Greetings of
President Fishe1 Fidel

My dear friends—

It is my greatest pleasure on this memorable night, to be with the officers and members. I am delighted to see our kindliest and friends share with us the joy of this Golden Jubilee. I share with you all the honor of our Guest Moses Les Klotz. I express the warm thanks of everyone here to-night, to our Chairman Michael Dresner, and to all the members of the Arrangement Committee, for making this gala affair possible.

It is said that all beginnings are hard. Yes, our founding fathers, who came here from Czarist had no easy way of it. They left Russia because they were poor and oppressed. When they came to America they brought with them the idea of brotherhood. In the year 1902 their dream became real. The ERSTE CIZERANER SOKHET was organized. The main purpose was to help each other, and whichever they could help the outside needy also.

May the Almighty God bless you all with health, happiness and long life. May we all continue the good work, and live to celebrate many more memorable and joyous days.

Fraternally yours,

Fishe1 Fidel
President.
