowledge of every hogshead, barrel, bushel, package, pound, and ounce of merchandise passing into and out of the State; and it is time to lay the foundation of such data for the Annual Trade Reports of Detroit, if "*Excelsior*" be an inspiring motto and adopted by its merchants.

ARRANGEMENTS FOR FOREIGN MAILS.

The single rate of letter postage, by the Collins, Bremen, Havre, or Cunard lines, to or from any point in the United States (except Oregon and California), for or from any point in Great Britain, is 24 cents—pre-payment optional. Newspapers, each two cents United States, and two cents British; each country to collect its own postage, whether the paper is sent from or received in the United States. [British newspapers usually come British pos-

tage paid by a penny stamp, equal to two cents.] They must be sent in narrow bands, open at the ends. Letters for the Continent of Europe, to pass through Great Britain, in the open mail, must be pre-paid 21 cents when the Atlantic conveyance is by United States packets, and 5 cents when by British packets, except from California or Oregon, when the sum to be pre-paid is, in the former instance 26 cents, and in the latter 10 cents. Thus, in the one case, the Atlantic sea postage is to be collected at the mailing office in the United States, and in the other left to be collected, together with the British transit and other foreign postage, at the office of delivery. Between Great Britain and Oregon and California, the single rate of letter postage is 29 cents.

Periodical works and pamphlets may be sent from the United States to the United Kingdom, and *vice versa*, at 2 cents of United States postage each, if they do not exceed two ounces in weight, and at 4 cents per ounce, or fraction of an ounce, when they exceed that weight; to be collected in all cases in the United States; and the same will be subject to an additional like charge in the United Kingdom. When sent to France, Algeria, or cities in Turkey, Syria, and Egypt, in which France has post-offices, *via* England, or to other foreign countries, without passing through the United Kingdom, they will be chargeable with 1 cent an ounce, or fraction of an ounce, United States postage—pre-payment required.

Single rate of letter postage to or from Bremen line, 10 cents — pre-payment optional. Newspapers, each 3 cents, being the United States and German postage—pre-payment required. Letters and newspapers to other parts of the Continent may also go by this line, subject to various rates; for which see foreign postage table.

Single rate of letter postage to or from France, by the Havre line 20 cents, to be pre-paid on letters sent, and collected on letters received. Newspapers, 2 cents each, to be collected in the United States, whether the paper is sent or received.

Single rate of letter postage by the Prussian closed mail, to Prussia, Austria, and all the other German States, 30 cents, being the full postage—pre-payment optional. Newspapers, 6 cents each, being also the full postage—pre-payment required. This mail is sent by every steamer, being landed at Liverpool by the Collins, and at Southampton by the Bremen and Havre lines.

The system of registration of valuable letters, adopted by the United States, has been extended to correspondence with G. Britain, Prussia, Bremen, and Canada. Letters addressed to either of those countries will be registered on the application of the person posting the same, in the same manner and on

the same terms as those deliverable in the United States, provided that the full postage chargeable to destination, together with a registration fee of five cents on each letter is pre-paid at the mailing office.

All letters to and from foreign countries (the British North American Provinces excepted) are to be charged with single rate of postage, if not exceeding the weight of half an ounce; double rate, if exceeding half an ounce, but not exceeding an ounce; quadruple rate, if exceeding an ounce, but not exceeding two ounces, and so on, charging two rates for every ounce or fractional part of an ounce over the first ounce. As this rule differs from that followed in respect to domestic letters, great care is requisite to prevent mistakes. Postmasters should be careful, also, where the postage is pre-paid, to collect the proper amount.

The mails for the Pacific leave New York on the 5th and 20th, Charleston and Savannah on the 4th and 19th, and New Orleans on the 5th and 20th of each month.

Mails for Mexico will be dispatched tri-monthly by the New Orleans and Vera Cruz United States Steamship lines. United States letter postage, 10 cents under 2,500 and 20 cts. over 2,500 miles from the mailing office; to be pre-paid when sent from and collected when received in the United States. Newspapers, 2 cents each, to be collected in the United States, as above.

Single rate of letter postage to Havana and the British West Indies, 10 cents under 2,500 and 20 cents over 2,500 miles. Newspapers, 2 cents.

Single rate of letter postage to West Indies (not British), Carthagenia, Honduras and San Juan (Nicaragua), 34 cents under 2,500 and 44 cents over 2,500 miles. Newspapers, 6 cts. each—pre-payment required.

A Watchman is stationed in the spire of the Presbyterian Church, on State street, to give alarm of fire.

The total effective Fire Brigade of the City of Detroit consists of about 600 men.

Except the Chief Engineer, the services of the Department are given gratuitously. The Brigade is in effective discipline—creditable alike to themselves and to Detroit.

Firemen's Benevolent Society.

This Society has for its object the consolidation of a fund to be applied to the relief of impaired and disabled members, either in the form of loans or gratuity. The financial state of the Society is not, *at present*, in a very flourishing condition. There is no By-Law of the Society forbidding the acceptance of donations from wealthy citizens, who, valuing the zeal and services of the Fire Department in emergencies, may be induced to contribute to a fund having in view objects so laudable.

A Library, for the use of the Department, might be, within a few years, accumulated in Firemen's Hall, and a competent and deserving member appointed to its charge, at an annual salary.

OFFICERS FOR 1857 AND 1858.

President, Robert T. Elliott.

Secretary, Benjamin Vernor.

Treasurer, Alexander Paton.

Cost of the Fire Department.

The total cost of our Fire Department for the last fiscal year was \$17,691.39; showing an increase over 1856 of \$10,495.51, of which amount \$7,820.16 was expended for building engine houses and extra work on the same, and \$2,107 for hose, making an increase in the ordinary expenditures of nearly \$3,000.

Mr. Peltier, City Controller, in his Report on this item of Municipal Expense, premises that,

"The expenditures connected with the Fire Department will be materially increased, owing partially to the extension of our city limits but more particularly on account of the necessity of building engine houses for the

accommodation of our firemen, and the protection of our fire engines, and in view of the fact that the services of the firemen are given freely and without compensation, and of the magnitude of the interests their organization is intended to protect, it would seem but an act of justice on the part of the city government to meet all their reasonable demands with a corresponding liberality."

The following are the different items of expenditure for 1856 and 1857:

Repairing fire engines	\$ 695 75
Wood and sawing	346 38
Night watch	982 00
Fire alarms	32 00
Reservoirs	1,094 13
Printing	4 50
Care of fire hose	688 65
Gas in engine houses	189 53
Repairing engine houses	478 66
Making fires in engine houses	40 00
Hauling engines to fires	95 00
Supplies to engines	296 57
Insurance on engine houses	33 88
Hose carts and repairs	557 00
Fire hose	2,107 85
Repairing fire hose	218 73
Watching fires	46 50
Plans and specifications	115 00
Carriage hire for committees	5 00
Purchase and interest of lot adjoining Wash- ington market	1,344 00
Salary of Chief Engineer	500 00
Building engine houses	7,820 16

Four new companies have been recently added to the brigade, which now numbers an effective organization of about 700 men. The brigade reflects credit upon the laws and regulations of its organization, as also upon the discrimination exercised by the members of companies in making their annual election of officers. The moral deportment of the companies respectively is honorable, alike to their respective organizations and the City of Detroit. To be a well conducted fireman should be an admitted passport to public respect.

It is pleasurable to notice the City Government regarding the fire brigade with so substantial marks of its favor. The liberal appropriations made from time to time by the Common Council for the erection and appointment of Engine Houses is gratifying to citizens generally. The lately erected houses for Nos. 2, 4, 8, and 10, are extremely handsome buildings, and are objects of admiration to citizens and strangers.

THE LIBRARY is on the third floor of Young Men's Hall. The rooms are too small and very illly adapted, but the Society is determined to build a new house at no remote period, when a Library will be constructed which will be regarded, the public may be assured, as commensurate in magnitude, adaptation and elegance, with our progressive age.

The cases are at present well stocked with select Historical, Poetical, Scientific and Miscellaneous works, including the current Periodical Literature. The doors are open from 11 A. M. till 12½ P. M., and from 3 P. M. till 5½ P. M., and from 7 P. M. till 9 P. M., on week days.

Number of Volumes in Library exceeds 3,000.

Terms of Membership: Two Dollars Initiation, and Two Dollars Annual Subscription.

The Society realized on the several courses of Lectures during the year 1856-7, a net

profit of \$315. There are 358 members, and the Society yet owe a debt of \$7,700. The sale of the Society's interest in the present Hall would realize a considerable sum to erect a more suitable building.

LADIES' PROTESTANT ORPHAN ASSOCIATION OF DETROIT.

Incorporated March 21, 1837.

The Asylum building is situated east end of Jefferson Ave., in the neighborhood of Elmwood Cemetery.

Board of Directors.

First Directress, Mrs. John Winder.
Second Directress, Mrs. John Roberts.
Third Directress, Mrs. O. C. Thompson.
Secretary, Mrs. E. M. Clark.
Treasurer, Mrs. Solomon Davis.

Counselors.

S. N. Kendrick, E. B. Ward, U. Tracy Howe,
B. Vernor, S. Zug, Levi Bishop.

The object of the Association is the maintenance and education of destitute orphan children, principally such as have lost both parents—one of the parents having been a resident of Detroit at the time of his or her death. The Managers have the power to extend the benefits of the institution to other orphan children at their discretion. No child is admitted into the Asylum until it has attained its second year (though the Managers may, at their discretion, extend aid to such as are younger), nor continue in it after the completion of its twelfth year.

DETROIT BIBLE COMMITTEE.

President, Charles C. Trowbridge.
Vice-President, John Owen.
Secretary, Francis Raymond.
Treasurer, Jacob S. Farrand.

STATE ASYLUM FOR THE INSANE.

Trustees for 1857.

James P. Woodbury, Kalamazoo, 2 years.
Chas. T. Gorham, Marshall, 4 years.
Henry Montague, Kalamazoo, 6 years.
Medical Superintendent and Principal, John A. Gray.

The building consists of a centre and six wings. It has a front of 700 feet, and with the two end wings, which are at right angles with the others, has an entire length of about 1,000 feet—the whole being designed to accommodate 250 patients. The building is fire-proof, and embraces many improvements from experiences of other similar establishments. The style adopted for the architectural details is Italian. It is plain, but unique in character, and sufficiently relieved by agreeable detail to please the eye and excite cheerful sentiments. The site is about one mile removed from the handsome city of Kalamazoo, about midway between Detroit and Chicago. The Asylum ground includes 176 acres, suitably timbered, of a picturesque character, and desirably diversified with a rapid stream of water. The Asylum is lighted with gas, manufactured on the premises in a detached building. The cost of the building and furnishing approaches \$250,000.

The salary of the Superintendent is rated at \$2,000 per annum; which seems moderate for services so onerous, and demanding comprehensive experience and superior ability in their successful discharge.

The last census of the State reveals the existence of 426 insane persons within its limits. There are reasons for believing the number exceeds that amount.

ASYLUM FOR THE DEAF, DUMB AND BLIND.

Trustees for 1857.

John P. LeRoy, Oakland, 2 years.
Benjamin Pierson, Flint, 4 years.
James B. Walker, Flint, 6 years.

Officers of the Asylum.

Principal, B. M. Fay.
Matron, Mrs. B. M. Fay.
Teacher, W. L. M. Breg.

The last census of Michigan reveals the unhappy fact that there were two hundred and six deaf and dumb, and one hundred and seventy-six blind persons in the State. The actual number is supposed not to have been fully ascertained.

The building is expected to accommodate from three hundred to three hundred and fifty pupils. It covers 200 feet in width by 240 in depth, and 56 high. The cost is estimated at \$100,000. The height of the first story is 14 feet; the second, 13 feet; the third 14½ feet. The highest point of the cupola is 85 feet above the ground at the base of the building. This elegant State Building is erected from the designs of A. H. Jordan, Esq., of Detroit. Views of this, and other State buildings, are intended to be inserted in future editions of the DIRECTORY.

There were seventy-five pupils in this Asylum in January, 1857, fifty-five of whom were deaf and dumb, and seventeen blind. The Institution is free to the deaf and dumb of suitable age and character throughout the State of Michigan.

Its location is pleasantly situated, adjoining the thriving city of Flint, in the county of Genesee, through which will pass the Port Huron and Lake Michigan Railroad, and is approached by the Detroit and Milwaukee Railway.

The Institution has been in operation since February, 1854.

For terms and instructions relative to the admission of pupils, application should be made to the Principal, at Flint.

MICHIGAN STATE HOSPITAL.

A superb building for a State Hospital will shortly be erected at Detroit.

MICHIGAN MARINE HOSPITAL.

This superb home for old and disabled seamen is in progress of completion, on a lot of ground comprising eight acres, situated just above the city. The ground cost \$23,000. The building is estimated to cost \$100,000. It is fire-proof; all the floors are arched, the joists are of iron, as also the roof; the building to be enclosed with an ornamental iron verandah. The erection of the building is under the able superintendence of A. H. Jordan, Esq., Architect, of Detroit.

STATE AGRICULTURAL SOCIETY.

The Agricultural College

Is located on a model farm of 677 acres, in the vicinity of Lansing.

Officers for 1857.

President, Jas. Bayley, Troy, Oakland Co.
Secretary, J. C. Holmes, Lansing.
Treasurer, Benjamin Follett, Ypsilanti.

MICHIGAN STATE PRISON.

This establishment is located at Jackson, a populous and busy central town in the county of Jackson, 75 miles from Detroit on the line of the Michigan Central Railway, and about 32 miles from the Capital.

Extensive manufactures are carried on within the Prison by capitalists who hire the labor of the prisoners from the State. The various branches of manufacturing would properly appear under the heads of *advertising*.

The Prison building is plain and somewhat time-worn, notwithstanding recent improvements and additions, and must, before many years, give way to a new and substantial edifice, and one more ornamental to Jackson.

JUVENILE PENITENTIARY.

Located at Lansing, 110 miles N. W. from Detroit.

Officers for 1857.

Superintendent, T. Foster.
Deputy Superintendent, G. W. Brown.
Physician, H. B. Shank, M. D.
Teacher, Geo. Lathrop.
Steward, C. B. Seymour.

Vice-President, Wm. S. Bond.
Recording Secretary, Lem. S. Martin.
Corresponding Secretary, M. Dempsey.
Financial Secretary, F. D. Ross.
Treasurer, Henry Schmitt.
Door-Keeper, Alfred Raynor.
Board of Directors: L. H. Ensign, Chairman; Ed. B. Davis, J. Collins, R. Greeve, H. Ulrich.

The Union now numbers about 80 members, and is in a flourishing condition.

CAPITAL OF MICHIGAN.

The Houses of the Legislature, and the offices of the State Departments, are established at Lansing, in the county of Ingham, 110 miles north-west from Detroit. Population 2,500.

There are daily mail Stage Coaches to Lansing from Detroit. Office at Andrew's Railroad Hotel.

This site was selected in the year 1847, by the Legislature as the most central point at which to erect the Capitol. It is now an interesting and inviting village for business settlement, surrounded as it is by a good farming country.

Detroit is the capital of Michigan—regarded numerically as respects population—commercially, as respects its great centralized trade, and from its inevitably secure, and unrivaled privileges of transport in direct intercommunication with the seaboard by land and water.

The Juvenile Penitentiary is located here, and within a radius of ten miles a State Agricultural College, upon a model farm of 677 acres.

CHURCHES OF DETROIT.

It has been said with truth, that where you find fine Churches, there you find a thriving city. This is particularly true with regard to Detroit. No city in America can boast of Churches which can surpass our own in the beauty of their architecture, style, and execution. They are the admiration of all who behold them; and the stranger who visits us for the first time is impressed with the belief that the prosperity of Detroit is as infallible as are the solid foundations of its beautiful Churches.

St. Paul's Episcopal Church, situated on the corner of Congress and Shelby Streets, was finished in December, 1852. It is a fine specimen of early English Gothic Architecture, built of stone, having tower and spire on the south-west angle, extending to the height of 175 feet.

The *Mariner's Church*, also Episcopalian, situated on the corner of Woodward Avenue and Woodbridge Street, is of stone also, and built in the castellated Gothic style.

The *Fort-Street Presbyterian Church*, situated on the corner of Fort and Third Streets, is also of stone, built in the early decorated style of Gothic Architecture—having tower and spire in the north-west corner, rising to the height of 225 feet; lantern tower on the north-east corner, 95 feet high, and a square tower over the front gable. The pinnacles, tracery and detail throughout are all of stone; and the building itself is a complete triumph of the art of Architecture. It is built from the design of A. H. Jordan, Esq., of Detroit, and was completed in 1855.

The *Jefferson-Avenue Presbyterian Church* is of brick, and will be finished with mastic, in imitation of freestone; is built in the perpendicular style of Gothic Architecture. The interior of this Church has been greatly admired by all who have seen it. The ceiling is groined; the arches of aisles and naves springing from clustered columns have plated capitals. The ceilings are interlaced with rich tracery, having heavily foliated bosses on the intersecting of the mouldings. The walls of the

nave are pierced with triplet windows, lighted from skylights in the roof, producing a rich and pleasing effect. The exterior when completed, will correspond with the interior. This building was erected in 1855, and is also from the designs of A. H. Jordan, Esq.

The *Presbyterian Church*, situated on the corner of State and Farmer Streets, is in the Roman style of Architecture. It has a tower and spire rising to the height of 235 feet on the south-west corner, and a smaller tower on the south-east corner; the windows are circular throughout; the roof finished with a heavy projecting cornice; the walls divided by pilasters into panels. The interior is very rich in design and finish. The arrangement of the pulpit, and finish of the organ front, are quite novel and pleasing. This building is also from the designs of A. H. Jordan, Esq., and was completed in 1855.

The *Congregational Church*, on Fort Street, is also Roman, and is a fine specimen of that style of Architecture. It is entirely finished in imitation of brown freestone. The tower and spire are 210 feet high. The interior finishing is very elaborate. The ceiling is deeply pannelled and heavily enriched. The coloring is soft, pleasing, and very harmonious. It was dedicated in 1854, and built from the designs of A. H. Jordan, Esq.

The *Unitarian Church*, on Lafayette Street, erected in 1853, from the designs of Messrs. Lum & Ford, is a very beautiful specimen of Grecian Architecture. The columns of the portico are fluted and have Ionic capitals. The interior is well arranged, and the finish in exceeding good taste.

The *Methodist Churches*, on Woodward Ave. and on Randolph Street, and the *Baptist Church* on Fort Street, are also fine and handsome structures.

The *Catholic Cathedral*, on Jefferson Ave., is a large structure in the Roman style, at present unfinished.

St. Ann's Church (Catholic), in Larned St., is the oldest house of worship in Detroit. There is also a new Catholic Church, erected during the last year, in the Eighth Ward, which is a good commodious building.

There are numerous other Churches throughout the city, having no especial claims to notice for architectural beauty.

CATHOLIC SOCIETIES, SCHOOLS, &c.

[The following memoranda was obligingly supplied by Doctor Hassett, Editor of the *Catholic Vindicator*. Mr. Martin Halpin furnished the list of the Officers of THE GUILD.

Catholic Guild of Detroit.

This association was established in July, 1850, and is under the patronage of SS. Peter and Paul, Apostles. It is governed by a Chaplain (appointed by the Bishop of the Diocese), a Warden, Bursar, Sub-Bursar, Secretary, and Council. The Guild is in a most flourishing condition, and produces, both in a

spiritual and temporal point of view, all the advantages which were expected from it. With it is connected a *Juvenile Guild*, under the patronage of the Holy Family, having its separate constitution and officers, for youths from twelve to twenty years of age; at which age, if in good standing, they can pass into the Senior Guild, and there, immediately, and without any other formality, be invested as regular members.

OFFICERS OF THE GUILD.

Bursar, Rt. Rev. Bishop Lefevre.

Warden, Martin Halpin.

Sub-Bursar, James Leddy.

Secretary, John Walsh.

Sacristan, Francis Layden.

Sisters of Notre Dame.

These Sisters have charge of the female department in the school attached to St. Mary's Church. Number of scholars, 180. They have also under their charge an Orphan Asylum for girls of St. Mary's congregation, in which there are a considerable number of orphans.

St. Vincent's Select School for Girls, and Female Orphan Asylum.

This school is conducted by the Sisters of the Community at Emmittsburg. In this school all the branches of a plain and useful education are taught, and the moral and the religious education of the scholars is particularly attended to. In addition, these Sisters have under their charge an Orphan Asylum for girls; and teach another school consisting of a large number of poor children. Instruction is attended to on every Wednesday afternoon, and one hour before high mass on Sundays, and also one hour before vespers.

St. Mary's Hospital.

The Sisters of Charity also extend their benevolence to the sufferers of afflicted humanity, and keep an asylum under the name of St. Mary's Hospital, situated 89 Clinton St., where numbers of patients are daily receiving the advantages of their benevolence. The building is built of brick, three and a half stories high, besides the basement, and measures 87 feet in length by 54 in breadth. It is an eligible location, with spacious grounds attached, and has ample accommodations for over one hundred patients. The Common Council devote a sum *pro rata* to this institution to defray the expenses of the pauper patients.

Ladies of the Sacred Heart.

This institution combines, in its plan of education, together with the benefits of christian instruction, every advantage that can be derived from a punctual and conscientious care bestowed upon the pupils, in every branch of science suitable to their sex. The strictest attention is given to form, as well the manners as the principles of the young ladies, and to train them up to habits of order, neatness, and industry.

The health of the pupils is the object of constant solicitude. In sickness, they are affectionately attended to; and they are at all times under the immediate superintendence of the Ladies.

Brothers of the Christian Schools.

There are at present nine Brothers in Detroit who attend four schools in the basement of St. Ann's, where probably 400 children receive daily instruction; and also two schools attached to St. Mary's Church, where there may be 350 scholars.

BOARD OF REGENTS FOR 1857.

President of the Board and Chancellor of the University, Rev. Henry P. Tappan.

Regents: 1st District, Hon. Michael A. Patterson; 2d District, Hon. Edward S. Moore; 3d District, Hon. Elon Farnsworth; 4th District, Hon. James Kingsley; 5th District, Hon. E. Lakin Brown; 6th District, Hon. Chas. H. Palmer; 7th District, Hon. H. H. Northrup; 8th District, Hon. Wm. Upjohn.

This Board remain in office until the first of January, 1858, when the following new Board organizes, viz.:

1st District, Hon. Benj. L. Baxter; 2d District, Hon. J. Eastman Johnson; 3d District, Hon. Levi Bishop; 4th District, Hon. Donald Macintyre; 5th District, Hon. E. Lakin Brown; 6th District, Hon. Geo. W. Peck; 7th District, Hon. Luke N. Parsons; 8th District, Hon. John VanVleek.

Secretary, John L. Tappan.

Treasurer, John M. Chase.

Steward, Joseph H. Vance.

Board of Visitors: Hon. John D. Pierce, J. P. Christiancy, H. C. Knight.

Superintendent State Public Instruction, Hon. Ira Mayhew.

Librarian, John L. Tappan, M. A.

The Board of Regents would not make an injudicious appropriation, if, regarding the DETROIT CITY DIRECTORY as a work of more accessible general public reference than the Annual Report of the University can, under any circumstances, be expected to be, they allocated a reasonable patronage towards the DIRECTORY, the publisher of which could then afford to reprint from the University Annual Report several pages of highly interesting particulars, and of decided benefit to the Institution itself as well as to the public, to have promulgated as extensively as possible.

The courses are Intellectual and Moral Philosophy, Mathematics, Physiology, Botany, and Zoology, Chemistry, Medical Jurisprudence, Geology and Mineralogy, Modern Languages and Literature, Surgery, Greek, Hebrew and Latin Languages, and English Literature, the Fine Arts, Engineering, Anatomy, Astronomy, Theoretical and Practical Agriculture, &c.

Albion Female Collegiate Institute.

Located at Albion, Michigan.

State Normal School.

The State Normal School, located at Ypsilanti, and opened in 1852, during the year which closed July, 1855, had three hundred and forty-six students in attendance, two hundred and fourteen of whom were ladies, and one hundred and thirty-two gentlemen. Of this number, eleven (four ladies and seven gentlemen) graduated. A large additional number, who have not completed their course, have been engaged a portion of the time in teaching.

There were, during the past year, seventy-four pupils, of whom thirty-four were boys and forty girls, attending the Model School. In this school the members of the senior class of the Normal School were engaged a portion of each day as teachers, largely to their advantage.

During the Academic Year of the Normal School which closed in July, 1856, there were in attendance two hundred and fifty-three students, of whom one hundred and fifty were males, and one hundred and three females; and of this number six ladies and five gentlemen graduated.

The Compiler would find it useful in making reference to the Institution, to have its Annual Report to quote from. No such report has been received at any time.

For terms, &c., the public may apply at the Institution.

The following Schools have the benefit of incorporation under special enactment of the Legislature:

Michigan and Huron Institute, Tecumseh Academy, Trustees of Grand River Theological Seminary, Grass Lake Seminary, Marshall College, Marshall Female Seminary, Owasso Literary Institute, The Vermontville Academical Association, White Pigeon Academy, Raisin Institute, Howell Academy, Leoni Theological Institute, St. Philips' College, Allegan Academy, Grand Rapids Academy, Utica Female Seminary, Ann Arbor Female Seminary, Ypsilanti Seminary, Adrian Seminary, Clinton Institute, Leoni Seminary, Olivet Institute, Woodstock Manual Labor Institute, Oakland Female Seminary, Tecumseh Literary Institute, Clarkston Academical Institute, Young Ladies' Seminary of Monroe, St. Mark's College, St. Mary's Academy.

Detroit Primary and Union Schools.

First Ward School, south side Abbott Street, between First and Second Streets.

Second Ward School, west side of Bates St., between Larned and Congress Streets.

Third Ward School, Monroe Avenue, basement German Church.

Fourth Ward School, Fort Street East.

Fifth Ward School, Elizabeth Street, between Grand River and Clifford Streets.

Sixth Ward School, east side Miami Avenue, between Circus and John R. Streets.

Seventh Ward School (Union), south side Second Street, between Sixth and Seventh Streets.

Eighth Ward School (Union), south side Abbott Street, between Sixth and Seventh Streets.

Ninth Ward School (site of intended Union School)—building yet undecided.

Tenth Ward School (site of intended Union School)—building yet undecided.

Union School, Park, between Rowland and Griswold Streets.

These Schools are periodically examined by the Board of School Inspectors. There are numerous other Schools throughout the city, which are generally called 'private' and 'select,' but they are much too many to obtain in the DIRECTORY AND GAZETTEER OF MICHIGAN special notice, except in the form of a paid advertisement.

The system of State instruction seems to be fully and generally appreciated, not only in Detroit, but throughout the remote townships of the State.

The average number of pupils in attendance during the school terms, in nearly 5,000.

The public, it is presumed, are informed of the commencement of terms, as well as of vacations, through the medium of the daily newspapers, and, therefore, it is not necessary they should be noted here.

There are probably 200,000 children in attendance at the schools of the State. The blessings of so extensive a field of public instruction throughout the State, can not be too highly appreciated.

Extracts from the Reports of the Detroit Board are subjoined.

Fifteenth Annual Report of the Board of Education of the City of Detroit.

The Annual Report of the Board of Education required by law, covering a statement of the receipts and expenditures for the year ending January 1st, 1857, is respectfully submitted.

The following Schools of the various grades are now in operation, under the charge of the

Board, and have exhibited for the past year a general improvement in their condition and facilities for instruction.

Three Union Schools, each of which under a system which has proved exceedingly beneficial, is graded into primary, intermediate, middle, and upper departments, as follows:

In the Capitol School—four primary (including one on George Street), one intermediate, one middle, and one upper; with 1,175 scholars.

In the Barstow School—two primary, two intermediate, one middle, and one upper; 750 scholars.

In the Eighth Ward School—four primary, (including one on Lafayette Street and one on Abbott Street), two intermediate, one middle, and one upper; with 1,200 scholars.

Also, one Middle School (in Sixth Ward), and six intermediate and primary schools in its vicinity, in connection with it, and graded on the Union plan; 578 scholars.

In addition to these, there is one colored school, with primary and intermediate departments, in the Fourth Ward; attended by 120 scholars.

Total, twenty-nine schools, with forty-two teachers—seven males and thirty-five females—with an attendance of 3,823 scholars—a number much larger than can be comfortably seated in the buildings now in the occupancy of the Board, while there is a constantly increasing demand for enlarged facilities to meet the wants of hundreds of pressing applicants for admission into our crowded school rooms. In the Fifth, Sixth, and Eighth Wards, the necessity for additional school buildings has long been apparent, and the recent enlargement of the city, by the addition of the new Ninth and Tenth Wards, will materially increase our educational requirements.

It is hoped that the additional means recently furnished by the enlightened liberality of the Legislature, in the enactment empowering the Common Council to levy and collect a tax not exceeding \$20,000 in any one year, to be expended in the purchase of lots, and in paying for lots already purchased, and in the erection of buildings for the use of our public schools, will enable the Board of Education, at no distant period, to establish free schools wherever the public welfare demands.

The several branches of education pursued in the Schools have been, Spelling, Reading, Writing, Geography, Grammar, Arithmetic, Algebra, Geometry, Trigonometry, Natural Philosophy, Chemistry, Astronomy, History, Political Economy, Book-keeping and Drawing, with the addition of weekly exercises in Composition and Declamation in the more advanced classes.

The receipts and disbursements of the Board, as exhibited by the books of the Secretary

 Lowell Lodge, No. 90, at Lowell.
 Prairie Lodge, No. 92, at Galesburg.
 Star Lodge, No. 93, at Jefferson.

INDEPENDENT ORDER OF ODD FELLOWS.

The New Odd Fellows' Hall is located on Campus Martius.

There are some interesting statistics in the Annual Report of the proceedings of the Grand Lodge I. O. O. F. The Compiler notices one very satisfactory matter amongst other things, that the seventy-six Lodges within the State, produced a revenue ranging from seven dollars to nearly one thousand dollars, respectively, of \$10,129.48, during the year 1856. The Lodge subscribing the largest sum is Michigan Lodge, No. 1, Detroit, \$984.03. Of the \$10,129.48, the four Detroit Lodges subscribe \$3,140.13. The remainder foots up to the credit of the seventy-two other Lodges scattered throughout the State, six of which, viz., Peninsula, No. 1, Byron, No. 43, Phoenix, No. 70, Rural, No. 72, Morenci, No. 73, and Buchanan, No. 75, exceed \$300 each, in annual revenue. There were, throughout the State, 272 initiations during 1856.

Odd Fellows in the United States.

The Odd Fellows in the United States number 3,397 Lodges, with 193,614 members. They expended, in the year ending with June, nearly half a million for the relief of members and their families, and the education of orphans. Their total receipts being \$139,325. The Encampment, a branch of the Order numbering 23,746 members, received \$196,868, and expended for relief \$30,693.

STATE MILITIA.

[It is very much the reverse of a prudent economy on the part of the State to refuse a generous patronage to any Statistical Work of the character of this ANNUAL DIRECTORY. How very much to be desired by the commonwealth of Michigan, as well as by the traveling and transient sojourning portions of community, that they should find in this *Historical Index of State Officers and Institutions* the unabridged Reports of the respective State and other departments! In the Report of Adjutant-General Curtenius the Public would peruse with pleasure and advantage an able statistical and suggestive document on the Michigan State Militia; which is abridged by the Publisher solely on the ground of his inability, in such instances, to sustain the heavy expenses of publishing such Reports connected with the State Departments, without some corresponding patronage from such sources. The DIRECTORY, as a *more permanently-enduring* medium than the newspaper, and with other apparent advantages, as an annual compilation of multitudes of facts and matters of general interest should always be graciously received into the patronage of the Departments of State—from whom orders for several hundred copies of the work should be annually received, but which has hitherto steadily, but universally and with niggardliness, been refused.]

CITY CONTROLLER'S REPORT.**Report of 1856.**

There are seventy-five statements of separate accounts annexed to the subjoined Report of Mr. Controller Peltier, presenting conclusive evidence that his situation is no sinecure, but, on the contrary, one of magnitude, even as an accountant, and viewed independently of the various verbal communications perpetually devolving upon him. The Controller's services on Special Committees of the Council enhance his official labors considerably.

The seventy-five separate Statements of account, relate to so many separate Funds—the debit and credit state of which must be kept with that attention and scrutiny which are characteristics of the present incumbent.

To give these seventy-five separate accounts an insertion in the DIRECTORY, would require about 38 pages of closely and expensively printed matter, and would be a charge to the city for such work, beyond, probably, what the Council would feel disposed to approve; although, in no other form than the DIRECTORY, could the Report be printed with a view to the permanent advantages to the public, afforded by the generally available reference to its pages which this work presents; and it is to be hoped the Council will, in future, recognize the wisdom of having such Annual Report of its financial transactions—now of such great importance in their examination by every tax-payer—printed in the ANNUAL DIRECTORY of the City.

ANNUAL REPORT OF THE CONTROLLER OF THE CITY OF DETROIT.

CONTROLLER'S OFFICE, }
City of Detroit, March 24, 1857. }

To the Hon. Common Council:

The 24th Section of Chapter VIII. of the Revised Charter provides as follows:

Sec. 24. The Common Council shall determine the fiscal year, and within one month after the end thereof, the Controller shall render to the Common Council a full, complete and detailed statement, with tabular lists of all moneys received and expended by the corporation for the preceding fiscal year, showing on what account they were received and expended, to what Funds they were credited, and out of what Funds they were paid, and classifying each receipt and expenditure under its appropriate head. In such statement he shall also give, by tabular lists, and otherwise, such general information as may be necessary for an understanding of the pecuniary resources and liabilities of said city, and of the condition of each Fund, and make such recommendations concerning the same as the interests of said city may require.—The Common Council shall cause said Statement to be published in the daily newspaper published by the printer for said city, and in such other newspaper or newspapers as the Common Council shall direct.

In compliance with this provision, I beg leave to submit the annexed Report, which is intended to embrace the financial operations of the City Government for the year commencing on the first day of March, 1856, and terminating on the first day of March, 1857:

LIABILITIES.

Statement No. 1 shows the amount of our Funded Debt on the 1st inst., to be, exclusive of the Bonds held by the Commissioners of the Sinking Fund.....	\$298,683 93
Add to this old Warrants issued prior to May 16, 1850.....	1,129 96
Add unpaid Claims allowed prior to March 1, 1856.....	15 83
Add unpaid Claims allowed prior to March 1, 1857.....	2,226 65
	<u>\$302,056 55</u>
Deduct Bonds and Mortgages held by Commissioners of the Sinking Fund.....	\$6,037 50
Also, amount standing to the credit of the Sinking Fund.....	4,846 02
Also, Sewer balance.....	1,970 61
	<u>\$12,804 13</u>
Amount unprovided for.....	\$289,252 52
The liabilities on the 1st of March last were.....	10,879 06
	<u>\$21,626 57</u>
Difference as compared with this year.....	\$21,626 57
The amount of the funded debt on the 1st of March, 1856.....	309,536 18
Add discrepancy between Register and Bond No. 48.....	74
Add this amount paid on consolidation of Bonds.....	3 52
Bonds issued June 2d, 1857.....	10,000 00
	<u>\$319,440 44</u>
Amount of Bonds redeemed by issues of new Bonds.....	\$10,000 00
Amount of Bonds redeemed through the Sinking Fund.....	10,786 51
	<u>\$20,786 51</u>
Balance of Funded Debt.....	\$298,683 93

It will be seen that none of our bonds become due the present year, and as the resources of the Sinking Fund during the present year will be ample, I beg leave to

H

recommend that the Commissioners of the Sinking Fund be authorized to purchase the outstanding bonds issued on account of the Berthelet and Washington markets, and the Randolph and Riopelle Street sewers, and the First and Fifth Ward sewer, which are made payable at the option of the Common Council, and amount to \$3,140.20 and interest at 7 per cent. These bonds are held by our citizens, and have a depreciated market value, for the reason that there is no certain time for their payment. They have also become quite dilapidated, and so much written upon by receipts given by the holders for the interest, which is payable annually, that they will have to be re-issued, unless they are paid.

CONSOLIDATION OF BONDS.

Statement No. 2 shows the amount of Bonds consolidated by the issue of new Bonds of even amounts under a resolution of the Common Council adopted February 27, 1856.

THE CITY TREASURY.

Statement No. 3 shows that the aggregate receipts into the Treasury, from all sources, during the year, is.....	\$264,797 04
Balance in the Treasury, March 1, 1856.....	47,945 98
	<u>Total.....\$312,743 02</u>
The disbursements during the same period, amount to.....	272,946 02
	<u>Leaving a balance in the Treasury of.....\$39,797 00</u>

This balance indicates an improved state of the finances, as compared with last year; although not so large as then, yet it shows that, with the exception of the unexpended balances to the credit of the Public Building Fund and sewers not yet completed, and amounting to the sum of nearly \$10,000.00, the balances are on the right side of the Fund accounts and amounts to \$29,797.00, whereas, last year, the credit balances, after deducting the unexpended balances for sewers and the Public Building Fund, which amounted to \$24,300.00 from \$47,945.98, the general balance in the Treasury, March 1, 1856, left a balance of but \$23,645.98, making a difference in favor of the present year of over \$6,000.00.

THE SINKING FUND.

Statement No. 4 shows the operations of the Sinking Fund, which continue to be highly satisfactory.	
The total receipts to this fund during the year, are (including proceeds of Bonds re-issued).....	\$23,116 03
Add credit balance, reported March 1, 1856.....	2,486 50
	<u>\$25,602 53</u>

to apply on \$50,000.00 of City Bonds, due May 1, 1858. My opinion now is, that we shall be able to meet this liability without issuing more than \$25,000.00 of new bonds.

INTEREST FUND.

Statement No. 5 shows that we have, the past year, paid \$20,274.87 of interest to holders of the City Bonds; also, \$2,565.83 on bonds held by the Commissioners of the Sinking Fund, making an aggregate amount of \$22,840.70.

The interest upon City Bonds, payable in the City of New York, is paid at the office of the Ohio Life Insurance and Trust Company, on presentation of the coupons.

GENERAL FUND.

Statement No. 19 shows the receipts of this Fund with a nominal balance to its credit of \$5,305.56; but \$5,000.00 of this amount belongs to and is transferable to the Street Lamp Fund, and being the estimated amount last spring to defray the expenses of gas lights in the street lamps. This would leave the General Fund but \$305.56 to its credit. The balance against this Fund last year was \$2,091.91. We shall have to depend upon the revenue coming into this Fund, and collections for arrearages for rents, &c., in order to defray the expenses chargeable to it, and possibly have to anticipate a portion of the tax of the present year, under the authority given by Section 14 of Chapter VIII. of the Charter.

The expenditures of the General Fund have been less than the previous year by \$1,659.09; whilst the general expenditures of the city in 1856, aside from the public works, are only \$3,656.57 over those of 1855, with a decrease of taxation of \$2,021.94.

FIRE DEPARTMENT FUND.

Statement No. 20 exhibits the expenditures of the Fire Department, and showing an increase over 1855 of \$10,496.51; of which amount \$7,820.16 was expended for building engine houses and extra work on the same, and \$2,107.00 for hose, making an increase in the ordinary expenditures of nearly \$3,000.

The expenditures connected with the Fire Department will be materially increased, owing partially to the extension of our city limits, but more particularly on account of building engine houses for the accommodation of our firemen and the protection of fire engines; and in view of the fact that the services of the firemen are given freely and without compensation, and of the magnitude of the interests their organization is intended to protect, it would seem but an act of justice on the part of the city government to meet all their reasonable demands with a corresponding liberality.

DELINQUENT TAX SALES.

Statement No. 57 exhibits the result of the sale of lots for delinquent cross-walk assessments returned for the years 1849 and 1850, and it will be seen that receipts were exhibited to the Treasurer, signed by N. B. Carpen-

ter, late Treasurer, amounting to \$410.78, and Alex. H. Stowell, late Marshal, amounting to \$27.29, and to other persons named, amounting to \$8.75, and on representations made by parties that they had paid their assessments, \$23.35, making in all an apparent deficit of \$470.17. Whether or not this amount has been accounted for, is a question not so easily solved at the present time, and it is but due to the reputation of Mr. Carpenter that I should say here, what he avers to be the fact, viz.: that every dollar has been accounted for on his part. But nothing but a critical examination of the books kept during the time he was in office will decide the truth of his statement. That examination will be made as soon as I shall be relieved from other more pressing duties. It is alike due to him and to the interests of the city, that this examination should be made.

There may be other matters connected with this Report that require explanation, and I shall at all times be ready and willing to do so, if required.

Respectfully submitted,
CHAS. PELTIER,
Controller.

DETROIT WATER WORKS.**Report of the Secretary.**

To the Board of Water Commissioners of the City of Detroit:

GENTLEMEN:—The undersigned respectfully herewith submits the annual statement of the receipts and expenditures of the Board from December 31st, 1855, to December 31st, 1856, and a recapitulation of the same; also, statements showing the total amount of receipts and expenditures by you as Trustees and Commissioners, and the amount and kind of expenditure by you from March 1st, 1852, to December 31st, 1856, and a statement of the total cost of the Water Works to the city over and above receipts from the same.

The whole amount received during the past year, is \$45,525.56. The whole amount of water rents received during the year, was \$26,031.94; of which \$1 was received on the assessment of 1853-4; \$112.16 on the assessment of 1854-5; \$16,046.09 on the assessment of 1855-6; and \$9,872.69 on the assessment of 1856-7. Interruptions having occurred in the collection of rates assessed in the second collection district, in consequence of changes of the persons appointed to collect the same, on two several occasions, and at times in the year when the largest amounts are usually received, a very large sum past due remained uncollected at the close of the fiscal year, consequently

the amount received for water rates is much less than it otherwise would have been. The recent action by you in dividing said district and appointing two efficient persons as collectors, it is believed, will insure the speedy collection of all arrears, which will go to increase the amount of rates received the coming year instead of the past. The amount of rates received during the past year being much less than the amount received the year previous, it is proper to state that there was collected during the year 1855 about \$5,000 more of the rates assessed for 1855-6, than there was during the year 1856 of the rates of 1856-7, thus increasing the amount of the former and lessening the latter. The deficit, however, will be collected in the early part of, and added to the amount received, next year.

The whole amount of expenditures by you the past year, is \$139,878.74, of which \$83,967.36 was for reconstructing, enlarging and extending the works; \$16,930.21 for expenses of repairs, pumping water, superintendence, and management of the works, and \$38,981.17 for miscellaneous expenditures, \$35,067.66 of which was for interest on the loans. The balance of cash on hand, is \$148,114.24.

The whole amount expended by you for enlarging and extending the works since they were placed under your control, is.....\$382,179 57
Balance cash on hand..... 148,114 24

\$530,293 81

The total amount of liabilities incurred by you, is....\$500,000 00

Showing that the sum of.....\$30,293 81

has been applied by you to the work of reconstruction from the resources of the works, after paying all current expenses and interest.

The whole cost of the iron main and distribution pipes laid by you, is \$297,478.90, and the amount expended by you for fire hydrants, on new reservoir and other branches of construction, is \$84,700.67; total for construction, \$382,179.57.

The sum of \$1,423.78, has been paid by you on water certificates issued by the Common Council for extending wooden logs prior to March 1, 1852. It is estimated that the amount of such certificates still outstanding does not exceed one hundred dollars.

The whole amount expended by the Common Council previous to the works being placed under your management, and by you, for construction, is \$563,195.50; and the total cost of the works and maintaining the same, over and above receipts, from the time they were purchased by the city to this time, is \$622,404.20.

The whole number of permits issued to make connections with the iron distribution pipes, was 830, of which 605 were for re-connecting where wooden logs had been displaced by the iron pipes, and 225 were for new connections. The number of permits issued to make con-

nections with wooden logs was 66, of which 55 were for new connections and 11 for premises previously supplied. Total number of permits issued 896; of which 616 were for premises previously supplied, and 280 were for new connections.

During the year, permits have been issued to 92 families to procure water free of charge, on the certificate of the Director of Poor that they were unable to pay therefor.

There were 75 water takers returned by the collectors during the year, to be shut off for non-payment of water rates, 38 of whom were shut off and paid the fee for letting on again, and others promptly made payment when informed that they were returned.

ROBERT E. ROBERTS.

Superintendent Houghton's Report.

The able Report of the Superintendent would be inserted here, but that the limits of this work renders it impracticable, the Compiler having due regard to the expense involved. The description of the matchless engine of the Works, together with the general details of the Superintendent's department of duty, found in Mr. Houghton's masterly Report, recommend themselves to the stranger as well as to the local citizen, and the publisher avails himself of this opportunity of suggesting to the Board of Water Commissioners that they would, it is believed by many, confer a favor to the traveling as well as the local community, by authorizing their Annual Report, full, to be printed in the DIRECTORY, as it is to that annual chronicle of passing events, changes, and improvements, *inquirers* will naturally refer. Indeed, there is no other compiled, permanently accessible source of reference, other than the CITY DIRECTORY; and there is no parallel instance throughout the Cities of the Union, where works of this kind are published, where the publisher prints so much, depending upon the precarious patronage from which the expenses of publication are derivable.

HACKNEY COACHES.

Extract from Ordinance for Regulation of Vehicles.

SEC. 2. Every person to whom a license shall be granted, as provided for in the foregoing section, shall execute a bond, to the Mayor, Recorder, Alderman and Freemen of the City of Detroit, in the sum of two hun-

dred dollars, with sufficient sureties, to be approved by the City Auditor, conditioned that such person will pay all fines, costs, penalties or damages, for which he may become liable, on account of the use of any cab, hackney coaches, carriages, omnibusses or other vehicles, kept or used by such person, under his license as aforesaid; and no license shall be of any validity until such bond has been duly executed and filed with the City Clerk.

SEC. 3. The prices which may be charged by the owners or drivers of hackney coaches, cabs, carriages, omnibusses or other vehicles, shall not exceed as follows, viz.: For conveying one person, for each drive less than one hour, twenty-five cents; for conveying two or more persons, for each drive less than one hour, twenty-five cents for each person; for the use of a cab, carriage, hackney coach or other vehicle (except an omnibus), by the hour, to carry not more than four persons inside, at the rate of one dollar per hour: *Provided*, That children between two and twelve years of age shall be conveyed at one-half the foregoing rates, and infants under two years of age shall be carried free, if in charge of any other person.

SEC. 4. When a cab, carriage, hackney coach or other vehicle shall be used for a longer time than one hour, the owner or driver thereof shall be entitled to charge and receive from the person or persons using the same, the sum of one dollar for each full hour the same shall have been used; and for fractional parts of an hour he shall only charge and receive at the rate of one dollar per hour, as aforesaid.

SEC. 5. For each trunk carried on any cab, carriage, hackney coach, omnibus or other vehicle, the owner or driver thereof may charge and receive the sum of twelve and one-half cents, and no more: *Provided*, That each person hiring or using any such carriage, cab, omnibus or other vehicle, shall be allowed to carry thereon an ordinary traveling bag, valise or bundle weighing less than forty-five pounds, free of all charge.

SEC. 6. When a cab, carriage, omnibus, hackney coach or other vehicle shall be hired or used between the hours of eleven o'clock in the evening and five o'clock in the morning, the owner or driver thereof shall be entitled to charge and receive one-half more than the rates prescribed in the foregoing section, and no more.

SEC. 7. In no case shall any person, or any number of persons less than five, be charged for the use of a cab, carriage, hackney coach or other vehicle, more than the sum allowed for the use thereof for one hour, unless the same shall be used for more than one hour, although the person or persons using the same

may have stopped at several places during the time he, she or they may have been using such cab, carriage, hackney coach or other vehicle.

SEC. 8. A fine of not less than twenty-five dollars, nor more than one hundred dollars, and costs of prosecution, shall be imposed by the Mayor's Court upon the owner or driver of any hackney coach, cab, carriage, omnibus or other vehicle who shall demand or receive higher or greater prices or rates for the use of his cab, carriage, hackney coach, omnibus or other vehicle, than those named and fixed by the foregoing sections of this ordinance; and a fine of ten dollars and costs of prosecution shall be imposed by the Mayor's Court upon the owner or driver of the foregoing named vehicles, or any other vehicles used for hire in said city, who shall unreasonably refuse or neglect to convey any person or persons within the bounds of said city, when applied to for that purpose, and being at the time employed; and the like fine shall be imposed by said Court upon the owner or driver of either of the foregoing named vehicles, or any other vehicles used for hire in said city, who shall neglect to place upon such vehicle, in a conspicuous place inside, a card on which shall be legibly printed the number of the license under which such vehicle is used, the name of the owner thereof, and the prices or rates fixed by this ordinance for the use of cabs, hackney coaches, carriages, omnibusses and other vehicles.

SEC. 9. All keepers of livery stables within said city shall pay the sum of five dollars to the City Treasurer for every carriage, cab or other vehicle which they may at any time place on a public stand, or run as a public conveyance within said city; and all carriages or other vehicles placed by any livery stable keeper on a public stand, shall be regularly numbered, and subject to all the provisions hereinbefore contained relative to rates or prices of conveyance; and in case any livery stable keeper shall place a carriage or other vehicle on a public stand without paying the said sum of five dollars to the City Treasurer, and placing a number on his carriage or other vehicle, he shall, upon conviction of the offense in the Mayor's Court, be fined ten dollars and costs of prosecution.

COMMERCE OF THE LAKES.

The preservation, in the form of a Summary, in the DIRECTORY AND GAZETTEER, of so useful commercial data, it is hoped will prove interesting to the mercantile community.

The following *presci* of facts and figures has been extracted from the Report of the Congressional Committee on the subject of the Commerce of the Lakes; and which may have influenced, to a great extent, the passage of the enactment providing for the improvement of the navigation of Lake St. Clair.

It may seem incredible to those unacquainted with the immense carrying trade of these Lakes (but the fact is true, notwithstanding), that the trade between the United States and Canada, carried on over the Lakes, is in value next to that between France and the United States. The amount of American goods sent to Canada is \$9,950,764; and the amount of foreign goods, but passing through American hands is \$8,769,280; while the amount of goods from Canada to the United States is \$12,182,314; making a total trade between the two countries of \$30,902,658.

These figures are very convincing of the fact that the interests of the Canadas with the United States are one and identical; and the commercial and social good understanding happily existing between the two countries leaves no room for hope on the part of the *Oligarchal Mother of Colonies*, that Canada will remain long in servile subordination to a distant Monarchy.

These figures have reference to the years 1854 and 1855, and are but a comparative clue to the amount of mercantile transactions existing at the present date (1857) between these countries. The Compiler has not been able to obtain a summary of the Trade Report of the year 1856, the data for which is only obtained from the Treasury Department, at Washington.

The actual value of property exposed to the perils of Lake Navigation is considerably greater than the *total value* of the merchandise of every description exported from the United States to all foreign countries added to the

total value of merchandise imported from all foreign countries into the United States.

The dangers to which our Lake Commerce is exposed are three, viz.: Shipwreck, Collision and Stranding. These are shown to be in a great measure attributable to the narrow area over which this commerce is carried on, the stormy character of the Lakes, the exposed condition of the Lake coasts, and the want of natural or artificial harbors of commerce or of refuge for the Lake Shipping.

The following are the dimensions of the Lakes and their connecting Rivers:

Lakes.	Length.	Greatest breadth.	Average breadth.	Areas.
Ontario.....	180	52	40	5,400
Erie.....	240	57	38	7,800
Huron.....	270	105	70	20,400
Michigan.....	340	83	58	20,000
St. Clair.....	18	25	25	300
	1048			
Str. Detroit.....	25		46 $\frac{3}{4}$	58,900
St. Clair.....	36			
Total length. 1109				

Thus a vessel sailing from Cape Vincent, Lake Ontario, to Chicago, Lake Michigan, by keeping the centre lines of the Lakes, will sail 1109 miles; and yet will average not more than 23 miles from shore, throughout the whole distance.

But the coast line of the Lakes on the American side is much longer, and excluding Green Bay and the north-west coast of Lake Michigan, is, for Lake Ontario 200 miles; Erie 370; Huron, 440; Michigan, 850; or a total of 1960 miles.

A very large proportion of the extensive commerce above set forth, is conducted by sail and steam vessels, at but a few miles distance from the American coasts of these Lakes, and over a surface not exceeding an area of 7,000 square miles; more than 1,400 miles of this coast constitutes to the numerous vessels by which this commerce is carried on, a lee shore, to the fear of which, vessels navigating those Lakes are constantly exposed.

No reference has been made to the Commerce and Navigation of Lake Superior from the want of satisfactory data. In 1855, however, the exports of Iron and Copper alone from Lake Superior ports amounted to \$2,700,000.

The national importance of the Lake Commerce and Navigation is clearly set forth—first with reference to the population of the seven States bordering on these Lakes, and consequently interested in their Navigation and Commerce. Secondly, the position of those States, relatively to the great valley of the Mississippi River; and the extent and cost of their Railroads and lands, designed to open and facilitate commercial intercourse between the Atlantic Ocean, the Lakes and navigable waters and tributaries of the Mississippi River. Thirdly, the position of these seven Lake

States, relatively to the British possessions and the Valley of the St. Lawrence River. Fourthly, the importance of the Commerce and Navigation of the Lakes, as a nursery of seamen from which the Navy of the United States may be supplied with the first class of seamen in the time of war, in which the tonnage of the Lakes is compared with the tonnage engaged in the Whale, Cod and Mackerel fisheries.

The white population of the United States, according to the census of the year 1850, was 19,553,038. There are seven States, bounded in part with great Lakes, with a population as follows:

New York.....	3,048,325
Pennsylvania.....	2,258,160
Ohio.....	1,955,050
Michigan.....	395,071
Indiana.....	977,154
Illinois.....	846,034
Wisconsin.....	304,756

White population of the seven Lake States..... 9,784,550
White population of the twenty-four other States..... 9,768,488

Balance in favor of the Lake States..... 16,062

Showing that the white population of the seven Lake States is greater by 16,062 than the total white population of the remaining twenty-four States; and the difference has probably been still more increased since 1850.

The total value of foreign imports for 1855 in this region is \$274,403,935. If the seamen engaged in the Lake Navigation or in the fisheries are proportionate in number to the tonnage engaged in each, then those engaged in the navigation of the Lakes must very considerably exceed those engaged in the Whale, Cod and Mackerel fisheries.

TOTAL LOSS OF LAKE SHIPPING IN EIGHT YEARS.

	Number.	Damages.

By Stranding.....	566	1,051,170
By Collision.....	285	1,368,050
Total.....	1,231	\$5,828,346

Whole number of disasters to vessels and cargoes, or either of them, during these eight years, 2,117; of which 1,231 consist of shipwreck, stranding and collision (a little over 4-10 of the whole), while the damage from these causes during the same period, was nearly 5-7 of the whole, and amounted to \$5,828,346; the total damage from disasters of all kinds being \$8,852,649.

The amount of damages to the Commerce of the Lakes during 1854, from the difficulty of crossing the St. Clair Flats with loaded vessels, was as follows:

VESSELS ENGAGED IN 1854 IN TRADE TO UPPER LAKES.

	Number.	Tonnage.
Steamboats.....	8	6,880

	\$452,146.56
Steam vessels paid for like damages.....	208,000.00

Total damage on St. Clair Flats [for the season]..\$660,146.56

We call especial attention to the last item.

The amount of duties collected in the fifteen collection districts of the great Lakes from 1837 to 1855 was \$5,511,129.90, and the whole amount of appropriations that have been made to these Lakes from the beginning of the Government till now is \$2,884,125, showing that the United States have received from the Lake revenue \$2,267,004.98 more than it has given back to it in any shape. This balance will cover the amount expended on the Light Houses on the Lakes, with repairs, attendance of keepers and the cost of the Ship Canal around the St. Mary's Falls, and still leave \$1,000,000 for the United States Treasury.

The foregoing valuable statistics are commended to the attentive perusal of every man interested in our Lake Commerce, a fuller report of which will be found as *apropos* to that year, in JOHNSTON'S DETROIT DIRECTORY AND GAZETTEER OF MICHIGAN for 1856.

RAILWAYS.

Michigan Central Rail Road.

This Line, which extends from Detroit to Chicago in Illinois, is a route offering the traveler as much of the pleasant detail and picturesque variety of railway travel as may be experienced on any other western line, particularly as in connection with the Line, the M. C. R. Road Company own the unequaled fleet of Steamships plying between Detroit and Buffalo and the intermediate ports, which relaxes the weariness of the traveler, and dissipates the dull monotony of several hundreds of miles of jolting railway travel. The home-like comforts of these princely ships must also be taken into view. In ordinary weather there can be nothing more pleasurable than a run from Detroit to Buffalo, and *vice versa*, by these exquisitely-appointed Boats, a description of one of which will be found subjoined.

Reuben N. Rice, Esq., is the General Superintendent of the Michigan Central Rail Road, resident at Detroit. In all matters connected with the Steamers of the Company, the public will find an accessible and obliging Superintending officer in C. B. Swain, Esq., whose office is at the Depot, foot of Third Street.

There is an efficient oversight of all employees in the several departments. The

Captains of the several Steamers are educated, practical gentlemen. On the Railway, the Conductors are men of practiced skill, and it is an imperative condition that they are of steady habits: they are quick, unobtrusive, but firm in the discharge of their duties; and at none of the stations is the slightest indecorum tolerated.

The following are the Steamers at present employed on the Line from Detroit and Buffalo: PLYMOUTH ROCK, P. J. Ralph, Commander; WESTERN WORLD, J. S. Richards, Commander; MISSISSIPPI, S. G. Langley, Commander.

The whole line is laid with heavy T rail, the distance being 282 miles. The several stations along the entire line are comfortably and substantially provided with all desirable accommodation for the traveler, and for the security of the immense quantities of merchandise and farm produce, including large herds of neat cattle, and hogs that pass over the road to the large seaboard and intermediate cities or to cities of the still far-off South-West and West.

This Company is now identified in interest with the Great Western Railway, the western terminus of which is at Windsor, on the opposite bank of the Detroit River; the line then runs east to Niagara Falls, and, necessarily, on meeting the diverging eastern lines divides passengers and freight amongst them to their respective eastern destinations on the extended shores of the Atlantic.

The Tariff of Fare and Freight appears to be moderate. The Company's business is conducted upon enlightened and liberal principles, and the public accord to its superintending officers general approbation.

It would well repay the scientific traveling stranger to make personal examination of the gigantic establishments erected by this Company at both Detroit and Chicago.

The traveler will pass through, on this line, the cities of Ypsilanti, population 4,000; Ann Arbor, 6,000; Jackson, 5,000; Albion, nearly 3,000; Marshall, 4,000; Kalamazoo, 6,000; Niles, 4,000; and a great number of towns of minor importance, but all exhibiting a prosperous activity. For description of cities named, see "SUCCINCT GAZETTEER" appended.

For distances from Detroit to Chicago, as well as from each other of the places adverted to, see "RAILROAD ROUTES" in Index.

Some idea of the immense magnitude of the great Central Passenger Depot of Chicago, erected jointly by the Illinois Central and Michigan Central Companies, may be obtained from the following description:

The building is of Illinois stone. The front on Water street is three stories high, wherein are commodiously arranged all the offices. It

is a splendid piece of architecture. The entire length of the building is 504 feet, by 166½ feet in width. The height of the main building is 84 feet. The roof is an arch, supporting itself with a rise of 39 feet. The length of board, one foot wide, in the roof is 1,126 miles. Thirteen thousand six hundred and eighty-five pounds of iron rods were used in its construction. Length of rafters, or chains, 5,280 feet; and 682,428 feet of tin plate were used in covering the roof.

Eight tracks are laid in the building. All trains out, leave from the west side or nearest the street. All in-trains arrive by the two outside tracks. The platforms between these tracks and on the sides of the building are wide and commodious. A very tastefully arranged baggage-room, one hundred and twenty feet long, is built on one of the platforms, with offices and rooms above for conductors, baggagemen, brakemen, &c.

The ticket office occupies a conspicuous place near the main entrance, in close proximity to both the ladies' and gentlemen's waiting-rooms; directly over it will be the telegraph office of the companies—that governs the running of the trains.

The building is most admirably lighted, 2,687 feet of gas pipe being used in its arrangement.

The trains of the Illinois Central, Michigan Central, Chicago, Alton & St. Louis, and Chicago, Burlington and Quincy Railroads arrive and depart from this Depot at present, making thirty-four trains daily, arriving and departing.

It may be unnecessary to state, the fact is so evident, that Michigan owes her unrivaled prosperity to her Railroads, as well as to the steam marine facilities of transport, which this Line, as well as others, have had in their connection, whereby produce and merchandise are interchanged with the world at large, cheaply and expeditiously.

Regarding it as both appropriate, useful, and interesting to the community, the following description of one of the new boats of the Company, which may be truly designated as FLOATING PALACES, is extracted from the *Buffalo Daily Republic*, and which, as the *New York Citizen*, edited by John McClenaghan, Esq., truthfully remarks, "presents a picture of splendor under Republican liberty which will be looked for in vain under the monarchies of the old world":

The "*Plymouth Rock*" is three hundred and sixty feet in length, and has a tonnage of twenty-five hundred tons. Her grand cabin extends almost the entire length of the boat, and is furnished without regard to expense, with rosewood furniture; brocatelle, satin, plush, silk and embroidered easy chairs, ottomans, tête-à-têtes and divans; the floors are

carpeted with the richest tapestry; the painting, wood-work, moulding and gilding are all that art can furnish or admire. The state rooms are not berths, but actual rooms fifteen feet deep, thoroughly lighted and ventilated, with rich carpets, marble-topped washstands and toilets, with water cold or hot, supplied from the engines; and to cap all—the most comfortable thing to a traveler—rosewood French bedsteads, low, wide, and roomy, draped with fine muslin printed hangings, and covered with finest Marseilles and linen bedding. "Family-rooms" abound with all the above conveniences and luxuries, where the parents of a little troupe can have their children with them, and "Companion-rooms," where gentlemen traveling, six or eight together, are accommodated with a large and roomy apartment.

On this deck also are the bathing departments, where warm, cold, or shower baths can be procured at a moment's notice—a luxury, indeed, to the tired traveler by sail.

At the head of the grand cabin is the silver room, where some \$8,000 worth of magnificently-designed silver-ware may be seen, which, however, is but a small proportion of what is provided for the boat. Everything about the cabin, or rather drawing-room, is arranged with the view to light, beauty and convenience, and when lit up, is one of the most gorgeous scenes anywhere.

On the deck below is the ladies' cabin, with reception rooms, &c., connecting, also, by a stairway, with the dining-room, which is on the lower deck. This cabin is, also, fitted up with double rooms, for the convenience of families or friends, and the same magnificence of furniture and adornment that distinguishes the immense cabin above.

The steward's department exhibits at a glance a scientific arrangement for convenience, and with its steam arrangements for heating its pastry, and substantial department; its crystal, glass, china, and silver; its cleanliness, perfection, and magnitude,—was quite as interesting as anything we ever examined and is entitled to a large share of the popularity which has been obtained by this Line.

In every sleeping room there are life preservers for each inmate; and the precautions against accidents are so complete as to do away for ever with the fear of accident in any shape. Seven fire engines of great power, with hose attached, are constantly at hand, and can be worked either by steam or hand within one minute from the moment of alarm. The usual number of life-boats are also attached. These precautions place the danger of accident of any character out of sight entirely.

The bridal room, which is situated in the after upper cabin, in point of splendor, puts

anything we have ever seen to the blush. The sheets are of linen cambric, the quilt of embroidered straw-colored moiré antique; the sheets and pillow cases edged with point lace, and the bedsteads of rosewood, elaborately carved. The floor is covered with a pile of tapestry, while golden mirrors reflect infinitely the gorgeous furniture of the entire room, which is commodious and gilded throughout. We advise every young man to look at it.

This boat is but one of three of the same size; the same tonnage, *the same furnishing, and the same perfection throughout, belonging to this Line.*

The M. C. R. R. Company, with its uniform liberality in immediately adopting all improvements in the experiences of lines of railway throughout the world, have erected a Telegraph Line along the entire length of the road. In fact, the running of all trains of the Line is now wholly governed and directed by telegraphic orders. There are thirty offices between Detroit and Chicago, supplied with forty operators. There are night offices every thirty miles. Business hours of day offices from 7 30 A. M. to 8 P. M.; night offices kept open at all hours of the day and night.

Great Western Railway.

This Road runs through Canada West; terminus at Windsor, opposite Detroit. Length of main line through Canada, via Chatham, London, Brantford, Dundas, Hamilton, Niagara, 229 miles, with branch to Preston 16 miles, and one to Toronto from Hamilton of 38 miles.

Ferry boat *Transit* from Michigan Central R. R. Depot, foot of Third Street, Detroit. Ferry Boats also from foot of Woodward Avenue.

This Line, in connection with the M. C. R. R., transports to and from the East and the States of Illinois, Indiana, Iowa, Wisconsin, &c., the vast interchanging traffic, merchandise, produce and stock to their respective markets. The G. W. R. R. has opened a *continuous* railway communication between the remote west and the Atlantic cities, and is estimably appreciated by the public for the winter facilities of travel, which, until the completion of this line, in January, 1854, were not existing.

The Great Western extends its passenger and transportation connections by the several magnificent Lines of Steamers which navigate Lake Ontario and the St. Lawrence, to all the cities of Lower Canada, and to the Atlantic Seaboard, both in Canada and the United States, and connects with all the diverging Railway Lines through Michigan, Ohio, Pennsylvania, New York, Massachusetts and Maine. To and from St. Louis, New Orleans, and the United States Territories west of the Mississippi, this is a direct Route from the New England States and the Canadas.

This Line of Railway, which runs throughout its whole extent in Michigan, over a highly improved and very fertile border of the State, is 243 miles in length from Toledo to Chicago.

Its Branch to Monroe from Adrian is 37 miles.

Its Branch to Jackson from Adrian is 48 miles.

Its Branch to Three Rivers, via White Pigeon, is 13 miles.

Its Branch to Goshen, via Elkhart, is 10 miles.

Its Branch to Michigan City, via Burlington, is 13 miles.

Making a total of *three hundred and sixty-four miles*. The Line maintains upon the Lake three First-Class Steamers, which connects its transportation with Eastern Companies. It is connected with Detroit by the Branch called the Detroit, Monroe and Toledo Railroad. The community have continuous Railway Lines from any of the seaboard cities on the Atlantic to Wisconsin, Minnesota, Iowa, Missouri, and before many years will have to the shores of the Pacific. [For Route and Time Table, Steamboats, &c., see Advertisement.]

The new Directors of the Michigan Southern Railroad Company, have resolved to issue three million dollars preferred ten per cent. stock; half of which is to be paid for in cash, and half in the old stock of the Company. The \$1,500,000 thus raised, together with other assets in hand, will wipe out all the floating debt, and enable the Directors to

carry on the financial affairs of the Company without further hindrances.

Detroit, Monroe and Toledo Railway.

This connection with the Michigan Southern and Northern Indiana Railroad was completed in January, 1857. It presents to Detroit and North-Western Michigan, a continuous line of Railway to New York, Boston, Philadelphia, Cincinnati, and St. Louis. The advantages to the mutual trade of those cities, as well as to the agricultural interests of the States through which the lines pass, can not be overrated—nor will the success of this Line which is certain, at all affect the "paying gains" of the rival routes. In fact, the more railways judiciously constructed throughout the Union, as well as in Canada, the more prosperous will they all become. We shall have more travel, more freight transport, more immigration, more settlements, increased production, which latter is, of course, the source of the general success and prosperity.

Detroit and Milwaukee Railway.

This grand North-Western Line, which will connect the State of Wisconsin and the more remote Territory of Minnesota, with the several Eastern and Southern States, as well as with the Canadas, is being prosecuted with vigor, and its terminus at Grand Haven, 185 miles from Detroit, may be expected to be reached in good time.

A Succinct Gazetteer of the State of Michigan.

•••

[This DIRECTORY AND GAZETTEER, involving annually increased expense in the publication, and the work itself having but an *annual life*, depending on a limited and precarious patronage, the Michigan community might expect that the State Executive would extend a liberal order for hundreds of copies, to be distributed for the advantage of the whole community; yet the amount of such State patronage has hitherto—and that only for two editions—not exceeded six copies, which seemed to have been ordered by the Hon. S. M. HOLMES, State Treasurer, more in the light of an encouragement of the humble efforts of the Publisher, than from any regard to the probable benefits and the general convenience to the whole State population, as well as to the traveling public, derivable from the work.]

These remarks are printed to correct the popular error, somewhat prevailing, that the Michigan State Executive and Legislature have heretofore granted liberal aid to the DIRECTORY AND GAZETTEER. The Publisher has already distributed amongst the members of the Senate and House of Representatives about *One Thousand Copies* of the three editions previously published, for which he received no compensation whatever. Of this and future editions it is not intended to present members of the Legislature with *Free* copies. Their orders for the work will be thankfully received, and promptly attended to.]

Michigan is embraced between the parallels 41° and 57° North latitude, and between 82° 90° West longitude. Its boundaries, as established by act of Congress passed 15th June, 1836, defining the northern boundary of Ohio and admitting Michigan into the family of the "States," are as follows:

"Beginning at the point where a line drawn direct from the southern extremity of Lake Michigan to the most northerly cape (called North cape) of Maumee (Miami) Bay, intersect the eastern boundary line of the State of Indiana, and running thence with the said line to the said most northerly cape of the Maumee bay, and thence from the said North cape of the said bay, northeast to the boundary line between the United States and the province of Upper Canada in Lake Erie; thence with the said boundary line between the U. States and Canada through the Detroit River, Lake Huron, and Lake Superior, to a point where the said line last touches Lake Superior (being the mouth of Pigeon River); thence in a direct line through Lake Superior to the mouth of the Montreal River; thence through the middle of the main channel of the said Montreal River, to the middle of the Lake of the Desert; thence in a direct line to the nearest head water of the Menominee River; thence through the middle of that fork of said River first touched by said line to the main channel of the same, to the centre of the most usual ship channel of the Green Bay of Lake Michigan; thence through the centre of the most usual ship channel of said bay to the

middle of Lake Michigan; thence through the middle of Lake Michigan to the northern boundary of the State of Indiana, at that line which was established by the Act of Congress of the 19th of April, 1816; thence due east with the north boundary line of the said State of Indiana, to the northeast corner thereof; and thence south with east boundary line of Indiana to the place of beginning."

The extreme length of Michigan, from the north-western point (the mouth of the River Pigeon), to the south-eastern point, (the northern cape of Miami Bay), is computed to be, in a direct line, 540 miles. Its breadth is various. The Peninsula proper is 282 miles long, from north to south. Its breadth in the southern part, from east to west, is 170 miles; south of Saginaw, 194 miles; average breadth 140 miles. The Upper Peninsula, from the extreme point east, at Point de Tour, to the extreme western point (mouth of the River Montreal), is 324 miles. Its breadth from north to south is 108 miles, and its minimum breadth is 60 miles.

It embraces within this area 56,243 square miles, equal to 35,595,520 acres.

The male population, as appears by the State census of 1853, over 21 and under 45 years, capable of bearing arms in the military service of the State, amounted to 92,160.

Michigan contains forty-five counties at present. The quantity of territory not yet settled may make three times as many more.

The principal cities and towns of the State are described in the pages following.

The surface of the Lower Peninsula embraces as much rich farming lands probably as any country of equal area. It is rolling and diversified with limpid rivers and handsome lakes. It wants—what the Upper Peninsula possesses in superabundant measure and magnitude—some mountain scenery to gratify the hungry eye of the true lover of the picturesque and beautiful. The Lower Peninsula is well wooded and watered, with occasionally extensive and more limited prairie openings. In this division of the State there are several mines of iron, plaster, and coal, the great value of which has begun to be appreciated. The forests abound also in game of every variety except the usually dreaded savage animals. The climate is genial to the successful growth of the grape, if properly cultivated. Fruit trees of all kinds—except the tropical—produce abundantly the finest flavored fruits. It is rather thoroughly settled, the cities and villages erected giving that encouragement to immigrants which is speedily filling the State with settlers from abroad, as well as from the Eastern and Middle States. The Farming Sections are also numerous peopled.

The Upper Peninsula of Michigan has a health-bracing and invigorating climate, the exceptions to settlement being cogent with the emigrant, that while lands are obtainable two or three hundred miles nearer market in the Lower Peninsula, with more genial seasons and a shorter winter, why go settle so much more north? The population comprised within the Lake Superior country consists mostly of miners, their officers, and those generally who are maintained by mining operations. It is by no means of a tendency to encourage the more speedy development of the incalculable mineral wealth of the Upper Peninsula to discourage the settlement there of a permanent local population, who, becoming familiarized with the peculiar circumstances around them, would, as many sensible money-making people do, determine to select their homesteads there. Agriculture, although subordinate to mining employments, is still extensively attended to, and excellent crops of cereals and roots and other vegetables obtained.

The General Government (during successive administrations), as well as the government of the State seem to obtain general condemnation for neglecting to make appropriations to expedite winter inter-communication with this highly interesting northern outskirts of the Union. Four Lines of Railway are, however, now in prospective construction in the Upper Peninsula of Michigan.

White fish and trout are caught on the shores of Lake Superior in abundance; are cured and packed for eastern, southern and European markets. White fish are also caught in large quantities in the Detroit River.

The great features of attraction presented superficially by the Lake Superior country are its magnificent romantic bluffs, lashed by the Atlantic-like giant waves of the lake, and the bold, outstanding, labor-inviting mountains of unmanufactured money, embraced in the almost pure metals of iron, copper, and silver. Much to the damage of the iron-mining interests of the State, and of the Union generally, the millions upon millions of dollars' worth of iron employed in the erection of the Railroads of the Union has been imported from Europe. It is but a question of time, however, to decide that none but American iron and copper shall be manufactured in America.

There are ninety-six engines, possessing 1441 horse-power, employed in the three important Mining Districts of Keweenaw, Ontonagon, and Portage Lake erected at an aggregate cost of \$308,000, all employed in Copper Mining. The stamping machinery consists of three hundred and ninety-two heads of stamps, capable of pulverising 784,000 pounds of rock ore in twenty-four hours.

The possession of this rich mining region by the United States is due to the sagacity, foresight, and patriotism of the venerable Franklin, who, when Ambassador at Paris, possessed himself of valuable information relative to the richness of the metallic resources of the Lake Superior region.

The full development of the mineral and other resources of this division of Michigan will, probably at no remote period, render it necessary to erect the "Upper Peninsula" into a separate State; in which event, being relieved from the embarrassments of delays of government and legislation at so great a distance as Lansing, the energies of the inhabitants of the "State of Superior," interwoven with the circumstances and interests of outside mining-stock owners, would the more naturally and certainly concentrate in the more speedy and effectual development of so wealthy and extensive a territory.

In a statistical lecture relative to mines and mining interests generally, delivered before the Michigan Legislature, at Lansing, at the session of 1857, Mr. C. T. Harvey, of Lake Superior, introduced the following facts:

Mr. Harvey remarked that this was by far the greatest interest in the State of Michigan. That Pennsylvania had 631 iron mines, producing \$20,000,000 worth of iron; New York 401 mines, producing about \$8,000,000 worth; Ohio 229 mines, producing about \$6,000,000 worth; Tennessee 81 mines, producing about \$16,000; while Michigan, which had better resources than any of those States, had but four establishments in operation, and was not honored with even a place among the iron-producing States. That while the best

ore of England produced 41.41 per cent., the best ore of France 31.89 per cent., the best ore of Illinois 56.02 per cent. of pure iron, Lake Superior produces 69.15. Swedish iron of the best quality, in strength equals 58,000 pounds per square inch; Lake Superior equals 89,582 pounds per square inch.

He remarked that Great Britain owed its wealth mainly to the manufacture of cotton and iron. It bought its raw cotton of America—why should it not raw iron? That while England, in 1806, manufactured with 216 furnaces 243,851 tons; in 1840, with 402 furnaces, 1,396,400 tons; in 1855, with 599 furnaces, 3,585,906 tons; and was doubtless going on in the same ratio of increase,—with proper facilities, he thought, they could ship and sell from Marquette, next year, 60,000 tons of ore; in 1858, 100,000 tons; and in ten years, at least 500,000 tons per annum, which would yield the State, by the present mining tax of 10 cents per ton, \$50,000 a year.

Exhibiting a map showing all the coal fields of the United States, the conclusion was shown that the ore must be manufactured by coal obtained from Cleveland, Ohio; or Saginaw, Michigan. Mr. Harvey said, that if there was as good coal in the city of Saginaw as in Cleveland (and gentlemen present asserted there was an abundance), it was as sure as the sun rising, that from Wyandotte northward to Saginaw Bay, would be the great iron manufactory of the North-West.

He then stated that one thousand more furnaces were now wanted to supply the present demand for iron; and Michigan could have them if active; if not, other States would get the prize.

The Lumber Trade of the State of Michigan is extensive. There are in the State about 400 saw mills for the manufacture of lumber;—employing 5,000 men about the mills: 11,000 in the pinerics, cutting logs; and 2,000 men rafting logs, lumber, and in loading vessels. Probably, the annual value of the Lumber Trade of the State of Michigan may be \$8,000,000.

The flour of Michigan is unsurpassed; and many names of millers owning incomparable brands might be here recorded, if desirable.

The almost spontaneous settlement of thousands annually in the larger cities of the State, but especially in Detroit, demands careful regard on the part of the wealthy and well-intended to encourage the building up of manufactories, thereby affording employment to the poorer laboring masses, so as to deprive them of every pretext to vicious idleness, arising from the want of employment. It will be constantly insisted upon, until accomplished, that the wool of our own State should be manufactured within the State. Several branches of manufacturing enterprise may be

noticed by the tourist through Michigan, existing at the several cities and villages of the State. These are briefly noticed in the "SUCCINCT GAZETTEER."

The State Executive, Legislative officers, State Institutions, &c., will be found introduced in this Work, under their respective heads, on reference to the Index.

The present population of the State may exceed one million, and probably may not fall far short of a million and a half on the enumeration of the State census in 1860.

The following are the counties of Michigan: Allegan, Barry, Berrien, Branch, Calhoun, Cass, Chippewa, Clinton, Eaton, Emmet, Genesee, Grand Traverse, Hillsdale, Houghton, Huron, Ingham, Ionia, Jackson, Kalamazoo, Kent, Lapeer, Lenawee, Livingston, Mackinac, Macomb, Marquette, Mason, Midland, Monroe, Montcalm, Newaygo, Oakland, Oceana, Ontonagon, Ottawa, Saginaw, Sanilac, Schoolcraft, Shiawassee, St. Clair, St. Joseph, Tuscola, Van Buren, Washtenaw, Wayne. Some new and unsettled counties are organized from session to session of the Legislature.

CITIES, POST TOWNS, LAKES, &c.

[As this work circulates extensively, parties desirous of extending their custom, would do well to advertise in it. There is no better medium for the circulation of cards of permanent business.

The population returns in the GAZETTEER will be amended after the State Census, to be taken in 1860.]

Towns marked with a star (*) are not Post Towns.

Adams, Hillsdale County, population 1500; 93 miles from Detroit, on M. S. R. R.

Adamsville, Cass; 172 miles west from Detroit.

Addison, Oakland, pop. 1,830.

Adrian, Lenawee, pop. 7,000; is 70 miles W. S. W. from Detroit, 80 miles from Lansing, 37 miles from Monroe, 32 miles from Toledo. The M. S. R. R. connects this city with Chicago. The surrounding country is unsurpassed for agricultural advantages. Adrian is built on the banks of a branch of the River Raisin. It contains many elegant public and private buildings, and carries on several manufacturing businesses.

Alaiedon, Ingham, pop. 600.

Alamo, Kalamazoo, pop. 6,000; is 70 miles W. S. W. from Lansing, and about 120 miles from Detroit.

Albion, Calhoun, pop. 2,000; 95 miles from Detroit, on M. C. R. R. At this place is located the Wesleyan Female College and Seminary. The town is advantaged by the Kalamazoo River, which affords excellent power for milling and manufacturing.

- Alganssee*, Branch, pop. 1,000.
Algoma, Kent, pop. 600.
Algonac, St. Clair, pop. 500; 40 miles N. E. from Detroit.
Almena, Van Buren, pop. 600.
Allegan, Allegan, pop. 1,200; 28 miles by plank road from Kalamazoo. There is some considerable lumbering and other manufacturing, for which the Kalamazoo River yields abundant power.
Allen, Hillsdale, pop. 1,100; on line of the M. S. R. R.
Allendale, Ottawa, pop. 200; 20 miles S. E. from Grand Haven.
Almont, Lapeer, pop. 2,000; is 50 miles N. from Detroit, on Clinton River.
Alpine, Kent, pop. 900.
Amboy, Lapeer, pop. 600.
Antwerp, Van Buren, pop. 1,000.
Antrim, Grand Traverse, pop. 200.
Antrim, Shiawassee, pop. 500; 50 miles N. W. from Detroit.
Ann Arbor, Washtenaw, pop. 6,000; is 39 miles west from Detroit, on M. C. R. R. This is a delightful and picturesque locality, watered by the Huron River, which affords good power. The State University buildings, which are located on an elevated site, beyond the eastern suburb, adds much to the agreeable view of Ann Arbor, which, with the rolling and diversified aspect of the surrounding country, commands peculiar admiration from passing strangers. There is an extensive local general trade, well sustained by a rich farming country. There is an extensive paper mill, and several other factories of importance. For the Faculty and other details of the University, see JOHNSTON'S DETROIT DIRECTORY. For Hotels, see Advertising Department of DIRECTORY.
Argentine, Genesee, pop. 700; 55 miles N. W. from Detroit.
Ardington, Van Buren, pop. 500.
Armada, Macomb, pop. 1,500; 35 miles N. E. from Detroit.
Ash, Monroe, pop. 1,600; 27 miles S. W. by S. from Detroit.
Assyria, Barry, pop. 600.
Athens, Calhoun, pop. 700.
Atlas, Genesee, pop. 1,500.
Attica, Lapeer, pop. 800; is 50 miles north from Detroit.
Auburn, Oakland; 30 miles from Detroit, 4 from Pontiac, 75 E. by S. from Lansing. A canal from Clinton River here to Lake Michigan.

Detroit, Wayne, pop. 75,000. May be regarded as one of the most favored of all the western cities of North America. Its site has been inhabited since 1701, when it was colonized as a fur-trading post by the French. Detroit continued in the military occupation of the French until the 29th of November, 1760, when the British assumed possession; and the post endured under the latter regime a series of sieges, assaults, and desultory warfare by the aboriginal Indians, principally under the chieftainship of the renowned warrior, Pontiac, who, with consummate generalship, devised the simultaneous overthrow of all the British North-Western garrisons, from Mackinac to Western New York.

The United States became possessed of Detroit, in virtue of the revolution against the British Monarch, in 1776. In the war of 1812, many suppose that, with the formidable force at the command of General Hull, he need not have surrendered to the British; but the final struggle of that war having again given victory to the United States, Detroit was evacuated by the English garrison in 1813, and re-occupied by the American army.

General Lewis Cass, who served in the war with ability, was distinguished by the Congressional Executive in being appointed Governor of the Territory of Michigan.

Detroit has since been the General's residence, unless while absent as a member of the Federal Executive, as a foreign Minister, or while engaged on Senatorial duties in Congress. General Cass is at present Secretary of State in the Cabinet of President Buchanan.

The cost of city improvements in Detroit, during the year 1856, amounts to the sum of \$120,000 in the two items of paving and sewerage alone. If the outlay in the erection of the new magnificent Water Works, water and gas-pipe laying, Railroad expenditures, &c., were taken into account, with the amount of private buildings erected, the outlay in works of this character may have amounted to the extent of between \$600,000 and \$700,000. During the last year, \$81,000 were laid out in paving streets, and \$40,000 in sewers. For several years an equal, if not a still greater, expenditure in these items may be expected. There have been expended \$16,296 in the improvement of Fort Street. There is a supposed economy of nearly one-third the expense in graveling rather than paving streets; and in Fort Street the trial is made with a view to adopt gravel for all private streets, if it shall be proved economical.

Within a few recent years a most decidedly marked series of improvements have taken place in Detroit. The residence of superior architects in the city has largely contributed to a cultivated taste in architecture. The

three new Presbyterian Churches, and the Congregational Church, erected within the last two years, are fine specimens of different and composite styles. Several superb residences have also been erected within the last two years. The plan of the new United States building, which is to afford accommodation for all the United States officers, and which is to cost \$200,000, is at present in progress, under the able superintendency of Albert H. Jordan, Esq., architect, of this city.

The city will now require, from the extent of its limits and population, several large Parks. There is not within the area of Detroit, at present, any thing called a Park deserving of the name. At least some fifty acres should be allocated to each Park, which, instead of being bolted against the public, should be properly policed, with open gates, and the grounds kept in such improved and cheerful order as would communicate pleasurable and recreative emotions of gladness to the minds and hearts of our wearied and industrious citizens. A few years, and the population will be 100,000 inhabitants, and the whole of the present generation will have passed from the active life of the city to the quiet, but tastefully adorned, graves of the Cemetery, where the dead can not enjoy the surrounding beauty, and where the living but rarely visit. The Cemeteries of Detroit are beautiful, as they ought to be, and are creditable to those who directed their details. Parks for the living are of admitted equal appreciation—commanding the admiration of all, whether citizen or stranger—yielding to all pleasure and health. Around the new Reservoir, a Park might, three years ago, have been beneficially secured by the Council—now it is probably impossible; and the fine picture of so magnificent a basin in the centre of what might have been a splendid Park for all time, is dotted around with dirty Dutch hovels.

Many important improvements might have been secured for the City but for official tardiness.

The extraordinary growth of Detroit during the last eight years has astonished even the old property speculators. Where many are eminently entitled to notice as employers and manufacturers, the Real-Estate firm of Messrs. Crane & Wesson are amongst the foremost in enabling many thousands, it may be truly said, of poor mechanics to acquire "*a Home*," by the facilities afforded them by this enterprising firm, who, beyond all others in the ordinary details of business, have extended streets, laid out farm after farm into new streets and allotments, until the necessities of the population demanded enlarged municipal limits. The operations of these gentlemen have mainly contributed to the extension of the boundary lines of the City recently, so that Detroit now

embraces a taxable area of probably thirty square miles.

Including the Great Western (Canada) Railway, there are four great trunk lines of Railway concentrating in Detroit, and several contributory lines are at present in progress throughout the State.

The most magnificent line of steamships, probably, on the globe sails from Detroit over the waters of Lake Erie to Buffalo, in the "FLOATING PALACES" owned by the Michigan Central Railroad Company, of which Mr. C. B. Swain, is agent at Detroit. The cities of the east are but a few hours' ride from us; and, by Steam or Lightning, we lay our hands upon our wants in a few hours, or moments, at the distance of thousands of miles.

Detroit has, within the last year, added to its manufacturing establishments an extensive Iron Furnace, erected in the Tenth Ward by the Detroit and Lake Superior Manufacturing Company, capable of blooming 2,500 tons of pig iron per annum.

Below Detroit a few miles, but properly suburban to it, and owned by its wealthier merchants, at Wyandotte, are located the extensive Iron Works of the Wyandotte Rolling Mill Company, capable of rolling merchant, bar, and other finished iron, as well as Railroad T, to the extent of 3,000 tons annually—finished iron of the very best and purest quality of Lake Superior ore, which in the world has no superior. The Eureka Iron Company has, also, in full operation at Wyandotte, a charcoal blast furnace, capable of making 3,000 tons of pig iron blooms per annum [See *Wyandotte*].

There is also an extensive Furnace on the western boundary of Detroit, for the smelting of copper, where the blooms are barrelled and shipped, for rolling and manufacture, to the East.

Detroit manufactures locomotives, stationary engines of all grades, steam boilers, mill gearing of all kinds, and iron, brass, copper and tin in all their branches; piano-fortes, melodeons, and other varieties of musical instruments; cabinet furniture, in every variety and exhaustless quantities; upholstery; carriages of every class and variety, including sleighs and cutters; agricultural implements, rifles, guns, cutlery, saws, saw mills, and mathematical instruments; saddles and harness; boots, shoes, clothing (from the most fashionable fit to the rudest slop garments), including an extensive shirt manufactory; the praise of its practical silversmiths, gold workers, and jewelers, has been *trumpeted* abroad in all directions; leather and morocco, leather ornamental works; and works of *virtu*, in wax, in oil, by the daguerrean and photographic art. Its banks, breweries, bakeries, flouring mills, markets, distilleries, drug stores, dry-goods depots, and

grocery stores, wine and brandy vaults, are many, and may be found recapitulated in a separate compartment of this work; as also, shipping houses, railway offices, gymnasium, schools and colleges, churches, and courts of justice, &c., &c.

There are daily newspapers in the city as follows: The Detroit Free Press, 50 Griswold Street, democratic; The Detroit Advertiser, 212 Jefferson Avenue, republican; The Detroit Tribune, 36 Woodward Avenue, republican.

Each of these establishments send out tri-weekly and weekly issues.

The weeklies are: The Free Press, The Advertiser, The Tribune, The Michigan Christian Herald, The Detroit Catholic Vindicator, The Firemen's Journal, The Michigan Journal (German), The Michigan Volksblatt (German).

The monthlies are,—The Michigan Farmer (Agricultural), The Ashlar (Masonic), The Peninsular Journal of Medicine, and The Medical Independent.

Messrs. David Preston & Co., bankers, publish, semi-monthly, "Preston's U. S. Bank Note and Commercial Reporter."

The following interesting description of the United States State Building, now in progress of erection on Griswold Street, is extracted from the Detroit Free Press:

It is to be of stone on all four sides; three stories high above the ground, with a basement story under. The frontage on Griswold Street will be 110 feet, and 60 feet on Larned Street. The height of stories will be—basement 10 feet, first story 16 feet, second story 17½ feet, third story 20 feet, and a half story over each end of the third story, adjoining the Court Room, of 10 feet high.

The basement story will contain the Post Office packing room, storage, furnace and fuel

rooms, washing rooms, and water closets. The first story will be appropriated to the Post Office exclusively, and the letter boxes and drawers will occupy a frontage of 130 feet, having projecting bays for the delivery at the ends and in the centre, and a vestibule all round 20 feet wide. The second story will have the Postmaster's, Deputys', and Clerks' rooms, Custom House business room, Collector's business and private rooms, clearance and watchmen's rooms; also rooms for the Clerk of the District Court, Inspector, and court records. The third story will contain the Court Room, 55 by 45 feet, rooms for the Grand Jury and Commissioner, District Attorney, Marshal, Deputy Marshal, lawyers' consultation room, library, and Judge's room. Each story will contain the necessary safes and other conveniences.

The stairs will ascend on each side of the building to a corridor on each story of 14 feet width. The building will be perfectly fire-proof—the inside walls being all of brick, the roof of iron, the floor of iron girders and beams, filled with brick arches between them, the staircases of iron, the columns, pilasters, sashes, and frame-work of Post Office boxes and drawers, of ornamental iron work. The outside doors will be of iron all around, and inside folding iron shutters to all the windows. The halls and vestibules of the several stories will be paved with ornamental encaustic tiles. The walls and ceilings of vestibules, halls, Custom House, and Court Rooms will be finished in fresco.

The frontage in the Post Office will give about 4,500 boxes and 500 drawers, with room sufficient also to double the number of boxes when necessary.

There will be an area on the two sides and rear, round the basement, with iron steps to descend to lower doors. The rooms will all be liberal in size, well heated and ventilated. The inside iron columns supporting the girders and beams of floors will all be finished with highly enriched composite capitals.

The style of the building will be Roman, having semi-circular doors and windows, moulded architraves, archivolt, belt courses and cornice; rusticated ashlar to the height of second story floor, and polished ashlar above. The building will have an altitude of sixty feet above the street.

The plans, &c., have been prepared with a great deal of care and labor. They are very complete and elaborate, giving even the most minute measurements and details.

The contractor is Theodore Adams, Esq., of Harrisburg, Penn.

Detroit has now laid in her streets, probably forty-five miles of iron water-pipe, and twenty miles gas-pipe, with about five hundred street gas lamps.

Jamestown, Ottawa, pop. 300.

Jackson, Jackson, pop. 5,000. The State Prison is located here. Jackson is 76 miles W. from Detroit, on Grand River, and is 38 miles from Lansing. Several manufactories, as well as a brisk general trade is carried on successfully. The surrounding country on every point is beautiful and varied. There is a fine supporting agricultural back country. Notices of the several factories here, as well as at other important cities and towns of the State, may be referred to in the Advertising Department of the DETROIT DIRECTORY.

Jefferson, Cass, pop. 888.

Jefferson, Hillsdale, pop. 1,200.

Jersey, Oakland.

Johnstown, Barry, pop. 700.

Jonesville, pop. 1,200; on St. Joseph River, and on M. S. R. R. 74 miles W. of Monroe. A place of active trade.

Kalamazoo, Kalamazoo, pop. 6,000, including population of township. The State Asylum for the Insane is located here. There is, also, a Baptist College and Seminary, which occupies an agreeable and elevated site. This is one of the most pleasant cities in the west, as well from the well ordered state of its government as from the tasteful detail of the general improvements connected with the streets, squares, public and private buildings. A large number of the burr oak and other suitable trees, of the original forest, have been preserved at given distances, with a view to secure an agreeable shade. This ornamental conservatism is due to the good taste and intelligence of the late Gen. Burdick. There are several foundries and factories at Kalamazoo, which is a busy place of general industry and trade. The unexcelled agricultural back country, holds out to the immigrant settler all desirable advantages to permanently locate. The fine power of the Kalamazoo River secures to milling and manufacturing interests peculiar advantages. Kalamazoo is midway between Detroit and Chicago, Illinois, 140 miles on the M. C. R. R. The M. S. R. R. passes its vicinity, also.

Lake Erie is 250 miles in length; greatest breadth, 80 miles; mean depth, 200 feet; elevation, 555 feet; area, 6,000 square miles.

Lake Huron is 200 miles in length; greatest breadth, 160 miles; mean depth, 300 feet; elevation, 574 feet; area, 20,000 square miles.

Lake Ontario is 180 miles in length; mean breadth, 65 miles; mean depth, 500 feet; elevation, 262 feet; area, 6,006 square miles.

Lake Michigan is 360 miles long, 108 miles in breadth, 900 feet in mean depth, 687 feet elevated above the Ocean, an area of 20,000 square miles.

Lake Superior is 355 miles long; greatest breadth, 160 miles; mean depth, 988 feet; elevation 627 feet; area, 32,000 square miles.

Lake St. Clair is 30 miles long, 28 miles broad, about 90 miles in circumference, and containing 127 square miles.

Lakes Interior. The State of Michigan is interspersed with lakes throughout, too numerous to particularize—many of them, as "Orchard Lake," of great beauty. Several Lakes may be viewed from the same standpoint in some localities, and yield a poetic beauty to the surrounding landscape. They are all inhabited by many varieties of fish, and are the resort of large quantities of wild water fowls.

**Lake, Berrien, pop. 200.*

Lakeville, Oakland; 43 miles W. from Detroit.

Lambertville, Monroe.

L'Ance, Houghton, pop. 500.

Lansing, Ingham, pop. 1,858; the population in 1844 was only 88; in the year 1850 it increased to 1,229. The population at present date may be 2,000. In the year 1847, the State Capitol was erected here. There are several excellent hotels, and the town presents the usual average business, indicating a steady increase of population. It has the advantages of a central position in a fine agricultural country, and it is brought into general notice periodically, by the assembly of the members of the Senate and the House of Representatives. The State Juvenile Penitentiary is located here, the site of which embraces agricultural grounds to the amount of 22 acres. Here is also located the State Agricultural College—an Institution promising to be productive of good, far beyond our present estimate, to yet unborn generations in Michigan. The College embraces an extensive literary and scientific Faculty. (See Advertisement.) The College Farm contains upwards of 600 acres. Lansing is 110 miles N. W. from Detroit, with which it has daily communication by mail stage-coach conveyance. The Grand River, passing through Lansing, affords superior power for milling and manufacturing, and is the natural outlet of the heavy products of the surrounding country, by the North-Western forwarding lines to Chicago and the South-West. There is a daily stage from Lansing to Jackson, in connection with the M. C. R. R. Lyons is thirty miles below Lansing.

Lapeer, Lapeer, pop. 2,200; population nearly quadrupled in nine years.

- Madison*, Livingston.
- *Madison*, Lenawee, pop. 1,195.
- *Madison*, Ingham; 130 miles N.W. from Detroit.
- *Mahofoe*, Oakland.
- Manchester*, Washtenaw, pop. 1,500. This is a brisk trading village, located in a fertile section about 60 miles west by south from Detroit. A branch of the River Rasin flows past the village, which communicates by good roads with the M. C. and M. S. R. R's. The M. S. R. R. connects with Manchester.
- Manistee*, Grand Traverse, pop. 450; on the Manistee River.
- Manlius*, Allegan, pop. 200; on the Kalamazoo River.
- Maple Grove*, Barry, pop. 400.
- Maple*, Ionia.
- Marathon*, Lapeer, pop. 400.
- Marcelles*, Cass, pop. 300.
- Marengo*, Calhoun, pop. 1,100; on Kalamazoo River, and intersected by M. S. R. R.
- Marion*, Livingston, pop. 1,000.
- Marquette*, Marquette, pop. 1,000; near the mouth of Carp River, overlooking Lake Superior, 140 miles above St. Mary's Falls Canal. About 1000 tons of iron ore are received for shipment every week at this village from surrounding mines. The mountains of iron surrounding this place rise gradually to the height of 600 and 700 feet. The ore yields from 50 to 60 per cent. of the best and most ductile iron in the world. Several Company Works of magnitude have been erected here. The Sharon Iron Company have expended \$300,000 in the construction of a breakwater and wharf 1200 feet long. The Collins Iron Company here have forges erected, which are capable of manufacturing 2,000 tons of blooms per annum.
- Marshall*, Calhoun, pop. 4,000; on the Kalamazoo River, 107 miles west from Detroit, on M. C. R. R.; 48 miles from Lansing. This is an agreeable location. The traveler, in passing or stopping to rest at Marshall, is involuntarily impressed with feelings of approbation. The *Marshall Democratic Expounder*, published here, renders good service to the city in advocating its interests and bringing it into notice at a distance. There is a busy trade.
- *Martin*, Allegan, pop. 550.
- Mason*, Cass, pop. 650.
- Mason*, Ingham, pop. 600; 12 miles S. E. from Lansing, on the Sycamore River.

- Middleton*, Livingston.
- Middleville*, Barry; on the Thorn Apple River, 54 miles west from Lansing.
- Milan*, Monroe, pop. 900.

Milford, Oakland, pop. 1,500. This village is located in a beautiful rolling country, which is interspersed with rivers and lakes, on Woodruff Creek, 40 miles N.W. from Detroit. There are several flour mills and other mills.

Milton, Cass, pop. 700

Monguagon, Wayne, pop. 1,100. Township partly on Grosse Isle.

Monroe, Monroe, pop. 5,000, including the township population. The city is pleasantly located two miles above the entrance of the River Raisin into Lake Erie. Monroe is the great market for the staple commodities of several of the southern counties of Michigan. Its commerce finds ingress and egress by a ship canal to Lake Erie, and by the M. S. R. R.; besides which are several plank roads leading to the city. There is a constant trading activity. A fine Court House, said to have cost \$35,000, several churches, and other public buildings, are erected here. So early as 1776, Monroe was a French village, but its American improvements, and increase of population, begin to date from about the year 1835, contemporaneously with the impetus given to the American settlement of Detroit and the other old French towns of Michigan. Monroe is connected by the Detroit, Monroe and Toledo Railway with Detroit, the line striking the Detroit and Milwaukee Railroad. There are sulphur springs in the neighborhood.

Plymouth, Wayne, pop. 3,000. This is a fine town with several important manufacturing enterprises in progress; but it seems extraordinary that the State Census Reports exhibit the decrease of its population, to the amount of 51 in nine years.

**Pokagon*, Cass, pop. 2,200; This township has settled with remarkable quickness; on M. C. R. Road.

Polkton, Ottawa, pop. 600.

Pontiac, Oakland, pop. 4,000 Capital of Oakland County; so called after the renowned Indian Warrior Chief, who conspired the overthrow, by simultaneous attack, of the North-Western British garrisons, after the French surrender of Quebec and Montreal. The Detroit and Milwaukee Railway passes through this city to its northern terminus. Pontiac is an extensive market for a wealthy and thickly settled back country. The country surrounding the city is hilly and of agreeable, improved appearance, and well adapted to wool growing and the staple grains. There is considerable milling and manufacturing, in which the Clinton River affords abundant power. Pontiac is 25 miles N. by W. from Detroit.

Portage, Kalamazoo, pop. 800.

Portage Lake, Jackson.

Porter, Van Buren, pop. 600.

**Porter*, Cass, pop. 2,000; rapidly increasing locality.

Port Huron, St. Clair, pop. 3,200. Property here, is held at a comparatively high figure, but it marks the estimation of the place, which is destined to increase annually. It is contemplated to connect Port Huron by railroad with Grand Rapids, as it will shortly be

with Detroit. Its site upon the shore of Lake Huron is agreeable and healthful. There is an immense amount of Lumber conveyed there by the Black River, and its manufacture and exchange forms an important department of its trade. There is daily intercourse by steamboat with Detroit during the open season. Distance from Detroit, 57 miles N. E.

**Port Sheldon*, Ottawa; on Lake Michigan, 200 miles W. N. W. from Detroit.

**Rutland*, Barry, pop. 400.

Sackets, Macomb.

St. Clair, St. Clair, pop. 3,500; population doubled since 1845. This city, it is likely, will in a few years be the centre of a large population. The county of which it is the capital is fertile. Its exports of wheat, corn, oats, and pine lumber are considerable. There are several manufactories and extensive steamboat building. It has daily intercourse during the open season with Detroit. St. Clair is 50 miles N. E. from Detroit.

St. Clair River Lumber District has 115 Saw Mills and 12 Shingle Machines; employing 1000 hands in the mills, 2500 in the pineries, and 480 in rafting and loading.

St. Ignace, Mackinac, pop. 400. This is almost exclusively a fishing village.

St. Joseph, Berrien, pop. 950; on the eastern shore of Lake Michigan, at the mouth of St. Joseph River, 194 miles west of Detroit. There is a fine bridge, of great stability here, which cost \$15,000.

Saginaw City, Saginaw, pop. 4,000. This city is rapidly acquiring a high character for enterprise in the several departments of trade. Its population is desirably increasing, and to the immigrant settler the county of Saginaw offers the most desirable advantages. Large quantities of excellent lands are obtainable at the merely nominal prices of the graduated land law. There are all varieties of timbered lands obtainable. The Saginaw River is navigable for steamboats, from its entrance into Lake Huron to the city, 24 miles up stream. The river, a few miles above the city, diverges into several branches which become the avenues of transport to Saginaw of the staple products of the upper and surrounding sections of country. The site of the city is elevated, healthful, and commands an agreeable view of the river. Distance from Detroit 95 miles.

Saginaw River Lumber District, including the Saginaw River and all its tributaries, has now (1857) 80 Saw Mills and 5 Shingle Machines; employing 1,000 hands in the mills, 2500 in the pineries, and 500 in rafting and loading vessels.

Salem, Washtenaw, pop. 1,400.

**Sanford*, Ingham.

Sanilac Mills, Sanilac, pop. 600.

Saugatuck, Allegan.

Saut Ste. Marie, Chippewa, pop. 1,500 [St. Mary's Falls]. This is a point of the strait separating the upper peninsula of Michigan from Western Canada, and at the connection of Lake Superior with Lake Huron. A ship canal of considerable magnitude has just been completed here, affording facilities which have long been desired for the passage of the lake fleets, avoiding the delays and perils of the rapids. The General Government made a very liberal appropriation to accomplish this desirable work. "The Falls" must necessarily attract a large settling population, who can all obtain good and cheap farms, and enjoy all wished-for facilities to transport produce to market. The advantages of the canal are of paramount importance, both to the commerce of Chicago, Milwaukee, the mining interests of the Upper Peninsula, as well as directly to Detroit and the more eastern cities. The canal tolls, for the year, to November 1856, amounted to \$11,950.44; and merchandise to nearly the value of \$6,000,000 passed through the canal within the same period; of which it may be noted that 3,196 tons of copper, 1,040 tons of iron bloom, 1,447 tons of iron ore, and 1,873 barrels of white fish and trout descended into the great markets of the East. The first steamer visiting the Saut Ste. Marie was in 1839. Until the opening of this canal, merchandise was subject to transshipment at this point, and to land carriage around the Falls. In 1851, steamboats were built above the Falls to ply on Lake Superior. The Saut Ste. Marie is 440 miles north from Detroit, and 15 miles on the Strait below Lake Superior. The rapids here are created by a fall of 22 feet to the mile.

Schoolcraft, Kalamazoo, pop. 1,300. This town is desirably located in the vicinity of Kalamazoo. The lands are unsurpassed for fertility; the village has the advantage of location on a large prairie; 15 miles from Kalamazoo.

Wyandotte, Wayne. This is prospectively one of the most thriving villages in the State, 10 miles below Detroit. Probably, 10,000 tons of pig blooms and finished merchants' and rail road iron are annually manufactured here, and employment given to nearly 200 men. The surrounding lands are growing valuable; and in a short time Wyandotte bids fair to be a city. Many of the only half-time-employed laborers of Detroit could do

nothing better than settle down here, and make themselves comfortable for life. The Wyandotte Rolling Mill Company, and the Eureka Iron Company, are instrumental in laying this village as the solid foundation of a flourishing city, having invested \$150,000 in real estate and the erection of buildings.

Wyoming, Jackson.

**Wyoming, Kent*, pop. 800; on the St. Joseph River.

Yankee Springs, Barry, pop. 300.

York, Washtenaw, pop. 1,350.

Ypsilanti, Washtenaw, pop. 3,500. This city is 30 miles west from Detroit, on M. C. R.

R. R. It is beautifully located, divided by the clear Huron River, which moves a large quantity of milling and other machinery. There is a well-selected, sustaining back country, and the activity of general trade indicates thriving success. The State Normal School, which is a handsome and capacious building, occupying an elevated site, forms an agreeable object in the pleasing panoramic views of Ypsilanti. A trip by the M. C. R. R. to Ypsilanti and Ann Arbor, if time should not admit of proceeding further from Detroit, forms a very pleasing and health-securing excursion.

*DETROIT SAW MANUFACTORY.—It is gratifying to citizens of Detroit generally, to perceive the success that attaches to the enterprising firm of Messrs. C. & P. MELLUS. Their loss by fire, during the fall of 1856, will be remembered as not retarding for many weeks the prosperous pursuit of their business as manufacturers of Saws of every variety. Detroit owes commendation and patronage to its own local manufacturers.

† Attention is requested to the advertisement of Mr. MELROSE, house mover; whose facilities for raising sunken ships, and moving buildings are unrivalled. See index to advertisements.

THE
NEW YORK CITIZEN

AN AMERICAN-IRISH WEEKLY JOURNAL

OF

NEWS, POLITICS, LITERATURE AND ART.

JOHN McCLENAHAN, Editor.

Opinions about the "Citizen."

This excellent Journal, the Citizen, reflects the highest credit on the character of the Irish race on the soil, and is edited with an ability and honesty to which few of the Citizen's cotemporaries can lay claim.—*Cincinnati Sun*.

The Citizen, published in New York city, and devoted more especially to the interest of Ireland, is one of the ablest newspapers in the United States.—*National Democratic Review for March, 1856.*

TERMS:

For one year.....	\$3 00	Single copies.....	6½ cents
For eight months.....	2 00	The retail trade supplied at.....	\$4 per 100
For six months.....	1 50	Yearly clubs of 4 to 10, (each sub.).....	\$2 50
For four months.....	1 00	Clubs of 10 and upwards, (each sub.).....	2 00

PAYABLE IN ALL CASES IN ADVANCE.

We have been repeatedly asked by correspondents whether it is not the same to purchase the paper from our agents, as to subscribe directly to us. We think it right to state that the price is the same to readers, though there is not an equal certainty of their always getting the paper, as when they subscribe. But to us it makes a vast difference, for our profit from a subscription is twice as great as from copies sold by whole sale. To postmasters and other agents, fifty cents is allowed for each yearly subscriber.

Any individual wishing the most complete summary of the news of the whole world, and particularly of affairs in Europe, would judiciously select the *Citizen*. Its sources of information are the most reliable and as in the eventful siege of Sebastopol its leading articles were from the commencement of the war truthfully prophetic. As the organ of the Irish race in America, conducted by an experienced and honorable citizen of Irish birth (himself an Irish patriot expatriated), it is a credit to the Irish American citizens, who should feel as if at sea without a compass or rudder, but for the guidance, instruction, and advocacy of this excellent and ably conducted newspaper, which presents attractive inducements to every member of the community speaking the English language, to become a subscriber.—J. D. JOHNSTON, *Pub. Detroit Directory.*

CERTIFICATE OF A. R. TERRY, Chemist.

DETROIT, May 25th, 1857.

MR. JOHN SCANLON:—I have tested the two specimens of spirits taken from casks in your store, on the 21st of May inst., in my presence, as follows:

No. 1. Peach Whisky (so called), ready for market, of a light yellow or straw color.

No. 2. Rectified Whisky, without any coloring.

In neither of these have I found either strychnine, any preparation of opium, any oil of vitriol (sulphuric acid), or any other deleterious drug.

I have taken the precaution to evaporate the spirits, to detect (if possible) the smallest quantity, if present.

NORTH SHORE STEAMERS

DETROIT AND BUFFALO.

The new and magnificent Steamers *Plymouth Rock*, *Western World*, and *Mississippi*, form this line, and will continue running until the close of navigation, as follows:

PLYMOUTH ROCK,

P. J. RALPH, Commander.

Will leave Detroit every Monday and Thursday, and leave Buffalo every Tuesday and Friday.

WESTERN WORLD,

J. S. RICHARDS, Commander.

Will leave Detroit every Wednesday and Saturday, leave Buffalo every Monday and Thursday.

MISSISSIPPI,

S. G. LANGLEY, Commander.

Will leave Detroit every Tuesday and Friday, leave Buffalo every Wednesday and Saturday.

These Steamers are all new, and of the largest class, being about 2,000 tons each. The Commanders and Officers are gentlemen of great experience and capability. They are fitted up and furnished, for the convenience of passengers, in a style of comfort and luxury entirely unequaled, and are, in all respects, considered the safest and most desirable Steamers that sail upon the western waters.

For the transportation of freight, the line will surpass anything ever before offered to the public, having arrangements with parties between Boston and New York, and all points west of Buffalo to St. Louis, which will enable them to forward goods and merchandise with greater dispatch than has yet been attained.

For the transportation of Live Stock, these Steamers offer facilities to Drovers which cannot be surpassed or equaled.

Shippers of Merchandise from the East should mark packages to the care of C. L. Seymour, Buffalo. Merchandise from the West should be consigned to the care of John Hosmer, Freight Agent M. C. R. R. Co., Detroit.

Merchandise from the line of the Detroit and Milwaukee Railway, and from the north, should be consigned to JOHN B. PALMER, who will also receive and ship all merchandise from the city.

A BOOK FOR THE MILLION!

The Most Popular Work ever Published on the Diseases of the Genital Organs is

DR. LISPENARD'S PRACTICAL PRIVATE MEDICAL GUIDE

Particularly adapted to the use of both sexes, which describes in PLAIN ENGLISH all that is necessary to know pertaining to the Generative Disorders, how contracted—the influence they produce upon mind and body—how all persons can avoid them, and if any are so unfortunate as to have contracted such diseases, how to effect a speedy and certain cure. Likewise it contains many important hints which will be found serviceable to those in married life, embracing every subject known in the catalogue of human ills, as venereal, or other diseases of the genital organs.

Midwifery, Miscarriage, Impotence and Barrenness, among other topics, are treated with all the consideration which their importance demands, it being in fact a complete and practical work on the Physiological Mysteries of the male and female system, and will be mailed in sealed wrappers to any part of the world, for the exceeding low price of TWENTY-FIVE CENTS, or five copies for one dollar.

AGENTS WANTED in every State, County, City and Village in the United States and Canadas.

Dr. LISPENARD continues to dispense his invaluable remedies to those afflicted with Secret Diseases, with the success attendant upon twenty years of personal experience and practice in his profession. None leave his treatment half cured. He always gives the best of satisfaction. Gonorrhœa, Gleet, Syphilis, Stricture, Suppression of the Menses in females, &c., successfully treated.

In these, as well as all other cases of a private nature, Dr. Lispenard commends an early application; and without any vanity or aspiration, decidedly states that no case within the reach of mortal aid shall ever leave him without a cure or satisfaction given.

Beware of empirics and itinerant self-styled professors, who ATTEMPT cures, but never succeed. Dr. L. is the only permanently established and responsible physician in his peculiar line in western New York, and his practice extends throughout every State in the Union and the British Provinces.

N. B.—Dr. Lispenard is sole Agent for Dr. Vichois' Female Monthly Pills. Among the many thousand boxes of these Pills annually sold, not one complaint has yet been made against them. Ladies in a certain situation should not use them; the particulars of which will be found on the directions accompanying each box. Price \$1. Sent by mail to any part of the world. Beware of Counterfeits—none are genuine unless received from this office.

No letters will be answered unless they contain a remittance or postage stamp.

All communications addressed W. C. LISPENARD, M. D., Rochester, N. Y., will meet with prompt attention. Office hours from 7 A. M. to 9 P. M.

Orders from the country, accompanied with cash or reference in Detroit, promptly attended to.

D. T. BARRETT.

One of the best talking Parrots we have seen anywhere, is to be observed constantly, in the fine weather, outside the Shirt Warehouse of Mr. Barrett. This almost *inimitable* bird *imitates* the tones of the human voice with *distinguished* success. Modulating his tones on the understood effective undulations of oratory—new, in deep bathos, and, in an instant, on the cap of the climax! By-the-way, when are we to buy "OUR PARKS," and commence the collection of Zoological Specimens for the gratification of the boys and girls? Gentlemen, Gentlemen of the Common Council, provide the Parks for this generation, and for our children's children, before the ground is all built on!—and remember, the lands are annually becoming more expensive! Gentlemen, provide at least three great Parks—one east, one west, and one central—and expend annually a liberal sum in their improvement. We will better discharge our duty, by doing at once what should be done for all time to come. "Defer not till To-morrow to be wise!—To-morrow's sun on you may never rise!" Executive Committee Michigan Historical Society, sharpen your sabres! Do not, however, cut right and left, without discrimination. *Conserve old Fogysm!*

PIANOS

MELODEONS and MUSIC

The Cash System adopted! Prices greatly Reduced!

HORACE WATERS,

333 BROADWAY, N. Y.

AGENT FOR THE BEST BOSTON AND NEW YORK INSTRUMENTS.

The largest assortment of Pianos, Melodeons, Musical Instruments, and Musical Merchandise of all kinds, in the United States, Pianos from ten different Manufactories, comprising those of every variety of style, from the plain, neat and substantial 6½ octaves, in Walnut or Rosewood Cases, from \$150 to \$200, to those of the most elegant finish, up to \$1000. No house in the Union can compete with the above in the number, variety, and celebrity of its instruments, nor in the extremely low prices at which they are sold.

WATERS' MODERN IMPROVED MELODEONS,

WITH OR WITHOUT IRON FRAMES.

Possessing in their improvements of over-strings and action, a length of scale, power and compass of tone equal to the Grand Piano, united with the beauty and durability of structure of the square Piano. They are justly pronounced by the Press and by the first Musical Masters, to be equal to those of any other manufacturer. They are built of the best and most thoroughly seasoned material, and guaranteed to stand the action of every climate.

Every Instrument guaranteed to give satisfaction, or purchase-money refunded. Second-Hand Pianos at great bargains, constantly in store, price from \$30 to \$140.

HORACE WATERS' MELODEONS, superior Instruments in tone, touch and durability of make. (Tuned the equal temperament). Melodeons of all the other styles and makes. Price, \$45, \$60, \$75, \$100, \$125, \$140; double Reeds, \$150; double Reeds and two banks of Keys, \$200. Less a liberal discount. Clergymen and Churches, an extra discount.

MARTIN'S GUITARS, BROWN'S HARPS, FLUTES, FLUTINAS, ACCORDEONS, VIOLINS, and Musical Instruments of all kinds, at lower prices than ever before offered to the public. A large discount to Teachers and Schools. The trade supplied on liberal terms.

MUSIC.—One of the largest and best selected Catalogues of Music published, comprising the choice and most popular airs of the day, and sold at one-third off from the regular prices.

Music sent by mail to all parts of the country, post-paid. Particular and personal attention paid to all orders received by mail. Satisfaction guaranteed in every instance. Pianos and Melodeons for rent, and rent allowed on purchase. Pianos and Melodeons for sale on monthly payments. Second-Hand Pianos taken in exchange for new. General and select Catalogues and Schedule of prices forwarded to all parts of the country by mail.

Great inducements offered to Agents in all parts of the country to sell the Horace Waters Pianos, Melodeons and Catalogues of Music.

HORACE WATERS'

PIANOS AND MUSIC.

Testimonials from Professors, and Opinions of the Press.

We learn that Horace Waters, of 333 Broadway, N. Y., agent for the sale of many of the most celebrated makes of Pianos and Melodeons, is offering them at prices which we advise all who desire to purchase to avail themselves of. He is also selling his large and well known Catalogue of Music at one-third off from the regular prices, and will forward the same free of postage. His offers to the trade, teachers and schools, are of the most favorable character—all of which he will be able to fill to the letter, for having wisely adopted the cash system. The Horace Waters' Pianos are known as among the very best. We are enabled to speak of these instruments with some degree of confidence, from personal knowledge of their excellent tone and durable quality.—*N. Y. Evangelist.*

HORACE WATERS, ESQ., 333 BROADWAY, NEW YORK :

Dear Sir,—Having examined your Piano Fortes from scientific and appropriate tests, I am enabled to form a satisfactory judgment of their merits, and it is with pleasure that I can speak of them as among the most celebrated and improved makes of the day.

For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with those of any other manufacturer, and those desirous of obtaining a really good Piano Forte—one that will prove an equivalent for their means, will find such a one in your beautiful instruments.—THOMAS BAKER, R. A. M. Leader of Jullien's Band, and Musical Director and Conductor of Niblo's Garden.

For power, brilliancy, and richness of tone, elasticity of touch, elegance and durability of make, they are in advance of any other Pianos in the United States, being the result of long experience and a series of experiments.—*N. Y. Dispatch.*

The treble is clear, pure, powerful, and very melodious, the bass is deep, rolling, and sonorous; the middle part is rich and sympathetic, and possesses the power of singing, *i. e.* of uniting the sound of each tone in a degree but rarely achieved.—*Henry C. Watson.*

For power of tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—*V. C. Taylor.*

Our friends will find at Mr. Waters' store the very best assortment of music and of pianos to be found in the United States, and we urge our Southern and Western friends to give him a call whenever they go to New York.—*Graham's Magazine.*

We consider them worthy of special attention, from the resonant and exceedingly musical tone which Mr. Waters has succeeded in attaining.—*N. Y. Musical World and Times.*

The Horace Waters' pianos are of superior tone and elegant finish.—*N. Y. Christian Inquirer.*

Nothing at the State Fair displayed greater excellence in any department than the Piano Forte manufactured by Horace Waters, of this city.—*Churchman.*

Horace Waters' Piano Fortes are of full, rich, and even tone, and powerful.—*N. Y. Musical Review.*

The Editor of the *Savannah Republican*, Savannah, Ga., speaking of the Piano Fortes kept by Messrs. J. W. Morrell & Co., of that city, says :

It will be seen that their stock comprises instruments of every grade of excellence, from the well known manufacturing establishments of Chickering & Son, Horace Waters, H. Worcester, Nunns & Clark, and Bacon & Raven. It might well be supposed, that in so large a collection there would be some very fine instruments. But there is one which for beauty of finish and richness and brilliancy of tone, equals, if it does not exceed, anything of the kind we have ever seen. It is from the establishment of Horace Waters. Being constructed of the best and most thoroughly seasoned material, and upon improved principles, it is capable of resisting the action of the climate and of standing a long time in tune. The keys are of pearl, and the recess for the finger-board is inlaid with pearl, while the legs are most elaborately carved, and the whole instrument finished up in a style of great excellence and beauty. And yet its chief merit lies in the power, brilliancy, and richness of its tone, and the elasticity of its touch.

"A THOUSAND DOLLAR PIANO."—We paid a visit, the other day, to the music store of Mr. Horace Waters, 333 Broadway, on purpose to see a specimen of his pianos, just manufactured at his up-town establishment, of which we had heard a good deal of boasting. It may not be generally known that Mr. Waters has been established in this city but a little while, having set up in a small way some six years ago as agent for a Boston firm, and gone on by dint of industry and enterprise, till he has become one of the most prominent music publishers and dealers in the country. His musical instruments are well known for their superior qualities, though they scarcely surpass in richness, volume of tone, and delicacy of touch, some instruments of more obscure makers which we have seen; yet, even in these prime respects, Waters' best pianos and melodeons challenge comparison with the finest made any where in the country—though those of Chickering, Gilbert, and others, are more famous.

The particular piano we went to see, though, is certainly a superb affair. It is characterized by great fullness and softness of tone, and remarkable *expressive* power; while its externals are equally noteworthy; it has a rosewood case elegantly inlaid with mother-of-pearl, and carved in various cabinet designs; altogether got up with every care of finish. Other pianos we heard in the same room, of equally fine tone—the same class of instruments, in fact, except the case—offered for a fraction of the cost of this very elegant one. Persons wishing for instruments of this kind, whether at the most economical or extravagant price, will be likely to be suited at the Ware-room of Horace Waters.—*Home Journal.*

Music sent by Mail Postage free. When One Dollar's Worth is Ordered, an extra Piece will be given in.

NEW MUSIC

PUBLISHED BY

HORACE WATERS,

No. 333 Broadway, New York.

We'll all Meet again in the Morning.

Ballad. Words by H. CLAY PREUSS. Music by THOMAS BAKER. Price 25 cents, Plain; Vignette, 40 cents.

For the merits of this ballad, see the following from the *Evening Mirror*:

We have received from Horace Waters a copy of a pathetic song entitled "We'll all Meet again in the Morning." We cannot better "hymn its praise," than by quoting the following from the *Evening Post*: "The known skill of the popular composer may in a measure account for the rare beauties of this ballad, but that more than an ordinary amount of inspiration even for him has been drawn from the nature of the incident hereafter related or some other cause, is evident, and were we full in the faith of Spiritualism, as an evidence of which it is said the words were produced, we should say that not only poet but musician were under its influence. 'We'll all Meet again in the Morning'—it was a beautiful exclamation of a dying child, as the red rays of the sunset streamed on him through the window, 'Good-bye, papa, good-bye; mamma has come for me, to-night; don't cry, papa; we'll all meet again in the morning.' And the heart of that father grew lighter under its burden, for something assured him, that his little angel had gone back to the bosom of Him who said, 'Suffer little children to come unto me, for of such is the kingdom of Heaven.'"

Happy Haidee; or, Dream on To-Night.

Song and Chorus, by MARSHALL S. PIKE, Esq., author of "Home Again," and "Indian Warrior's Grave." Arranged for the Piano, by THOMAS S. COATES, as originally sung by J. Murphy, of Christy's Minstrels. Price 35 cents.

"Gentle, gentle is the beam,
Of the midnight summer moon;
Slumber, slumber, sweetly dream,
For the morn will brighten soon.

"Shadows, shadows round thee creep,
Pillowed in thy soft repose;
Angels, angels guard thy sleep,
While thy lids in slumber close.

CHORUS—"Lady, I come no dream to blight,
Dream on, my happy Haidee,
Dream on to-night."

Bird's Complaint.

Song, by BENJAMIN JEPSON. Price 25 cents.

Says the *New York Telegraph*: "The words express a strong desire for freedom on the part of the caged pet, and the melody is the silvery and heart-affecting notes in which the pleader would present its petition."

"I wonder what my wings were made for,
Flut'ring, active, restless things.
If this cage is all of bird-land,
Tell me why the bird has wings?"

"Shaking, hopping, waiting, resting,
How I long for once to fly!
How my aching pinions tremble,
Give me life, or let me die."

Glance of Love; and, I never can be Thine.

Two Songs, by ELIZA VALENTINE. Price 25 cents each.

These are highly artistic productions, being of the operatic style, rendering them fine studies for advanced vocalists.

Spare the Old Home of My Childhood.

Song and Chorus, by S. M. GRANNIS, of the Amphions. Price 25 cents. Author of "Do they miss me at Home."

"Oh spare the old homestead,
Nor ruthlessly part
The ties that have bound it
So long to my heart."

Somebody's Waiting for Somebody;

Or, "The Happy Father." Song by CHARLES ATHERTON. Price 25 cents.

Just the song for household singing. The more generally it is sung, its sentiments appreciated and its precepts practised, the greater will be found the number of genuine "happy fathers." The piece is also to be appreciated for the beauty and sweetness of its air.

"Rainy and rough through the day,
There's a heart beating for somebody;
I must be up and away,
Somebody's waiting for somebody."

Courting in Connecticut.

Song and Chorus. By S. MARKSTEIN, author of "Sparking Sunday Night." Price 25 cents.

"'T was Sunday night in Podunk valley,
In clear cold wintry weather,
Josiah Perkins and his Sal
Sat by the fire together."

Do Jog Along.

A celebrated banjo song of "the Other side of Jordan" style, as sung with great success by J. H. BUDWORTH, of Wood and Christy's Minstrels. Composed by C. W. H. GRIFFIN. Price 25 cents.

Rose of Mississippi Waltz.

By S. MARKSTEIN. Price 25 cents.

This waltz is an eccentric, but none the less beautiful production, in the key of two flats. The passages are easy, yet so varied as to produce a highly pleasing and artistic effect.

Sparking Sunday Night.

With Variations. By S. MARKSTEIN. Price 35 cents.

In a musical sense, these modern variations on the "time-honored," and, we have no doubt, to most persons, agreeable custom, are most beautiful, and will, beyond doubt, become very popular, on the principle of "the more of a good thing the better."

Popular Quadrilles.

By JAMES BELLAR. Price 25 cents.

"The Quadrilles are beautifully arranged, from the favorite airs, 'Our Boys,' 'Jeannie Marsh,' 'Bouquet Schottisch,' 'Looking Around Polka,' 'Let us speak of a Man as we Find Him,' 'Kitty Tyrrel,' etc., forming a beautiful *melange* of melody, with the order of the dance printed in the intermediate spaces."—*N. Y. Telegraph*.

LEA & PERRINS'
CELEBRATED
Worcestershire Sauce

Pronounced by Connoisseurs to be

“THE ONLY GOOD SAUCE,”

Applicable to every variety of Dish.

Extract of a letter from a Medical Gentleman at Madras, to his brother at Worcester, May, 1851.

“Tell LEA & PERRINS that their SAUCE is highly esteemed in India, and is, in my opinion, the most palatable as well as the most wholesome Sauce that is made.”

The only medal awarded by the Jury of the New York Exhibition, for Foreign Sauces, was obtained by LEA & PERRINS for their WORCESTERSHIRE SAUCE, the world-wide fame of which having led to numerous IMITATIONS, purchasers are earnestly requested to see that the names of “LEA & PERRINS” are impressed upon the Bottle and Stopper, and printed upon the labels.

WILLIAM CAHOON,
DENTIST.

Having removed his Office to his residence, is prepared to do all operations pertaining to his profession, in a skillful and substantial manner. Allen's Patent Continuous Gum Work done upon an improved plan, which is so perfect an imitation of nature, that no one can detect them when in the mouth, from the natural organs. The ease and comfort with which they are worn, their perfect purity and cleanliness, being free from crevices for the lodgment of food or moisture, and their great strength, when rightly made, constitute them the most desirable Artificial Teeth that can be constructed. A clear and distinct articulation of speech is another consideration of great importance, for with this style of work all hissing and muffled sounds, in singing or speaking, are obviated. Specimens of the work can be seen at my office, No. 239 Woodward Avenue. Crystal Gold used for filling, and absolutely saving a class of decayed teeth, heretofore considered as worthless.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered, in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple.

He has now tried it in over Eleven Hundred Cases, and never failed except in two cases (both thunder humor). He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a Nursing Sore Mouth.

One to three bottles will cure the worst kind of Pimples on the Face.

Two or three bottles will clear the system of Boils.

Two bottles are warranted to cure the worst Canker in the Mouth or Stomach.

Three to five bottles are warranted to cure the worst kind of Erysipelas.

One to two bottles are warranted to cure all Humors in the Eyes.

Two bottles are warranted to cure Running at the Ears, and Blotches among the Hair.

Four to six bottles are warranted to cure Corrupt and Running Ulcers.

One bottle will cure Scaly Eruptions of the Skin.

Two or three bottles are warranted to cure the worst kind of Ringworm.

Two or three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure Salt Rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

ROXBURY, MASS.

DEAR MADAM:—The reputation of the MEDICAL DISCOVERY, in curing all kinds of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.

In presenting the "Medical Discovery" to your notice, I do it with a full knowledge of its great curative powers, in relieving all and curing most of those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

Is cured as if by a miracle, your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the "Medical Discovery" becomes a fountain of blessings to your husband and household. In the more advanced stages of

CANKER,

It often extends to the stomach, and consequently causing

DYSPEPSIA,

Which is nothing but canker on the stomach; then to the intestines and

KIDNEYS,

Creating a sinking, gone feeling, and an indifference even to the cares of your family. Your stomach is

RAW AND INFLAMED,

Your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment, your system becomes loose and flabby, and the fibers of your body become relaxed. Then follow a train of diseases which the "Medical Discovery" is peculiarly adapted to

CURE,

Palpitation of the Heart, Pain in the Side, Weakness of the Spine and Small of the Back, Pain of the Hip-joint when you retire, Irregularity of the Bowels, and also that most excruciating of diseases, the

PILES.

How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know the cause! I wish to impress upon your mind that good old proverb, "An ounce of prevention is worth a pound of cure." In the

"MEDICAL DISCOVERY"

You have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury.

Yours, Truly,

DONALD KENNEDY.
