

Interment Search

Interment search allows for a comprehensive search of all burials. You may enter a specific name or just a few letters of the first and last names to expand your search results. Search interments using the month and year of death to help narrow results for more common names. Enter the name (or the first few letters) of a society to get a listing of all burials within their grounds. Click here for a full list of societies, synagogues and family circles at Mount Lebanon.

If you are unable to locate the individual(s) for whom you searching please call or email our office and we will assist in your search.

If you would like additional information about a grave, care, contact info, etc. please call or email our office and we will provide assistance. We offer a photograph service for a nominal fee.

Note: If your search results do not indicate a society, the burial is located in a private family plot or mausoleum.
