Karoly and Pepi (nee DRESDNER) DEUTSCH with their two eldest children Endre and Iren.

INTRODUCTION

Cantor Israel STESZEL/STÖSZEL (1781-1864, Hódmezővásárhely) and his wife Resi nee HECHT led a very itinerant life, as was common for cantors during this era. However, he probably spent close to 20 years in Eger, from about 1840, when his daughter Mari was born, until about 1860, when most of the family moved to Hódmezővásárhely. His daughter Czilli (1835, Csecse -1910, Eger) and her husband Israel Jozsef DRESDNER (1835, Szolath -?), a merchant, remained in Eger.

For additional information about the STÖSZEL family in Hódmezővásárhely, see the Hódmezővásárhely ShtetLinks site: www.shtetlinks.jewishgen.org/hodmezovasarhely/
