Sunday the 2/8/25 Special Committee At General Meeting
10 a.m.

A Special general meeting held at the Synagogue on Sunday the 2nd Aug 1925. at 10 a.m. The following members were present. Mr CH Robinson (in the Chair) K Leuboff, J Kaupish, A Nurick, H Blum, M Kover, B Persan, W Kover, H Weisberg, B Lester, A Broser, T. Kover, S Leuboff, S Blum, A Leuboff, E Ellert, J Kover, C Broser, L Mussbaum, M Kurland, J Pronovitz, S Werbeloff, M L Nurick, B Hummel & Dr Golger.

The Secretary read the Notice concerning the meeting. Hereafter the Chairman explained the object of the meeting, and asked the Secretary to read the letters that passed between the Committee & K Leuboff. Mr Leuboff objected to having these letters read, except the last one. After some discussion it was decided to take a vote, the voting resulted.

13 for reading the letters & 4 against. The Secretary read the letters, after that the Chairman declared the meeting

open for discussion.

Mr K Leuboff spoke of some length, and gave his reasons for refusing to increase his subscription to 27/6, the reason being that all married members do not pay the same rate and mentioned, that unless such time that everybody will pay a uniform rate, he will not increase, he also took objection to the last letter whereby notice was given to him of increasing his subs or will cease to be a member or from the 1st of August 1925. The Chairman replied to K Leuboff's arguments pointing out that Mr Leuboff was paying 19/6 before his marriage, and promised or soon or he got married to increase to 27/6. and knowing that he can afford to pay, and making use of all the privileges as a married member, the Committee therefore decided that he must also pay 27/6 as the majority of the married members who can afford. He (the Chairman) also pointed out that for the last two years Mr Leuboff did not contribute a penny towards the upkeep of the congregation where or every member has given liberal support, and the attitude taken up by

Mr Leukoff in refusing to increase or to donate anything is best known to himself.

Mr Muskhann also spoke of some length and mentioned amongst other things that Mr Leukoff mentioned that he ought to pay more expressed himself he is quite prepared to pay 2 1/2 or even more provided that a new Minister is engaged of a higher education and a better qualified man - and where Mr Leukoff makes use of the privileges, he does not make use of any and therefore agrees wholeheartedly to the action of the Committee.

Mr M. Kurland also spoke in a similar strain and also opposed of the action of the Committee.

Mr A. Blum wanted to know whether the Committee acted within their rights in suspending Mr Leukoff in asking him to increase his subscription - The Chairman replied that the Committee were quite justified in their action, and quoted rule No 51 whereby the Committee is empowered under special circumstances to reduce remit suspend or increase any congregational charges they may

think fit, without prejudicing his privileges as a member.

The Chairman again addressed the meeting and asked the members present to give their full support for the upkeep of a minister and other expenses in connection with the Synagogue. He said the Committee is unable to carry out their duties on behalf of the congregation, and further urged that members should take the example of fully paying members and not from those who half heartedly support and do not care about because of our congregation and Judaism. The Chairman finally mentioned if the members think that the Committee acted wrongly and are dissatisfied with their carrying out of their duties they can pass a vote of no confidence, and the Committee will then resign in a body.

A vote was taken with the following result.

For the approval of the Committee's action	19.

Blanks	2.

Mr M Kurland proposed that Mr Helman be reengaged for a period of six months at the same salary & conditions, and during the last two months of the six Mr Helman must give look for a place and the congregation can engage a new minister, but Mr Helman must give the congregation two months notice & should be get a place before the expiration of the engagement.
