Dear Sir:-

Will you please mail us a copy of a detailed report of the conditions in Kamenobrod, Gub. of Wahlyn, Uiezd Nowogradwolynsk. You, I presume, have these on hand.

Have you any report of conditions in Zhitomir, Wohlyn? *Ukraine*

Landsmanschaften of the above mentioned two cities visited our office and requested that I write to you asking for information. I am personally also very much interested in the above, as I have my relatives there and heard nothing of or about them.

Thanking you heartily for your early reply,
I am

Very truly yours,

Manager
PEOPLES RELIEF COMMITTEE.
