

Dear Mr. Goldberger,

Thank you very much for your request to Mittelbau-Dora Concentration Camp Memorial.

Following information I have got in the archival records of our document center:

**ERNÖ GOLDBERGER**, born on 25/09/1925 in Zápszony, was deported to Buchenwald Concentration Camp on 24/05/1944. The SS registered him with the inmate's number 55530. Two days later, on 26/05/1944, the SS transferred him to "Dora" which was a sub-camp of Buchenwald at this time. On 12/07/1944 Ernő Goldberger died in "Dora". His name is recorded in the memorial book for the victims of Mittelbau-Dora Concentration Camp.

**EMIL GOLDBERGER**, born on 14/08/1930 in Zápszony, was deported to Buchenwald Concentration Camp on 24/05/1944, too. The SS registered him with the inmate's number 55051. On 29/05/1944 the SS transferred him to "Dora" which was a sub-camp of Buchenwald at this time. In October 1944 "Dora" received the status of an independent camp and was now referred to officially as the Mittelbau Concentration Camp. On 01/11/1944 Emil Goldberger is listed in an alphabetical register of all inmates of the Mittelbau Camp. Unfortunately, no more information is available in the archival records of Mittelbau-Dora Concentration Camp Memorial.

**HERMAN GOLDBERGER**, born on 17/05/1930 in Zápszony, was deported to Buchenwald Concentration Camp on 24/05/1944. The SS registered him with the inmate's number 55052. On 29/05/1944 the SS transferred him together with Emil Goldberger to "Dora". On 01/11/1944 Herman Goldberger is listed in the alphabetical register of all inmates of the Mittelbau Camp. Unfortunately, no more information is available in the archival records of Mittelbau-Dora Concentration Camp Memorial.

**DEZSŐ GOLDBERGER**, born on 01/07/1926 in Zápszony, was deported to Buchenwald Concentration Camp on 24/05/1944. The SS registered him with the inmate's number 55627. On 01/11/1944 Deszö Goldberger is listed in the alphabetical register of all inmates of the Ellrich Camp. Ellrich was a sub-camp of the new founded Mittelbau-Camp. Deszö Goldberger died on 19/03/1945 in the Boelcke-Kaserne in the town of Nordhausen. His name is recorded in the memorial book for the victims of Mittelbau-Dora Concentration Camp. Unfortunately, we do not know, when exactly the SS brought Dezsö Goldberger to the Ellrich Camp or to the Boelcke-Kaserne.

Attached you find some detailed information on the Boelcke-Kaserne and the Ellrich Camp.

The corpses were transported from the Boelcke-Kaserne in the town of Nordhausen to the crematorium of the Mittelbau-Camp. All corpses were buried anonymously. The ash grave behind the former crematorium contains the remains of around 7,000 people whose corpses were burned in the crematorium. The square of remembrance in front of the former crematorium was re-designed in the year 2000. Since then, commemorative plaques for all inmates and also one for Jewish prisoners have been added as reminders of the victims of the camp.

If there are any other questions, don't hesitate to contact me again.

With best regards

Dear Mr. Tamás,  
on the occasion of the 65<sup>th</sup> anniversary of the liberation of Mittelbau-Dora Concentration Camp the memorial book was presented to the Inmates' Council on 11. April 2010 in a limited edition (10 books). It is anticipated that from the beginning of 2011 it will be possible to access a digital version of this memorial book via the homepage of the Buchenwald and Mittelbau-Dora Memorials Foundation.

Dezsó Goldberger was imprisoned in Ellrich Camp at first; then the SS transported him to the Boelcke-Kaserne. Deszo Goldberger died in the Boelcke-Kaserne. There is no information on the cause of death in the archival records. Probably, he died from hunger and weakness. The corpse was transported from the Boelcke-Kaserne to the crematorium of Mittelbau-Dora Concentration Camp and was burnt there.

There is no information on the kind of work they had to do in the camp, too.

Of course, the Mittelbau-Dora Concentration Camp Memorial is very interested in contacting Emil Goldberger in Israel. Please send us his address.

With best regards
