Dear Kremenets District Friends (especially those with Belozirka roots),

We recently learned of the availability of two unused burial plots in the Belezerker Voliner section of the Beth David Cemetery, Elmont, New York. If you are interested, please contact Jennifer Lezak Miller (jennifer.lezak.miller@gmail.com).

Here is a photo of the entry gate for the section (linked from the Belozierka KehilaLinks page): <https://kehilalinks.jewishgen.org/belozerka/index.html>
