LAZAR SERLIN

Greetings to the President and Organizer of the Yalovker Verein.

As we look into the records of the Yalovker Verein, we see that our President, Lazar Serlin, his father, the late Nathan W. Serlin, and their cousin, Wolf Serlin, met at the home of Lazar Serlin the latter part of 1927, to discuss ways and means of helping the sick and poor in Yalovky. After several meetings at the same house, they were successful in getting a small number of Yalovker Landslites interested in their doings. Thus, the Yalovker Verein was organized in the early part of 1928.

In the 11 years that the Yalovker Verein was organized, they were able to send \$6,307.65 to Yalovky, which served the worthy cause of helping the sick and poor people and also the institutions in need.

In 1935, when it was noticed that some Yalovker people in Chicago, were in dire need themselves, our President, Lazar Serlin, suggested to organize a Yalovker Verein Membership Loan Club, which would loan money to Yalovker Landslites in Chicago, without any signature or guarantor.

Again, in 1936, Lazar Serlin, organized the Asneh Yalovker Bickur Cholim Fund, thereby enabling us to help more frequently the sick in Yalovky.

We, the officers and members of the Yalovker Verein, Yalovker Membership Loan Club, and Asneh Yalovker Bickur Cholim Fund and in the name of the Yalovker sick and poor in Yalovky, extend our greetings and heartiest thanks to the hard working President and Organizer of the Yalovker Verein and its two branches.

A Word to Our Members from the President

I am greatly honored and deem it a Privilege to be able to serve another term as President of the Yalovker Verein. It is my sincere hope that we will surpass our past record and do much more for the Yalovker Verein.

On this occasion when we are celebrating our 11th Anniversary, I wish to express my sincere thanks to all of my friends and members of our organization for the honor bestowed upon me by having the celebration and program in my honor.

Like one family, we are all interested that our organization, the Yalovker Verein, shall grow and become strong. To achieve this, we must take part in economical as well as social life. We must participate in everything that is in the interest of humanity. The year 1938 will go down in history as a chapter of pogroms on Jews, the slaying of innocent people by Hitler and Mussolini, and also the dreadful killing of innocent women and children in Spain. Never before have these happenings occurred in history.

We in America, living in a Democratic Country, must raise our voice in protest against the brutality of Fascism all over the world. We must protest against Anti-Semitism which is beginning to develop here in America. If Fascism in Europe will be victorious, it will mean a set-back for Democracy in America.

Our organization should always be on the side of the Democratic and Progressive forces. we should always participate in Jewish Cultural and Progressive development. Let us work in harmony, as one big family, for the cause of humanity and for the good of our organization.

Lazar Serlin, President
