My grandmother's family lived in Eger for a few generations.

\* Moric Steiner & Julie Steiner (Schoenberg) had 3 children

- Geza Steiner - no children, murdered in Auschwitz
- Miklos Steiner - no children, murdered in Auschwitz
- Etel Steiner married Jozef Schwarcz and they had 4 children
  
- Sandor Schwarcz - no wife or children murdered in Auschwitz
- Imre Szasz (Schwartz) - wife but no children, joined the partisan and survived the war, settled in Vienna in the 1960's.
- Dr Endre Szasz (Schwartz) - no wife or children died in Budapest 1945. He managed to get papers from the Red Cross and worked as a Doctor in Budapest. Assumed dead during a bombing in Budapest.
- Ilona Szasz/Schon married Armin Schon- one son (my Father). Ilona was deported with her mother and murdered in Auschwitz. Armin died in Labour Camp.
  
- Thomas Szasz married Mirjam Czitrom (my parents) both escaped Hungary in the 1940's and lived in Israel. They met and got married in Tel Aviv in 1955. Only daughter (me) born in Israel.
  - Ilana married John Burgess and now I live in Melbourne Australia - I have 2 children
    - Julianna 20 years old
    - Thomas 16 years old

As you can see most of my father's family perished during the holocaust.

I'm trying to find out more information about my great grand father's family (SCHWARCZ). If you have any questions don't hesitate to get in touch.
