The petition

Dear Peter Ananyevich!

In September of 1941 in the village there was a terrible tragedy Novopoltavka. German-Fascist invaders executed 875 innocent people, mostly women and children, who belonged to the local Jewish community.

An initiative group to perpetuate the memory of the victims, who decided to place this plaque build a decent shot memorial.

Regional Board of the Jewish community and the relatives of the victims turn to you to help ensure that the session of the village council adopted a formal decision on its construction, location and allocated land for the memorial on the graves of the dead with a size of 100 sq.m. The construction and arrangement will be carried out by the Jewish community.

Please provide all possible assistance in the construction of the memorial.

This petition, please consider the official statement for the construction of the memorial and the separation of space for its construction.
