

## List of assets in Israel

If you locate the name of a relative on the list of assets, please press on the "request" button beside the name and a request form will open. Fill out the form on-line and submit an application for restitution of assets. Further information can be found in the "instructions for filling out an application" page. It is possible to print the application and fill it in by hand and mail it to us.

### Value of Assets:

The list of assets includes assets which vary in value including: real estate, money and JCT securities. The value of each asset is disclosed upon transfer to the legitimate beneficiary.

Some assets which have a relatively low value include:

- Most JCT shares assets refer to an individual share which has a value of no more than 3,000 NIS.
- "Deposit" assets which are valued under 1,000 NIS are noted when clicking on "request" on the asset list.

For additional information regarding the regulations governing restitution [click here](#)

If you wish to submit an application regarding an asset that is **not included** in the list of assets published on this website, please [click here](#)

To search for an asset, please type a search word in the top row of the table, beneath the relevant column, and click on the [search] icon on the right.
