GREETINGS from Brother Ex-Pres. Fishel Fiedel and
My Dear Wife, Ex Ladies Pres. Fannie Fiedel

Worthy President, Vice-President, Officers of the First Ozeraner Society,
Chairman of this beautiful banquet and the entire Arrangement
Committee:

My hearty congratulations to you all. It certainly gives my wife and I great pleasure and joy to be able to celebrate with you our 65th anniversary. I am grateful to God who made it possible for my wife and I to see and convince ourselves that we still have fine members who give up their good time and effort for the welfare of all our brothers and sisters. For quite a while I asked myself who is left to take over the good work that our fathers started. They are past away, may God bless their souls. Some of us who helped them work are still alive, thank God, but for one reason or another, we have not been able to put our shoulders to the wheel. Well, I have found the answer, now. One goes and one comes. So, I am proud to say that we have a brother, with whom I have at times disagreed with on certain points, proved himself to be a great leader in our Society. With the help of our President, the officers and the Arrangement Committee, these members have convinced us this evening that they could even do a better job than we did. Therefore, I extend, in the name of my family, best wishes to Brother Chairman Morris Feinblatt. Good luck, good health to you and your wife and to all on the Arrangement Committee. Keep up your good work; don't let us down. Special Mazel Tov to our President and his dear wife. I hope we can express our wishes for the next 25 years to come. Amen.

It has been good to see you, Brothers and Sisters.
